Provided however, that for teachers providing instruction in career and technical education to school age students, the salary, to be considered as an approved expense, shall not exceed thirty-four thousand dollars for the two thousand twenty-two--two thousand twenty-three school year; thirty-eight thousand dollars for the two thousand twenty-three--two thousand twenty-four school year; forty-two thousand dollars for the two thousand twenty-four--two thousand twenty-five school year; forty-six thousand dollars for the two thousand twenty-five--two thousand twenty-six school year; and fifty thousand dollars for the two thousand twenty-six--two thousand twenty-seven school year, and thereafter. Any gifts, donations or interest earned by the board of cooperative educational services or on behalf of the board of cooperative educational services by the dormitory authority or any other source shall not be deducted in determining the cost of services allocated to each component school district. Any payments made to a component school district by the board of cooperative educational services pursuant to subdivision eleven of section six-p of the general municipal law attributable to an approved cost of service computed pursuant to this subdivision shall be deducted from the cost of services allocated to such component school district. The expense of transportation provided by the board of cooperative educational services pursuant to paragraph q of subdivision four of this section shall be eligible for aid apportioned pursuant to subdivision seven of section thirty-six hundred two of this chapter and no board of cooperative educational services transportation expense shall be an approved cost of services for the computation of aid under this subdivision. § 12. Paragraph b of subdivision 10 of section 3602 of the education law, as amended by section 16 of part B of chapter 57 of the laws of 2007, is amended to read as follows:

Such aid will be payable for weighted pupils attending career education programs operated by the school district and for weighted pupils for whom such school district contracts with boards of cooperative educational services to attend career education programs operated by a board of cooperative educational services. Weighted pupils for the purposes of this paragraph shall mean the sum of the attendance of students in grades ~~ten~~ nine through twelve in career education sequences in trade, industrial, technical, agricultural or health programs plus the product of sixteen hundredths multiplied by the attendance of students in grades ~~ten~~ nine through twelve in career education sequences in business and marketing as defined by the commissioner in regulations. The career education aid ratio shall be computed by subtracting from one the product obtained by multiplying fifty-nine percent by the combined wealth ratio. This aid ratio shall be expressed as a decimal carried to three places without rounding, but not less than thirty-six percent.

Any school district that receives aid pursuant to this paragraph shall be required to use such amount to support career education programs in the current year.

A board of education which spends less than its local funds as defined by regulations of the commissioner for career education in the base year during the current year shall have its apportionment under this subdivision reduced in an amount equal to such deficiency in the current or a succeeding school year, provided however that the commissioner may waive such reduction upon determination that overall expenditures per pupil in support of career education programs were continued at a level equal to or greater than the level of such overall expenditures per pupil in the preceding school year.

Such warrant shall state the amount of unexpended surplus funds in the custody of the board and shall further state that except as authorized or required by law, such unexpended surplus funds have been applied in determining the amount of the school tax levy. For the two thousand seven--two thousand eight school year, surplus funds as used in this subdivision shall mean any operating funds in excess of three percent of the current school year budget, and shall not include funds properly retained under other sections of law. For the two thousand eight--two thousand nine school year, and thereafter, surplus funds as used in this subdivision shall mean any operating funds in excess of four percent of the current school year budget, and shall not include funds properly retained under other sections of law. For the two thousand twenty--two thousand twenty-one school year through the two thousand twenty-four--two thousand twenty-five school year, surplus funds as used in this subdivision shall mean any operating funds in excess of eight percent of the current school year budget, and shall not include

1 funds properly retained under other sections of law. Such warrant shall
2 have the same force and effect as a warrant issued by a board of super-
3 visors to a collecting officer in a town. The collecting officer to whom
4 it may be delivered for collection shall be thereby authorized and
5 required to collect from every person named on such school tax roll the
6 sum set opposite his name, or the amount due from any person specified
7 therein, in the same manner and with the same powers that collecting
8 officers in towns are authorized to collect taxes levied by the board of
9 supervisors.

36 PART B

37 Section 1. Section 1503 of the business corporation law is amended by
38 adding a new paragraph (h) to read as follows:

39 (h) Any firm established for the business purpose of incorporating as
40 a professional service corporation formed to lawfully engage in the
41 practice of public accountancy, as such practice is respectively defined
42 under article one hundred forty-nine of the education law shall be
43 required to show (1) that a simple majority of the ownership of the
44 firm, in terms of financial interests, and voting rights held by the
45 firm's owners, belongs to individuals licensed to practice public
46 accountancy in some state, and (2) that all shareholders of a profes-
47 sional service corporation whose principal place of business is in this
48 state, and who are engaged in the practice of public accountancy in this
49 state, hold a valid license issued under section seventy-four hundred
50 four of the education law. For purposes of this paragraph, "financial
51 interest" means capital stock, capital accounts, capital contributions,
52 capital interest, or interest in undistributed earnings of a business
53 entity. Although firms may include non-licensee owners, the firm and
54 its owners must comply with rules promulgated by the state board of

1 regents. Notwithstanding the foregoing, a firm incorporated under this
2 section may not have non-licensee owners if the firm's name includes the
3 words "certified public accountant," or "certified public accountants,"
4 or the abbreviations "CPA" or "CPAs". Each non-licensee owner of a firm
5 that is incorporated under this section shall be a natural person who
6 actively participates in the business of the firm or its affiliated
7 entities. For purposes of this paragraph, "actively participate" means
8 to provide services to clients or to otherwise individually take part in
9 the day-to-day business or management of the firm. Such a firm shall
10 have attached to its certificate of incorporation a certificate or
11 certificates demonstrating the firm's compliance with this paragraph, in
12 lieu of the certificate or certificates required by subparagraph (ii) of
13 paragraph (b) of this section.

14 § 2. Section 1507 of the business corporation law is amended by adding
15 a new paragraph (c) to read as follows:

16 (c) Any firm established for the business purpose of incorporating as
17 a professional service corporation pursuant to paragraph (h) of section
18 fifteen hundred three of this article may issue shares to individuals
19 who are authorized by law to practice in this state the profession which
20 such corporation is authorized to practice and who are or have been
21 engaged in the practice of such profession in such corporation or a
22 predecessor entity, or who will engage in the practice of such profes-
23 sion in such corporation within thirty days of the date such shares are
24 issued and may also issue shares to employees of the corporation not
25 licensed as certified public accountants, provided that:

26 (i) at least fifty-one percent of the outstanding shares of stock of
27 the corporation are owned by certified public accountants,

28 (ii) at least fifty-one percent of the directors are certified public
29 accountants,

30 (iii) at least fifty-one percent of the officers are certified public
31 accountants,

32 (iv) the president, the chairperson of the board of directors and the
33 chief executive officer or officers are certified public accountants.

34 No shareholder of a firm established for the business purpose of incor-
35 porating as a professional service corporation pursuant to paragraph (h)
36 of section fifteen hundred three of this article shall enter into a
37 voting trust agreement, proxy or any other type of agreement vesting in
38 another person, other than another shareholder of the same corporation,
39 the authority to exercise voting power of any or all of his or her
40 shares. All shares issued, agreements made or proxies granted in
41 violation of this section shall be void.

42 § 3. Section 1508 of the business corporation law is amended by adding
43 a new paragraph (c) to read as follows:

44 (c) The directors and officers of any firm established for the busi-
45 ness purpose of incorporating as a professional service corporation
46 pursuant to paragraph (h) of section fifteen hundred three of this arti-
47 cle may include individuals who are not licensed to practice public
48 accountancy, provided however that at least fifty-one percent of the
49 directors, at least fifty-one percent of the officers and the president,
50 the chairperson of the board of directors and the chief executive offi-
51 cer or officers are authorized by law to practice in any state the
52 profession which such corporation is authorized to practice, and are
53 either shareholders of such corporation or engaged in the practice of
54 their professions in such corporation.

55 § 4. Section 1509 of the business corporation law, as amended by chap-
56 ter 550 of the laws of 2011, is amended to read as follows:

1 § 1509. Disqualification of shareholders, directors, officers and
2 employees.

3 If any shareholder, director, officer or employee of a professional
4 service corporation, including a design professional service corpo-
5 ration, who has been rendering professional service to the public
6 becomes legally disqualified to practice his or her profession within
7 this state, he or she shall sever all employment with, and financial
8 interests (other than interests as a creditor) in, such corporation
9 forthwith or as otherwise provided in section 1510 of this article. All
10 provisions of law regulating the rendering of professional services by a
11 person elected or appointed to a public office shall be applicable to a
12 shareholder, director, officer and employee of such corporation in the
13 same manner and to the same extent as if fully set forth herein. Such
14 legal disqualification to practice his or her profession within this
15 state shall be deemed to constitute an irrevocable offer by the disqual-
16 ified shareholder to sell his or her shares to the corporation, pursuant
17 to the provisions of section 1510 of this article or of the certificate
18 of incorporation, by-laws or agreement among the corporation and all
19 shareholders, whichever is applicable. Compliance with the terms of such
20 offer shall be specifically enforceable in the courts of this state. A
21 professional service corporation's failure to enforce compliance with
22 this provision shall constitute a ground for forfeiture of its certif-
23 icate of incorporation and its dissolution.

24 § 5. Paragraph (a) of section 1511 of the business corporation law, as
25 amended by chapter 550 of the laws of 2011, is amended and a new para-
26 graph (c) is added to read as follows:

27 (a) No shareholder of a professional service corporation [~~ex~~], includ-
28 ing a design professional service corporation, may sell or transfer his
29 or her shares in such corporation except to another individual who is
30 eligible to have shares issued to him or her by such corporation or
31 except in trust to another individual who would be eligible to receive
32 shares if he or she were employed by the corporation. Nothing herein
33 contained shall be construed to prohibit the transfer of shares by oper-
34 ation of law or by court decree. No transferee of shares by operation
35 of law or court decree may vote the shares for any purpose whatsoever
36 except with respect to corporate action under sections 909 and 1001 of
37 this chapter. The restriction in the preceding sentence shall not apply,
38 however, where such transferee would be eligible to have shares issued
39 to him or her if he or she were an employee of the corporation and, if
40 there are other shareholders, a majority of such other shareholders
41 shall fail to redeem the shares so transferred, pursuant to section 1510
42 of this article, within sixty days of receiving written notice of such
43 transfer. Any sale or transfer, except by operation of law or court
44 decree or except for a corporation having only one shareholder, may be
45 made only after the same shall have been approved by the board of direc-
46 tors, or at a shareholders' meeting specially called for such purpose by
47 such proportion, not less than a majority, of the outstanding shares as
48 may be provided in the certificate of incorporation or in the by-laws of
49 such professional service corporation. At such shareholders' meeting the
50 shares held by the shareholder proposing to sell or transfer his or her
51 shares may not be voted or counted for any purpose, unless all share-
52 holders consent that such shares be voted or counted. The certificate of
53 incorporation or the by-laws of the professional service corporation, or
54 the professional service corporation and the shareholders by private
55 agreement, may provide, in lieu of or in addition to the foregoing
56 provisions, for the alienation of shares and may require the redemption

1 or purchase of such shares by such corporation at prices and in a manner
2 specifically set forth therein. The existence of the restrictions on the
3 sale or transfer of shares, as contained in this article and, if appli-
4 cable, in the certificate of incorporation, by-laws, stock purchase or
5 stock redemption agreement, shall be noted conspicuously on the face or
6 back of every certificate for shares issued by a professional service
7 corporation. Any sale or transfer in violation of such restrictions
8 shall be void.

9 (c) A firm established for the business purpose of incorporating as a
10 professional service corporation pursuant to paragraph (h) of section
11 fifteen hundred three of this article, shall purchase or redeem the
12 shares of a non-licensed professional shareholder in the case of his or
13 her termination of employment within thirty days after such termination.
14 A firm established for the business purpose of incorporating as a
15 professional service corporation pursuant to paragraph (h) of section
16 fifteen hundred three of this article, shall not be required to purchase
17 or redeem the shares of a terminated non-licensed professional share-
18 holder if such shares, within thirty days after such termination, are
19 sold or transferred to another employee of the corporation pursuant to
20 this article.

21 § 6. Section 1514 of the business corporation law is amended by adding
22 a new paragraph (c) to read as follows:

23 (c) Each firm established for the business purpose of incorporating as
24 a professional service corporation pursuant to paragraph (h) of section
25 fifteen hundred three of this article shall, at least once every three
26 years on or before the date prescribed by the licensing authority,
27 furnish a statement to the licensing authority listing the names and
28 residence addresses of each shareholder, director and officer of such
29 corporation and certify as the date of certification and at all times
30 over the entire three year period that:

31 (i) at least fifty-one percent of the outstanding shares of stock of
32 the corporation are and were owned by certified public accountants,

33 (ii) at least fifty-one percent of the directors are and were certi-
34 fied public accountants,

35 (iii) at least fifty-one percent of the officers are and were certi-
36 fied public accountants,

37 (iv) the president, the chairperson of the board of directors and the
38 chief executive officer or officers are and were certified public
39 accountants.

40 The statement shall be signed by the president or any certified public
41 accountant vice-president and attested to by the secretary or any
42 assistant secretary of the corporation.

43 § 7. Paragraph (d) of section 1525 of the business corporation law, as
44 added by chapter 505 of the laws of 1983, is amended to read as follows:

45 (d) "Foreign professional service corporation" means a professional
46 service corporation, whether or not denominated as such, organized under
47 the laws of a jurisdiction other than this state, all of the sharehold-
48 ers, directors and officers of which are authorized and licensed to
49 practice the profession for which such corporation is licensed to do

33 able in the prior state fiscal year; provided, however, that if the
34 governor declares a fiscal emergency, and communicates such emergency to
35 the temporary president of the senate and speaker of the assembly, state
36 support for operating expenses at the state university and city univer-
37 sity may be reduced in a manner proportionate to one another, and the
38 aforementioned provisions shall not apply.

39 (v) Beginning in state fiscal year two thousand seventeen--two thou-
40 sand eighteen and ending in state fiscal year two thousand twenty--two
41 thousand twenty-one, the state shall appropriate and make available
42 general fund operating support, including fringe benefits, for the state
43 university in an amount not less than the amount appropriated and made
44 available in the prior state fiscal year; provided, however, that if the
45 governor declares a fiscal emergency, and communicates such emergency to
46 the temporary president of the senate and speaker of the assembly, state
47 support for operating expenses at the state university and city univer-
48 sity may be reduced in a manner proportionate to one another, and the
49 aforementioned provisions shall not apply; provided further, the state

11 (vii) For the state university fiscal years commencing two thousand
12 eleven--two thousand twelve and ending two thousand fifteen--two thou-
13 sand sixteen, each university center may set aside a portion of its
14 tuition revenues derived from tuition increases to provide increased

16 net taxable income is eighty thousand dollars or more subject to the
17 approval of a NY-SUNY 2020 proposal by the governor and the chancellor
18 of the state university of New York. Nothing in this paragraph shall be
19 construed as to authorize that students whose net taxable income is
20 eighty thousand dollars or more are eligible for tuition assistance
21 program awards pursuant to section six hundred sixty-seven of this
22 [~~chapter~~] title.

23 § 2. Paragraph (a) of subdivision 7 of section 6206 of the education

35 college tuition increase and the justification for such increase. The
36 justification provided by the community college for such increase shall
37 include a detailed analysis of ongoing operating costs, capital, debt

39 differential tuition charge based upon need or income. All students
40 enrolled in programs leading to like degrees at the senior colleges

54 that:

55 (i) Commencing with the two thousand eleven--two thousand twelve

11 pursuant to section six hundred eighty-nine-a of this chapter, shall be
12 applied toward the tuition charged for each semester, quarter or term of
13 study. Tuition for each semester, quarter or term of study shall not be
14 due for any student eligible to receive such tuition credit until the
15 tuition credit is calculated and applied against the tuition charged for

25 credit for each eligible student, as determined and calculated by the
26 New York state higher education services corporation pursuant to section

28 toward the tuition charged for each semester, quarter or term of study.
29 Tuition for each semester, quarter or term of study shall not be due for
30 any student eligible to receive such tuition credit until the tuition
31 credit is calculated and applied against the tuition charged for the
32 corresponding semester, quarter or term. Provided, further that the
33 revenue resulting from an increase in the rate of tuition shall be allo-
34 cated to each campus pursuant to a plan approved by the board of trus-
35 tees to support investments in new classroom faculty, instruction,
36 initiatives to improve student success and on-time completion and a
37 tuition credit for each eligible student.

38 (iii) On or before November thirtieth, two thousand seventeen, the
39 trustees shall approve and submit to the chairs of the assembly ways and
40 means committee and the senate finance committee and to the director of
41 the budget a master tuition plan setting forth the tuition rates that
42 the trustees propose for resident undergraduate students for the four
43 year period commencing with the two thousand seventeen--two thousand
44 eighteen academic year and ending in the two thousand twenty--two thou-
45 sand twenty-one academic year, and shall submit any proposed amendments
46 to such plan by November thirtieth of each subsequent year thereafter

56 support for operating expenses of the state university and city univer-

sity may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

(v) Beginning in state fiscal year two thousand seventeen--two thousand eighteen and ending in state fiscal year two thousand twenty--two thousand twenty-one, the state shall appropriate and make available general fund operating support, including fringe benefits, for the city university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine-h of this chapter.

(vi) Beginning in state fiscal year two thousand twenty-one--two thousand twenty-two and ending in state fiscal year two thousand twenty-four--two thousand twenty-five, the state shall appropriate and make available general fund operating support, including fringe benefits, for the city university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply; provided further, the state shall appropriate and make available general fund support to fully fund the tuition credit pursuant to subdivision two of section six hundred sixty-nine-h of this chapter.

2 section 358-a of the social services law is designated subparagraph (i)
3 and a new subparagraph (ii) is added to read as follows:

4 (ii) When a child whose legal custody was transferred to the commis-
5 sioner of a local social services district in accordance with this
6 section resides in a qualified residential treatment program, as defined
7 in section four hundred nine-h of this chapter, and where such child's
8 initial placement or change in placement in such program commenced on or
9 after September twenty-ninth, two thousand twenty-one, upon receipt of
10 notice required pursuant to subparagraph (i) of this paragraph and
11 motion of the local social services district, the court shall schedule a
12 hearing in accordance with section three hundred ninety-three of this
13 chapter. Such motion of the local social services district to the court
14 shall be made contemporaneously upon provision of such notice. Notwith-
15 standing any other provision of law to the contrary, such hearing shall
16 be scheduled and completed within sixty days from the date the placement
17 of the child in the qualified residential treatment program commenced.

18 § 1-a. Section 371 of the social services law is amended by adding a
19 new subdivision 22 to read as follows:

20 22. "Supervised setting" shall mean a residential placement in the
21 community approved and supervised by an authorized agency or the local
22 social services district in accordance with the regulations of the
23 office of children and family services to provide a transitional experi-
24 ence for older youth in which such youth may live independently. A
25 supervised setting includes, but is not limited to, placement in a
26 supervised independent living program, as defined in subdivision twen-
27 ty-one of this section.

28 § 1-b. Paragraph (c) of subdivision 2 of section 383-a of the social
29 services law, as added by section 5 of part M of chapter 54 of the laws
30 of 2016, is amended to read as follows:

31 (c) "Child care facility" shall mean an institution, group residence,
32 group home, agency operated boarding home, or supervised setting,
33 including a supervised independent living program.

34 § 2. The social services law is amended by adding a new section 393 to
35 read as follows:

36 § 393. Court approval of placement in a qualified residential treat-
37 ment program. 1. The provisions of this section shall apply when a child
38 is placed on or after September twenty-ninth, two thousand twenty-one
39 and resides in a qualified residential treatment program, as defined in
40 section four hundred nine-h of this article, and whose care and custody
41 were transferred to the commissioner of a local social services district
42 in accordance with section three hundred fifty-eight-a of this chapter,
43 or whose custody and guardianship were transferred to the commissioner
44 of a local social services district in accordance with section three
45 hundred eighty-three-c, or three hundred eighty-four-b of this title.

46 2. (a) Upon completion of the assessment by the qualified individual,
47 the local social services district shall submit the completed assessment
48 conducted by the qualified individual to the court, and counsel for all
49 parties, including the attorney for the child, and the child's family
50 and permanency team forthwith or within one business day. The petitioner
51 shall schedule the hearing and notify the parties, including the attor-
52 ney for the child. Within sixty days of the start of a placement of a
53 child referenced in subdivision one of this section in a qualified resi-
54 dential treatment program, the court shall:

1 (i) Consider the assessment, determination, and documentation made by
2 the qualified individual pursuant to section four hundred nine-h of this
3 article;

4 (ii) Determine whether the needs of the child can be met through
5 placement in a foster family home and, if not, whether placement of the
6 child in the qualified residential treatment program provides the most
7 effective and appropriate level of care for the child in the least
8 restrictive environment and whether that placement is consistent with
9 the short-term and long-term goals for the child, as specified in the
10 child's permanency plan; and

11 (iii) Approve or disapprove the placement of the child in the quali-
12 fied residential treatment program. Provided that, notwithstanding any
13 other provision of law to the contrary, where the qualified individual
14 determines that the placement of the child in the qualified residential
15 treatment program is not appropriate under the standards set in accord-
16 ance with section four hundred nine-h of this article, the court may
17 only approve the placement of the child in the qualified residential
18 treatment program if:

19 (A) the court finds, and states in the written order that:

20 (1) extenuating circumstances exist that necessitate the continued
21 placement of the child in the qualified residential treatment program
22 despite the finding of the qualified individual, except that a shortage
23 or lack of foster family homes shall not constitute extenuating circum-
24 stances warranting a determination that the needs of the child cannot be
25 met in a foster family home;

26 (2) that continued placement in the qualified residential program is
27 in the child's best interest despite the finding by the qualified indi-
28 vidual that the child's placement in such setting is not appropriate;
29 and

30 (B) the court's written order states the specific reasons why the
31 court has made the findings required pursuant to clause (A) of this
32 subparagraph.

33 (iv) If the court approves the placement of the child in a qualified
34 residential treatment program where the qualified individual determines
35 that such placement is not appropriate under the standards set in
36 accordance with section four hundred nine-h of this article, the local
37 social services district, parent of the child, or the attorney for the
38 child may request a hearing with the court to be held within thirty
39 days, to review whether the placement in a qualified residential treat-
40 ment program continues to be in the child's best interest.

41 (b) If the court issues a new placement order, there is a presumption
42 that such order will be for the child to be placed in an available
43 foster family home; however, if in the child's best interest, the court
44 may also issue an order permitting the placement of the child in: (i) an
45 available supervised setting, as such term is defined in section three
46 hundred seventy-one of this title; (ii) if the child has been found to
47 be, or is at risk of becoming, a sexually exploited child as defined in
48 subdivision one of section four hundred forty-seven-a of this article, a
49 setting providing residential care and supportive services for sexually
50 exploited children; (iii) a setting specializing in providing prenatal,
51 post-partum, or parenting supports for youth; or (iv) an available
52 program licensed or certified by the office of children and family
53 services other than a qualified residential treatment program setting
54 deemed not appropriate for the child.

55 3. Documentation of the court's determination pursuant to this section
56 shall be recorded in the child's case record.

1 4. To the extent federally allowable, nothing in this section shall
2 prohibit the court's approval of a placement in a qualified residential
3 treatment program from occurring at the same time as another hearing
4 scheduled for such child, including but not limited to the child's
5 dispositional or permanency hearing, provided such approval is completed
6 within sixty days of the start of such placement.

7 § 2-a. Subparagraph 1 of paragraph (g) of subdivision 6 and subdivi-
8 sion 10 of section 398 of the social services law, subparagraph 1 of
9 paragraph (g) of subdivision 6 as amended by chapter 3 of the laws of
10 2012 and subdivision 10 as amended by chapter 563 of the laws of 1986,
11 are amended to read as follows:

12 (1) Place children in its care and custody or its custody and guardi-
13 anship, in suitable instances, in supervised settings, family homes,
14 agency boarding homes, group homes or institutions under the proper
15 safeguards. Such placements can be made either directly, or through an
16 authorized agency, except that, direct placements in agency boarding
17 homes or group homes may be made by the social services district only if
18 the office of children and family services has authorized the district
19 to operate such homes in accordance with the provisions of section three
20 hundred seventy-four-b of this [~~chapter~~] article and only if suitable
21 care is not otherwise available through an authorized agency under the
22 control of persons of the same religious faith as the child. Where such
23 district places a child in [~~an~~] a supervised setting, agency boarding
24 home, group home or institution, either directly, or through an author-
25 ized agency, the district shall certify in writing to the office of
26 children and family services, that such placement was made because it
27 offers the most appropriate and least restrictive level of care for the
28 child, and, is more appropriate than a family foster home placement, or,
29 that such placement is necessary because there are no qualified foster
30 families available within the district who can care for the child. If
31 placements in agency boarding homes, group homes or institutions are the
32 result of a lack of foster parents within a particular district, the
33 office of children and family services shall assist such district to
34 recruit and train foster parents. Placements shall be made only in
35 institutions visited, inspected and supervised in accordance with title
36 three of article seven of this chapter and conducted in conformity with
37 the applicable regulations of the supervising state agency in accordance
38 with title three of article seven of this chapter. With the approval of
39 the office of children and family services, a social services district
40 may place a child in its care and custody or its custody and guardian-
41 ship in a federally funded job corps program and may receive reimburse-
42 ment for the approved costs of appropriate program administration and
43 supervision pursuant to a plan developed by the department and approved
44 by the director of the budget.

45 10. Any provision of this chapter or any other law notwithstanding,
46 where a foster child for whom a social services official has been making
47 foster care payments is in a supervised setting, including a foster
48 child in attendance at a college or university away from his or her
49 foster family boarding home, group home, agency boarding home or insti-
50 tution, a social services official may make foster payments, [~~not to~~
51 ~~exceed the amount which would have been paid to a foster parent on~~
52 ~~behalf of said child had the child been cared for in a foster family~~
53 ~~boarding home]~~ at a rate to be developed by the office of children and
54 family services, to such college or university, provider of room and
55 board, or youth, as appropriate, in lieu of payment to the foster
56 parents or authorized agency, for the purpose of room and board, if not

1 otherwise provided. Such rate shall be no lower than the rate paid for
2 a child's care in a foster family boarding home.

3 § 3. The social services law is amended by adding a new section 409-h
4 to read as follows:

5 § 409-h. Assessment of appropriateness of placement in a qualified
6 residential treatment program. 1. Legislative intent. It is the intent
7 of the legislature to promote policies to prevent foster care placements
8 and keep children safely at home with their families and, when that is
9 not possible, to utilize the most effective and appropriate level of
10 care in the least restrictive environment to support the child, as
11 determined through a comprehensive assessment of the child's particular
12 strengths and needs. It is also the intent of the legislature to prior-
13 itize home-based foster care settings whenever possible through iden-
14 tification and engagement of kinship resources and increased recruitment
15 and retention of foster homes for children who do not have appropriate
16 kinship resources.

17 2. (a) No later than thirty days after the start of a placement in a
18 qualified residential treatment program of a child in the care and
19 custody or the custody and guardianship of the commissioner of a local
20 social services district or the office of children and family services
21 that occurs on or after September twenty-ninth, two thousand twenty-one,
22 a qualified individual shall complete an assessment as to the appropri-
23 ateness of such placement utilizing an age-appropriate, evidence-based,
24 validated, functional assessment tool approved by the federal government
25 for such purpose. Such assessment shall be in accordance with 42 United
26 States Code sections 672 and 675a and the state's approved title IV-E
27 state plan and shall include, but not be limited to: (i) an assessment
28 of the strengths and needs of the child; and (ii) a determination of the
29 most effective and appropriate level of care for the child in the least
30 restrictive setting, including whether the needs of the child can be met
31 with family members or through placement in a foster family home, or in
32 a setting specified in paragraph (c) of this subdivision, consistent
33 with the short-term and long-term goals for the child as specified in
34 the child's permanency plan. Such assessment shall be completed in
35 conjunction with the family and permanency team established pursuant to
36 paragraph (b) of this subdivision. To the extent practicable, the
37 assessment must be completed prior to the placement of the child in the
38 qualified residential treatment program.

39 (b) The family and permanency team shall consist of all appropriate
40 biological family members, relatives, and fictive kin of the child, the
41 attorney for the child as well as, as appropriate, professionals who are
42 a resource to the family of the child, including but not limited to,
43 teachers, medical or mental health providers who have treated the child,
44 or clergy. In the case of a child who has attained the age of fourteen,
45 the family and permanency team shall include the members of the perman-
46 ency planning team for the child in accordance with 42 United States
47 Code section 675 and the state's approved title IV-E state plan.

48 (c) Where the qualified individual determines that the child may not
49 be placed in a foster family home, the qualified individual must specify
50 in writing the reasons why the needs of the child cannot be met by the
51 child's family or in a foster family home and why such a placement is
52 not the most effective and appropriate level of care for such child.
53 Such determination shall include whether the needs of the child can be
54 met through placement in:

55 (i) An available supervised setting, as such term is defined in
56 section three hundred seventy-one of this article;

(ii) If the child has been found to be, or is at risk of becoming, a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of this article, a setting providing residential care and supportive services for sexually exploited children;

(iii) A setting specializing in providing prenatal, post-partum or parenting supports for youth; or

(iv) A qualified residential treatment program.

3. Where the qualified individual determines that the placement of the child in the qualified residential treatment program is not appropriate under the standards set pursuant to subdivision two of this section, the local social services district or the office of children and family services with legal custody of the child, to the extent practicable, shall remove such child from the qualified residential treatment program within thirty days of the completion of the assessment, and if placement of the child is to continue, place said child with family members or in an available foster family home; however, if in the child's best interest, the office of children and family services or social services district may also place the child in a setting specified in paragraph (c) of subdivision two of this section other than a qualified residential treatment program setting deemed not appropriate for the child.

4. As used in the section, "qualified residential treatment program" means a program that is a non-foster family residential program in accordance with 42 United State Code section 672 and the state's approved title IV-E state plan.

5. As used in this section, "qualified individual" shall mean a trained professional or licensed clinician acting within their scope of practice who shall have current or previous relevant experience in the child welfare field. Such individual shall not be an employee of the state, county or municipal agency providing, overseeing or contracting for placements of children or an employee or contractor for an authorized agency providing placements for children, in accordance with 42 United States Code section 672 and the state's approved title IV-E state plan.

§ 4. The family court act is amended by adding a new section 353.7 to read as follows:

§ 353.7. Placement in qualified residential treatment programs. 1. The provisions of this section shall apply when a respondent is placed on or after September twenty-ninth, two thousand twenty-one and resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and whose care and custody were transferred to a local social services district or the office of children and family services in accordance with this article.

2. (a) When a respondent is in the care and custody of a local social services district or the office of children and family services pursuant to this article, such social services district or office shall report any anticipated placement of the respondent into a qualified residential treatment program as defined in section four hundred nine-h of the social services law to the court and the attorneys for the parties, including the attorney for the respondent, forthwith, but not later than one business day following either the decision to place the respondent in the qualified residential treatment program or the actual date the placement change occurred, whichever is sooner. Such notice shall indicate the date that the initial placement or change in placement is anticipated to occur or the date the placement change occurred, as applicable. Provided, however, if such notice lists an anticipated date for the placement change, the local social services district or office

1 shall subsequently notify the court and the attorneys for the parties,
2 including the attorney for the respondent, of the date the placement
3 change occurred, such notice shall occur no later than one business day
4 following the placement change.

5 (b) When a respondent whose legal custody was transferred to a local
6 social services district or the office of children and family services
7 in accordance with this article resides in a qualified residential
8 treatment program as defined in section four hundred nine-h of the
9 social services law, and where such respondent's initial placement or
10 change in placement in such qualified residential treatment program
11 commenced on or after September twenty-ninth, two thousand twenty-one,
12 upon receipt of notice required pursuant to paragraph (a) of this subdi-
13 vision and motion of the local social services district or the office of
14 children and family services with legal custody of the respondent, the
15 court shall schedule a hearing in accordance with subdivision three of
16 this section. Notwithstanding any other provision of law to the contra-
17 ry, such hearing shall than be scheduled and completed within sixty days
18 from the date the placement of the respondent in the qualified residen-
19 tial treatment program commenced.

20 3. (a) Upon completion of the assessment by the qualified individual,
21 the local social services district shall submit the completed assessment
22 conducted by the qualified individual to the court, and counsel for all
23 parties, including the attorney for the child, and the child's family
24 and permanency team forthwith or within one business day. The present-
25 ment agency, or designee, shall schedule the hearing and notify the
26 parties, including the attorney for the child. Within sixty days of the
27 start of a placement of a respondent referenced in subdivision one of
28 this section in a qualified residential treatment program, the court
29 shall:

30 (i) Consider the assessment, determination, and documentation made by
31 the qualified individual pursuant to section four hundred nine-h of the
32 social services law;

33 (ii) Determine whether the needs of the respondent can be met through
34 placement in a foster family home and, if not, whether placement of the
35 respondent in the qualified residential treatment program provides the
36 most effective and appropriate level of care for the respondent in the
37 least restrictive environment and whether that placement is consistent
38 with the short-term and long-term goals for the respondent as specified
39 in the respondent's permanency plan; and

40 (iii) Approve or disapprove the placement of the respondent in a qual-
41 ified residential treatment program. Provided that, notwithstanding any
42 other provision of law to the contrary, where a qualified individual
43 determines that the placement of the respondent in a qualified residen-
44 tial treatment program is not appropriate under the standards set in
45 accordance with section four hundred nine-h of the social services law,
46 the court may only approve the placement of the respondent in the quali-
47 fied residential treatment program if:

48 (A) the court finds, and states in the written order that:

49 (1) extenuating circumstances exist that necessitate the continued
50 placement of the respondent in the qualified residential treatment
51 program despite the finding of the qualified individual, except that a
52 shortage or lack of foster family homes shall not constitute extenuating
53 circumstances warranting a determination that the needs of the child
54 cannot be met in a foster family home;

55 (2) there is not an alternative setting available that can meet the
56 respondent's needs in a less restrictive environment; and

1 (3) that continued placement in the qualified residential treatment
2 program serves the respondent's needs and best interests or the need for
3 protection of the community despite the finding by the qualified indi-
4 vidual that the respondent's placement in such setting is not appropri-
5 ate; and

6 (B) the court's written order states the specific reasons why the
7 court has made the findings required pursuant to clause (A) of this
8 subparagraph.

9 (iv) If the court approves the placement of the respondent in a quali-
10 fied residential treatment program where the qualified individual deter-
11 mines that such placement is not appropriate under the standards set in
12 accordance with section four hundred nine-h of the social services law,
13 the court shall hold a hearing to review whether the placement in a
14 qualified residential treatment program continues to be in the respond-
15 ent's best interest within thirty days of such approval.

16 (b) If the court issues a new placement order, there is a presumption
17 that such order will be for the respondent to be placed in an available
18 foster family home; however, if in the respondent's best interest, the
19 court may also issue an order permitting the placement of the respondent
20 in:

21 (i) An available supervised setting, as such term is defined in
22 section three hundred seventy-one of the social services law;

23 (ii) If the respondent has been found to be, or is at risk of becom-
24 ing, a sexually exploited child as defined in subdivision one of section
25 four hundred forty-seven-a of the social services law, a setting provid-
26 ing residential care and supportive services for sexually exploited
27 children;

28 (iii) A setting specializing in providing prenatal, post-partum, or
29 parenting supports for youth; or

30 (iv) An available program licensed or certified by the office of chil-
31 dren and family services other than a qualified residential treatment
32 program setting deemed not appropriate for the respondent.

33 4. Documentation of the court's determination pursuant to this section
34 shall be recorded in the respondent's case record.

35 5. To the extent federally allowable, nothing in this section shall
36 prohibit the court's approval of a placement in a qualified residential
37 treatment program from occurring at the same time as another hearing
38 scheduled for such respondent, including but not limited to the respond-
39 ent's dispositional or permanency hearing, provided such approval is
40 completed within sixty days of the start of such placement.

41 § 5. Section 355.5 of the family court act is amended by adding a new
42 subdivision 10 to read as follows:

43 10. Where the respondent remains placed in a qualified residential
44 treatment program, as defined in section four hundred nine-h of the
45 social services law, the commissioner of the local social services
46 district or the office of children and family services with legal custo-
47 dy of the respondent shall submit evidence at the permanency hearing
48 with respect to the respondent:

49 (a) demonstrating that ongoing assessment of the strengths and needs
50 of the respondent cannot be met through placement in the foster family
51 home, that the placement in the qualified residential treatment program
52 provides the most effective and appropriate level of care for the
53 respondent in the least restrictive environment, and that the placement
54 is consistent with the short-term and long-term goals for the respond-
55 ent, as specified in the respondent's permanency plan;

1 (b) documenting the specific treatment and service needs that will be
2 met for the respondent in the placement and the length of time the
3 respondent is expected to need the treatment or services; and

4 (c) documenting the efforts made by the local social services district
5 or the office of children and family services with legal custody of the
6 respondent to prepare the respondent to return home, or to be placed
7 with a fit and willing relative, legal guardian or adoptive parent, or
8 in a foster family home.

9 § 6. Section 756-a of the family court act is amended by adding a new
10 subdivision (h) to read as follows:

11 (h) Where the respondent remains placed in a qualified residential
12 treatment program, as defined in section four hundred nine-h of the
13 social services law, the commissioner of the local social services
14 district with legal custody of the respondent shall submit evidence at
15 the permanency hearing with respect to the respondent:

16 (i) demonstrating that ongoing assessment of the strengths and needs
17 of the respondent continues to support the determination that the needs
18 of the respondent cannot be met through placement in a foster family
19 home, that the placement in a qualified residential treatment program
20 provides the most effective and appropriate level of care for the
21 respondent in the least restrictive environment, and that the placement
22 is consistent with the short-term and long-term goals of the respondent,
23 as specified in the respondent's permanency plan;

24 (ii) documenting the specific treatment or service needs that will be
25 met for the respondent in the placement and the length of time the
26 respondent is expected to need the treatment or services; and

27 (iii) documenting the efforts made by the local social services
28 district with legal custody of the respondent to prepare the respondent
29 to return home, or to be placed with a fit and willing relative, legal
30 guardian or adoptive parent, or in a foster family home.

31 § 7. The family court act is amended by adding a new section 756-b to
32 read as follows:

33 § 756-b. Court approval of placement in a qualified residential treat-
34 ment program. 1. The provisions of this section shall apply when a
35 respondent is placed on or after September twenty-ninth, two thousand
36 twenty-one and resides in a qualified residential treatment program, as
37 defined in section four hundred nine-h of the social services law, and
38 whose care and custody were transferred to a local social services
39 district in accordance with this part.

40 2. (a) When a respondent is in the care and custody of a local social
41 services district pursuant to this part, such social services district
42 shall report any anticipated placement of the respondent into a quali-
43 fied residential treatment program, as defined in section four hundred
44 nine-h of the social services law, to the court and the attorneys for
45 the parties, including the attorney for the respondent, forthwith, but
46 not later than one business day following either the decision to place
47 the respondent in the qualified residential treatment program or the
48 actual date the placement change occurred, whichever is sooner. Such
49 notice shall indicate the date that the initial placement or change in
50 placement is anticipated to occur or the date the placement change
51 occurred, as applicable. Provided, however, if such notice lists an
52 anticipated date for the placement change, the local social services
53 district shall subsequently notify the court and the attorneys for the
54 parties, including the attorney for the respondent, of the date the
55 placement change occurred; such notice shall occur no later than one
56 business day following the placement change.

1 (b) When a respondent whose legal custody was transferred to a local
2 social services district in accordance with this part resides in a qual-
3 ified residential treatment program, as defined in section four hundred
4 nine-h of the social services law, and where such respondent's initial
5 placement or change in placement in such qualified residential treatment
6 program commenced on or after September twenty-ninth, two thousand twen-
7 ty-one, upon receipt of notice required pursuant to paragraph (a) of
8 this subdivision and motion of the local social services district, the
9 court shall schedule a hearing in accordance with subdivision three of
10 this section. Notwithstanding any other provision of law to the contra-
11 ry, such hearing shall be scheduled and completed within sixty days from
12 the date the placement of the respondent in the qualified residential
13 treatment program commenced.

14 3. (a) Upon completion of the assessment by the qualified individual,
15 the local social services district shall submit the completed assessment
16 conducted by the qualified individual to the court, and counsel for all
17 parties, including the attorney for the child, and the child's family
18 and permanency team forthwith or within one business day. The petitioner
19 shall schedule the hearing and notify the parties, including the attor-
20 ney for the child. Within sixty days of the start of a placement of a
21 respondent referenced in subdivision one of this section in a qualified
22 residential treatment program, the court shall:

23 (i) Consider the assessment, determination and documentation made by
24 the qualified individual pursuant to section four hundred nine-h of the
25 social services law;

26 (ii) Determine whether the needs of the respondent can be met through
27 placement in a foster family home and, if not, whether placement of the
28 respondent in the qualified residential treatment program provides the
29 most effective and appropriate level of care for the respondent in the
30 least restrictive environment and whether that placement is consistent
31 with the short-term and long-term goals for the respondent as specified
32 in the respondent's permanency plan; and

33 (iii) Approve or disapprove the placement of the respondent in a qual-
34 ified residential treatment program. Provided that, notwithstanding any
35 other provision of law to the contrary, where the qualified individual
36 determines that the placement of the respondent in a qualified residen-
37 tial treatment program is not appropriate under the standards set in
38 accordance with section four hundred nine-h of the social services law,
39 the court may only approve the placement of the respondent in the quali-
40 fied residential treatment program if:

41 (A) the court finds, and states in the written order that:

42 (1) extenuating circumstances exist that necessitate the continued
43 placement of the respondent in the qualified residential treatment
44 program despite the finding of the qualified individual, except that a
45 shortage or lack of foster family homes shall not constitute extenuating
46 circumstances warranting a determination that the needs of the child
47 cannot be met in a foster family home;

48 (2) there is not an alternative setting available that can meet the
49 respondent's needs in a less restrictive environment; and

50 (3) that it would be contrary to the welfare of the respondent to be
51 placed in a less restrictive setting and that continued placement in the
52 qualified residential program is in the respondent's best interest
53 despite the finding by the qualified individual that the respondent's
54 placement in such setting is not appropriate; and

1 (B) the court's written order states the specific reasons why the
2 court has made the findings required pursuant to clause (A) of this
3 subparagraph.

4 (iv) If the court approves the placement of the respondent in a quali-
5 fied residential treatment program where the qualified individual deter-
6 mines that such placement is not appropriate under the standards set in
7 accordance with section four hundred nine-h of the social services law,
8 the court shall hold a hearing to review whether the placement in a
9 qualified residential treatment program continues to be in the respond-
10 ent's best interest within thirty days of such approval.

11 (b) Notwithstanding any other provision of law to the contrary, if the
12 existing governing placement order of the court regarding the respondent
13 would not permit the local social services district to move the respond-
14 ent from the qualified residential treatment program as required by
15 section four hundred nine-h of the social services law, the court shall
16 issue a new order which shall not preclude such respondent from being
17 placed in a different setting. If the court issues a new placement
18 order, there is a presumption that such order will be for the respondent
19 to be placed in an available foster family home; however, if in the
20 respondent's best interest, the court may also issue an order permitting
21 the placement of the respondent in:

22 (i) An available supervised setting, as such term is defined in
23 section three hundred seventy-one of the social services law;

24 (ii) If the respondent has been found to be, or is at risk of becom-
25 ing, a sexually exploited child as defined in subdivision one of section
26 four hundred forty-seven-a of the social services law, a setting provid-
27 ing residential care and supportive services for sexually exploited
28 children;

29 (iii) A setting specializing in providing prenatal, post-partum, or
30 parenting supports for youth; or

31 (iv) An available program licensed or certified by the office of chil-
32 dren and family services other than a qualified residential treatment
33 program setting deemed not appropriate for the respondent.

34 4. Documentation of the court's determination pursuant to this section
35 shall be recorded in the respondent's case record.

36 5. To the extent federally allowable, nothing in this section shall
37 prohibit the court's approval of a placement in a qualified residential
38 treatment program from occurring at the same time as another hearing
39 scheduled for such respondent, including but not limited to the respond-
40 ent's dispositional or permanency hearing, provided such approval is
41 completed within sixty days of the start of such placement.

42 § 8. The opening paragraph of subdivision 5 of section 1017 of the
43 family court act is designated paragraph (a) and a new paragraph (b) is
44 added to read as follows:

45 (b) When a child whose legal custody was transferred to the commis-
46 sioner of a local social services district in accordance with this
47 section resides in a qualified residential treatment program, as defined
48 in section four hundred nine-h of the social services law, and where
49 such child's initial placement or change in placement in such program
50 commenced on or after September twenty-ninth, two thousand twenty-one,
51 upon receipt of notice required pursuant to paragraph (a) of this subdi-
52 vision and motion of the local social services district, the court shall
53 schedule a hearing in accordance with section one thousand fifty-five-c
54 of this article. Notwithstanding any other provision of law to the
55 contrary, such hearing shall be scheduled and completed within sixty

1 days from the date the placement of the child in the qualified residen-
2 tial treatment program commenced.

3 § 9. The opening paragraph of subdivision (j) of section 1055 of the
4 family court act is designated paragraph (i) and a new paragraph (ii) is
5 added to read as follows:

6 (ii) When a child whose legal custody was transferred to the commis-
7 sioner of a local social services district in accordance with this
8 section resides in a qualified residential treatment program, as defined
9 in section four hundred nine-h of the social services law, and where
10 such child's initial placement or change in placement in such program
11 commenced on or after September twenty-ninth, two thousand twenty-one,
12 upon receipt of notice required pursuant to paragraph (i) of this subdi-
13 vision and motion of the local social services district, the court shall
14 schedule a hearing in accordance with section one thousand fifty-five-c
15 of this part. Notwithstanding any other provision of law to the contra-
16 ry, such hearing shall be scheduled and completed within sixty days from
17 the date the placement of the child in the qualified residential treat-
18 ment program commenced.

19 § 10. The family court act is amended by adding a new section 1055-c
20 to read as follows:

21 § 1055-c. Court approval of placement in a qualified residential
22 treatment program. 1. The provisions of this section shall apply when a
23 child is placed on or after September twenty-ninth, two thousand twen-
24 ty-one and resides in a qualified residential treatment program, as
25 defined in section four hundred nine-h of the social services law, and
26 whose care and custody were transferred to the commissioner of a local
27 social services district in accordance with this article.

28 2. Upon completion of the assessment by the qualified individual, the
29 local social services district shall submit the completed assessment
30 conducted by the qualified individual to the court, and counsel for all
31 parties, including the attorney for the child, and the child's family
32 and permanency team forthwith or within one business day. The petitioner
33 shall schedule the hearing and notify the parties, including the attor-
34 ney for the child. Within sixty days of the start of a placement of a
35 child referenced in subdivision one of this section in a qualified resi-
36 dential treatment program, the court shall:

37 (a) Consider the assessment, determination, and documentation made by
38 the qualified individual pursuant to section four hundred nine-h of the
39 social services law;

40 (b) Determine whether the needs of the child can be met through place-
41 ment in the foster family home and, if not, whether placement of the
42 child in the qualified residential treatment program provides the most
43 effective and appropriate level of care for the child in the least
44 restrictive environment and whether that placement is consistent with
45 the short-term and long-term goals for the child, as specified in the
46 child's permanency plan; and

47 (c) Approve or disapprove the placement of the child in a qualified
48 residential treatment program. Provided that, notwithstanding any other
49 provision of law to the contrary, where the qualified individual deter-
50 mines that the placement of the child in a qualified residential treat-
51 ment program is not appropriate under the standards set in accordance
52 with section four hundred nine-h of the social service law, the court
53 may only approve the placement of the child in the qualified residential
54 treatment program if:

55 (i) the court finds, and states in the written order that:

1 (A) extenuating circumstances exist that necessitate the continued
2 placement of the child in the qualified residential treatment program
3 despite the finding of the qualified individual, except that a shortage
4 or lack of foster family homes shall not constitute extenuating circum-
5 stances warranting a determination that the needs of the child cannot be
6 met in a foster family home;

7 (B) there is not an alternative setting available that can meet the
8 child's needs in a less restrictive environment; and

9 (C) that continued placement in the qualified residential treatment
10 program is in the child's best interest despite the finding by the qual-
11 ified individual that the child's placement in such setting is not
12 appropriate; and

13 (ii) the court's written order states the specific reasons why the
14 court has made the findings required pursuant to subparagraph (i) of
15 this paragraph.

16 (d) If the court approves the placement of the child in a qualified
17 residential treatment program where the qualified individual determines
18 that such placement is not appropriate under the standards set in
19 accordance with section four hundred nine-h of the social services law,
20 the court shall hold a hearing to review whether the placement in the
21 qualified residential treatment program continues to be in the child's
22 best interest within thirty days of such approval.

23 3. Notwithstanding any other provision of law to the contrary, if the
24 existing governing placement order of the court regarding the child
25 would not permit the local social services district to move the child
26 from the qualified residential treatment program as required by section
27 four hundred nine-h of the social services law, the court shall issue a
28 new order which shall not preclude such child from being placed in a
29 different setting. If the court issues a new placement order, there is
30 a presumption that such order will be for the child to be placed in an
31 available foster family home; however, if in the child's best interest,
32 the court may also issue an order permitting the placement of the child
33 in:

34 (i) An available supervised setting, as such term is defined in
35 section three hundred seventy-one of the social services law;

36 (ii) If the child has been found to be, or is at risk of becoming, a
37 sexually exploited child as defined in subdivision one of section four
38 hundred forty-seven-a of the social services law, a setting providing
39 residential care and supportive services for sexually exploited chil-
40 dren;

41 (iii) A setting specializing in providing prenatal, post-partum, or
42 parenting supports for youth; or

43 (iv) An available program licensed or certified by the office of chil-
44 dren and family services other than a qualified residential treatment
45 program setting deemed not appropriate for the child.

46 4. Documentation of the court's determination pursuant to this section
47 shall be recorded in the child's case record.

48 5. To the extent federally allowable, nothing in this section shall
49 prohibit the court's approval of a placement in a qualified residential
50 treatment program from occurring at the same time as another hearing
51 scheduled for such child, including but not limited to the child's
52 dispositional or permanency hearing, provided such approval is completed
53 within sixty days of the start of such placement.

54 § 11. Clause (C) of subparagraph (ix) of paragraph 5 of subdivision
55 (c) of section 1089 of the family court act, as added by section 27 of

part A of chapter 3 of the laws of 2005, is amended, and a new paragraph 6 is added to read as follows:

(C) if the child is over age fourteen and has voluntarily withheld his or her consent to an adoption, the facts and circumstances regarding the child's decision to withhold consent and the reasons therefor[~~redacted~~]; and

(6) Where the child remains placed in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, the commissioner of the social services district with legal custody of the child shall submit evidence at the permanency hearing with respect to the child:

(i) demonstrating that ongoing assessment of the strengths and needs of the child continues to support the determination that the needs of the child cannot be met through placement in a foster family home, that the placement in the qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment, and that the placement is consistent with the short-term and long-term goals for the child, as specified in the child's permanency plan;

(ii) documenting the specific treatment or service needs that will be met for the child in the placement and the length of time the child is expected to need the treatment or services; and

(iii) documenting the efforts made by the local social services district to prepare the child to return home, or to be placed with a fit and willing relative, legal guardian or adoptive parent, or in a foster family home.

§ 12. The opening paragraph of clause (H) of subparagraph (vii) of paragraph 2 of subdivision (d) of section 1089 of the family court act is designated item (I) and a new item (II) is added to read as follows:

(II) When a child whose legal custody was transferred to the commissioner of a local social services district in accordance with this section resides in a qualified residential treatment program as defined in section four hundred nine-h of the social services law and where such child's initial placement or change in placement in such program commenced on or after September twenty-ninth, two thousand twenty-one, upon receipt of notice required pursuant to item (I) of this clause and motion of the local social services district, the court shall schedule a hearing in accordance with section three hundred ninety-three of the social services law or section one thousand fifty-five-c, one thousand ninety-one-a or one thousand ninety-seven of this chapter. Notwithstanding any other provision of law to the contrary, such hearing shall be scheduled and completed within sixty days from the date the placement of the child in the qualified residential treatment program commenced.

§ 13. The family court act is amended by adding a new section 1091-a to read as follows:

§ 1091-a. Court approval of placement in a qualified residential treatment program. 1. The provisions of this section shall apply when a former foster care youth is placed on or after September twenty-ninth, two thousand twenty-one, and resides in a qualified residential treatment program, as defined in section four hundred nine-h of the social services law, and whose care and custody were transferred to a local social services district or the office of children and family services in accordance with this article.

2. (a) When a former foster care youth is in the care and custody of a local social services district or the office of children and family services pursuant to this article, such social services district or office shall report any anticipated placement of the former foster care

1 youth into a qualified residential treatment program, as defined in
2 section four hundred nine-h of the social services law, to the court and
3 the attorneys for the parties, including the attorney for the former
4 foster care youth, forthwith, but not later than one business day
5 following either the decision to place the former foster care youth in
6 the qualified residential treatment program or the actual date the
7 placement change occurred, whichever is sooner. Such notice shall indi-
8 cate the date that the initial placement or change in placement is
9 anticipated to occur or the date the placement change occurred, as
10 applicable. Provided, however, if such notice lists an anticipated date
11 for the placement change, the local social services district or office
12 shall subsequently notify the court and attorneys for the parties,
13 including the attorney for the former foster care youth, of the date the
14 placement change occurred; such notice shall occur no later than one
15 business day following the placement change.

16 (b) When a former foster care youth whose legal custody was trans-
17 ferred to a local social services district or the office of children and
18 family services in accordance with this article resides in a qualified
19 residential treatment program, as defined in section four hundred nine-h
20 of the social services law, and where such former foster care youth's
21 initial placement or change in placement in such qualified residential
22 treatment program commenced on or after September twenty-ninth, two
23 thousand twenty-one, upon receipt of notice required pursuant to para-
24 graph (a) of this subdivision and motion of the local social services
25 district, the court shall schedule a hearing in accordance with subdivi-
26 sion three of this section. Notwithstanding any other provision of law
27 to the contrary, such hearing shall be scheduled and completed within
28 sixty days from the date the placement of the former foster care youth
29 in the qualified residential treatment program commenced.

30 3. Upon completion of the assessment by the qualified individual, the
31 local social services district shall submit the completed assessment
32 conducted by the qualified individual to the court, and counsel for all
33 parties, including the attorney for the child, and the child's family
34 and permanency team forthwith or within one business day. The petitioner
35 shall schedule the hearing and notify the parties, including the attor-
36 ney for the child. Within sixty days of the start of a placement of a
37 former foster care youth referenced in subdivision one of this section
38 in a qualified residential treatment program, the court shall:

39 (a) Consider the assessment, determination, and documentation made by
40 the qualified individual pursuant to section four hundred nine-h of the
41 social services law;

42 (b) Determine whether the needs of the former foster care youth can be
43 met through placement in a foster family home and, if not, whether
44 placement of the former foster care youth in the qualified residential
45 treatment program provides the most effective and appropriate level of
46 care for the former foster care youth in the least restrictive environ-
47 ment and whether that placement is consistent with the short-term and
48 long-term goals for the former foster care youth, as specified in the
49 former foster care youth's permanency plan; and

50 (c) Approve or disapprove the placement of the former foster care
51 youth in qualified residential treatment program. Provided that,
52 notwithstanding any other provision of law to the contrary, where the
53 qualified individual determines that the placement of the former foster
54 care youth in a qualified residential treatment program is not appropri-
55 ate under the standards set in accordance with section four hundred
56 nine-h of the social services law, the court may only approve the place-

1 ment of the former foster care youth in the qualified residential treat-
2 ment program if:

3 (i) the court finds, and states in the written order that:

4 (A) extenuating circumstances exist that necessitate the continued
5 placement of the former foster care youth in the qualified residential
6 treatment program despite the finding of the qualified individual,
7 except that a shortage or lack of foster family homes shall not consti-
8 tute extenuating circumstances warranting a determination that the needs
9 of the child cannot be met in a foster family home;

10 (B) there is not an alternative setting available that can meet the
11 former foster care youth's needs in a less restrictive environment; and

12 (C) that continued placement in the qualified residential treatment
13 program is in the former foster care youth's best interest despite the
14 finding by the qualified individual that the former foster care youth's
15 placement in such setting is not appropriate; and

16 (ii) the court's written order states the specific reasons why the
17 court has made the findings required pursuant to subparagraph (i) of
18 this paragraph.

19 (d) If the court approves the placement of the former foster care
20 youth in the qualified residential treatment program where the qualified
21 individual determines that such placement is not appropriate under the
22 standards set in accordance with section four hundred nine-h of the
23 social services law, the court shall hold a hearing to review whether
24 the placement in a qualified residential treatment program continues to
25 be in the former foster care youth's best interest within thirty days of
26 such approval.

27 4. Notwithstanding any other provision of law to the contrary, if the
28 existing governing placement order of the court regarding the former
29 foster care youth would not permit the local social services district or
30 the office to move the former foster care youth from the qualified resi-
31 dential treatment program as required by section four hundred nine-h of
32 the social services law, the court shall issue a new order which shall
33 not preclude such former foster care youth from being placed in a
34 different setting. If the court issues a new placement order, there is
35 a presumption that such order will be for the former foster care youth
36 to be placed in an available foster family home; however, if in the
37 former foster care youth's best interest, the court may also issue an
38 order permitting the placement of the former foster care youth in:

39 (a) An available supervised setting, as such term is defined in
40 section three hundred seventy-one of the social services law;

41 (b) If the former foster care youth has been found to be, or is at
42 risk of becoming, a sexually exploited child as defined in subdivision
43 one of section four hundred forty-seven-a of the social services law, a
44 setting providing residential care and supportive services for sexually
45 exploited children;

46 (c) A setting specializing in providing prenatal, post-partum, or
47 parenting supports for youth; or

48 (d) An available program licensed or certified by the office of chil-
49 dren and family services other than a qualified residential treatment
50 program setting deemed not appropriate for the former foster care youth.

51 5. Documentation of the court's determination pursuant to this section
52 shall be recorded in the former foster care youth's case record.

53 6. To the extent federally allowable, nothing in this section shall
54 prohibit the court's approval of a placement in a qualified residential
55 treatment program from occurring at the same time as another hearing
56 scheduled for such former foster care youth, including but not limited

1 to the former foster care youth's dispositional or permanency hearing,
2 provided such approval is completed within sixty days of the start of
3 such placement.

4 § 14. The family court act is amended by adding a new section 1097 to
5 read as follows:

6 § 1097. Court approval of placement in a qualified residential treat-
7 ment program. 1. The provisions of this section shall apply when a child
8 is placed on or after September twenty-ninth, two thousand twenty-one,
9 and resides in a qualified residential treatment program, as defined in
10 section four hundred nine-h of the social services law, and whose care
11 and custody were transferred to a local social services district in
12 accordance with this article.

13 2. (a) When a child is in the care and custody of a local social
14 services district pursuant to this article, such social services
15 district shall report any anticipated placement of the child into a
16 qualified residential treatment program, as defined in section four
17 hundred nine-h of the social services law, to the court and the attor-
18 neys for the parties, including the attorney for the child, forthwith,
19 but not later than one business day following either the decision to
20 place the child in the qualified residential treatment program or the
21 actual date the placement change occurred, whichever is sooner. Such
22 notice shall indicate the date that the initial placement or change in
23 placement is anticipated to occur or the date the placement change
24 occurred, as applicable. Provided, however, if such notice lists an
25 anticipated date for the placement change, the local social services
26 district shall subsequently notify the court and attorneys for the
27 parties, including the attorney for the child, of the date the placement
28 change occurred, such notice shall occur no later than one business day
29 following the placement change.

30 (b) When a child whose legal custody was transferred to a local social
31 services district in accordance with this article resides in a qualified
32 residential treatment program, as defined in section four hundred nine-h
33 of the social services law, and where such child's initial placement or
34 change in placement in such qualified residential treatment program
35 commenced on or after September twenty-ninth, two thousand twenty-one,
36 upon receipt of notice required pursuant to paragraph (a) of this subdi-
37 vision and motion of the local social services district, the court shall
38 schedule a hearing in accordance with subdivision three of this section.
39 Notwithstanding any other provision of law to the contrary, such hearing
40 shall be scheduled and completed within sixty days from the date the
41 placement of the child in the qualified residential treatment program
42 commenced.

43 3. Upon completion of the assessment by the qualified individual, the
44 local social services district shall submit the completed assessment
45 conducted by the qualified individual to the court, and counsel for all
46 parties, including the attorney for the child, and the child's family
47 and permanency team forthwith or within one business day. The petitioner
48 shall schedule the hearing and notify the parties, including the attor-
49 ney for the child. Within sixty days of the start of a placement of a
50 child referenced in subdivision one of this section in a qualified resi-
51 dential treatment program, the court shall:

52 (a) Consider the assessment, determination, and documentation made by
53 the qualified individual pursuant to section four hundred nine-h of the
54 social services law;

55 (b) Determine whether the needs of the child can be met through place-
56 ment in a foster family home and, if not, whether placement of the child

1 in the qualified residential treatment program provides the most effec-
2 tive and appropriate level of care for the child in the least restric-
3 tive environment and whether that placement is consistent with the
4 short-term and long-term goals for the child, as specified in the
5 child's permanency plan; and

6 (c) Approve or disapprove the placement of the child in the qualified
7 residential treatment program. Provided that, notwithstanding any other
8 provision of law to the contrary, where the qualified individual deter-
9 mines that the placement of the child in a qualified residential treat-
10 ment program is not appropriate under the standards set in accordance
11 with section four hundred nine-h of the social services law, the court
12 may only approve the placement of the child in the qualified residential
13 treatment program if:

14 (i) the court finds, and states in the written order that:

15 (A) extenuating circumstances exist that necessitate the continued
16 placement of the child in the qualified residential treatment program
17 despite the finding of the qualified individual, except that a shortage
18 or lack of foster family homes shall not constitute extenuating circum-
19 stances warranting a determination that the needs of the child cannot be
20 met in a foster family home;

21 (B) there is not an alternative setting available that can meet the
22 child's needs in a less restrictive environment; and

23 (C) that continued placement in the qualified residential treatment
24 program is in the child's best interest despite the finding by the qual-
25 ified individual that the child's placement in such setting is not
26 appropriate; and

27 (ii) the court's written order states the specific reasons why the
28 court has made the findings required pursuant to subparagraph (i) of
29 this paragraph.

30 (d) If the court approves the placement of the child in a qualified
31 residential treatment program where the qualified individual determines
32 that such placement is not appropriate under the standards set in
33 accordance with section four hundred nine-h of the social services law,
34 the court shall hold a hearing to review whether the placement in a
35 qualified residential treatment program continues to be in the child's
36 best interest within thirty days of such approval.

37 4. If the court issues a new placement order, there is a presumption
38 that such order will be for the child to be placed in an available
39 foster family home; however, if in the child's best interest, the court
40 may also issue an order permitting the placement of the child in:

41 (a) An available supervised setting, as such term is defined in
42 section three hundred seventy-one of the social services law;

43 (b) If the child has been found to be, or is at risk of becoming, a
44 sexually exploited child as defined in subdivision one of section four
45 hundred forty-seven-a of the social services law, a setting providing
46 residential care and supportive services for sexually exploited chil-
47 dren;

48 (c) A setting specializing in providing prenatal, post-partum, or
49 parenting supports for youth; or

50 5. Documentation of the court's determination pursuant to this section
51 shall be recorded in the child's case record.

52 6. To the extent practicable, nothing in this section shall prohibit
53 the court's approval of a placement in a qualified residential treatment
54 program from occurring at the same time as another hearing scheduled for
55 such child, including but not limited to the child's dispositional or

1 permanency hearing, provided such approval is completed within sixty
2 days of the start of such placement.

3 § 15. On or before April 1, 2023, the office of children and family
4 services shall submit a report to the governor, temporary president of
5 the senate, speaker of the assembly, chairs of the senate and assembly
6 standing committees on children and families, and the chairs of the
7 senate and assembly standing committees on social services regarding the
8 placement of children pursuant to proceedings held under section 393 of
9 the social services law or sections 353.7, 756-b, 1055-c, 1091-a, and
10 1097 of the family court act. Such report will identify trends and
11 address any disparities between placement orders issued by the courts
12 and the legislative intent outlined in subdivision one of section 409-h
13 of the social services law. Such analysis shall include, but not be
14 limited to, a review of the number of times a judge approves the contin-
15 uation of placement in a qualified residential treatment program where
16 the qualified individual determines that the placement of the child in
17 such qualified residential treatment program is not appropriate in
18 accordance with section 409-h of the social services law and the speci-
19 fied reasons for the determinations as required by: clause (B) of
20 subparagraph (iii) of paragraph (a) of subdivision 2 of section 393 of
21 the social services law; or the following provisions of the family court
22 act: clause (B) of subparagraph (iii) of paragraph (a) of subdivision 3
23 of section 353.7; clause (B) of subparagraph (iii) of paragraph (a) of
24 subdivision 3 of section 756-b; subparagraph (ii) of paragraph (c) of
25 subdivision two of section 1055-c; subparagraph (ii) of paragraph (c) of
26 subdivision 3 of section 1091-a; and subparagraph (ii) of paragraph (c)
27 of subdivision 3 of section 1097. The office of court administration
28 shall provide aggregate data to the office of children and families for
29 placement orders issued by the court on or after September 29, 2021, as
30 it pertains to the appropriateness of a child's placement in a qualified
31 residential treatment program. The office is authorized to contract with
32 a consultant or independent research organization to prepare and submit
33 such report.

34 § 16. Severability. If any clause, sentence, paragraph, section or
35 part of this act shall be adjudged by any court of competent jurisdic-
36 tion to be invalid and after exhaustion of all further judicial review,
37 the judgment shall not affect, impair or invalidate the remainder there-
38 of, but shall be confined in its operation to the clause, sentence,
39 paragraph, section or part of this act directly involved in the contro-
40 versy in which the judgment shall have been rendered.

41 § 17. This act shall take effect September 29, 2021; provided, howev-
42 er, that:

43 (a) (i) notwithstanding any other provision of law, provisions in this
44 act shall not take effect unless and until the state title IV-E agency
45 submits to the United States Department of Health and Human Services,
46 Administration for Children, Youth and Families, an amendment to the
47 title IV-E state plan and the United States Department of Health and
48 Human Services, Administration for Children, Youth and Families approves
49 said title IV-E state plan amendment regarding when a child is placed in
50 a qualified residential treatment program in relation to the following
51 components: (1) the qualified individual and the establishment of the

53 in 30-days of the child's placement as established by section three of
54 this act; (2) the 60 day court reviews, including the ability to conduct
55 at the same time as another hearing scheduled for the child, as estab-
56 lished by sections one, two, four, seven, eight, nine, ten, twelve,

1 thirteen and fourteen of this act; and (3) permanency hearing require-
2 ments as established by sections five, six and eleven of this act;

3 (ii) provided however, that if the United States Department of Health
4 and Human Services, Administration for Children, Youth and Families
5 fails to approve or disapproves any of the components listed in para-
6 graph (i) of this subdivision, such action shall not impact the effec-
7 tive date for the remaining components listed therein;

8 (b) the office of children and family services shall inform the legis-
9 lative bill drafting commission upon the occurrence of the submission
10 set forth in subdivision (a) of this section and any approval related
11 thereto in order that the commission may maintain an effective and time-
12 ly database of the official texts of the state of laws of New York in
13 furtherance of effectuating the provisions of section 44 of the legisla-
14 tive law and section 70-b of the public officers law;

15 (c) for the purposes of this act, the term "placement" shall refer
16 only to placements made on or after the effective date of the Title IV-E

18 permanency hearing requirements set forth in this act that occur on or
19 after its effective date; and

20 (d) the office of children and family services and the office of court
21 administration are hereby authorized to promulgate such rules and regu-

1 deemed to violate any such law or to be unenforceable if originated by a
2 bank in good faith pursuant to an undertaking with the agency with
3 respect to the sale thereof notwithstanding any subsequent failure of
4 the agency to purchase the mortgage or any subsequent sale or disposi-
5 tion of the mortgage by the agency to such bank or any other person.

6 (a) other than with respect to new construction loans, the mortgage

15 material degree, the use or value of the real property or improvements
16 thereon;

17 (h) the improvements to, or new construction of, the mortgaged real
18 property are covered by a valid and subsisting policy of insurance
19 issued by a company authorized by the superintendent of financial
20 services to issue such policies in the state of New York and providing
21 fire and extended coverage to an amount not less than eighty percent of
22 the insurable value of the improvements to, or new construction of, the
23 mortgaged real property.

25 a. the amendments to subdivisions 2, 5 and 12 of section 2402 of the
26 public authorities law made by section two of this act shall not affect
27 the expiration of such subdivisions and shall be deemed to expire there-

29 b. the amendments to subdivision 7 of section 2404 of the public
30 authorities law made by section three of this act shall not affect the

13 services, or that implements the process for closing child care cases as
14 set forth in the district's approved child and family services plan, due
15 to the district determining that it cannot maintain its current caseload

2 the outcome of such inquiry.

28 by any court of competent jurisdiction to be invalid, such judgment
29 shall not affect, impair, or invalidate the remainder thereof, but shall
30 by confined in its operation to the clause, sentence, paragraph, subdivi-
31 sion, section or part contained in any subpart thereof directly
32 involved in the controversy in which such judgment shall have been
33 rendered. It is hereby declared to be the intent of the legislature that
34 this act would have been enacted even if such invalid provisions had not
35 been included herein.

37 the applicable effective date of Subparts A and B of this act shall be
38 as specifically set forth in the last section of such Subparts.

39 PART AA

40 Section 1. Legislative findings and intent. The legislature finds that
41 the transition to the green economy and creating good paying jobs are
42 not mutually exclusive priorities for New York State. In order to make
43 this transition and achieve the ambitious goals set forth in the Climate
44 Leadership and Community Protection Act, a clear focus on prioritizing
45 renewable energy sources is necessary. However, the workers who will
46 build the infrastructure of the green economy must not be left behind.
47 Setting clear standards for job quality will ensure the creation of good
48 jobs, protect workers in the ongoing transition of our energy sector,
49 and result in positive economic impacts. In addition to workers engaged
50 directly in the renewable energy sector, New Yorkers have experienced
51 widespread unemployment as a result of the pandemic. According to the
52 New York State Department of Labor, as of January 2021 New York has paid
53 over \$61 billion in unemployment benefits to 4 million workers. New
54 manufacturing and supply chain jobs are a necessary element of any

1 pandemic recovery. Due to such findings, the legislature hereby
2 declares that the mandate of prevailing wage or project labor agreements
3 for construction work performed in connection with the installation of
4 renewable energy systems and its Buy American preference provided in
5 this bill will ensure that workers are central to New York State's tran-
6 sition to the green economy and its pandemic recovery plan.

7 § 2. The labor law is amended by adding a new section 224-d to read as
8 follows:

9 § 224-d. Wage requirements for certain renewable energy systems. 1.

10 For purposes of this section, a "covered renewable energy system" means
11 a renewable energy system, as such term is defined in section
12 sixty-six-p of the public service law, with a capacity of at least five
13 megawatts alternating current and which involves the procurement of
14 renewable energy credits by a public entity, or a third party acting on
15 behalf and for the benefit of a public entity.

16 2. Notwithstanding the provisions of section two hundred twenty-four-a
17 of this article, a covered renewable energy system shall be subject to
18 prevailing wage requirements in accordance with sections two hundred
19 twenty and two hundred twenty-b of this article. Provided that a renewa-
20 ble energy system defined in section sixty-six-p of the public service
21 law which is not considered to be covered by this section, may still
22 otherwise be considered a "covered project" pursuant to section two
23 hundred twenty-four-a of this article if it meets such definition.

24 3. For purposes of this section, a covered renewable energy system
25 shall exclude construction work performed under a pre-hire collective
26 bargaining agreement between an owner or contractor and a bona fide
27 building and construction trade labor organization which has established
28 itself, and/or its affiliates, as the collective bargaining represen-
29 tative for all persons who will perform work on such a project, and
30 which provides that only contractors and subcontractors who sign a pre-
31 negotiated agreement with the labor organization can perform work on
32 such a project, or construction work performed under a labor peace
33 agreement, project labor agreement, or any other construction work
34 performed under an enforceable agreement between an owner or contractor
35 and a bona fide building and construction trade labor organization.

36 4. For purposes of this section, the "fiscal officer" shall be deemed
37 to be the commissioner. The enforcement of any covered renewable energy
38 system pursuant to this section shall be subject to the requirements of
39 sections two hundred twenty, two hundred twenty-a, two hundred twenty-b,
40 two hundred twenty-three, two hundred twenty-four-b, and two hundred
41 twenty-seven of this chapter and within the jurisdiction of the fiscal
42 officer; provided, however, nothing contained in this section shall be
43 deemed to construe any covered renewable energy system as otherwise
44 being considered public work pursuant to this article.

45 5. The fiscal officer may issue rules and regulations governing the
46 provisions of this section. Violations of this section shall be grounds
47 for determinations and orders pursuant to section two hundred twenty-b
48 of this article.

49 § 2-a. The public service law is amended by adding a new section 66-r
50 to read as follows:

51 § 66-r. Requirements for certain renewable energy systems. 1. For the
52 purposes of this section, a "covered renewable energy system" means
53 a renewable energy system, as such term is defined in section
54 sixty-six-p of this article, with a capacity of at least five megawatts
55 alternating current and which involves the procurement of renewable

1 energy credits by a public entity, or a third party acting on behalf and
2 for the benefit of a public entity.

3 2. For purposes of this section, "public entity" shall include, but
4 shall not be limited to, the state, a local development corporation as
5 defined in subdivision eight of section eighteen hundred one of the
6 public authorities law or section fourteen hundred eleven of the
7 not-for-profit corporation law, a municipal corporation as defined in
8 section one hundred nineteen-n of the general municipal law, an
9 industrial development agency formed pursuant to article eighteen-A of
10 the general municipal law or industrial development authorities formed
11 pursuant to article eight of the public authorities law, and any state,
12 local or interstate or international authorities as defined in section
13 two of the public authorities law; and shall include any trust created
14 by any such entities.

15 3. The commission shall ensure that the owner of the covered renewable
16 energy system, or a third party acting on the owner's behalf, as a
17 condition of any renewable energy credits agreement with a public enti-
18 ty, shall stipulate to the fiscal officer that it will enter into a
19 labor peace agreement with at least one bona fide labor organization
20 that is actively engaged in representing or attempting to represent
21 employees who will provide necessary operations and maintenance services
22 for the renewable energy system, provided however that necessary oper-
23 ations and maintenance services shall not include seasonal and temporary
24 employment performed in a manner not otherwise necessary for the actual
25 maintenance of such system. The maintenance of such a labor peace agree-
26 ment shall be an ongoing material condition of any continuation of
27 payments under a renewable energy credits agreement. For purposes of
28 this section "labor peace agreement" means an agreement between an enti-
29 ty and labor organization that, at a minimum, protects the state's
30 proprietary interests by prohibiting labor organizations and members
31 from engaging in picketing, work stoppages, boycotts, and any other
32 economic interference with the relevant renewable energy system. "Renew-
33 able energy credits agreement" shall mean any public entity contract
34 that provides production-based payments to a renewable energy project as
35 defined in this section.

36 4.(a) Any public entity, in each contract for construction, recon-
37 struction, alteration, repair, improvement or maintenance of a covered
38 renewable energy system which involves the procurement of a renewable
39 energy credits agreement by a public entity, or a third party acting on
40 behalf and for the benefit of a public entity, the "public work" for the
41 purposes of this subdivision, shall ensure that such contract shall
42 contain a provision that the iron and structural steel used or supplied
43 in the performance of the contract, or that is permanently incorporated
44 into the public work, shall be produced or made in whole or substantial
45 part in the United States, its territories or possessions. In the
46 case of a structural iron or structural steel product all manufac-
47 turing must take place in the United States, from the initial melt-
48 ing stage through the application of coatings, except metallurgical
49 processes involving the refinement of steel additives. For the purposes
50 of this subdivision, "permanently incorporated" shall mean an iron or
51 steel product that is required to remain in place at the end of the
52 project contract, in a fixed location, affixed to the public work to
53 which it was incorporated. Iron and steel products that are capable
54 of being moved from one location to another are not permanently incor-
55 porated into a public work.

(b) The provisions of paragraph (a) of this subdivision shall not apply if the head of the department or agency constructing the public works, in his or her sole discretion, determines that the provisions would not be in the public interest, would result in unreasonable costs, or that obtaining such steel or iron in the United States would increase the cost of the contract by an unreasonable amount, or such iron or steel, including without limitation structural iron and structural steel cannot be produced or made in the United States in sufficient and reasonably available quantities and of satisfactory quality. The head of the department or agency constructing the public works shall include this determination in an advertisement or solicitation of a request for proposal, invitation for bid, or solicitation of proposal, or any other method provided for by law or regulation for soliciting a response from offerors intending to result in a contract pursuant to this subdivision.

(c) If the public entity finds it feasible and in the best interests of the people of the state in ensuring reliable operations and supply chain efficiency and consistent with all applicable laws to which the state is bound, it may require the owner of the renewable energy system to use certain components and parts manufactured in the state.

5. Whenever changes are proposed to any public procurement process involving the program described in subdivision two of this section, the commission shall make simultaneous recommendations to the temporary president of the senate and speaker of the assembly, regarding necessary changes to this section, if any, in meeting the goals outlined in the legislative findings and intent of the chapter by which this section was enacted.

§ 2-b. Section 66-p of the public service law, as added by chapter 705 of the laws of 2019, is renumbered section 66-q.

§ 3. Severability clause. If any clause, sentence, paragraph, subdivision, or section of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or section thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 4. This act shall take effect on January 1, 2022 and shall apply to covered renewable energy projects that begin on or after that date.

PART BB

Intentionally Omitted

PART CC

Section 1. Subdivisions 3 and 4 of section 581-a of the labor law, as amended by chapter 21 of the laws of 2021, are amended to read as follows:

3. Notwithstanding the provisions of section five hundred eighty-one of this title to the contrary, and for the purpose of responding to the COVID-19 pandemic, any employer whose employees receive payments under this article ~~[and whose claims for unemployment insurance arise due to the closure of the employer or a reduction in the workforce of the employer for reasons related to the COVID-19 pandemic, or due to a~~

~~mandatory order of a government entity duly authorized to issue such order to close such employer due to the COVID-19 pandemic,~~ for unemployment claims made on or after March ~~[twelfth]~~ ninth, two thousand twenty shall not have included in their experience rating charges the amounts so paid to the employees from the fund. Such charges, if not reimbursed, in whole or in part by the federal government, shall be made to the general account for the fund created by section five hundred fifty of this article.

4. The provisions of this section shall apply to an employer liable for contributions or payments in lieu of contributions, but if the secretary of labor of the United States finds that their application to such employer does not meet the requirements of the Federal Unemployment Tax Act, such provisions shall be inoperative with respect to such employer, unless and until such finding has been set aside pursuant to a final decision issued in accordance with such judicial review proceedings as may be instituted and completed under the provisions of section thirty-three hundred ten of the Federal Unemployment Tax Act.

§ 2. Section 2 of chapter 21 of the laws of 2021, amending the labor law relating to prohibiting the inclusion of claims for unemployment insurance arising from the closure of an employer due to COVID-19 from being included in such employer's experience rating charges, is amended to read as follows:

§ 2. This act shall take effect immediately and shall expire and be deemed repealed on December 31, 2021, ~~[when upon such date the provisions of this act shall be deemed repealed]~~ or upon the expiration of the state of emergency declared by executive order 202 of 2020, whichever is later; provided that the commissioner of labor shall notify the legislative bill drafting commission upon the occurrence of the expiration of the state of emergency declared by executive order 202 of 2020 in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

§ 3. This act shall take effect immediately.

PART DD

Section 1. Short title. This act shall be known and may be cited as the "COVID-19 emergency rental assistance program of 2021".

§ 2. The public housing law is amended by adding a new article 14 to read as follows:

ARTICLE XIV

601. Definitions.

602. Authority to implement emergency rental and utility assistance.

603. Allocation among the city of New York and the respective counties of the state.

604. Eligibility.

605. Application.

606. Documentation.

607. Restrictions on eviction.

608. Payments.

609. No repayment and assistance not considered income.

610. Notice to tenants in eviction proceedings.

1 611. Notice to tenants receiving rent demands.

2 612. Notice to applicants for assistance under the emergency

4 613. Outreach.

5 614. Fair housing obligations.

7 § 600. Legislative findings. The legislature finds that it is in the
8 public interest to ensure that New Yorkers are not rendered homeless or
9 severely financially burdened because of an inability to pay the cost of
10 housing and other necessities due to loss of income, increased necessary
11 out-of-pocket expenses, or difficulty in securing alternative housing
12 related to the widespread outbreak of the coronavirus commonly known as
13 COVID-19. The legislature further finds that providing funding for
14 households to pay rent and utility costs that they would otherwise have
15 difficulty paying will promote the stability and proper maintenance of
16 the rental housing stock and assist communities in recovering from the
17 adverse social and economic effects of the COVID-19 outbreak.

19 1. "Commissioner" shall mean the state commissioner of social services

40 fit or cash grant. The term "income" shall not include: employment
41 income from children under eighteen years of age, employment income from
42 individuals eighteen years of age or older who are full-time students
43 and are eligible to be claimed as dependents pursuant to Internal Reven-

1 9. "Rental arrears" shall mean unpaid rent owed to the landlord that
2 accrued on or after March thirteenth, two thousand twenty, the date of
3 the emergency declaration pursuant to section 501(b) of the Robert T.
4 Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C.
5 5191(b).

6 10. "Small area fair market rent" shall mean the fair market rent for
7 each zip code within a large metropolitan area as promulgated annually
8 by the United States department of housing and urban development's
9 office of policy development and research.

10 11. "Utility arrears" shall mean unpaid payments to providers of util-
11 ity services accrued on or after March thirteenth, two thousand twenty,
12 the date of the emergency declaration pursuant to section 501(b) of the
13 Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42
14 U.S.C. 5191(b), for separately-stated electricity, gas, water, sewer,

17 1. The commissioner is hereby authorized and directed to implement, as
18 soon as practicable, a program of rental and utility assistance for
19 those eligible pursuant to section six hundred four of this article.

20 2. Such program shall be funded with: (a) all funds received by the
21 state from the federal Emergency Assistance Program; (b) any funds
22 remaining that were allocated from the federal Coronavirus Aid, Relief,
23 and Economic Security (CARES) Act of 2020 (P.L. 116-136) for the Emer-
24 gency Rent Relief Act of 2020, pursuant to chapter one hundred twenty-
25 five of the laws of two thousand twenty, such that the sum of such funds
26 actually expended pursuant to such chapter and that such funds reallo-
27 cated and expended pursuant to this article shall equal one hundred
28 million dollars; (c) any additional funds received from the federal
29 government by the state of New York for assistance with rent or utili-
30 ties related to the COVID-19 pandemic, including any funds for such
31 purposes received by the state pursuant to the federal American Rescue
32 Plan Act; and (d) any state funds appropriated for such program.

33 3. The commissioner shall work with localities throughout the state
34 that have received funds directly from the federal Emergency Rental
35 Assistance Program so that one central point of application shall be
36 made available for any and all federal Emergency Rental Assistance
37 Program funds and any such additional funds in the state of New York.

38 4. The commissioner shall adopt, on an emergency basis pursuant to
39 subdivision six of section two hundred two of the state administrative
40 procedure act, any rules necessary to carry out the provisions of this
41 article.

42 5. The commissioner may delegate the administration of any portions of
43 this program to any state agency, city, county, town, public housing
44 authority, or non-profit organization in accordance with the provisions
45 of this article.

46 § 603. Allocation among the city of New York and the respective coun-
47 ties of the state. The commissioner and each locality in receipt of
48 funds from the federal Emergency Rental Assistance Program shall work
49 jointly to ensure that, in total, the allocation of funds from this
50 program for households within the city of New York or within each county
51 outside the city of New York, whether granted to the state or directly
52 to such localities is no less than ninety percent of the proportional
53 share of all renter households in the state that reside in such city or
54 county, as promulgated by the American Community Survey (ACS) from the
55 United States census bureau, and no more than one hundred ten percent of
56 such proportional share.

1 § 604. Eligibility. The commissioner shall promulgate standards for
2 determining eligibility for this program.

3 1. All households, regardless of immigration status, shall be eligible
4 for rental assistance, utility assistance, or both if the household:

5 (a) is a tenant or occupant in their primary residence in the state of
6 New York, including both tenants and occupants of dwelling units and
7 manufactured home tenants;

8 (b) includes an individual who qualifies for unemployment or experi-
9 enced a reduction in household income, incurred significant costs, or
10 experienced other financial hardship due, directly or indirectly, to the
11 COVID-19 outbreak;

12 (c) demonstrate a risk of experiencing homelessness or housing insta-
13 bility; and

14 (d) has a household income at or below eighty percent of the area
15 median income, adjusted for household size.

16 2. Households who would otherwise be eligible for this program pursu-
17 ant to subdivision one of this section but for a household income that
18 exceeds eighty percent of the area median income adjusted for household
19 size shall be eligible pursuant to this subdivision if they have a
20 household income at or below one hundred twenty percent of the area
21 median income adjusted for household size, provided that assistance for
22 those eligible pursuant to this subdivision shall be paid for only with
23 state funds allocated for this purpose.

24 3. For the purposes of this program, income may be considered:

25 (a) the household's total income for calendar year two thousand twen-
26 ty; or

27 (b) the household's current monthly income at the time of application
28 for such assistance. If a household is applying for assistance using
29 current monthly income, the household shall only be eligible for assist-
30 ance for the months during which they meet the criteria in subdivision
31 one of this section.

32 4. In addition to the eligibility criteria in subdivision one of this
33 section, the commissioner may promulgate limits on assets as part of any
34 determination of eligibility for this program. The commissioner shall
35 exclude from any calculation of assets made pursuant to this section
36 assets held in a tax-deferred or comparable retirement savings account
37 or any vehicle used regularly by a member of the household.

38 5. The commissioner shall establish preferences in processing applica-
39 tions and allocating funds under this program. Such preferences shall at
40 a minimum prioritize each of the following:

41 (a) households whose income does not exceed fifty percent of the area
42 median income adjusted for household size; and

43 (b) households within which one or more individuals are unemployed as
44 of the date of the application for assistance and have not been employed
45 for the ninety days preceding such date.

46 6. The commissioner may also grant preferences for households who:

47 (a) are tenants of mobile homes or mobile home parks whose arrears
48 have accrued for the land on which the mobile home is located;

49 (b) include one or more individuals who are victims of domestic
50 violence;

51 (c) apply jointly with their landlord; or

52 (d) have eviction cases that are pending on or before February first,
53 two thousand twenty-one; provided that among households granted a pref-
54 erence because they apply jointly with their landlord, the commissioner
55 may grant an additional preference for households whose landlord is a
56 non-profit provider of affordable housing; provided further that any

1 preference granted pursuant to this subdivision shall not supersede
2 either of the preferences granted pursuant to subdivision five of this
3 section.

4 7. A household may apply for utility assistance, rental assistance, or
5 both.

6 8. Nothing in this article shall be construed to disqualify applica-
7 tions from tenants of state-funded public housing agencies.

8 9. No rental assistance provided pursuant to this article shall be
9 duplicative of assistance for rent or rental arrears previously received
10 by the household.

11 10. Any ambiguity in eligibility criteria promulgated by the commis-
12 sioner shall be resolved in favor of the applicant when determining
13 eligibility.

14 11. Any information collected about a household in the process of
15 determining eligibility shall solely be used for the purposes of deter-
16 mining eligibility and shall not be shared with any other governmental
17 agency.

18 12. An individual full-time college student or a household consisting
19 exclusively of full-time college students is ineligible for this program
20 unless each individual in the household satisfies the following condi-
21 tions:

22 (a) the individual shall have established a household separate from
23 his or her parents or legal guardians for at least one year prior to
24 application for admission or shall meet the United States department of
25 education's definition of independent student; and

26 (b) the individual shall not be claimed as a dependent by his or her
27 parents or legal guardians pursuant to internal revenue service (IRS)
28 regulations.

29 § 605. Application. 1. As soon as practicable and no later than four-
30 teen days after the effective date of this article, the commissioner
31 shall make an application for the program available on its website. The
32 application shall be available online in English, Spanish, Chinese,
33 Russian, Yiddish, Haitian (French Creole), Bengali, and Italian. The
34 commissioner shall enable applications to be accepted via telephone. The
35 application period shall remain open for a minimum of one hundred eighty
36 days unless all available funding has been allocated prior to the expi-
37 ration of one hundred eighty days.

38 2. The commissioner shall designate non-for-profit organizations that
39 shall be permitted to assist households in applying for assistance and
40 such organizations shall be permitted to file applications on behalf of
41 such households.

42 3. The commissioner shall provide for procedures under which a land-
43 lord or owner of a residential dwelling shall be permitted to submit an
44 application for assistance on behalf of a tenant or occupant of such
45 dwelling. Such landlord or owner shall be required to:

46 (a) obtain the signature of the tenant on such application, which may
47 be documented electronically;

48 (b) provide the tenant with documentation of such application;

49 (c) use any payments received pursuant to this article solely to
50 satisfy the tenant's rental obligations to the landlord or owner; and

51 (d) keep confidential any information or documentation from or about
52 the tenant acquired pursuant to this application process.

53 4. Upon receipt of an application, the commissioner shall make avail-
54 able a tracking number by which both the applicant household and land-
55 lord of the applicant household may track the status of the application.

1 § 606. Documentation. The commissioner shall establish procedures that
2 are appropriate and necessary to assure that information necessary to
3 determine eligibility provided by households applying for or receiving
4 assistance under this article is complete and accurate. Documentation
5 may include but is not limited to: a signed lease, rent demand notice,
6 paycheck stubs, earning statements, bank statements, tax records, W-2 or
7 1099 forms, e-payment application transaction history, written state-
8 ments from a former or current employer, telephone or in-person contact
9 with a former or current employer, self-attestation by the applicant, or
10 other methods approved by the commissioner. When self-attestation is
11 used as documentation, the applicant shall also attest that the appli-
12 cant has no other documentation available. When self-attestation is used
13 to certify rent owed, the applicant shall also attest that the household
14 has not received, and does not anticipate receiving, another source of
15 public or private subsidy or assistance for the rental costs that are
16 the subject of the attestation, and such assistance may only be provided
17 for three months at a time. All payments for utilities and home energy
18 costs shall be supported by a bill, invoice, or evidence of payment to
19 the provider of the utility or home energy service.

20 § 607. Restrictions on eviction. Eviction proceedings for non-payment
21 of rent that would be eligible for coverage under this program shall not
22 be commenced against a household who has applied for this program unless
23 or until a determination of ineligibility is made. If eviction
24 proceedings are commenced against a household who subsequently applies
25 for benefits under this program, all proceedings for missed rent
26 payments during the covered period shall be stayed until a determination
27 of ineligibility has been made.

28 § 608. Payments. 1. Payments shall be made for rental and/or utility
29 arrears accrued on or after March thirteenth, two thousand twenty. No
30 more than twelve months of rental and/or utility assistance, both
31 arrears or prospective, may be paid on behalf of or to any household
32 within the first sixty days after the start of the application period.
33 No prospective rent may be paid unless or until all rental arrears
34 payments have been made to or on behalf of households who are eligible
35 for this program pursuant to section six hundred four of this article.

36 2. If all eligible households whose applications are received within
37 sixty days of the start of the application period receive assistance,
38 the commissioner may pay an additional three months of rental and/or
39 utility assistance for rental or utility arrears accrued after the date
40 of application or prospective rent. No household may receive more than
41 fifteen months of total rental and/or utility assistance. Eligibility
42 for assistance shall be reassessed for each household before rental
43 assistance is issued pursuant to this subdivision.

44 3. Payments for rental arrears or prospective rent shall be the lesser
45 of the monthly rent for the applicant or one hundred fifty percent of
46 the fair market rent for the dwelling unit, except when rental assist-
47 ance amounts are documented via self-attestation, in which case the
48 maximum payment allowable shall be the greater of one hundred percent of
49 fair market rent or one hundred percent of the small area fair market
50 rent, though no payment certified by self-attestation shall be greater
51 than the monthly rent. The rental assistance shall be paid directly to
52 the landlord of the dwelling unit or manufactured home park occupied by
53 the household for the total amount of qualified rental arrears and
54 prospective rental assistance pursuant to subdivision one of this
55 section. Utility assistance shall be paid directly to the utility. The
56 commissioner shall require reasonable efforts to be made to obtain the

1 cooperation of landlords and utility providers to accept payments from
2 this program. Such outreach may be considered complete if (a) a request
3 for participation has been sent in writing, by mail, to the landlord or
4 utility provider and the addressee has not responded to the request
5 within fourteen calendar days after mailing; (b) at least three attempts
6 by phone, text, or e-mail have been made over a ten calendar day period
7 to request the landlord or utility provider's participation; or (c) a
8 landlord or utility provider confirms in writing that the landlord or
9 utility provider does not wish to participate. The outreach attempts or
10 notices to the landlord or utility provider shall be documented.

11 4. If the landlord or utility provider is uncooperative or unrespon-
12 sive after outreach efforts are made pursuant to subdivision three of
13 this section, the commissioner may make payments directly to the eligi-
14 ble household for the purpose of enabling the household to make payments
15 to the landlord or utility provider. The commissioner may require
16 documentation from any households receiving such payments that monies
17 received were used in compliance with this program.

18 5. Acceptance of payment for rental arrears from this program shall
19 constitute agreement by the recipient landlord or property owner:

20 (a) to waive any late fees due on any rental arrears;

21 (b) to keep constant the monthly rent due for the dwelling unit such
22 that it shall remain the same as the amount that was due at the time of

43 cated by the commissioner in each county and the city of New York in
44 proportion to the number of households in each county or the city of New
45 York who are severely rent burdened.

46 2. The commissioner shall be responsible for distributing the funds
47 allocated in each county or the city of New York among public housing
48 agencies operating in each county or in the city of New York.

49 3. At least fifty percent of funds distributed in each county or in
50 the city of New York shall be allocated to individuals or families who
51 are homeless.

52 4. At least eighty-seven and one-half percent of funds distributed in
53 each county or in the city of New York for individuals or families who
54 are homeless pursuant to subdivision three of this section shall be
55 allocated to individuals and families whose income does not exceed thir-
56 ty percent of the area median income.

1 5. Of the funds allocated to individuals and families who face an
2 imminent loss of housing, priority shall be given to individuals and
3 families who have formerly experienced homelessness, including those who
4 have previously received a temporary rental voucher from the state, a
5 locality, or a non-profit organization or who currently have a rental
6 assistance voucher that is due to expire within six months of applica-
7 tion.

8 § 605. Payment of housing vouchers. The housing voucher shall be paid
9 directly to any owner under a contract between the owner of the dwelling
10 unit to be occupied by the voucher recipient and the appropriate public
11 housing agency. A housing assistance payment contract entered into
12 pursuant to this section shall establish the maximum monthly rent
13 (including utilities and all maintenance and management charges) which
14 the owner is entitled to receive for each dwelling unit with respect to
15 which such assistance payments are to be made. The maximum monthly rent
16 shall not exceed one hundred ten percent nor be less than ninety percent
17 of the fair market rent for the rental area in which it is located.
18 Fair market rent for a rental area shall be published not less than
19 annually by the commissioner and shall be made available on the website
20 of New York state homes and community renewal.

21 § 606. Leases and tenancy. Each housing assistance payment contract
22 entered into by a public housing agency and the owner of a dwelling unit
23 shall provide:

24 1. that the lease between the tenant and the owner shall be for a term
25 of not less than one year, except that the public housing agency may
26 approve a shorter term for an initial lease between the tenant and the
27 dwelling unit owner if the public housing agency determines that such
28 shorter term would improve housing opportunities for the tenant and if
29 such shorter term is considered to be a prevailing local market prac-
30 tice;

31 2. that the dwelling unit owner shall offer leases to tenants assisted
32 under this article that:

33 (a) are in a standard form used in the locality by the dwelling unit
34 owner; and

35 (b) contain terms and conditions that:

36 (i) are consistent with state and local law; and

37 (ii) apply generally to tenants in the property who are not assisted
38 under this article;

39 (c) shall provide that during the term of the lease, the owner shall
40 not terminate the tenancy except for serious or repeated violation of
41 the terms and conditions of the lease, for violation of applicable state
42 or local law, or for other good cause, and in the case of an owner who
43 is an immediate successor in interest pursuant to foreclosure during the
44 term of the lease vacating the property prior to sale shall not consti-
45 tute other good cause, except that the owner may terminate the tenancy
46 effective on the date of transfer of the unit to the owner if the owner:

47 (i) will occupy the unit as a primary residence; and

48 (ii) has provided the tenant a notice to vacate at least ninety days
49 before the effective date of such notice;

50 (d) shall provide that any termination of tenancy under this section
51 shall be preceded by the provision of written notice by the owner to the
52 tenant specifying the grounds for that action, and any relief shall be
53 consistent with applicable state and local law;

54 3. that any unit under an assistance contract originated under this
55 article shall only be occupied by the individual or family designated in
56 said contract and shall be the designated individual or family's primary

1 residence. Contracts shall not be transferable between units and shall
2 not be transferable between recipients. A family or individual may
3 transfer their voucher to a different unit under a new contract pursuant
4 to this article;

5 4. that an owner shall not charge more than a reasonable rent as
6 defined in section six hundred one of this article.

7 § 607. Rental obligation. 1. Each recipient of housing assistance
8 under the housing access voucher program's monthly rental obligation
9 shall be the greater of:

10 (a) thirty percent of the monthly adjusted income of the family or
11 individual; or

12 (b) If the family or individual is receiving payments for welfare
13 assistance from a public agency and a part of those payments, adjusted
14 in accordance with the actual housing costs of the family, is specif-
15 ically designated by that agency to meet the housing costs of the fami-
16 ly, the portion of those payments that is so designated. These payments
17 include, but are not limited to any shelter assistance or housing
18 assistance administered by any federal, state or local agency.

19 2. If the rent for the individual or family (including the amount
20 allowed for tenant-paid utilities) exceeds the applicable payment stand-
21 ard established under subdivision one of this section, the monthly
22 assistance payment for the family shall be equal to the amount by which
23 the applicable payment standard exceeds the greater of amounts under
24 paragraphs (a) and (b) of subdivision one of this section.

25 § 608. Monthly assistance payment. 1. The amount of the monthly
26 assistance payment with respect to any dwelling unit shall be the
27 difference between the maximum monthly rent which the contract provides
28 that the owner is to receive for the unit and the rent the individual or
29 family is required to pay under section six hundred seven of this arti-
30 cle. Reviews of income shall be made no less frequently than annually.

31 2. The commissioner shall establish maximum rent levels for different
32 sized rentals in each rental area in a manner that promotes the use of
33 the program in all localities based on the fair market rental of the
34 rental area. Rental areas shall be delineated by county, excepting that
35 the city of New York shall be considered one rental area. The commis-
36 sioner may rely on data or other information promulgated by any other
37 state or federal agency in determining the rental areas and fair market
38 rent.

39 3. The payment standard for each size of dwelling unit in a rental
40 area shall not be less than ninety percent and shall not exceed one
41 hundred ten percent of the fair market rent established in section six
42 hundred one of this article for the same size of dwelling unit in the
43 same rental area, except that the commissioner shall not be required as
44 a result of a reduction in the fair market rent to reduce the payment
45 standard applied to a family continuing to reside in a unit for which
46 the family was receiving assistance under this article at the time the
47 fair market rent was reduced.

48 § 609. Inspection of units by public housing agencies. 1. Initial
49 inspection.

50 (a) For each dwelling unit for which a housing assistance payment
51 contract is established under this article, the public housing agency
52 (or other entity pursuant to section six hundred twelve of this article)
53 shall inspect the unit before any assistance payment is made to deter-
54 mine whether the dwelling unit meets the housing quality standards under
55 subdivision two of this section, except as provided in paragraph (b) or
56 (c) of this subdivision.

(b) In the case of any dwelling unit that is determined, pursuant to an inspection under paragraph (a) of this subdivision, not to meet the housing quality standards under subdivision two of this section, assistance payments may be made for the unit notwithstanding subdivision three of this section if failure to meet such standards is a result only of non-life-threatening conditions, as such conditions are established by the commissioner. A public housing agency making assistance payments pursuant to this paragraph for a dwelling unit shall, thirty days after the beginning of the period for which such payments are made, withhold any assistance payments for the unit if any deficiency resulting in noncompliance with the housing quality standards has not been corrected by such time. The public housing agency shall recommence assistance payments when such deficiency has been corrected, and may use any payments withheld to make assistance payments relating to the period during which payments were withheld.

(c) In the case of any property that within the previous twenty-four months has met the requirements of an inspection that qualifies as an alternative inspection method pursuant to subdivision five of this section, a public housing agency may authorize occupancy before the inspection under paragraph (a) of this subdivision has been completed, and may make assistance payments retroactive to the beginning of the lease term after the unit has been determined pursuant to an inspection under paragraph (a) of this subdivision to meet the housing quality standards under subdivision two of this section. This paragraph may not be construed to exempt any dwelling unit from compliance with the requirements of subdivision four of this section.

2. The housing quality standards under this subdivision shall be standards for safe and habitable housing established:

(a) by the commissioner for purposes of this subdivision; or
(b) by local housing codes or by codes adopted by public housing agencies that:

(i) meet or exceed housing quality standards, except that the commissioner may waive the requirement under this subparagraph to significantly increase access to affordable housing and to expand housing opportunities for families assisted under this article, except where such waiver could adversely affect the health or safety of families assisted under this article; and

(ii) do not severely restrict housing choice.

3. The determination required under subdivision one of this section shall be made by the public housing agency (or other entity, as provided in section six hundred twelve of this article) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subdivision shall be made before the expiration of the fifteen day period beginning upon a request by the resident or landlord to the public housing agency or, in the case of any public housing agency that provides assistance under this article on behalf of more than one thousand two hundred fifty families, before the expiration of a reasonable period beginning upon such request. The performance of the agency in meeting the fifteen day inspection deadline shall be taken into consideration in assessing the performance of the agency.

4. (a) Each public housing agency providing assistance under this article (or other entity, as provided in section six hundred twelve of this article) shall, for each assisted dwelling unit, make inspections not less often than annually during the term of the housing assistance payments contract for the unit to determine whether the unit is main-

1 tained in accordance with the requirements under subdivision one of this
2 section.

3 (b) The requirements under paragraph (a) of this subdivision may be
4 complied with by use of inspections that qualify as an alternative
5 inspection method pursuant to subdivision five of this section.

6 (c) The public housing agency (or other entity) shall retain the
7 records of the inspection for a reasonable time, as determined by the
8 commissioner.

9 5. An inspection of a property shall qualify as an alternative
10 inspection method for purposes of this subdivision if:

11 (a) the inspection was conducted pursuant to requirements under a
12 federal, state, or local housing program; and

13 (b) pursuant to such inspection, the property was determined to meet
14 the standards or requirements regarding housing quality or safety appli-
15 cable to properties assisted under such program, and, if a non-state
16 standard or requirement was used, the public housing agency has certi-
17 fied to the commissioner that such standard or requirement provides the
18 same (or greater) protection to occupants of dwelling units meeting such
19 standard or requirement as would the housing quality standards under
20 subdivision two of this section.

21 6. Upon notification to the public housing agency, by an individual or
22 family (on whose behalf tenant-based rental assistance is provided under
23 this article) or by a government official, that the dwelling unit for
24 which such assistance is provided does not comply with the housing qual-
25 ity standards under subdivision two of this section, the public housing
26 agency shall inspect the dwelling unit:

27 (a) in the case of any condition that is life-threatening, within
28 twenty-four hours after the agency's receipt of such notification,
29 unless waived by the commissioner in extraordinary circumstances; and

30 (b) in the case of any condition that is not life-threatening, within
31 a reasonable time frame, as determined by the commissioner.

32 7. The commissioner shall establish procedural guidelines and perform-
33 ance standards to facilitate inspections of dwelling units and conform
34 such inspections with practices utilized in the private housing market.
35 Such guidelines and standards shall take into consideration variations
36 in local laws and practices of public housing agencies and shall provide
37 flexibility to agencies appropriate to facilitate efficient provision of
38 assistance under this section.

39 § 610. Rent. 1. The rent for dwelling units for which a housing
40 assistance payment contract is established under this article shall be
41 reasonable in comparison with rents charged for comparable dwelling
42 units in the private, unassisted local market.

43 2. A public housing agency (or other entity, as provided in section
44 six hundred twelve of this article) shall, at the request of an individ-
45 ual or family receiving tenant-based assistance under this article,
46 assist that individual or family in negotiating a reasonable rent with a
47 dwelling unit owner. A public housing agency (or other such entity)
48 shall review the rent for a unit under consideration by the individual
49 or family (and all rent increases for units under lease by the individ-
50 ual or family) to determine whether the rent (or rent increase)
51 requested by the owner is reasonable. If a public housing agency (or
52 other such entity) determines that the rent (or rent increase) for a
53 dwelling unit is not reasonable, the public housing agency (or other
54 such entity) shall not make housing assistance payments to the owner
55 under this subdivision with respect to that unit.

1 3. If a dwelling unit for which a housing assistance payment contract
2 is established under this article is exempt from local rent control
3 provisions during the term of that contract, the rent for that unit
4 shall be reasonable in comparison with other units in the rental area
5 that are exempt from local rent control provisions.

6 4. Each public housing agency shall make timely payment of any amounts
7 due to a dwelling unit owner under this section. The housing assistance
8 payment contract between the owner and the public housing agency may
9 provide for penalties for the late payment of amounts due under the
10 contract, which shall be imposed on the public housing agency in accord-
11 ance with generally accepted practices in the local housing market.

12 5. Unless otherwise authorized by the commissioner, each public hous-
13 ing agency shall pay any penalties from administrative fees collected by
14 the public housing agency, except that no penalty shall be imposed if
15 the late payment is due to factors that the commissioner determines are
16 beyond the control of the public housing agency.

17 § 611. Vacated units. If an assisted family vacates a dwelling unit
18 for which rental assistance is provided under a housing assistance
19 payment contract before the expiration of the term of the lease for the
20 unit, rental assistance pursuant to such contract may not be provided
21 for the unit after the month during which the unit was vacated.

22 § 612. Leasing of units owned by a public housing agency. 1. If an
23 eligible individual or family assisted under this article leases a
24 dwelling unit (other than a public housing dwelling unit) that is owned
25 by a public housing agency administering assistance to that individual
26 or family under this section, the commissioner shall require the unit of
27 general local government or another entity approved by the commissioner,
28 to make inspections required under section six hundred nine of this
29 article and rent determinations required under section six hundred ten
30 of this article. The agency shall be responsible for any expenses of
31 such inspections and determinations.

32 2. For purposes of this section, the term "owned by a public housing
33 agency" means, with respect to a dwelling unit, that the dwelling unit
34 is in a project that is owned by such agency, by an entity wholly
35 controlled by such agency, or by a limited liability company or limited
36 partnership in which such agency (or an entity wholly controlled by such
37 agency) holds a controlling interest in the managing member or general
38 partner. A dwelling unit shall not be deemed to be owned by a public
39 housing agency for purposes of this section because the agency holds a
40 fee interest as ground lessor in the property on which the unit is situ-
41 ated, holds a security interest under a mortgage or deed of trust on the
42 unit, or holds a non-controlling interest in an entity which owns the
43 unit or in the managing member or general partner of an entity which
44 owns the unit.

45 § 613. Verification of income. The commissioner shall establish proce-
46 dures which are appropriate and necessary to assure that income data
47 provided to the public housing agency and owners by individuals and
48 families applying for or receiving assistance under this article is
49 complete and accurate. In establishing such procedures, the commissioner
50 shall randomly, regularly, and periodically select a sample of families
51 to authorize the commissioner to obtain information on these families
52 for the purpose of income verification, or to allow those families to
53 provide such information themselves. Such information may include, but
54 is not limited to, data concerning unemployment compensation and federal
55 income taxation and data relating to benefits made available under the
56 social security act, 42 U.S.C. 301 et seq., the food and nutrition act

1 of 2008, 7 U.S.C. 2011 et seq., or title 38 of the United State Code.
2 Any such information received pursuant to this section shall remain
3 confidential and shall be used only for the purpose of verifying incomes
4 in order to determine eligibility of individuals and families for bene-
5 fits (and the amount of such benefits, if any) under this article.

6 § 614. Division of an assisted family. 1. In those instances where a
7 family assisted under this article becomes divided into two otherwise
8 eligible individuals or families due to divorce, legal separation or the
9 division of the family, where the new units cannot agree as to which new
10 unit should continue to receive the assistance, and where there is no
11 determination by a court, the public housing authority shall consider
12 the following factors to determine which of the individuals or families
13 will continue to be assisted:

- 14 (a) which of the new units has custody of dependent children;
15 (b) which family member was the head of household when the voucher was
16 initially issued (listed on the initial application);
17 (c) the composition of the new units and which unit includes elderly
18 or disabled members;
19 (d) whether domestic violence was involved in the breakup of the fami-
20 ly unit;
21 (e) which family members remain in the unit; and
22 (f) recommendations of social service professionals.

23 2. Documentation of these factors will be the responsibility of the
24 requesting parties. If documentation is not provided, the public housing
25 agency will terminate assistance on the basis of failure to provide
26 information necessary for a recertification.

27 § 615. Maintenance of effort. Any funds made available pursuant to
28 this article shall not be used to offset or reduce the amount of funds
29 previously expended for the same or similar programs in a prior year in
30 any county or in the city of New York, but shall be used to supplement
31 any prior year's expenditures. The commissioner may grant an exception
32 to this requirement if any county, municipality, or other governmental
33 entity or public body can affirmatively show that such amount of funds
34 previously expended is in excess of the amount necessary to provide
35 assistance to all individuals and families within the area in which the
36 funds were previously expended who are homeless or facing an imminent
37 loss of housing.

38 § 616. Vouchers statewide. Notwithstanding section six hundred six of
39 this article, any voucher issued pursuant to this article may be used
40 for housing anywhere in the state. The commissioner shall inform voucher
41 holders that a voucher may be used anywhere in the state and, to the
42 extent practicable, the commissioner shall assist voucher holders in
43 finding housing in the area of their choice.

44 § 617. Applicable codes. Housing eligible for participation in the
45 homeless access voucher program shall comply with applicable state and
46 local health, housing, building and safety codes.

47 § 618. Housing choice. 1. The commissioner shall administer the home-
48 less access voucher program under this article to promote housing choice
49 for voucher holders. The commissioner shall affirmatively promote fair
50 housing to the extent possible under this program.

51 2. Nothing in this article shall lessen or abridge any fair housing
52 obligations promulgated by municipalities, localities, or any other
53 applicable jurisdiction.

54 § 2. This act shall take effect on the first of October next succeed-
55 ing the date on which it shall have become a law. Effective immediately,
56 the addition, amendment and/or repeal of any rule or regulation neces-

sary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

PART FF

Section 1. Section 22-c of the state finance law is amended by adding a new subdivision 7 to read as follows:

7. For the fiscal year beginning on April first, two thousand twenty-two and every fifth fiscal year thereafter, the governor shall submit to the legislature as part of the annual executive budget, five-year capital plans for the state university of New York state-operated campuses and city university of New York senior colleges. Such plans shall provide for the annual appropriation of capital funds to cover one hundred percent of the annual critical maintenance needs identified by each university system, and may include funds for new infrastructure or other major capital initiatives, provided that such funding for new infrastructure or other major capital initiatives shall not count towards meeting the overall critical maintenance requirement. In the event that such plan is unable to fund one hundred percent of the critical maintenance needs due to the limitation imposed by article five-B of this chapter, the director of the budget shall develop five-year capital plans whereby the implementation of each capital plan would annually reduce the overall facility condition index (FCI) for each university system. For the purposes of this subdivision, "facility condition index" shall mean an industry benchmark that measures the ratio of deferred maintenance dollars to replacement dollars for the purposes of analyzing the effect of investing in facility improvements. The apportionment of capital appropriations to each state-operated campus or senior college shall be based on a methodology to be developed by the director of the budget, in consultation with the state university of New York and city university of New York.

§ 2. This act shall take effect immediately.

PART GG

Section 1. Clause (vi) of subparagraph 4 of paragraph h of subdivision 2 of section 355 of the education law, as amended by section 1 of part JJJ of chapter 59 of the laws of 2017, is amended to read as follows:

(vi) Beginning in state fiscal year two thousand twenty-two--two thousand twenty-three and thereafter, the state shall appropriate and make available general fund operating support and fringe benefits, for the state university and the state university health science centers in an amount not less than the amounts separately appropriated and made available in the prior state fiscal year; provided, further, the state shall appropriate and make available general fund operating support to cover all mandatory costs of the state university and the state university health science centers, which shall include, but not be limited to, collective bargaining costs including salary increments, fringe benefits, and other non-personal service costs such as utility costs, building rentals and other inflationary expenses incurred by the state university and the state university health science centers, and any increase in the tuition credit pursuant to section six hundred eighty-nine-a of this title as tuition increases are enacted by the board of trustees of the state university; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and the speaker of the assembly, state

1 support for operating expenses at the state university and city univer-
2 sity may be reduced in a manner proportionate to one another, and the
3 aforementioned provisions shall not apply; provided further, the state
4 shall appropriate and make available general fund support to fully fund

6 sixty-nine-h of this title.

7 (vii) For the state university fiscal years commencing two thousand

9 sand sixteen, each university center may set aside a portion of its
10 tuition revenues derived from tuition increases to provide increased
11 financial aid for New York state resident undergraduate students whose
12 net taxable income is eighty thousand dollars or more subject to the
13 approval of a NY-SUNY 2020 proposal by the governor and the chancellor
14 of the state university of New York. Nothing in this paragraph shall be
15 construed as to authorize that students whose net taxable income is
16 eighty thousand dollars or more are eligible for tuition assistance
17 program awards pursuant to section six hundred sixty-seven of this
18 [~~chapter~~] title.

19 § 2. Paragraph (a) of subdivision 7 of section 6206 of the education

22 sand twenty-three and thereafter, the state shall appropriate and make
23 available general fund operating support and fringe benefits, for the
24 city university in an amount not less than the amounts separately appro-
25 priated and made available in the prior state fiscal year; provided,
26 further, the state shall appropriate and make available general fund
27 operating support to cover all mandatory costs of the city university,
28 which shall include, but not be limited to, collective bargaining costs
29 including salary increments, fringe benefits, and other non-personal
30 service costs such as utility costs, building rentals and other infla-
31 tionary expenses incurred by the city university, and any increase in
32 the tuition credit pursuant to section six hundred eighty-nine-a of this
33 chapter as tuition increases are enacted by the board of trustees of the
34 state university; provided, however, that if the governor declares a
35 fiscal emergency, and communicates such emergency to the temporary pres-
36 ident of the senate and the speaker of the assembly, state support for
37 operating expenses at the state university and city university may be
38 reduced in a manner proportionate to one another, and the aforementioned
39 provisions shall not apply; provided further, the state shall appropri-
40 ate and make available general fund support to fully fund the tuition
41 credit pursuant to subdivision two of section six hundred sixty-nine-h
42 of this chapter.

43 § 3. This act shall take effect immediately provided that:

44 (a) the amendments to subparagraph 4 of paragraph h of subdivision 2
45 of section 355 of the education law made by section one of this act
46 shall not affect the expiration and reversion of such subparagraph
47 pursuant to chapter 260 of the laws of 2011, as amended, and shall
48 expire therewith; and

49 (b) the amendments to paragraph (a) of subdivision 7 of section 6206
50 of the education law made by section two of this act shall not affect
51 the expiration and reversion of such paragraph pursuant to chapter 260
52 of the laws of 2011, as amended, and shall expire therewith.

Section 1. Paragraph h of subdivision 2 of section 355 of the education law is amended by adding a new subparagraph 11 to read as follows:

(11) Beginning in the two thousand twenty-one--two thousand twenty-two academic year all current and future mandatory university fees, with the exclusion of the graduate student association student activity fee, shall be charged to a state university of New York graduate student serving a full-time or half-time appointment as a graduate teaching assistant, graduate assistant, graduate research assistant, graduate research associate, or graduate teaching associate at the following rates:

(i) in the two thousand twenty-one--two thousand twenty-two academic year seventy-five percent of all mandatory university fees, with the exclusion of the graduate student association student activity fee;

(ii) in the two thousand twenty-two--two thousand twenty-three academic year fifty percent of all mandatory university fees, with the exclusion of the graduate student association student activity fee;

(iii) in the two thousand twenty-three--two thousand twenty-four academic year twenty-five percent of all mandatory university fees, with the exclusion of the graduate student association student activity fee; and

PART II

Section 1. The education law is amended by adding a new section 6452-a to read as follows:

§ 6452-a. Diversity in medicine educational opportunity program; state university of New York and the city university of New York. 1. To provide additional educational opportunity at the state university of New York and the city university of New York, such institutions shall

1 provide special programs for the screening, testing, counseling, and
2 tutoring of, and assistance to, residents of the state who are, (i)
3 enrolled at an institution of the state university of New York or the
4 city university of New York, (ii) who have the potential for the
5 successful completion of a doctorate level degree program in the field
6 of medicine, and (iii) are eligible for an opportunity program estab-
7 lished by section six thousand four hundred fifty-two of this article.

8 2. Such schools shall each formulate a general plan for the organiza-
9 tion, development, co-ordination and operation of such a program within
10 the amounts made available therefor by law. Such a plan shall include:

11 a. a definition of eligibility, provided, however, except for requir-
12 ing residence in the state or in the city of New York in the case of
13 those programs provided by the city university of New York, no such
14 definition shall include either by its terms or in its application, any

2. All funds provided under the provisions of this section shall be credited to the fund herein established and deposited by the chair for the benefit of the fund. The superintendent of financial services may examine into the condition of the fund at any time on his own initiative or upon the request of the chair.

3. Moneys of the fund shall not be used in whole or in part for any purpose or in any manner which (a) would permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this article; or (b) would cause the appropriate agency of the United States government to withhold any part of an administrative grant which would otherwise be made.

§ 4. Subdivisions 1, 2 and 3 of section 151 of the workers' compensation law, subdivisions 1 and 2 as added by section 22 of part GG of chapter 57 of the laws of 2013, subdivision 3 as amended by section 1 of subpart J of part NNN of chapter 59 of the laws of 2017, are amended to read as follows:

1. The annual expenses necessary for the board to administer the provisions of this chapter, the volunteer ambulance workers' benefit law, the volunteer firefighters' benefit law, the disability benefits law, and the workmen's compensation act for civil defense volunteers shall be borne by affected employers securing compensation for their employees pursuant to section fifty of this chapter. The board shall collect such annual expenses from affected employers through assessments as provided by the provisions of this section, including for purposes of this subdivision: (a) the aggregate assessment amount described in subparagraph four of paragraph (h) of subdivision eight of section fifteen of this chapter for the special disability fund in accordance with each financing agreement described in such subparagraph, (b) the aggregate assessment amount described in section fifty-c of this chapter for the self-insurer offset fund in accordance with each financing agreement described in such section, (c) the assessment amount described in subdivision three of section twenty-five-a of this chapter for the fund for reopened cases ~~[and]~~, (d) the assessment amount described in section two hundred fourteen of this chapter for the special fund for disability benefits, and (e) the assessment amount described in section two hundred fourteen-a of this chapter for the special fund for excluded workers; provided, that the foregoing and any other provision of this chapter to the contrary notwithstanding, assessment receipts shall be applied first to fully fund the amount described in subparagraph four of paragraph (h) of subdivision eight of section fifteen of this chapter and then to fully fund the amount described in section fifty-c of this chapter in accordance with each then applicable financing agreement pursuant to such provisions prior to application to any other purpose other than to pay any actual costs of collecting such assessment that are not otherwise funded. For purposes of this section, affected employer means all employers required to obtain workers' compensation coverage pursuant to this chapter.

~~2. [On the first day of November, two thousand thirteen, and annually thereafter, the chair shall establish an assessment rate for all affected employers in the state of New York in an amount expected to be sufficient to produce assessment receipts at least sufficient to fund all estimated annual expenses pursuant to subdivision one of this section except those expenses for which an assessment is authorized for self-insurance pursuant to subdivision five of section fifty of this chapter. Such rate shall be assessed effective the first of January of~~

~~the succeeding year and shall be based upon a single methodology determined by the chair, provided, however, that for assessments for the special fund for excluded workers under section two hundred fourteen-a of this chapter the chair shall establish assessment rates as follows. The chair may also establish an additional assessment rate, not to exceed thirty percent of annual premiums, for those affected employers who are in default in the payment of their compensation pursuant to subparagraph (b) of paragraph seven of subdivision three-a of section 50 of this chapter. Such additional assessment shall be collected and remitted to the chair consistent with subdivisions four and five of this section. The chair shall make available for public inspection an itemized statement of the estimated annual expenses in the office of the board for thirty days immediately after the rate is established.~~

3.] The chair and department of audit and control annually as soon as practicable after the first of April of each year shall ascertain the actual total amount of expenses, including in addition to the direct costs of personal service, the cost of maintenance and operation, the cost of retirement contributions made and workers' compensation premiums paid by the state for or on account of personnel, rentals for space occupied in state owned or state leased buildings, such additional sum as may be certified to the chair and the department of audit and control as a reasonable compensation for services rendered by the department of law and expenses incurred by such department, for transfer into the training and educational program on occupational safety and health fund created pursuant to chapter eight hundred eighty-six of the laws of nineteen hundred eighty-five and section ninety-seven-c of the state finance law, for the New York state occupational health clinics network, for the department of labor occupational safety and health program and for transfer into the uninsured employers' fund pursuant to subdivision two of section twenty-six-a of this chapter, and all other direct or indirect costs, incurred by the board in connection with the administration of this chapter, except those expenses for which an assessment is authorized for self-insurance pursuant to subdivision five of section fifty of this chapter. Assessments pursuant to subparagraph four of paragraph (h) of subdivision eight of section fifteen of this chapter for the special disability fund, pursuant to section fifty-c of this chapter for the self insurer offset fund, pursuant to subdivision three of section twenty-five-a of this chapter for the fund for reopened cases, [and] pursuant to section two hundred fourteen of this chapter for the special fund for disability benefits, and pursuant to section two hundred fourteen-a of this chapter for the special fund for excluded workers, shall be included in the total amount of expenses for the purposes of this subdivision. Any overpayment of annual assessments resulting from the requirements of this subdivision shall be applied as a credit against the future assessment rate provided the fund balance shall not be reduced below five percent of the total amount assessed.

§ 5. The workers' compensation law is amended by adding a new section 110-aa to read as follows:

§ 110-aa. Confidentiality of excluded workers' records. 1. Restrictions on disclosure. (a) Except where necessary to comply with a lawful court order, judicial warrant signed by a judge appointed pursuant to article III of the United States constitution, or subpoena for individual records issued pursuant to the criminal procedure law or the civil practice law and rules, or in accordance with subdivision two or three of this section, no record or portion thereof relating to a claimant or worker who has filed a claim for benefits pursuant to section two

1 hundred seven-a of this chapter is a public record and no such record
2 shall be disclosed, redisclosed, released, disseminated or otherwise
3 published or made available.

4 (b) For purposes of this section:

5 (i) "record" means a claim file, a file regarding a complaint or
6 circumstances for which no claim has been made, and/or any records main-
7 tained by the board in electronic databases in which individual claim-
8 ants or workers are identifiable, or any other information relating to
9 any person who has heretofore or hereafter filed a claim for benefits
10 pursuant to section two hundred seven-a of this chapter, including a
11 copy or oral description of a record which is or was in the possession
12 or custody of the board, its officers, members, employees or agents.

13 (ii) "person" means any natural person, corporation, association,
14 partnership, or other public or private entity.

15 (iii) "individually identifiable information" means any data concern-
16 ing any claim or potential claim that is linked to an identifiable work-
17 er or other natural person, including but not limited to a photo image,
18 social security number or tax identification number, telephone number,
19 place of birth, country of origin, place of employment, school or educa-
20 tional institution attended, source of income, status as a recipient of
21 public benefits, a customer identification number associated with a
22 public utilities account, or medical or disability information.

23 2. Authorized disclosure. Records which contain individually identifi-
24 able information may, unless otherwise prohibited by law, be disclosed
25 to:

26 (a) those officers, members and employees of the board if such disclo-
27 sure is necessary to the performance of their official duties pursuant
28 to a purpose of the board required to be accomplished by statute or
29 executive order or otherwise necessary to act upon an application for
30 benefits submitted by the person who is the subject of the particular
31 record;

32 (b) officers or employees of another governmental unit, or agents
33 and/or contractors of the governmental unit at the request and/or direc-
34 tion of the governmental unit, if the information sought to be disclosed
35 is necessary to act upon an application for benefits submitted by the
36 person who is the subject of the particular record;

37 (c) a judicial or administrative officer or employee in connection
38 with an administrative or judicial proceeding if the information sought
39 to be disclosed is necessary to act upon an application for benefits
40 submitted by the person who is the subject of the particular record; and

41 (d) a person engaged in bona fide statistical research, including but
42 not limited to actuarial studies and health and safety investigations,
43 which are authorized by statute or regulation of the board or other
44 governmental agency. Individually identifiable information shall not be
45 disclosed unless the researcher has entered into an agreement not to
46 disclose any individually identifiable information which contains
47 restrictions no less restrictive than the restrictions set forth in this
48 section and which includes an agreement that any research findings will
49 not disclose individually identifiable information.

50 3. Individual authorization. Notwithstanding the restrictions on
51 disclosure set forth under subdivision one of this section, a person who
52 is the subject of a workers' compensation record may authorize the
53 release, re-release or publication of his or her record to a specific
54 person not otherwise authorized to receive such record, by submitting
55 written authorization for such release to the board on a form prescribed
56 by the chair or by a notarized original authorization specifically

1 directing the board to release workers' compensation records to such
2 person. However, in accordance with section one hundred twenty-five of
3 this article, no such authorization directing disclosure of records to a
4 prospective employer shall be valid; nor shall an authorization permit-
5 ting disclosure of records in connection with assessing fitness or capa-
6 bility for employment be valid, and no disclosure of records shall be
7 made pursuant thereto. It shall be unlawful for any person to consider
8 for the purpose of assessing eligibility for a benefit, or as the basis
9 for an employment-related action, an individual's failure to provide
10 authorization under this subdivision.

11 4. For the purposes of this section, whenever disclosure of records is
12 sought pursuant to a lawful court order, judicial warrant, or subpoena
13 for individual records properly issued pursuant to the criminal proce-
14 dure law or the civil practice law and rules or pursuant to subdivision
15 two or three of this section, only those records, documents, and infor-
16 mation specifically sought may be disclosed, and any such disclosure
17 shall be limited to such records as are necessary to fulfill the purpose
18 of such disclosure.

19 5. The chair shall require any person or entity that receives or has
20 access to records to certify to the chair that, before such receipt or
21 access, such person or entity shall not:

22 (a) use such records or information for civil immigration purposes; or

23 (b) disclose such records or information to any agency that primarily
24 enforces immigration law or to any employee or agent of any such agency
25 unless such disclosure is pursuant to a cooperative arrangement between
26 city, state and federal agencies which arrangement does not enforce
27 immigration law and which disclosure is limited to the specific records
28 or information being sought pursuant to such arrangement. Violation of
29 such certification shall be a class A misdemeanor. In addition to any
30 records required to be kept pursuant to subdivision (c) of section 2721
31 of title 18 of the United States code, any person or entity certifying
32 pursuant to this paragraph shall keep for a period of five years records
33 of all uses and identifying each person or entity that primarily
34 enforces immigration law that received department records or information
35 from such certifying person or entity. Such records shall be maintained
36 in a manner and form prescribed by the chair and shall be available for
37 inspection by the chair or his or her designee upon his or her request.

38 (c) For purposes of this subdivision, the term "agency that primarily
39 enforces immigration law" shall include, but not be limited to, United
40 States immigration and customs enforcement and United States customs and
41 border protection, and any successor agencies having similar duties.

42 (d) Failure to maintain records as required by this subdivision shall
43 be a class A misdemeanor.

44 6. Except as otherwise provided by this section, any person who know-
45 ingly and willfully obtains records which contain individually identifi-
46 able information under false pretenses or otherwise violates this
47 section shall be guilty of a class E felony.

48 7. In addition to or in lieu of any criminal proceeding available
49 under this section, whenever there shall be a violation of this section,
50 application may be made by the attorney general in the name of the
51 people of the state of New York to a court or justice having jurisdic-
52 tion by a special proceeding to issue an injunction, and upon notice to
53 the defendant of not less than five days, to enjoin and restrain the
54 continuance of such violations; and if it shall appear to the satisfac-
55 tion of the court or justice that the defendant has, in fact, violated
56 this section, an injunction may be issued by such court or justice,

enjoining and restraining any further violation, without requiring proof that any person has, in fact, been injured or damaged thereby. In any such proceeding, the court may make allowances to the attorney general as provided in paragraph six of subdivision (a) of section eighty-three hundred three of the civil practice law and rules, and direct restitution. Whenever the court shall determine that a violation of this section has occurred, the court may impose a civil penalty of not more than five hundred dollars for the first violation, and not more than one thousand dollars for the second or subsequent violation within a three year period. In connection with any such proposed application, the attorney general is authorized to take proof and make a determination of the relevant facts and to issue subpoenas in accordance with the civil practice law and rules.

§ 6. This act shall take effect immediately.

provisions of this ~~[paragraph]~~ subparagraph, and containing such terms and conditions, including provisions for periodic payments, without interest, for an amount less than the full expenses incurred for the support of the person and for repairs and taxes paid on such property (hereinafter called a "lesser sum"), which lesser sum shall in no event be less than the difference between the appraised value of such property and the total of the then unpaid principal balance of any recorded mortgages and the unpaid balance of sums secured by other liens against such property.

~~[(2)]~~ B. In the case of a redemption for a lesser sum, the social services official shall obtain (i) an appraisal of the current market value of such property, by an appraiser acceptable to both parties, and (ii) a statement of the principal balance of any recorded mortgages or other liens against such property (excluding the debt secured by the deed, mortgage or lien of the social services official). 9 such person if it appears reasonably certain that the sale or other
10 disposition of the property will not materially adversely affect the
11 welfare of such person, the social services official may enforce such
12 lien in the manner provided by article three of the lien law. After the
13 death of such person the lien may not be enforced against real property
14 while it is occupied by the surviving spouse.

15 ~~[(7)]~~ (e) The sale of any parcel of real property or mortgage on real
16 property by the social services official, under the provisions of this
17 section, shall be made at a public sale, held at least two weeks after
18 notice thereof shall have been published in a newspaper having a general
19 circulation in that section of the county in which the real property is
20 located. Such notice shall specify the time and place of such public
21 sale and shall contain a brief description of the premises to be sold,
22 or upon which the mortgage is a lien, as the case may be. Unless in the
23 judgment of the social services official, it shall be in the public
24 interest to reject all bids, such parcel or mortgage shall be sold to
25 the highest responsible bidder.

26 ~~[(8)]~~ (f) It is permissible for social services officials to subordinate
27 a mortgage taken on behalf of the social services district pursuant to
28 this section. In the event that a social services official determines to
29 subordinate a mortgage, or lien, he or she shall do so within thirty
30 days of receipt of written notice that the mortgagor is attempting to
31 modify their mortgage that is held by a mortgagee with superior lien
32 rights and subordination of the social services district's mortgage is
33 required by such mortgagee in order for it to approve or complete the
34 modification.

36 of the laws of 1951, subdivisions 1 and 3 as amended by section 92 of

46 joint tenants, shall not preclude the granting of family assistance or
47 the continuance thereof if he or they are without the necessary funds to
48 maintain himself, herself or themselves and such child or children.

49 ~~[The social services official may, however, require, as a condition to~~
50 ~~the granting of aid or the continuance thereof, that he or she be given~~
51 ~~a deed of or a mortgage on such property in accordance with the~~
52 ~~provisions of section one hundred six.~~

53 ~~2. However, while the property covered by the deed or mortgage is~~
54 ~~occupied, in whole or in part, by the responsible relative who gave such~~
55 ~~deed or mortgage to the social services official or, by a child for~~
56 ~~whose benefit the aid was granted the social services official shall not~~

~~sell the property or assign or enforce the mortgage without the written consent of the department, and, when the property is occupied by such child, such consent shall not be given unless it appears reasonably certain that the sale or other disposition of the property will not materially adversely affect the welfare of such child.~~

~~3. The net amount recovered by the social services department from such property, less any expenditures approved by the department for the burial of the relative or the child who dies while in receipt of aid under this title, shall be used to repay the social services district, the state and the federal government their proportionate share of the cost of family assistance granted. The state and federal share shall be paid by the social services district to the state and the manner and amount of such payment shall be determined in accordance with the regulations of the department.~~

~~4. If any balance remains it shall belong to the estate of the legally responsible relative or relatives and the public welfare district shall forthwith credit the same accordingly, and, provided they claim it within four years thereafter, pay it to the persons entitled thereto. If not so claimed within four years it shall be deemed abandoned property and be paid to the state comptroller pursuant to section thirteen hundred five of the abandoned property law.~~

~~5. The proceeds or moneys due the United States shall be paid or reported in such manner and at such times as the federal security agency or other authorized federal agency may direct.]~~

§ 3. This act shall take effect on the first of April next succeeding the date on which it shall have become a law.

49 diverse workforce for the projects. The diversity plan should address
50 accountability for attainment of the diversity goals, what forms of
51 monitoring would be used, and how such information would be publicly
52 communicated.

53 Prior to the development of the comprehensive plan, the JSC board
54 shall hold as many public hearings as may be necessary to ensure suffi-

3 The JSC board shall submit the components of such comprehensive plan
4 outlined in paragraph (a) of subdivision one of this section to the
5 comptroller, along with any other information requested by the comp-

7 (2) Before formal selection of the projects pursuant to subdivision
8 (b) and (c) of section five of this act occurs, the city school district

25 project; (d) a detailed description of the request for proposals process
26 and an outline of the criteria to be used for selection of the program
27 manager and all contractors; (e) any proposed amendments to the city
28 school district's five year capital facilities plan submitted in accord-

35 should address accountability for attainment of the diversity goals,
36 what forms of monitoring would be used, and how such information would
37 be publicly communicated.

38 As part of the development of the comprehensive plan, the school
39 district shall hold as many public hearings as may be necessary to
40 ensure sufficient public input and allow for significant public

45 outlined in paragraph (a) of subdivision two of this section to the
46 comptroller, along with any other information requested by the comp-

49 contrary and upon approval by the comptroller pursuant to section six of
50 this act, the city school district may select projects, pursuant to
51 subdivision (a) of section five of this act to be undertaken pursuant to
52 this act, as provided for in such approved comprehensive plan. After the
53 city school district has selected a new project and plans and specifica-
54 tions for such project have been prepared and approved by the city
55 school district, which are consistent with the approved comprehensive
56 plan, the city school district shall deliver such plans and specifica-

tions to the city, for approval by such city, acting through the common council, and after the common council has approved such plans and specifications, the city shall deliver them to the commissioner for his or her approval. After approval by the commissioner, the plans and specifications shall be returned to the city school district and such district shall then deliver them to the JSC board. After the city school district has selected a new project and plans and specifications for such project have been prepared and approved by the city school district in consultation with the city engineer, which are consistent with the approved comprehensive plan, the city school district shall deliver such plans and specifications to the commissioner for his or her approval. After approval by the commissioner, the plans and specifications shall be delivered to the JSC board. All such specifications shall detail the number of students the completed project is intended to serve, the site description, the types of subjects to be taught, the types of activities for school, recreational, social, safety, or other purposes intended to be incorporated in the school building or on its site and such other information as the city school district, the city engineer, and the commissioner shall deem necessary or advisable.

(c) Notwithstanding any other provision of law to the contrary, if the total project cost associated with the projects authorized pursuant to subdivision (b) and (c) of section five of this act exceeds the estimated total project cost of 300 million dollars, then the JSC board shall report such information, along with explanatory documentation regarding the increase in cost, to the governor, the New York state comptroller, the commissioner, the temporary president of the senate and the speaker of the assembly.

(d) Notwithstanding any other provision of law to the contrary, the JSC board shall submit estimated project costs for the projects authorized pursuant to subdivision (b) and (c) of section five of this act after the completion of schematic plans and specifications for review by the commissioner. If the total project costs associated with such projects exceed the sum of the estimated individual approved cost allowance of each building project by more than the lesser of 30 million dollars or ten percent of the approved costs, and the city school district has not otherwise demonstrated to the satisfaction of the New York state education department the availability of additional local shares for such excess costs, then the JSC board shall not proceed with the preparation of final plans and specifications for such projects until the projects have been redesigned or value-engineered to reduce estimated project costs so as not to exceed the above cost limits.

(e) Notwithstanding any other provision of law to the contrary, the JSC board shall submit estimated project costs for the projects author-

6 of 30 million dollars or ten percent of the approved costs, and the city
7 school district has not otherwise demonstrated to the satisfaction of
8 the New York state education department the availability of additional
9 local share for such excess costs, then the JSC board shall not proceed
10 with the completion of the remaining fifty percent of the plans and
11 specifications for such projects until the projects have been redesigned
12 or value-engineered to reduce estimated project costs so as not to

14 § 4. Subdivision (a) of section 10 of part A-4 of chapter 58 of the
15 laws of 2006 enacting the "city of Syracuse and the board of education

20 subcontract or other agreement for a project to enter into a project
21 labor agreement during and for the work involved with such project when
22 such requirement is part of the JSC board's specifications for the
23 project and when the JSC board determines that the record supporting the
24 decision to enter into such an agreement establishes that it is justi-
25 fied by the interests underlying the competitive bidding laws. In addi-
26 tion, the JSC board may choose to extend the project labor agreement
27 entered into for the first or second phase of the JSC construction
28 projects to the projects authorized herein, contingent upon the

19 more of the projects to be authorized herein with said construction
20 manager managing the project within the management plan set forth by the
21 independent program manager and the JSC board.

22 (c) All construction and design contracts entered into by the JSC

29 accordance with the city's standard request for proposals process using

49 management plan set forth by the independent program manager and the JSC
50 board.

51 (d) The program manager, and its affiliates or subsidiaries, if any,

7 Notwithstanding any other provision of law to the contrary, the RJSCB
8 shall submit estimated project costs for the projects authorized pursu-

10 act after the completion of schematic plans and specifications for

14 dollars or ten percent of the approved costs authorized pursuant to
15 subdivision (b) of section four of this act, or for projects authorized
16 pursuant to subdivision (c) of section four of this act by more than the
17 lesser of 47 million dollars or ten percent of the approved costs, and
18 the city school district has not otherwise demonstrated to the satisfac-
19 tion of the education department the availability of additional local
20 shares for such excess costs, then the RJSCB shall not proceed with the
21 preparation of final plans and specifications for such projects until
22 the projects have been redesigned or value-engineered to reduce esti-

24 Notwithstanding any other provision of law to the contrary, the RJSCB
25 shall submit estimated project costs for the projects authorized pursu-

40 redesigned or value-engineered to reduce estimated project costs so as
41 not to exceed the above cost limits.

42 § 9. Contracts generally. Notwithstanding the provisions of any
43 general, special, or local law or judicial decision to the contrary:

44 (a) The RJSCB may require a contractor, as a condition to being
45 awarded a contract, subcontract, lease, grant, bond, covenant or other
46 agreement for a project to enter into a project labor agreement for the
47 work involved with such project when such requirement is made part of
48 the bid specifications for the project and when the RJSCB determines
49 that the record supporting the decision to enter into such an agreement
50 establishes that it is justified by the interests underlying the compet-
51 itive bidding laws. In addition, the RJSCB may revise and extend the
52 requirements of the project labor agreement entered into for phase one
53 projects to the projects authorized in phase [~~two~~] three, contingent
54 upon the completion of a supplemental project labor agreement benefit
55 [~~analysis~~].

1 (b) Any contract, subcontract, lease, grant, bond, covenant or other
2 agreement for projects undertaken pursuant to this act shall not be
3 subject to section 101 of the general municipal law when the RJSCB has
4 chosen to require a project labor agreement, pursuant to subdivision (a)
5 of this section. This exemption shall only apply to the projects under-
6 taken pursuant to this act and shall not apply to projects undertaken by
7 any other school district or municipality unless otherwise specifically
8 authorized.

9 (c) Whenever the RJSCB enters in a contract, subcontract, lease,
10 grant, bond, covenant or other agreement for the construction, recon-

12 alteration, or improvement for a project undertaken pursuant to this
13 act, it shall be deemed to be a public works project for the purposes of
14 article 8 of the labor law, and all the provisions of article 8 of the
15 labor law shall be applicable to all the work involved with such project
16 including the enforcement of prevailing wage requirements by the state
17 department of labor.

18 (d) Every contract entered into by resolution of the RJSCB for
19 construction or reconstruction of a project pursuant to this act shall
20 contain a provision that the design of such project shall be subject to

22 and construction standards of such project shall be subject to the
23 review and approval of the commissioner. In addition, every such
24 contract for construction or reconstruction shall contain a provision
25 that the contractor shall furnish a labor and material bond guaranteeing
26 prompt payment of moneys that are due to all persons furnishing labor
27 and materials pursuant to the requirements of any contracts for a
28 project undertaken pursuant to this section and a performance bond for
29 the faithful performance of the project, which shall conform to the
30 provisions of section 103-f of the general municipal law, and that a

36 and such contracts shall be deemed state contracts within the meaning of
37 that term as set forth in such article.

38 (f) Notwithstanding the provisions of this act or of any general or
39 special law to the contrary, for any contract, subcontract, lease,
40 grant, bond, covenant or other agreement for construction, recon-
41 struction, demolition, excavation, rehabilitation, repair, renovation,
42 alteration, or improvement with respect to each project undertaken
43 pursuant to this act, the RJSCB shall consider the financial and organ-
44 izational capacity of contractors and subcontractors in relation to the
45 magnitude of work they may perform, the record of performance of
46 contractors and subcontractors on previous work, the record of contrac-
47 tors and subcontractors in complying with existing labor standards and
48 maintaining harmonious labor relations, and the commitment of contrac-
49 tors to work with minority and women-owned business enterprises pursuant
50 to article 15-A of the executive law through joint ventures or subcon-
51 tractor relationships. The RJSCB shall further require, on any contract
52 in excess of one million dollars for construction, reconstruction, demo-

54 improvement that each contractor and subcontractor shall participate in
55 apprentice training programs in the trades of work it employs that: have
