(b) Method of payment. A taxpayer shall pay the tax surcharge when the taxpayer files his or her personal income tax return required to be filed pursuant to section six hundred fifty-one of this article. A taxpayer may also pre-pay in taxable year two thousand twenty-one all or a portion of the tax surcharge for taxable year two thousand twenty-two and/or two thousand twenty-three that the taxpayer estimates will be owed under this section in the manner the commissioner of taxation and finance shall prescribe. The commissioner shall prescribe a method of recording and applying the payment of pre-paid tax surcharge amounts made pursuant to this to this subsection, with the pre-payment reducing the taxpayer's surcharge liability first for taxable year two thousand twenty-two, with the remainder applied to reduce the taxpayer's surcharge liability in taxable year two thousand twenty-three and any excess in taxable year two thousand twenty-three treated as a tax over-payment to be refunded or credited against tax otherwise owed under this article; provided however, that no interest will be paid thereon. The surcharge imposed by this section shall be included for purposes of computing and remitting estimated tax pursuant to section six hundred
eighty-five of this article. The credits allowed under this article may not be used to reduce the surcharge imposed by this section.

§ 2. Subsection (c) of section 612 of the tax law is amended by adding a new paragraph 43 to read as follows:

(43) Taxpayers who pre-pay the tax surcharge imposed under subsection (a) of section six hundred twelve of this article in taxable year two thousand twenty-one shall be allowed a deduction as computed in this paragraph beginning in taxable year two thousand twenty-four. In taxable year two thousand twenty-four, the deduction shall be equal to the lesser of (i) the sum of the taxpayer's interest, dividends and capital gains taxable in this state or (ii) the product of fifty percent and the pre-payment income equivalent. For purposes of this paragraph, the pre-payment income equivalent is the quotient of the amount of the tax surcharge pre-payment the taxpayer made pursuant to subsection (b) of section six hundred twelve of this article and eight and eighty-two hundredths percent. The deduction allowed in taxable year two thousand twenty-five and thereafter shall be equal to the lesser of (i) the sum of the taxpayer's interest, dividends and capital gains taxable in this state or (ii) the remaining amount of the taxpayer's pre-payment income equivalent. The taxpayer shall continue to be allowed this deduction until all of the taxpayer's pre-payment income equivalent is used up in calculating this deduction.

§ 3. Section 606 of the tax law is amended by adding a new subsection (www) to read as follows:

(www) Taxpayers who pre-pay the tax surcharge imposed under section six hundred twelve of this article but die before the remainder of its pre-payment income equivalent is used up as provided in paragraph forty-three of subsection (c) of section six hundred twelve of this article, will be allowed a tax credit on the taxpayer's final return equal to the remaining amount of tax surcharge pre-payment the taxpayer has available for use that corresponds to the remaining pre-payment income equivalent referred to in paragraph forty-three of subsection (c) of section six hundred twelve of this article. If the amount of credit allowable under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment to be refunded in accordance with the provisions of section six hundred eighty-six of this article, provided however, that no interest shall be paid thereon.

§ 4. Notwithstanding any provision of law to the contrary, the method of determining the amount to be deducted and withheld from wages on account of taxes imposed by or pursuant to the authority of article 22 of the tax law in connection with the implementation of the provisions of this act shall be prescribed by the commissioner of taxation and finance with due consideration to the effect such withholding tables and methods would have on the receipt and amount of revenue. The commissioner of taxation and finance shall adjust such withholding tables and methods in regard to taxable years beginning in 2021 and after in such manner as to result, so far as practicable, in withholding from an employee's wages an amount substantially equivalent to the tax reasonably estimated to be due for such taxable years as a result of the provisions of this act. Any such changes in withholding tables and methods for tax year 2021 shall be adopted and effective as soon as practicable. The commissioner of taxation and finance may make similar changes to withholding tables and methods. The withholding tables and methods for tax year 2021 shall not be prescribed by regulation, notwithstanding any provision of the state administrative procedure act to the contrary.
§ 5. The additions to tax imposed by subsection (c) of section 685 of the tax law shall not apply to any installments of estimated tax due on or before September fifteenth, two thousand twenty-one if the underpayment is the result of the enactment of the tax surcharge for the tax year two thousand twenty-one prescribed by this act.

§ 6. Severability. The powers granted and the duties imposed by this act and the applicability thereof to any taxpayers shall be construed to be independent and severable and if any one or more sections, subsections, clauses, sentences or parts of this act, or the applicability thereof to any taxpayers shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions thereof or the applicability thereof to other taxpayers, but shall be confined in its operation to the specific provisions so held unconstitutional and invalid and to the taxpayers affected thereby. If any provisions under section two or three of this act shall be adjudged unconstitutional or invalid, then the entire affected section of this act shall be deemed void.

§ 7. This act shall take effect immediately.

(d) Deposit and disposition of revenue. All taxes, interest, penalties, and fees collected or received by the commissioner pursuant to this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter.

(e) Secrecy provision. All the provisions of paragraphs one and two of subsection (e) of section six hundred ninety-seven of this chapter will apply to the provisions of this article. Notwithstanding any provisions of this chapter to the contrary, the commissioner may disclose information and returns regarding the calculation and payment of the tax imposed by this article and any credit calculated on taxes paid pursuant to this article by an electing partnership or electing S corporation to a partner, member or shareholder of such entity.

§ 2. Section 606 of the tax law is amended by adding a new subsection (kkk) to read as follows:

(kkk) Credit for pass-through entity tax. (1) A taxpayer partner or member of an electing partnership and a taxpayer shareholder of an electing S corporation subject to tax under article twenty-four-A of this chapter shall be entitled to a credit against the tax imposed by this article as provided in this subsection. For purposes of this subsection, the terms "electing partnership," "electing S corporation," and "pass-through entity tax" shall have the same meanings as used in article twenty-four-A of this chapter.

(2) The credit shall be equal to the product of:

(i) the taxpayer's profit percentage of the electing partnership or pro rata share of the electing S corporation;

(ii) ninety-two percent; and

(iii) the pass-through entity tax paid by the electing partnership or S corporation for the taxable year.

(3) If a taxpayer is a partner, member or shareholder in multiple electing partnerships and/or electing S corporations subject to tax pursuant to article twenty-four-A of this chapter, the taxpayer's credit shall be the sum of such credits calculated pursuant to paragraph two of this subsection with regard to each entity in which the taxpayer has a direct ownership interest.

(4) If the amount of the credit allowable pursuant to this subsection for any taxable year exceeds the tax due for such year pursuant to this article, the excess shall be treated as an overpayment, to be credited or refunded, without interest.

§ 3. Section 620 of the tax law, as amended by chapter 2 of the laws of 1962, subsection (a) as amended and paragraph 3 of subsection (b) as added by chapter 274 of the laws of 1987, and subsection (d) as added by chapter 166 of 1991, is amended to read as follows:
§ 620. Credit for income tax of another state. (a) General. A resident shall be allowed a credit against the tax otherwise due under this article for any income tax imposed on such individual for the taxable year by another state of the United States, a political subdivision of such state, the District of Columbia or a province of Canada, upon income both derived therefrom and subject to tax under this article. The term "income tax imposed" in the previous sentence shall not include the portion of such tax (determined in the manner provided for in section six hundred twenty-A) which is imposed upon the ordinary income portion (or part thereof) of a lump sum distribution which is subject to the separate tax imposed by section [six hundred one-C] six hundred three.

(b) Pass-through entity taxes. (1) A resident shall be allowed a credit against the tax otherwise due pursuant to this article for any pass-through entity tax substantially similar to the tax imposed pursuant to article twenty-four-A of this chapter imposed on the income of a partnership or S corporation of which the resident is a partner, member or shareholder for the taxable year by another state of the United States, a political subdivision of such state, or the District of Columbia upon income both derived therefrom and subject to tax under this article.

(2) Such credit shall be equal to the product of:
(A) the taxpayer's profit percentage of the electing partnership or pro rata share of the electing S corporation;
(B) ninety-two percent; and
(C) the pass-through entity tax paid by the electing partnership or S corporation to such other state, political subdivision of such other state or the District of Columbia.

(3) However, such credit will be allowed on tax paid only if:
(A) the state of the United States, political subdivision of such state, or the District of Columbia imposing such tax also imposes an income tax substantially similar to the tax imposed under this article; and
(B) in the case of taxes paid by an S corporation, such S corporation was treated as a New York S corporation.

(c) Limitations. (1) The credit under this section shall not exceed the percentage of the tax otherwise due under this article determined by dividing the portion of the taxpayer's New York income subject to taxation by such other jurisdiction by the total amount of the taxpayer's New York income.

(2) The credit under this section shall not reduce the tax otherwise due under this article to an amount less than would have been due if the income subject to taxation by such other jurisdiction were excluded from the taxpayer's New York income.

(3) In the case of a taxpayer who elects to claim the foreign tax credit for federal income tax purposes, the credit under this section for income tax imposed by a province of Canada shall be allowed for that portion of the provincial tax not claimed for federal purposes for the taxable year or a preceding taxable year, provided however, to the extent the provincial tax is claimed for federal purposes for a succeeding taxable year, the credit under this section must be added back in such succeeding taxable year. The provincial tax shall be deemed to be claimed last for federal income tax purposes and for purposes of this subsection.

(d) Definition. For purposes of this section New York income means:
(1) the New York adjusted gross income of an individual, or
(2) the amount of the income of an estate or trust, determined as if the estate or trust were an individual computing his New York adjusted gross income under section six hundred twelve.

(d) S corporation shareholders. In the case of a shareholder of an S corporation, the term "income tax" in subsection (a) of this section shall not include any such tax imposed upon or payable by the corporation, but shall include any such tax with respect to the income of the corporation imposed upon or payable by the shareholder, without regard to whether an election independent of the federal S election was required to effect such imposition upon the shareholder.

The commissioner and the comptroller shall maintain a system of accounts showing the amount of revenue collected or received from each of the taxes imposed by such articles. The comptroller, after reserving the amount to pay such refunds or reimbursements, shall, on or before the tenth day of each month, pay into the state treasury to the credit of the general fund all revenue deposited under this section during the preceding calendar month and remaining to the comptroller's credit on the last day of such preceding month, (i) except that the comptroller shall pay to the state department of social services that amount of overpayments of tax imposed by article twenty-two of this chapter and the interest on such amount which is certified to the comptroller by the commissioner as the amount to be credited against past-due support pursuant to subdivision six of section one hundred seventy-one-c of this article, (ii) and except that the comptroller shall pay to the New York state higher education services corporation and the state university of New York or the city university of New York respectively that amount of overpayments of tax imposed by article twenty-two of this chapter and the interest on such amount which is certified to the comptroller by the commissioner as the amount to be credited against the amount of defaults in repayment of guaranteed student loans and state university loans or city university loans pursuant to subdivision five of section one hundred seventy-one-d and subdivision six of section one hundred seventy-one-e of this article, (iii) and except further that, notwithstanding any law, the comptroller shall credit to the revenue arrearage account, pursuant to section ninety-one-a of the state finance law, that amount of overpayment of tax imposed by article nine, nine-A, twenty-two, thirty, thirty-A, thirty-B or thirty-three of this chapter, and any interest thereon, which is certified to the comptroller by the commissioner as the amount to be credited against a past-due legally enforceable debt owed to a state agency pursuant to paragraph (a) of subdivision six of section one hundred seventy-one-f of this article, provided, however, he shall credit it to the special offset fiduciary account, pursuant to section ninety-one-c of the state finance law, any such amount creditable as a liability as set forth in paragraph (b) of subdivision six of section one hundred seventy-one-f of this article, (iv) and except further that the comptroller shall pay to the city of New York that amount of overpayment of tax imposed by article nine, nine-A, twenty-two, thirty, thirty-A, thirty-B or thirty-three of this chapter and any interest thereon that

the tax law, less such amounts as the commissioner of taxation and 
finance may determine to be necessary for refunds, (b) fifty 
percent of receipts from the imposition of employer compensation expense

the tax law, less such amounts as the commissioner of taxation and finance 
may determine to be necessary for refunds.

3. (a) Beginning on the first day of each month, the comptroller shall 
deposit all of the receipts collected pursuant to section six hundred 
seventy-one of the tax law in the revenue bond tax fund until the amount 
of monthly receipts anticipated to be deposited pursuant to the certif-
icate required in paragraph (b) of subdivision five of this section are 
met. On or before the twelfth day of each month, the commissioner of

first of each fiscal year the commissioner of taxation and finance shall 
certify such amounts relating to the last month of such fiscal year. The 
amounts so certified shall be deposited by the state comptroller in the 
revenue bond tax fund.

(b) Beginning on the first day of each month, the comptroller shall 
deposit all of the receipts collected pursuant to section eight hundred 
fifty-four of the tax law in the revenue bond tax fund until the amount 
of monthly receipts anticipated to be deposited pursuant to the certif-

(c) Beginning on the first day of each month, the comptroller shall deposit all of the receipts collected pursuant to sections eight hundred sixty-four and eight hundred sixty-five of the tax law in the revenue bond tax fund until the amount of monthly receipts anticipated to be deposited pursuant to the certificate required in paragraph (b) of subdivision five of this section are met. The amounts so certified shall be deposited by the state comptroller in the revenue bond tax fund.

(a) The state comptroller shall from time to time, but in no event later than the fifteenth day of each month (other than the last month of the fiscal year) and no later than the thirty-first day of the last month of each fiscal year, pay over and distribute to the credit of the general fund of the state treasury all moneys in the revenue bond tax fund, if any, in excess of the aggregate amount required to be set aside for the payment of cash requirements pursuant to paragraph (b) of this subdivision, provided that an appropriation has been made to pay all amounts specified in any certificate or certificates delivered by the director of the budget pursuant to paragraph (b) of this subdivision as being required by each authorized issuer as such term is defined in section sixty-eight-a of this chapter for the payment of cash requirements of such issuers for such fiscal year. Subject to the rights of holders of debt of the state, in no event shall the state comptroller pay over and distribute any moneys on deposit in the revenue bond tax fund to any person other than an authorized issuer pursuant to such certificate or certificates (i) unless and until the aggregate of all cash requirements certified to the state comptroller as required by such authorized issuers to be set aside pursuant to paragraph (b) of this subdivision for such fiscal year shall have been appropriated to such authorized issuers in accordance with the schedule specified in the certificate or certificates filed by the director of the budget or (ii) if, after having been so certified and appropriated, any payment required to be made pursuant to paragraph (b) of this subdivision has not been made to the authorized issuers which was required to have been made pursuant to such certificate or certificates; provided, however, that no person, including such authorized issuers or the holders of revenue bonds, shall have any lien on moneys on deposit in the revenue bond tax fund. Any agreement entered into pursuant to section sixty-eight-c of this chapter related to any payment authorized by this section shall be executory only to the extent of such revenues available to the state in such fund. Notwithstanding subdivisions two and three of this section, in the event the aggregate of all cash requirements certified to the state comptroller as required by such authorized issuers to be set aside pursuant to paragraph (b) of this subdivision for the fiscal year beginning on April first shall not have been appropriated to
such authorized issuers in accordance with the schedule specified in the
certificate or certificates filed by the director of the budget or, (ii)
if, having been so certified and appropriated, any payment required to
be made pursuant to paragraph (b) of this subdivision has not been made
pursuant to such certificate or certificates, all receipts collected
pursuant to section six hundred seventy-one of the tax law, section eight hundred sixty-four of the tax law, and section eight hundred sixty-five of the tax law shall be deposited in the revenue bond tax fund until the great-

authorized issuers to meet their requirements for the current fiscal
year pursuant to the certificate or certificates submitted by the direc-
tor of the budget pursuant to paragraph (b) of this section, the state
comptroller shall, on the last day of each fiscal year, pay to the
general fund of the state all sums remaining in the revenue bond tax
fund on such date except such amounts as the director of the budget may
certify are needed to meet the cash requirements of authorized issuers
during the subsequent fiscal year.
§ 7. Subdivision 5 of section 68-c of the state finance law, as
amended by section 6 of part MM of chapter 59 of the laws of 2018, is
amended to read as follows:
5. Nothing contained in this article shall be deemed to restrict the
right of the state to amend, repeal, modify or otherwise alter statutes
imposing or relating to the taxes imposed pursuant to article
twenty-two, article twenty-four, and article twenty-four-A of the tax law. The authorized issuers shall not include within any resolution,
contract or agreement with holders of the revenue bonds issued under
this article any provision which provides that a default occurs as a
result of the state exercising its right to amend, repeal, modify or
otherwise alter the taxes imposed pursuant to article twenty-two, article twenty-four, and article twenty-four-A of the tax law.
§ 8. This act shall take effect immediately and shall apply to all
taxable years beginning on or after January 1, 2022; provided, however,
that the amendments to subdivision 1 of section 171-a of the tax law
made by section four of this act shall not affect the expiration of such
subdivision and shall expire therewith, when upon such date the
provisions of section five of this act shall take effect.

PART D

Section 1. Section 352 of the economic development law is amended by
adding two new subdivisions 5-a and 13-a to read as follows:
5-a. "Child care services" means those services undertaken or spon-
sored by a participant in this program meeting the requirements of
"child day care" as defined in paragraph (a) of subdivision one of
section three hundred ninety of the social services law or any child
care services in the city of New York whereby a permit to operate such
child care services is required pursuant to the health code of the city of New York.

13-a. "Net new child care services expenditures" means the calculation of new, annual participant expenditures on child care services whether internal or provided by a third party (including coverage for full or partial discount of employee rates), minus any revenues received by the participant through a third-party operator (i.e. rent paid to the participant by the child care provider) or employees and may be further defined by the commissioner in regulations. For the purposes of this definition, expenditures for child care services that a participant has incurred prior to admission to this program shall not be eligible for the credit.

§ 2. Paragraphs (k) and (l) of subdivision 1 of section 353 of the economic development law, as amended by section 2 of part L of chapter 59 of the laws of 2020, are amended and a new paragraph (m) is added to read as follows:

(k) as a life sciences company; [ex]
(l) as a company operating in one of the industries listed in paragraphs (b) through (e) of this subdivision and engaging in a green project as defined in section three hundred fifty-two of this article[ex]; or

(m) as a participant operating in one of the industries listed in paragraphs (a) through (k) of this subdivision and operating or sponsoring child care services to its employees as defined in section three hundred fifty-two of this article.

§ 3. Subdivisions 2 and 6 of section 355 of the economic development law, subdivision 2 as amended by section 4 of part L of chapter 59 of the laws of 2020 and subdivision 6 as amended by section 4 of part K of chapter 59 of the laws of 2015, are amended and a new subdivision 2-a is added to read as follows:

2. Excelsior investment tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit on qualified investments. In a project that is not a green project, the credit shall be equal to two percent of the cost or other basis for federal income tax purposes of the qualified investment. In a green project, the credit shall be equal to five percent of the cost or other basis for federal income tax purposes of the qualified investment. In a project for child care services, the credit shall be equal to five percent of the cost or other basis for federal income tax purposes of the qualified investment. A participant may not claim both the excelsior investment tax credit component and the investment tax credit set forth in subdivision one of section two hundred ten-B, subsection (a) of section six hundred six, the former subsection (i) of section fourteen hundred fifty-six, or subdivision (q) of section fifteen hundred eleven of the tax law for the same property in any taxable year, except that a participant may claim both the excelsior investment tax credit component and the investment tax credit for research and development property. In addition, a taxpayer who or which is qualified to claim the excelsior investment tax credit component and is also qualified to claim the brownfield tangible property credit component under section twenty-one of the tax law may claim either the excelsior investment tax credit component or such tangible property credit component, but not both with regard to a particular piece of property. A credit may not be claimed until a business enterprise has received a certificate of tax credit, provided that qualified investments made on or after the issuance of the certificate of eligibility but before the issuance of the certificate of
tax credit to the business enterprise, may be claimed in the first taxable year for which the business enterprise is allowed to claim the credit. Expenses incurred prior to the date the certificate of eligibility is issued are not eligible to be included in the calculation of the credit.

2-a. Excelsior child care services tax credit component. A participant engaging in a new excelsior jobs program project shall be eligible to claim a credit on its net new child care services expenditures for its operation, sponsorship or direct financial support of a child care services program. The credit shall be equal to six percent of the net new child care services expenditures as defined in this chapter.

6. Claim of tax credit. The business enterprise shall be allowed to claim the credit as prescribed in section thirty-one of the tax law. No costs used by an entertainment company as the basis for the allowance of a tax credit described in this section shall be used by such entertainment company to claim any other credit allowed pursuant to the tax law. No costs or expenditures for child care services used by a participant to claim the credit as prescribed in section forty-four of the tax law shall be used for the allowance of a tax credit described in this section.

§ 4. Subdivision (a) of section 31 of the tax law is amended by adding a new paragraph 2-a to read as follows:

(2-a) the excelsior child care services tax credit component;

§ 5. Subdivision (a) of section 44 of the tax law, as added by section 1 of part L of chapter 59 of the laws of 2019, is amended to read as follows:

(a) General. A taxpayer subject to tax under article nine-A, twenty-two, or thirty-three of this chapter shall be allowed a credit against such tax in an amount equal to two hundred percent of the portion of the credit that is allowed to the taxpayer under section 45F of the internal revenue code that is attributable to (i) qualified child care expenditures paid or incurred with respect to a qualified child care facility with a situs in the state, and to (ii) qualified child care resource and referral expenditures paid or incurred with respect to the taxpayer's employees working in the state. The credit allowable under this subdivision for any taxable year shall not exceed five hundred thousand dollars. If the entity operating the qualified child care facility is a partnership or a New York S corporation, then such cap shall be applied at the entity level, so the aggregate credit allowed to all the partners or shareholders of such entity in a taxable year does not exceed five hundred thousand dollars.

§ 6. This act shall take effect immediately; provided, however, section five of this act shall apply to taxable years beginning on or after January 1, 2022.

PART E

Section 1. Paragraph (b) of subdivision 2 of section 184 of the tax law, as added by chapter 485 of the laws of 1988, is amended to read as follows:

(b) (1) A corporation classed as a "taxicab" or "omnibus", (i) which is organized, incorporated or formed under the laws of any other state, country or sovereignty, and (ii) which neither owns nor leases property in this state in a corporate or organized capacity, nor
(iii) maintains an office in this state in a corporate or organized capacity, but
(iv) which is doing business or employing capital in this state by conducting at least one but fewer than twelve trips into this state during the calendar year, shall [annually pay a tax equal to fifteen dollars for each trip conducted into this state] not be taxed under the provisions of this article. If the only property a corporation owns or leases in this state is a vehicle or vehicles used to conduct trips, it shall not be considered, for purposes of clause (ii) of this subpara-
d graph, to be owning or leasing property in this state.

(2) The commissioner of taxation and finance may prescribe such forms as he may deem necessary to report such tax in a simplified manner.

For purposes of this subdivision, a corporation classed as a "taxicab" or "omnibus" shall be considered to be conducting a trip into New York state when one of its vehicles enters New York state and trans-
ports passengers to, from, or to and from a location in New York state. A corporation shall not be considered to be conducting a trip into New York state if its vehicle only makes incidental stops at locations in the state while in transit from a location outside New York state to another location outside New York state. The number of trips a corpo-
ration conducts into New York state shall be calculated by determining the number of trips each vehicle owned, leased or operated by the corpo-
ration conducts into New York state and adding those numbers together.

(4) Provided, however, that the provisions of this paragraph shall not apply to any corporation which does not file its franchise tax report in a timely manner (determined with regard to any extension of time for filing).

manner the tax commission may prescribe by regulation, on the day such
person becomes a shareholder.

[(4)] (c) New York S termination year. In the case of a New York S
termination year, the amount of any item of S corporation income, loss
and deduction and reductions for taxes (as described in paragraphs two
and three of subsection (f) of section thirteen hundred sixty-six of the
internal revenue code) required to be taken account of under this arti-
cle shall be adjusted in the same manner that the S corporation's items
which are included in the shareholder's federal adjusted gross income
are adjusted under subsection (s) of section six hundred twelve.

[(e)] Inadvertent invalid elections. If (1) an election under
subsection (a) of this section was not effective for the taxable year
for which made (determined without regard to paragraph two of subsection
(b) of this section) by reason of a failure to obtain shareholder

(2) the commissioner determines that the circumstances resulting in
such ineffectiveness were inadvertent,
(3) no later than a reasonable period of time after discovery of the
circumstances resulting in such ineffectiveness, steps were taken to
acquire the required shareholder consents, and
(4) the corporation, and each person who was a shareholder in the
corporation at any time during the period specified pursuant to this
subsection, agrees to make such adjustments (consistent with the treat-
ment of the corporation as a New York S corporation) as may be required
by the commissioner with respect to such period,
(5) then, notwithstanding the circumstances resulting in such ineffec-
tiveness, such corporation shall be treated as a New York S corporation
during the period specified by the commissioner.

[(f)] (d) Qualified subchapter S subsidiaries. If an S corporation has
elected to treat its wholly owned subsidiary as a qualified subchapter S
subsidiary for federal income tax purposes under paragraph three of
subsection (b) of section thirteen hundred sixty-one of the internal
revenue code, such election shall be applicable for New York state tax
purposes and
(1) the assets, liabilities, income, deductions, property, payroll,
receipts, capital, credits, and all other tax attributes and elements of
economic activity of the subsidiary shall be deemed to be those of the
parent corporation,
(2) transactions between the parent corporation and the subsidiary,
including the payment of interest and dividends, shall not be taken into
account, and
(3) general executive officers of the subsidiary shall be deemed to be
general executive officers of the parent corporation.

(1) Notwithstanding the provisions in subsection (a) of this section, in the case of an eligible S corporation for which the election under subsection (a) of this section is not in effect for the current taxable year, the shareholders of an eligible S corporation are deemed to have made that election effective for the eligible S corporation's entire current taxable year, if the eligible S corporation's investment income for the current taxable year is more than fifty percent of its federal gross income for such year. In determining whether an eligible S corporation is deemed to have made that election, the income of a qualified subchapter S subsidiary owned directly or indirectly by the eligible S corporation shall be included with the income of the eligible S corporation.

(2) For the purposes of this subsection, the term "eligible S corporation" has the same definition as in subsection (a) of this section.

(3) For the purposes of this subsection, the term "investment income" means the sum of an eligible S corporation's gross income from interest, dividends, royalties, annuities, rents and gains derived from dealings in property, including the corporation's share of such items from a partnership, estate or trust, to the extent such items would be includable in federal gross income for the taxable year.

(4) Estimated tax payments. When making estimated tax payments required to be made under this chapter in the current tax year, the eligible S corporation and its shareholders may rely on the eligible S corporation's filing status for the prior year. If the eligible S corporation's filing status changes from the prior tax year the corporation or the shareholders, as the case may be, which made the payments shall be entitled to a refund of such estimated tax payments. No additions to tax with respect to any required declarations or payments of estimated tax imposed under this chapter shall be imposed on the corporation or shareholders, whichever is the taxpayer for the current taxable year, if the corporation or the shareholders file such declarations and make such estimated tax payments by January fifteenth of the following calendar year, regardless of whether the taxpayer's tax year is a calendar or a fiscal year.

shall be made available for allocation in the empire state film tax
credit pursuant to this section, subdivision twenty of section two
hundred ten-B and subsection (gg) of section six hundred six of this

ously allocated, and determines that the pending applications from
eligible applicants for the empire state film production tax credit
pursuant to this section is insufficient to utilize the balance of unal-
located film production tax credits from such pool, then all or part of
the remainder, after such pending applications are considered, shall be
made available for allocation for the empire state film post production

The registered organization shall also be under a continuing duty to report to the office and obtain prior approval for any material change or fact or circumstance to the information provided in the registered organization's application.

7. The office may suspend or revoke the registration of a registered organization, on grounds and using procedures under this article relating to a license, to the extent consistent with this article. The office shall suspend or revoke the registration in the event that a

4. A cannabis research licensee may contract with the higher education institutions to perform research in conjunction with the university. All research projects, entered into under this section shall be approved by the office and meet the requirements of subdivision one of this section.

§ 40. Registered organizations and adult-use cannabis. 1. The board shall have the authority to hold a competitive bidding process, including, in its discretion the ability to set price by an auction, to determine the registered organization(s) authorized to be licensed to cultivate, process, distribute and/or sell adult-use cannabis and to collect the fees generated from such auction to administer the office's social and economic equity plan and other duties prescribed by this chapter, and notwithstanding the prohibitions in article four of this chapter the board may permit such bidders to continue to participate in adult-use cannabis as a vertically integrated entity if such competitive process permits.
Alternatively, registered organizations may apply for licensure as an adult-use cannabis cultivator, adult-use cannabis processor, and adult-use cannabis distributor, or apply for licensure as an adult-use cannabis retail dispensary, subject to all of the restrictions and limitations set forth in article four of this chapter.

3. The fact that a person is a certified patient and/or acting in accordance with this article, shall not be a consideration in a proceeding pursuant to applicable sections of the domestic relations law, the social services law and the family court act.

4. (a) Certification applications, certification forms, any certified patient information contained within a database, and copies of registry identification cards shall be deemed exempt from public disclosure under sections eighty-seven and eighty-nine of the public officers law. Upon specific request by a certified patient to the office, the office may verify the requesting patient's status as a valid certified patient to the patient's school or employer, to ensure compliance with the protections afforded by this section.

(b) The name, contact information, and other information relating to practitioners registered with the office under this article shall be public information and shall be maintained by the executive director on the office's website accessible to the public in searchable form. However, if a practitioner notifies the office in writing that he or she does not want his or her name and other information disclosed, that practitioner's name and other information shall thereafter not be public

§ 47. Severability. If any clause, sentence, paragraph, section or part of this article shall be adjudged by any court of competent jurisdiction to be invalid, the judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which the judgment shall have been rendered.

§ 66. License renewal. 1. Each license, issued pursuant to this article, may be approved for renewal upon application therefor by the licensee and the payment of the fee for such license as prescribed by this article. In the case of applications for renewals, the office may dispense with the requirements of such statements as it deems unnecessary in view of those contained in the application made for the original
license, but in any event the submission of photographs of the licensed premises may be dispensed with, provided the applicant for such renewal shall file a statement with the office to the effect that there has been no alteration of such premises since the original license was issued. The office may make such rules as it deems necessary, not inconsistent with this chapter, regarding applications for renewals of licenses and permits and the time for making the same.

The fee for such amendment shall be determined by the executive director.

3. A license shall become void by a change in ownership, management, interest, substantial corporate change, location, or material changes in operations without prior written approval of the executive director. 5. No person may have a direct or indirect financial or controlling interest in more than one adult-use cultivator license issued pursuant to this chapter, provided that one adult-use cultivator license may authorize adult-use cultivation in more than one location pursuant to criteria established by the board in regulation.

6. The executive director shall have the authority to issue microbusiness licenses, allowing microbusiness licensees to cultivate, process, distribute and retail adult-use cannabis direct to licensed cannabis retailers and consumers, under a single license. 5. § 70. Adult-use cooperative license. 1. A cooperative license shall authorize the acquisition, possession, cultivation, processing or sale from the licensed premises of the adult-use cooperative by such licensee to duly licensed distributors and/or retail dispensaries; but not directly to cannabis consumers.

2. No distributor shall have a direct or indirect economic interest in any microbusiness or adult-use retail dispensary licensed pursuant to this article, or in any registered organization registered pursuant to article three of this chapter. This restriction shall not prohibit a registered organization authorized pursuant to section forty of this chapter, from being granted licensure by the office to distribute adult-use cannabis products cultivated and processed by the registered organization to the registered organization's own licensed adult-use retail dispensaries.

3. Nothing in subdivision two of this section shall prevent a distributor from charging an appropriate fee for the distribution of cannabis, including based on the volume of cannabis distributed.

4. Adult-use distributor licensees are subject to minimum operating requirements as determined by the board in regulation.
§ 72. Adult-use retail dispensary license. 1. A retail dispensary license shall authorize the acquisition, possession and sale of cannabis from the licensed premises of the retail dispensary by such licensee to cannabis consumers.

3. No person holding a retail dispensary license may also hold or have any interest in an adult-use cultivation, processor, microbusiness, cooperative or distributor license pursuant to this article.

§ 76. Inspections and ongoing requirements. All licensed or permitted premises, regardless of the type of premises, and records including but not limited to financial statements and corporate documents, shall be subject to inspection by the office, by the duly authorized representatives of the office, by any peace officer acting pursuant to his or her special duties, or by a police officer. The office shall make reasonable accommodations so that ordinary business is not interrupted and safety and security procedures are not compromised by the inspection. A person who holds a license or permit must make himself or herself, or an agent thereof, available and present for any inspection required by the office. Such inspection may include, but is not limited to, ensuring compliance by the licensee or permittee with all of the requirements of this article, the regulations promulgated pursuant thereto, and other applicable building codes, fire, health, safety, and governmental regulations, including at the municipal, county, and state level and include any inspector or official of relevant jurisdiction.

§ 77. Adult-use cultivators, processors or distributors not to be interested in retail dispensaries. 1. It shall be unlawful for a cultivator, processor, microbusiness, cooperative or distributor licensed under this article to:

(d) enter into any contract or agreement with any retail licensee whereby such licensee agrees to confine his sales to cannabis products manufactured or sold by one or more such cultivator or processors or distributors. Any such contract shall be void and subject the licenses of all parties concerned to revocation for cause and any applicable administrative enforcement and penalties.

2. The provisions of this section shall not prohibit a microbusiness, or registered organization authorized pursuant to section forty of this chapter, from cultivating, processing, distributing and selling adult-use cannabis under this article, at facilities wholly owned and operated by such microbusiness or registered organization, subject to any conditions, limitations or restrictions established by the office.

3. The board shall have the authority to create rules and regulations in regard to this section.

§ 78. Packaging, labeling, form and administration of adult-use cannabis products. 1. 3. Such regulations shall include requiring labels warning consumers of any potential impact on human health resulting from the consumption of cannabis products that shall be affixed to those products when sold, if such labels are deemed warranted by the office and may establish standardized and/or uniform packaging requirements for adult-use products.

4. Such rules and regulations shall determine serving sizes for cannabis products, active cannabis concentration per serving size, and number of servings per container. Such regulations may also require a nutritional fact panel that incorporates data regarding serving sizes and potency thereof.

5. Such rules and regulations shall establish approved product types and forms and establish an application and review process to determine the suitability of new product types and forms, taking into consideration the consumer and public health and safety implications of different product varieties, manufacturing processes, product types and forms, the means and methods of administration associated with specific product types, and any other criteria identified by the office for consideration to protect public health and safety.

6. Such regulations shall also require product labels to accurately display the total THC of each product.

7. The packaging, sale, labeling, marketing, branding, advertising or possession by any licensee of any cannabis product not labeled or
offered in conformity with rules and regulations promulgated in accordance with this section shall be grounds for the imposition of a fine, and/or the suspension, revocation or cancellation of a license. Fines may be imposed on a per violation, per day basis.

§ 79. Laboratory testing. 1. Every processor of adult-use cannabis shall contract with an independent laboratory permitted pursuant to section one hundred twenty-nine of this chapter, to test the cannabis products it produces pursuant to rules and regulations prescribed by the office. 2. Adult-use cannabis processors, cooperatives and microbusinesses shall make laboratory test reports available to licensed distributors and retail dispensaries for all cannabis products manufactured by the processor or licensee.

3. Licensed retail dispensaries shall maintain accurate documentation of laboratory test reports for each cannabis product offered for sale to cannabis consumers. Such documentation shall be made publicly available by the licensed retail dispensary.

4. Onsite laboratory testing by licensees is permissible subject to regulation; however, such testing shall not be certified by the office and does not exempt the licensee from the requirements of quality assurance testing at a testing laboratory pursuant to this section.

5. An owner of a cannabis laboratory testing permit shall not hold a license, or interest in a license, in any other category within this article and shall not own or have ownership interest in a registered organization registered pursuant to article three of this chapter, or a cannabinoid hemp processor license pursuant to article five of this chapter.

6. The office shall have the authority to require any licensee under this article to submit cannabis or cannabis products to one or more independent laboratories for testing and the board may promulgate regulations related to all aspects of third-party testing and quality assurance including but not limited to:

7. All cannabis products shall be processed in accordance with good manufacturing practices for the product category, pursuant to either Part 111 or Part 117 of Title 21 of the Code of Federal Regulations, as may be defined and modified by the board in regulation, which shall to the extent practicable and possible, align with neighboring state requirements.

products, the total THC content of purchased cannabis products as
reflected on the product labels, description by brands and the price of
such cannabis products, and a true, accurate and complete statement of
the terms and conditions on which such sale is made. Such books, records

7. Each distributor shall keep and maintain upon the licensed prem-
ises, adequate books and records to demonstrate the distributor's actual

§ 90. Definitions. As used in this article, the following terms shall
have the following meanings, unless the context clearly requires other-
wise:
1. "Cannabinoid" means the phytocannabinoids found in hemp and does
not include synthetic cannabinoids as that term is defined in subdivi-
sion (g) of schedule I of section thirty-three hundred six of the public
health law.
2. "Cannabinoid hemp product" means any hemp and any product processed
or derived from hemp, that is used for human consumption provided that
when such product is packaged or offered for retail sale to a consumer,
it shall not have a concentration of more than three-tenths of one
percent delta-9 tetrahydrocannabinol or a final total THC concentration
which exceeds an amount determined by the board in regulation.
3. "Used for human consumption" means intended by the manufacturer or
distributor to be: (a) used for human consumption for its cannabinoid
content; or (b) used in, on or by the human body for its cannabinoid
content.
4. "Hemp" means the plant Cannabis sativa L. and any part of such
plant, including the seeds thereof and all derivatives, extracts, canna-inoids, isomers, acids, salts, and salts of isomers, whether growing or
not, with a delta-9 tetrahydrocannabinol concentration (THC) of not more
than three-tenths of one percent on a dry weight basis. It shall not
include "medical cannabis" as defined in subdivision twenty-eight of
section three of this chapter.
5. "Hemp extract" means all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers derived from hemp, used or intended for human consumption, for its cannabinoid content, with a total THC concentration of not more than an amount determined by the board in regulation. For the purpose of this article, hemp extract excludes (a) any food, food ingredient or food additive that is generally recognized as safe pursuant to federal law; or (b) any hemp extract that is not used for human consumption. Such excluded substances shall not be regulated pursuant to the provisions of this article but are subject to other provisions of applicable state law, rules and regulations.

6. "License" means a license issued pursuant to this article.

7. "Cannabinoid hemp processor license" means a license granted by the office to process, extract, pack or manufacture cannabinoid hemp or hemp extract into products, whether in intermediate or final form, used for human consumption.

8. "Processing" means extracting, preparing, treating, modifying, compounding, manufacturing or otherwise manipulating cannabinoid hemp to concentrate or extract its cannabinoids, or creating product, whether in intermediate or final form, used for human consumption. For purposes of this article, processing does not include: (a) growing, cultivation, cloning, harvesting, drying, curing, grinding or trimming when authorized pursuant to article twenty-nine of the agriculture and markets law; or (b) mere transportation, such as by common carrier or another entity or individual.

§ 91. Rulemaking authority. The board may make regulations pursuant to this article for the processing, distribution, marketing, transportation and sale of cannabinoid hemp and hemp extracts used for human consumption, which may include, but not be limited to:

1. Specifying forms, establishing application, reasonable administration and renewal fees, or license duration;
2. Establishing the qualifications and criteria for licensing, as authorized by law;
3. The books and records to be created and maintained by licensees and lawful procedures for their inspection;
4. Any reporting requirements;
5. Methods and standards of processing, labeling, packaging and marketing of cannabinoid hemp, hemp extract and products derived therefrom;
6. Procedures for how cannabinoid hemp, hemp extract or ingredients, additives, or products derived therefrom can be deemed as acceptable for sale in the state;
7. Provisions governing the modes and forms of administration, including inhalation;
8. Procedures for determining whether cannabinoid hemp, hemp extract or ingredients, additives, or products derived therefrom produced outside the state or within the state meet the standards and requirements of this article and can therefore be sold within the state;
9. Procedures for the granting, cancellation, revocation or suspension of licenses, consistent with the state administrative procedures act;
10. Restrictions governing the advertising and marketing of cannabinoid hemp, hemp extract and products derived therefrom; and
11. Any other regulations necessary to implement this article.

§ 92. Cannabinoid hemp processor license. 1. Persons processing cannabinoid hemp or hemp extract used for human consumption, whether in
intermediate or final form, shall be required to obtain a cannabinoid hemp processor license from the office.

2. A cannabinoid hemp processor license authorizes one or more specific activities related to the processing of cannabinoid hemp into products used for human consumption, whether in intermediate or final form, and the distribution or sale thereof by the licensee. Nothing herein shall prevent a cannabinoid hemp processor from processing, extracting and processing hemp products not to be used for human consumption.

3. Persons authorized to grow hemp pursuant to article twenty-nine of the agriculture and markets law are not authorized to engage in processing of cannabinoid hemp or hemp extract without first being licensed as a cannabinoid hemp processor under this article.

4. This article shall not apply to hemp, cannabinoid hemp, hemp extracts or products derived therefrom that are not used for human consumption. This article also shall not apply to hemp, cannabinoid hemp, hemp extracts or products derived therefrom that have been deemed generally recognized as safe pursuant to federal law.

5. The executive director shall have the authority to set reasonable fees for such license, to limit the activities permitted by such license, to establish the period during which such license is authorized, which shall be two years or more. The board shall make rules and regulations necessary to implement this section.

6. Any person holding an active research partnership agreement with the department of agriculture and markets, authorizing that person to process cannabinoid hemp, shall be awarded licensure under this section, provided that the research partner is actively performing research pursuant to such agreement and is able to demonstrate compliance with this article, as determined by the office, after notice and an opportunity to be heard.

§ 93. Cannabinoid hemp retailer license. 1. Retailers selling cannabinoid hemp, in final form to consumers within the state, shall be required to obtain a cannabinoid hemp retailer license from the office.

2. The executive director shall have the authority to set reasonable fees for such license, to establish the period during which such license is authorized, which shall be one year or more. The board shall make rules and regulations necessary to implement this section.

§ 94. Cannabinoid license applications. 1. Persons shall apply for a license under this article by submitting an application upon a form supplied by the office, providing all the relevant requested information, verified by the applicant or an authorized representative of the applicant.

2. A separate license shall be required for each facility at which processing or retail sales are conducted; however, an applicant may submit one application for separate licensure at multiple locations.

3. Each applicant shall remit with its application the fee for each requested license, which shall be a reasonable fee.

§ 95. Information to be requested in applications for licenses. 1. The executive director may specify the manner and form in which an application shall be submitted to the office for licensure under this article.

2. The executive director shall prescribe what relevant information shall be included on an application for licensure under this article. Such information may include, but is not limited to: information about the applicant's identity; ownership and investment information, including the corporate structure; evidence of good moral character; financial statements; information about the premises to be licensed; information
about the activities to be licensed; and any other relevant information
prescribed by the executive director.

3. All license applications shall be signed by the applicant if an
individual, by a managing partner if a limited liability company, by an
officer if a corporation, or by all partners if a partnership. Each
person signing such application shall verify it as true under the penal-
ties of perjury.

4. All license applications shall be accompanied by a check, draft or
other forms of payment as the office may require or authorize in the
reasonable amount required by this article for such license.

5. If there be any change, after the filing of the application or the
granting, modification or renewal of a license, in any of the material
facts required to be set forth in such application, a supplemental
statement giving notice of such change, duly verified, shall be filed
with the office within ten days after such change. Failure to do so, if
willful and deliberate, may be grounds for revocation of the license.

§ 96. Fees. The office may charge licensees a reasonable license fee.
Such fee may be based on the activities permitted by the license, the
amount of cannabinoid hemp or hemp extract to be processed or extracted
by the licensee, the gross annual receipts of the licensee for the
previous license period, or any other factors reasonably deemed appro-
priate by the office.

§ 97. Selection criteria. 1. The applicant, if an individual or indi-
viduals, shall furnish evidence of the individual's good moral charac-
ter, and if an entity, the applicant shall furnish evidence of the good
moral character of the individuals who have or will have substantial
responsibility for the licensed or authorized activity and those in
control of the entity, including principals, officers, or others with
such control.

2. The applicant shall furnish evidence of the applicant's experience
and competency, and that the applicant has or will have adequate facili-
ties, equipment, process controls, and security to undertake those
activities for which licensure is sought.

3. The applicant shall furnish evidence of his, her or its ability to
comply with all applicable state and local laws, rules and regulations.

4. If the executive director is not satisfied that the applicant
should be issued a license, the executive director shall notify the
applicant in writing of the specific reason or reasons for denial.

5. No license pursuant to this article may be issued to an individual
under the age of eighteen years.

§ 98. License renewal. 1. Each license, issued pursuant to this arti-
cle, may be renewed upon application therefor by the licensee and the
payment of the reasonable fee for such license as specified by this
article.

2. In the case of applications for renewals, the office may dispense
with the requirements of such statements as it deems unnecessary in view
of those contained in the application made for the original license.

3. The office shall provide an application for renewal of any license
issued under this article not less than ninety days prior to the expira-
tion of the current license.

4. The office may only issue a renewal license upon receipt of the
specified renewal application and renewal fee from a licensee if, in
addition to the selection criteria set out in this article, the
licensee's license is not under suspension and has not been revoked.

§ 99. Form of license. Licenses issued pursuant to this article shall
specify:
1. The name and address of the licensee;
2. The activities permitted by the license;
3. The land, buildings and facilities that may be used for the licensed activities of the licensee;
4. A unique license number issued by the office to the licensee; and
5. Such other information as the office shall deem necessary to assure compliance with this chapter.

§ 100. Transferability; amendment to license; change in ownership or control. 1. Licenses issued under this article are not transferable, absent written consent of the office.
2. Upon application of a licensee, a license may be amended to add or delete permitted activities.
3. A license shall become void by a change in ownership, substantial corporate change or change of location without prior written approval of the office. The board may make regulations allowing for certain types of changes in ownership without the need for prior written approval.

§ 101. Granting, suspending or revoking licenses. After due notice and an opportunity to be heard, which process shall be established by rules and regulations, the office may decline to grant a new license, impose conditions or limits with respect to the grant of a license, modify an existing license or decline to renew a license, and may suspend or revoke a license already granted after due notice and an opportunity to be heard, as established by rules and regulations, whenever the executive director finds that:
1. A material statement contained in an application is or was false or misleading;
2. The applicant or licensee, or a person in a position of management and control thereof or of the licensed activity, does not have good moral character, necessary experience or competency, adequate facilities, equipment, process controls, or security to process, distribute, transport or sell cannabinoid hemp, hemp extract or products derived therefrom;
3. After appropriate notice and opportunity, the applicant or licensee has failed or refused to produce any records or provide any information required by this article or the regulations promulgated pursuant thereto;
4. The licensee has conducted activities outside of those activities permitted on its license; or
5. The applicant or licensee, or any officer, director, partner, or any other person exercising any position of management or control thereof or of the licensed activity has willfully failed to comply with any of the provisions of this article or regulations under it and other laws of this state applicable to the licensed activity.

§ 102. Record keeping and tracking. Every licensee shall keep, in such form as the executive director may direct, such relevant records as may be required pursuant to regulations under this article.

§ 103. Packaging and labeling of cannabinoid hemp and hemp extract. 1. Cannabinoid hemp processors shall be required to provide appropriate label warning to consumers, and restricted from making unapproved label claims, as determined by the office, concerning the potential impact on or benefit to human health resulting from the use of cannabinoid hemp, hemp extract and products derived therefrom for human consumption, which labels shall be affixed to those products when sold, pursuant to rules and regulations that the board may adopt.
2. The board may, by rules and regulations, require processors to establish a code, including, but not limited to QR code, for labels and
establish methods and procedures for determining, among other things, serving sizes or dosages for cannabinoid hemp, hemp extract and products derived therefrom, active cannabinoid concentration per serving size, number of servings per container, and the growing region, state or country of origin if not from the United States. Such rules and regulations may require an appropriate fact panel that incorporates data regarding serving sizes and potency thereof.

3. The packaging, sale, or possession of products derived from cannabinoid hemp or hemp extract used for human consumption not labeled or offered in conformity with regulations under this section shall be grounds for the seizure or quarantine of the product, the imposition of a civil penalty against a processor or retailer, and the suspension, revocation or suspension of a license, in accordance with this article.

§ 104. Processing of cannabinoid hemp and hemp extract. 1. No processor or shall sell or agree to sell or deliver in the state any cannabinoid hemp, hemp extract or product derived therefrom, used for human consumption, except in sealed containers containing quantities in accordance with size standards pursuant to rules adopted by the office. Such containers shall have affixed thereto such labels as may be required by the rules of the office.

2. Processors shall take such steps necessary to ensure that the cannabinoid hemp or hemp extract used in their processing operation has only been grown with pesticides that are registered by the department of environmental conservation or that specifically meet the United States environmental protection agency registration exemption criteria for minimum risk, used in compliance with rules, regulations, standards and guidelines issued by the department of environmental conservation for pesticides.

3. All cannabinoid hemp, hemp extract and products derived therefrom used for human consumption shall be extracted and processed in accordance with good manufacturing processes for the product category pursuant to Part 117 or Part 111 of title 21 of the code of federal regulations, as may be defined, modified and decided upon by the office, provided that such rules shall be in conformity to the extent practicable with neighboring states.

4. As necessary to protect human health, the office shall have the authority to: (a) regulate and prohibit specific ingredients, excipients or methods used in processing cannabinoid hemp, hemp extract and products derived therefrom; and (b) prohibit, or expressly allow, certain products or product classes derived from cannabinoid hemp or hemp extract, to be processed.

§ 105. Laboratory testing. Every cannabinoid hemp processor shall contract with an independent commercial laboratory to test the hemp extract and products produced by the licensed processor. The executive director, in consultation with the commissioner of the department of health, shall establish the necessary qualifications or certifications required for such laboratories used by licensees. The board is authorized to issue rules and regulations consistent with this article establishing the testing required, the reporting of testing results and the form for reporting such laboratory testing results. The office has authority to require licensees to submit any cannabinoid hemp, hemp extract or product derived therefrom, processed or offered for sale within the state, for testing. This section shall not obligate the office, in any way, to perform any testing on hemp, cannabinoid hemp, hemp extract or product derived therefrom. The office shall be author-
ized to establish consortia or cooperative agreements with neighboring states to effectuate this section.

§ 106. New York hemp product. The office may establish and adopt official grades and standards for cannabinoid hemp, hemp extract and products derived therefrom, as he or she may deem advisable, which are produced for sale in this state and, from time to time, may amend or modify such grades and standards.

§ 107. Penalties. Notwithstanding the provision of any law to the contrary, the failure to comply with a requirement of this article, or a regulation thereunder, may be punishable by a civil penalty of not more than one thousand dollars for a first violation; not more than five thousand dollars for a second violation within three years; and not more than ten thousand dollars for a third violation and each subsequent violation thereafter, within three years.

§ 108. Hemp workgroup. The executive director, in consultation with the commissioner of the department of agriculture and markets and the commissioner of health, may appoint a New York state hemp and hemp extract workgroup, composed of growers, researchers, producers, processors, manufacturers and trade associations, to make recommendations for the industrial hemp and cannabinoid hemp programs, state, regional, and federal policies and policy initiatives, and opportunities for the promotion and marketing of cannabinoid hemp and hemp extract as consistent with federal and state laws, rules and regulations.

§ 109. Prohibitions. 1. Except as authorized by the United States food and drug administration, the processing of cannabinoid hemp or hemp extract used for human consumption is prohibited within the state unless the processor is licensed under this article.

2. Cannabinoid hemp and hemp extracts used for human consumption and grown or processed outside the state shall not be distributed or sold at retail within the state, unless they meet all standards established for cannabinoid hemp under state law and regulations.

3. The retail sale of cannabinoid hemp is prohibited in this state unless the retailer is licensed under this article.

§ 110. Special use permits. The office shall have the authority to issue temporary permits for carrying on any activity related to cannabinoid hemp, hemp extract and products derived therefrom, licensed under this article. The executive director may set reasonable fees for such permits and to establish the periods during which such permits are valid. The board shall make rules and regulations to implement this section.

§ 111. Severability. If any provision of this article or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of this article which can be given effect without the invalid provision or application, and to this end the provisions of this article are declared to be severable.

ARTICLE 6
GENERAL PROVISIONS

Section 125. General prohibitions and restrictions.

126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis.

127. Protections for the use of cannabis; unlawful discriminations prohibited.

128. Registrations and licenses.

129. Laboratory testing permit.
§ 125. General prohibitions and restrictions. 1. No person shall cultivate, process, or distribute for sale or sell at wholesale or retail any cannabis, adult-use cannabis product, medical cannabis or cannabinoid hemp within the state without obtaining the appropriate registration, license, or permit therefor required by this chapter.

2. No registered organization, licensee, or permittee shall sell, or agree to sell or deliver in this state any cannabis or cannabinoid hemp for the purposes of resale to any person who is not duly registered, licensed or permitted pursuant to this chapter to sell such product, at wholesale or retail, as the case may be, at the time of such agreement and sale.

3. No registered organization, licensee, or permittee shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of eighteen years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis.

4. No registered organization, licensee, or permittee shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any adult-use cannabis, cannabis product, medical cannabis or cannabinoid hemp on credit unless authorized by the executive director; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, medical cannabis or cannabinoid hemp for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.

5. No registered organization, licensee, or permittee shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the office.

6. No registered organization, licensee, or permittee shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the office, with respect to any matter bearing upon the registration, license, or permit, the conduct of any people at the licensed premises, or bearing upon the character or fitness of such registrant, licensee, or permittee to continue to hold any registration, license, or permit. Nor shall any of the above offer false testimony under oath at such inquiry or hearing.
7. No registered organization, licensee, or permittee shall engage, participate in, or aid or abet any violation or provision of this chapter, or the rules or regulations of the office or board.

8. The proper conduct of registered, licensed, or permitted premises is essential to the public interest. Failure of a registered organization, licensee, or permittee to exercise adequate supervision over the registered, licensed, or permitted location poses a substantial risk not only to the objectives of this chapter but imperils the health, safety, and welfare of the people of this state. It shall be the obligation of each person registered, licensed, or permitted under this chapter to ensure that a high degree of supervision is exercised over any and all conduct at any registered, licensed, or permitted location at any and all times in order to safeguard against abuses of the privilege of being registered, licensed, or permitted, as well as other violations of law, statute, rule, or regulation. Persons registered, licensed, or permitted shall be held strictly accountable for any and all violations that occur upon any registered, licensed, or permitted premises, and for any and all violations committed by or permitted by any manager, agent or employee of such registered, licensed, or permitted person.

9. It shall be unlawful for any person, partnership or corporation operating a place for profit or pecuniary gain, with a capacity for the assemblage of twenty or more persons to permit a person or persons to come to the place of assembly for the purpose of cultivating, processing, distributing, or retail distribution or sale of cannabis on said premises. This includes, but is not limited to, cannabis that is either provided by the operator of the place of assembly, his agents, servants or employees, or cannabis that is brought onto said premises by the person or persons assembling at such place, unless an appropriate registration, license, or permit has first been obtained from the office of cannabis management by the operator of said place of assembly.

10. As it is a privilege under the law to be registered, licensed, or permitted to cultivate, process, distribute, traffic, or sell cannabis, the office may impose any such further restrictions upon any registrant, licensee, or permittee in particular instances as it deems necessary to further state policy and best serve the public interest. A violation or failure of any person registered, licensed, or permitted to comply with any condition, stipulation, or agreement, upon which any registration, license, or permit was issued or renewed by the office shall subject the registrant, licensee, or permittee to suspension, cancellation, revocation, and/or civil penalties as determined by the office.

11. No adult-use cannabis or medical cannabis may be imported to, or exported out of, New York state by a registered organization, licensee or person holding a license and/or permit pursuant to this chapter, until such time as it may become legal to do so under federal law and the board has promulgated regulations for the minimum requirements of such activities. Should it become legal to do so under federal law, the board shall have the authority to promulgate rules and regulations to protect the public and the policy of the state.

12. No registered organization, licensee or any of its agents, servants or employees shall peddle any cannabis product, medical cannabis or cannabinoid hemp from house to house by means of a truck or otherwise, where the sale is consummated and delivery made concurrently at the residence or place of business of a cannabis consumer. The office may establish regulations to enforce this subdivision. This subdivision shall not prohibit the delivery by a registered organization to certi-
fied patients or their designated caregivers, pursuant to article three
of this chapter.

13. No licensee shall employ any canvasser or solicitor for the
purpose of receiving an order from a certified patient, designated care-
giver or cannabis consumer for any cannabis product, medical cannabis or
cannabinoid hemp at the residence or place of business of such patient,
caregiver or consumer, nor shall any licensee receive or accept any
order, for the sale of any cannabis product, medical cannabis or canna-
biloid hemp which shall be solicited at the residence or place of busi-
ness of a patient, caregiver or consumer. This subdivision shall not
prohibit the solicitation by a distributor of an order from any licensee
at the licensed premises of such licensee.

14. No premises registered, licensed, or permitted by the office
shall:
(a) permit or allow any gambling on the premises;
(b) permit or allow the premises to become disorderly;
(c) permit or allow the use, by any person, of any fireworks or other
pyrotechnics on the premises; or
(d) permit or allow to appear as an entertainer, on any part of the
premises registered, licensed, or permitted, any person under the age of
eighteen years.

§ 126. License to be confined to premises licensed; premises for which
no license shall be granted; transporting cannabis. 1. A registration,
license, or permit issued to any person, pursuant to this chapter, for
any registered, licensed, or permitted premises shall not be transfera-
table to any other person, to any other location or premises, or to any
other building or part of the building containing the licensed premises
except in the discretion of the office. All privileges granted by any
registration, license, or permit issued to any person, pursuant to this chapter, for
any registered, licensed, or permitted premises shall not be transfera-
table to any other person, to any other location or premises, or to any
other building or part of the building containing the licensed premises
except in the discretion of the office. All privileges granted by any
registration, license, or permit shall be available only to the person
therein specified, and only for the premises licensed and no other
except if authorized by the office. Provided, however, that the
provisions of this section shall not be deemed to prohibit an applica-
tion or request for approval for a registration or license as provided
for in this chapter. A violation of this section shall subject the
registration, license, or permit to revocation for cause.

2. Where a registration or license for premises has been revoked, the
office in its discretion may refuse to accept an application from, or
issue a registration, license, or permit under this chapter to, any
individual, business, or entity connected to the revoked registration or
license, or for such premises or for any part of the building containing
such premises and connected therewith.

3. In determining whether to issue such a proscription against grant-
ing any registration, license, or permit for such five-year period, in
addition to any other factors deemed relevant to the office, the office
shall, in the case of a license revoked due to the illegal sale of
cannabis to a minor, determine whether the proposed subsequent licensee
has obtained such premises through an arm's length transaction, and, if
such transaction is not found to be an arm's length transaction, the
office shall deny the issuance of such license.

4. For purposes of this section, "arm's length transaction" shall mean
a sale of a fee of all undivided interests in real property, lease,
management agreement, or other agreement giving the applicant control
over the cannabis at the premises, or any part thereof, in the open
market, between an informed and willing buyer and seller where neither
is under any compulsion to participate in the transaction, unaffected by
any unusual conditions indicating a reasonable possibility that the sale
was made for the purpose of permitting the original licensee to avoid the effect of the revocation. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation:

(a) a sale between relatives;
(b) a sale between related companies or partners in a business; or
(c) a sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, affected by other facts or circumstances that would indicate that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, is entered into for the primary purpose of permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the office.

6. No common carrier or person operating a transportation facility in this state, other than the United States government, shall receive for transportation or delivery within the state any cannabis products or medical cannabis unless registered, licensed or permitted pursuant to this chapter and the shipment is accompanied by copy of a bill of lading, or other document, showing the name and address of the consignor, the name and address of the consignee, the date of the shipment, and the quantity and kind of cannabis products or medical cannabis contained therein.

§ 127. Protections for the use of cannabis; unlawful discriminations prohibited. 1. No person, registered organization, licensee or permittee, or agent or contractor of a registered organization, licensee or permittee shall be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil liability or disciplinary action by a business or occupational or professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division of the supreme court of the state of New York, and any disciplinary or character and fitness committees established by them are occupational and professional licensing boards within the meaning of this section. State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency thereof in enforcing the federal controlled substances act, 21 U.S.C. et seq., solely for actions consistent with this chapter, except pursuant to an order of a court of competent jurisdiction.

2. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for conduct allowed under this chapter, except as exempted:
(a) if failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations;
(b) if the institution has adopted a code of conduct prohibiting cannabis use on the basis of religious belief; or
(c) if a property is registered with the New York smoke-free housing registry, it is not required to permit the smoking of cannabis products on its premises.
3. For the purposes of medical care, including organ transplants, a certified patient's authorized use of medical cannabis must be considered the equivalent of the use of any other medication under the direction of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

4. An employer may implement policies prohibiting the use or possession of cannabis in accordance with section two hundred one-d of the labor law, provided such policies are in writing as part of an established workplace policy, uniformly applied to all employees, and the employer gives prior written notice of such policies to employees.

5. An employer may take disciplinary or adverse employment action against an employee, including termination of employment, for violating an established workplace policy adopted under subdivision four of this section, or if the results of a drug test administered in accordance with applicable state and local law demonstrate that the employee was impaired by or under the influence of cannabis while in the workplace or during the performance of work. For the purposes of this subdivision, a drug test that solely yields a positive result for cannabis metabolites shall not be construed as proof that an employee is under the influence of or impaired by cannabis unless the test yields a positive result for active tetrahydrocannabinol, delta-9-tetrahydrocannabinol, delta-8-tetrahydrocannabinol, or other active cannabinoid found in cannabis which causes impairment.

6. Nothing in this chapter permits any person to undertake any task under the influence of cannabis when doing so would constitute negligence or professional malpractice, jeopardize workplace safety, or to operate, navigate or be in actual physical control of any motor vehicle or other transport vehicle, aircraft, motorboat, machinery or equipment, or firearms under the influence of cannabis.

7. A person currently under parole, probation or other state supervision, or released on recognizance, non-monetary conditions, or bail prior to being convicted, shall not be punished or otherwise penalized for conduct allowed under this chapter unless the terms and conditions of said parole, probation, or state supervision explicitly prohibit a person's cannabis use or any other conduct otherwise allowed under this chapter. A person's use of cannabis or conduct under this chapter shall not be prohibited unless it has been shown by clear and convincing evidence that the prohibition is reasonably related to the underlying crime. Nothing in this provision shall restrict the rights of a certified medical patient.

§ 128. Registrations and licenses. 1. No registration or license shall be transferable or assignable except that notwithstanding any other provision of law, the registration or license of a sole proprietor converting to corporate form, where such proprietor becomes the sole stockholder and only officer and director of such new corporation, may be transferred to the subject corporation if all requirements of this chapter remain the same with respect to such registration or license as transferred and, further, the registered organization or licensee shall transmit to the office, within ten days of the transfer of license allowable under this subdivision, on a form prescribed by the office, notification of the transfer of such license.

2. To be permitted as an independent cannabis laboratory, a laboratory must apply to the office, on a form and in a manner prescribed by the office, which may include a permit fee and must demonstrate the following to the satisfaction of the executive director:
   (a) the owners and directors of the laboratory are of good moral character;
   (b) the laboratory and its staff has the skills, resources and expertise needed to accurately and consistently perform testing required for adult-use cannabis, medical cannabis and/or cannabinoid hemp;

No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

4. The office shall require that the permitted laboratory report testing results to the office in a manner, form and timeframe as determined by the executive director.

5. The board is authorized to promulgate regulations establishing minimum operating and testing requirements, and requiring permitted laboratories to perform certain tests and services.

6. The executive director is authorized to enter into contracts or memoranda of understanding with any other state for the purposes of aligning laboratory testing requirements or establishing best practices in testing of cannabis.

§ 130. Special use permits. The office is hereby authorized to issue the following kinds of permits for carrying on activities consistent with the policy and purpose of this chapter with respect to cannabis. The executive director has the authority to set fees for all permits issued pursuant to this section, to establish the periods during which permits are authorized.
1. Industrial cannabis permit - to purchase cannabis for use in the manufacture and sale of any of the following, when such cannabis is not otherwise suitable for consumption purposes, namely: (a) apparel, energy, paper, and tools; (b) scientific, chemical, mechanical and industrial products; or (c) any other industrial use as determined by the executive director.

§ 132. Municipal control and preemption. 1. The provisions of article four of this chapter, authorizing the cultivation, processing, distribution and sale of adult-use cannabis to cannabis consumers, shall not be applicable to a county, or city having a population of one hundred thousand or more residents, which on or before December thirty-first, two thousand twenty-one, adopts a local law, ordinance or resolution by a majority vote of its governing body, to completely prohibit the establishment of one or more types of licenses contained in article four of this chapter, within the jurisdiction of such county or city. Any county law, ordinance or resolution passed by a county pursuant to this
subdivision shall not apply to a city that has a population of one hundred thousand or more residents and that is geographically located within the county unless such a prohibition is also adopted by a majority vote of the city’s governing body. No law, ordinance or resolution may be adopted after January first, two thousand twenty-two, completely prohibiting the establishment of one or more types of licenses contained in article four of this chapter.

2. Except as provided for in subdivision one of this section, all counties, towns, cities and villages are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or cannabinoid hemp licenses. However, counties, cities, towns and villages, as applicable, may pass ordinances or regulations governing the hours of operation and location of licensed adult-use cannabis retail dispensaries, provided such ordinances or regulations do not make the operation of such licensed retail dispensaries unreasonably impracticable.

3. Local rules, ordinances, regulations or prohibitions enacted by a county, city, town, or village shall not require an adult-use cannabis applicant, licensee or permittee to enter into a community host agreement or pay any consideration to the municipality other than reasonable zoning and permitting fees.

4. Notwithstanding subdivision one of this section, adult-use cannabis, medical cannabis and cannabinoid hemp farming and farm operations, on land located within an agricultural district, shall be deemed an approved activity under the relevant county, city, town, or village land use or zoning ordinances, rules, or regulations, inclusive of all necessary ancillary farm operations as permitted by license pursuant to this chapter.

§ 133. Office to be necessary party to certain proceedings. The office shall be made a party to all actions and proceedings affecting in any manner the possession, ownership or transfer of a registration, license or permit to operate within a municipality; to all injunction proceedings; and to all other civil actions or proceedings which in any manner affect the enjoyment of the privileges or the operation of the restrictions provided for in this chapter.

§ 134. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, medical cannabis or cannabinoid hemp without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, upon first conviction thereof shall be guilty of a misdemeanor, punishable by a fine not more than five thousand dollars per violation, per day, and upon second conviction thereof shall be guilty of a class A misdemeanor punishable by a fine not more than ten thousand dollars per violation, per day, or a sentence of imprisonment not to exceed thirty days and upon all subsequent convictions thereof shall be an E felony punishable by a fine not more than twenty-five thousand dollars per violation, per day or a sentence of imprisonment not to exceed one year.

2. Any registered organization or licensee, whose registration or license has been suspended pursuant to the provisions of this chapter, who sells cannabis, cannabis products, medical cannabis or cannabinoid hemp during the suspension period, upon conviction thereof shall be guilty of an A misdemeanor, punishable punished by a fine of not more than five thousand dollars per violation, per day.
3. Any person who shall make any false statement in the application for or renewal of a registration, license or a permit under this chapter shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than five thousand dollars.

4. Any violation by any person of any provision of this chapter for which no punishment or penalty is otherwise provided shall be a misdemeanor.

5. Nothing in this section shall prohibit the office from suspending, revoking, or denying a license, permit, registration, or application in addition to the penalties prescribed herein.

§ 135. Revocation of registrations, licenses and permits for cause; procedure for revocation or cancellation. 1. Any registration, license or permit issued pursuant to this chapter may be revoked, cancelled, suspended and/or subjected to the imposition of a civil penalty for cause, and must be revoked for the following causes:

(a) the registered organization, licensee, permittee or his or her agent or employee has sold any illegal cannabis on the premises registered, licensed or permitted;

(b) for transferring, assigning or hypothecating a registration, license or permit without prior written approval of the office;

(c) for failing to follow testing requirements prescribed under this chapter or falsifying testing results;

(d) for knowingly distributing cannabis products to persons under twenty-one years of age;

(e) for diverting, inverting or trafficking in cannabis to or from an illegal and unlicensed, registered, or permitted source in violation of this chapter; or

(f) for any other violation established in regulation which poses an imminent and substantial threat to public health, public safety, or the integrity of the state's cannabis regulatory structure.

2. Notwithstanding the issuance of a registration, license or permit by way of renewal, the office may revoke, cancel or suspend such registration, license or permit and/or may impose a civil penalty against any holder of such registration, license or permit, as prescribed by this section, for causes or violations occurring during a license period which occurred prior to the issuance of such registration, license or permit.

3. (a) As used in this section, the term "for cause" shall also include the existence of a sustained and continuing pattern of misconduct, failure to adequately prevent diversion or disorder on or about the registered, licensed or permitted premises, or in the area in front of or adjacent to the registered or licensed premises, or in any parking lot provided by the registered organization or licensee for use by registered organization or licensee's patrons, which, in the judgment of the office, adversely affects or tends to affect the protection, health, welfare, safety, or repose of the inhabitants of the area in which the registered or licensed premises is located, or results in the licensed premises becoming a focal point for police attention, or is offensive to public decency.

(b) (i) As used in this section, the term "for cause" shall also include deliberately misleading the authority:

(A) as to the nature and character of the business to be operated by the registered organization, licensee or permittee; or

(B) by substantially altering the nature or character of such business during the registration or licensing period without seeking appropriate approvals from the office.
(ii) As used in this subdivision, the term "substantially altering the nature or character" of such business shall mean any significant alteration in the scope of business activities conducted by a registered organization, licensee or permittee that would require obtaining an alternate form of registration, license or permit.

4. As used in this chapter, the existence of a sustained and continuing pattern of misconduct, failure to adequately prevent diversion or disorder on or about the premises may be presumed upon the third incident reported to the office by a law enforcement agency, or discovered by the office during the course of any investigation, of misconduct, diversion or disorder on or about the premises or related to the operation of the premises.

5. The denial, revocation, or suspension of any application, license, permit, or registration issued to or submitted by a person, business, or entity may also be grounds for the denial, suspension, or revocation of any and all other licenses, permits, or registrations applied for by, or issued to said person, business, or entity if the executive director determines it necessary to protect public health and safety or that the person, business, and/or entities involved no longer possess the good moral character required to participate in the cannabis industry.

6. Any registration, license or permit issued by the office pursuant to this chapter may be revoked, cancelled or suspended and/or be subjected to the imposition of a monetary penalty in the manner prescribed by this section.

7. The office may on its own initiative, or on complaint of any person, institute proceedings to revoke, cancel or suspend any adult-use cannabis retail dispensary license and may impose a civil penalty against the licensee after a hearing at which the licensee shall be given an opportunity to be heard. Such hearing shall be held in such manner and upon such notice as may be prescribed by regulation.

8. All other registrations, licenses or permits issued under this chapter may be revoked, cancelled, suspended and/or made subject to the imposition of a civil penalty by the office after a hearing to be held in such manner and upon such notice as may be prescribed in regulation by the board.

9. Notwithstanding any other provision of this chapter, the office may: (a) revoke or refuse to issue any class or type of license, permit, or registration if it determines that failing to do so would conflict with any federal law or guidance pertaining to regulatory, enforcement and other systems that states, businesses, or other institutions may implement to mitigate the potential for federal intervention or enforcement. This provision shall not be construed to prohibit the overall implementation and administration of this chapter on account of the federal classification of marijuana or cannabis as a schedule I substance or any other federal prohibitions or restrictions; and

(b) the board may adopt rules and regulations based on federal guidance, provided those rules and regulations are designed to comply with federal guidance and mitigate federal enforcement against the registrations, licenses, or permits issued under this chapter, or the cannabis industry as a whole. This may include regulations which permit the sharing of licensee, registrant, or permit holder information with designated banking or financial institutions, provided these regulations are designed to aid cannabis industry participants' access to banking and financial services.

§ 136. Lawful actions pursuant to this chapter. 1. Contracts related to the operation of registered organizations, licenses and permits under
this chapter shall be lawful and shall not be deemed unenforceable on the basis that the actions permitted pursuant to the registration, license or permit are prohibited by federal law.

2. The following actions are not unlawful as provided under this chapter, shall not be an offense under any state or local law, and shall not result in any civil fine, seizure, or forfeiture of assets against any person acting in accordance with this chapter:

(a) Actions of a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(b) Actions of those who allow property to be used by a registered organization, licensee, or permittee, or the employees or agents of such registered organization, licensee or permittee, as permitted by this chapter and consistent with rules and regulations of the office, pursuant to a valid registration, license or permit issued by the office.

(c) Actions of any person or entity, their employees, or their agents providing a service to a registered organization, licensee, permittee or a potential registered organization, licensee, or permittee, as permitted by this chapter and consistent with rules and regulations of the office, relating to the formation of a business.

(d) The purchase, possession, or consumption of cannabis, medical cannabis and cannabinoid hemp, as permitted by this chapter and consistent with rules and regulations of the office, obtained from a validly registered, licensed or permitted retailer.

§ 137. Review by courts. 1. The following actions by the office shall be subject to review by the supreme court in the manner provided in article seventy-eight of the civil practice law and rules:

(a) refusal by the office to issue a registration, license, or a permit;

(b) the revocation, cancellation or suspension of a registration, license, or permit by the office;

(c) the failure or refusal by the office to render a decision upon any completed application for a license, registration or permit, or hearing submitted to or held by the office within sixty days after such submission of a completed application or hearing;

(d) the transfer by the office of a registration, license, or permit to any other entity or premises, or refusal by the office to approve such a transfer; and

(e) refusal to approve a corporate change in stockholders, stockholdings, officers or directors.

2. No stay shall be granted pending the determination of such matter except on notice to the office and only for a period of less than thirty days. In no instance shall a stay be granted where the office has issued a summary suspension of a registration, license, or permit for the protection of the public health, safety, and welfare.

§ 138. Illicit cannabis. 1. "Illicit cannabis" means and includes any cannabis product or medical cannabis owned, cultivated, distributed, bought, sold, packaged, rectified, blended, treated, fortified, mixed, processed, warehoused, possessed or transported, on which any tax required to have been paid under any applicable state law has not been paid; or any adult-use cannabis or medical cannabis product the form, packaging, or content of which is not permitted by the office, as applicable.
2. Any person who shall knowingly possess or have under his or her
control any illicit cannabis is guilty of a misdemeanor.
3. Any person who shall knowingly barter or exchange with, or sell,
give or offer to sell or to give another any illicit cannabis is guilty
of a class A misdemeanor.
4. Any person who shall possess or have under his or her control or
transport any illicit cannabis with intent to barter or exchange with,
or to sell or give to another the same or any part thereof is guilty of
a class A misdemeanor. Such intent is presumptively established by proof
that the person knowingly possessed or had under his or her control one
or more ounces, or an equivalent amount as determined by the board in
regulation, of illicit cannabis. This presumption may be rebutted.
5. Any person who, being the owner, lessee, or occupant of any room,
shed, tenement, booth or building, float or vessel, or part thereof,
knowingly permits the same to be used for the cultivation, processing,
distribution, purchase, sale, warehousing, transportation, or storage of
any illicit cannabis, is guilty of a misdemeanor.

§ 139. Injunction for unlawful manufacturing, sale, distribution, or
consumption of cannabis. 1. If any person shall engage or participate
or be about to engage or participate in the cultivation, production,
distribution, traffic, or sale of cannabis products, medical cannabis or
cannabinoid hemp in this state without obtaining the appropriate regis-
tration, license, or permit therefor, or shall traffic in cannabis
products, medical cannabis or cannabinoid hemp contrary to any provision
of this chapter, or otherwise unlawfully, or shall traffic in illicit
cannabis or, operating either a place for profit or pecuniary gain, or a
not-for-profit basis, with a capacity for the assemblage of twenty or
more persons, shall permit a person or persons to come to such place of
assembly for the purpose of consuming cannabis products without having
the appropriate license or permit therefor, the office may present a
verified petition or complaint to a justice of the supreme court at a
special term of the supreme court of the judicial district in which such
city, village or town is situated, for an order enjoining such person
engaging or participating in such activity or from carrying on such
business. Such petition or complaint shall state the facts upon which
such application is based. Upon the presentation of the petition or
complaint, the justice or court may grant an order temporarily restrain-
ing any person from continuing to engage in conduct as specified in the
petition or complaint, and shall grant an order requiring such person to
appear before such justice or court at or before a special term of the
supreme court in such judicial district on the day specified therein,
not more than ten days after the granting thereof, to show cause why
such person should not be permanently enjoined from engaging or partic-
ipating in such activity or from carrying on such business, or why such
person should not be enjoined from carrying on such business contrary to
the provisions of this chapter. A copy of such petition or complaint and
order shall be served upon the person, in the manner directed by such
order, not less than three days before the return day thereof. On the
day specified in such order, the justice or court before whom the same
is returnable shall hear the proofs of the parties and may, if deemed
necessary or proper, take testimony in relation to the allegations of
the petition or complaint. If the justice or court is satisfied that
such person is about to engage or participate in the unlawful traffic in
cannabis, medical cannabis or cannabinoid hemp or has unlawfully culti-
vated, processed, or sold cannabis products, medical cannabis or canna-
binoid hemp without having obtained a registration or license or contra-
ry to the provisions of this chapter, or has trafficked in illicit
or pecuniary gain, with such capacity, and has permitted or is about to
permit a person or persons to come to such place of assembly for the
purpose of consuming cannabis products without having such appropriate
license, an order shall be granted enjoining such person from thereafter
engaging or participating in or carrying on such activity or business,
and allowing for the seizure of such illicit cannabis without limit. If,
after the entry of such an order in the county clerk’s office of the
county in which the principal place of business of the corporation or
partnership is located, or in which the individual so enjoined resides
or conducts such business, and the service of a copy thereof upon such
person, or such substituted service as the court may direct, such
person, partnership or corporation shall, in violation of such order,
cultivate, process, distribute or sell cannabis products, medical canna-
abis or cannabinoid hemp, or illicit cannabis, or permit a person or
persons to come to such place of assembly for the purpose of consuming
cannabis products, such activity shall be deemed a contempt of court and
be punishable in the manner provided by the judiciary law, and, in addi-
tion to any such punishment, the justice or court before whom or which
the petition or complaint is heard, may, in his or its discretion, order
the seizure and forfeiture of any cannabis products and any fixtures,
equipment and supplies used in the operation or promotion of such ille-
gal activity and such property shall be subject to forfeiture pursuant
to law. Costs upon the application for such injunction may be awarded in
favor of and against the parties thereto in such sums as in the
discretion of the justice or court before whom or which the petition or
complaint is heard may seem proper.

2. The owner, lessor and lessee of a building, erection or place where
cannabis products, medical cannabis or cannabinoid hemp is unlawfully
cultivated, processed, distributed, sold, consumed or permitted to be
unlawfully cultivated, processed, distributed, sold or consumed may be
made a respondent or defendant in the proceeding or action.

3. The gift or transfer of cannabis in conjunction with the transfer
of any money, consideration or value, or another item or any other
services in an effort to evade laws, licensing, permitting, and regis-
tration requirements governing the sale of cannabis shall be considered
an unlawful activity under this chapter.

§ 140. Persons forbidden to traffic cannabis; certain officials not to
be interested in manufacture or sale of cannabis products. 1. The
following are forbidden to traffic in cannabis:
(a) Except as provided in subdivision one-a of this section, a person
who has been convicted of a felony, unless subsequent to such conviction
such person shall have received an executive pardon therefor removing
this disability, a certificate of good conduct granted by the department
of corrections and community supervision, or a certificate of relief
from disabilities granted by the department of corrections and community
supervision or a court of this state pursuant to the provisions of arti-
cle twenty-three of the correction law to remove the disability under
this section because of such conviction;
(b) A person under the age of twenty-one years;
(c) A person who is not a citizen of the United States or an alien
lawfully admitted for permanent residence in the United States;
(d) A partnership or a corporation, unless each member of the partner-
ship, or each of the principal officers and directors of the corpo-
ation, is a citizen of the United States or an alien lawfully admitted
for permanent residence in the United States, not less than twenty-one years of age, and has not been convicted of any felony, or if so convicted has received, subsequent to such conviction, an executive pardon therefor removing this disability a certificate of good conduct granted by the department of corrections and community supervision, or a certificate of relief from disabilities granted by the department of corrections and community supervision or a court of this state pursuant to the provisions of article twenty-three of the correction law to remove the disability under this section because of such conviction; provided however that a corporation which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are citizens of the United States or aliens lawfully admitted for permanent residence in the United States; and provided further that a corporation organized under the not-for-profit corporation law or the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are less than twenty-one years of age; and provided further that a corporation organized under the not-for-profit corporation law or the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are less than twenty-one years of age; and provided further that a corporation organized under the not-for-profit corporation law or the education law which otherwise conforms to the requirements of this section and chapter may be licensed if each of its principal officers and more than one-half of its directors are less than twenty-one years of age;

(e) A person who shall have had any registration or license issued under this chapter revoked for cause, until no less than two years from the date of such revocation;

(f) A person not registered or licensed under the provisions of this chapter, who has been convicted of a violation of this chapter, until no less than two years from the date of such conviction; or

(g) A corporation or partnership, if any officer and director or any partner, while not licensed under the provisions of this chapter, has been convicted of a violation of this chapter, or has had a registration or license issued under this chapter revoked for cause, until no less than two years from the date of such conviction or revocation.

1-a. Notwithstanding the provision of subdivision one of this section, a corporation holding a registration or license to traffic cannabis products or medical cannabis may, upon conviction of a felony be automatically forbidden to traffic in cannabis products or medical cannabis, and the application for a registered organization or license by such a corporation may be subject to denial, and the registration or license of such a corporation may be subject to revocation or suspension by the office pursuant, consistent with the provisions of article twenty-three-A of the correction law. For any felony conviction by a court other than a court of this state, the office may request the department of corrections and community supervision to investigate and review the facts and circumstances concerning such a conviction, and such department shall, if so requested, submit its findings to the office as to whether the corporation has conducted itself in a manner such that discretionary review by the office would not be inconsistent with the public interest. The department of corrections and community supervision may charge the registered organization, licensee or applicant a fee equivalent to the expenses of an appropriate investigation under this subdivision. For any conviction rendered by a court of this state, the office may request the corporation, if the corporation is
eligible for a certificate of relief from disabilities, to seek such a
certificate from the court which rendered the conviction and to submit
such a certificate as part of the office's discretionary review process.

2. Except as may otherwise be provided for in regulation, it shall be
unlawful for any police commissioner, police inspector, captain,
sergeant, roundsman, patrolman or other police official or subordinate
of any police department in the state, to be either directly or indi-
rectly interested in the cultivation, processing, distribution, or sale
of cannabis products or to offer for sale, or recommend to any regis-
tered organization or licensee any cannabis products. A person may not
be denied any registration or license granted under the provisions of
this chapter solely on the grounds of being the spouse of a public serv-
ant described in this section. The solicitation or recommendation made
to any registered organization or licensee, to purchase any cannabis
products by any police official or subordinate as hereinabove described,
shall be presumptive evidence of the interest of such official or subor-
dinate in the cultivation, processing, distribution, or sale of cannabis
products.

3. No elective village officer shall be subject to the limitations set
forth in subdivision two of this section unless such elective village
officer shall be assigned duties directly relating to the operation or
management of the police department or have direct authority over any
applicable local licensing requirements or approvals.

§ 141. Access to criminal history information through the division of
criminal justice services. In connection with the administration of
this chapter, the office is authorized to request, receive and review
criminal history information through the division of criminal justice
services with respect to any person seeking a registration, license,
permit or authorization to cultivate, process, distribute or sell
medical cannabis or adult-use cannabis. At the office's request, each
person, member, principal and/or officer of the applicant shall submit
to the office his or her fingerprints in such form and in such manner as
specified by the division, for the purpose of conducting a criminal
history search and returning a report thereon in accordance with the
procedures and requirements established by the division pursuant to the
provisions of article thirty-five of the executive law, which shall
include the payment of the prescribed processing fees for the cost of
the division's full search and retain procedures and a national criminal
history record check. The executive director, or his or her designee,
shall submit such fingerprints and the processing fee to the division.
The division shall forward to the office a report with respect to the
applicant's previous criminal history, if any, or a statement that the
applicant has no previous criminal history according to its files. Fing-
erprints submitted to the division pursuant to this subdivision may also
be submitted to the federal bureau of investigation for a national crim-
al history record check. If additional copies of fingerprints are
required, the applicant shall furnish them upon request.

§ 3. Intentionally omitted.

1. Arrest and field testing. (a) Arrest. Notwithstanding the
provisions of section 140.10 of the criminal procedure law, a police
officer may, without a warrant, arrest a person, in case of a violation
of subdivision one of section eleven hundred ninety-two of this article,
if such violation is coupled with an accident or collision in which such
person is involved, which in fact has been committed, though not in the
police officer's presence, when the officer has reasonable cause to
believe that the violation was committed by such person.
(b) Field testing. Every person operating a motor vehicle which has
been involved in an accident or which is operated in violation of any of
the provisions of this chapter shall, at the request of a police officer,
submit to a breath test and/or oral/bodily fluid test to be admin-
istered by the police officer. If such test indicates that such opera-
tor has consumed alcohol or drug or drugs, the police officer may
request such operator to submit to a chemical test and/or an evaluation
conducted by a drug recognition expert in the manner set forth in subdi-
vision two of this section.
2. Chemical tests and drug recognition evaluations. (a) When author-
ed. Any person who operates a motor vehicle in this state shall be
deemed to have given consent to an evaluation conducted by a certified
drug recognition expert and/or a chemical test of one or more of the
following: breath, blood, urine, or saliva, for the purpose of determin-
ing the alcoholic and/or drug content of the blood provided that such
test is administered by or at the direction of a police officer with
respect to a chemical test of breath, urine or saliva or, with respect
to a chemical test of blood, at the direction of a police officer:
(1) having reasonable grounds to believe such person to have been
operating in violation of any subdivision of section eleven hundred

grounds to believe such person to have been operating in violation of
section eleven hundred ninety-two-a of this article and within two hours
after the stop of such person for any such violation,
(2) within two hours after a breath test, as provided in paragraph (b) of subdivision one of this section, indicates that alcohol has been consumed by such person and in accordance with the rules and regulations established by the police force of which the officer is a member;

(3) for the purposes of this paragraph, "reasonable grounds" to believe that a person has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article shall be determined by viewing the totality of circumstances surrounding the incident which, when taken together, indicate that the operator was driving in violation of such subdivision. Such circumstances may include any visible or behavioral indication of alcohol consumption by the operator, the existence of an open container containing or having contained an alcoholic beverage in or around the vehicle driven by the operator, or any other evidence surrounding the circumstances of the incident which indicates that the operator has been operating a motor vehicle after having consumed alcohol at the time of the incident; or

(4) notwithstanding any other provision of law to the contrary, no person under the age of twenty-one shall be arrested for an alleged violation of section eleven hundred ninety-two-a of this article. However, a person under the age of twenty-one for whom a chemical test and/or an evaluation conducted by a certified drug recognition expert is authorized pursuant to this paragraph may be temporarily detained by the police solely for the purpose of requesting or administering such chemical test and/or an evaluation conducted by a certified drug recognition expert whenever arrest without a warrant for a petty offense would be authorized in accordance with the provisions of section 140.10 of the criminal procedure law or paragraph (a) of subdivision one of this section.

(b) Report of refusal. (1) If: (A) such person having been placed under arrest; or (B) after a breath, blood, urine, and/or oral/bodily fluid test indicates the presence of alcohol and/or drug or drugs in the person's system; or (C) with regard to a person under the age of twenty-one, there are reasonable grounds to believe that such person has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article; and having thereafter been requested to submit to such chemical test and/or an evaluation or any portion thereof conducted by a certified drug recognition expert and having been informed that the person's license or permit to drive and any non-resident operating privilege shall be immediately suspended and subsequently revoked, or, for operators under the age of twenty-one for whom there are reasonable grounds to believe that such operator has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article, shall be revoked for refusal to submit to such chemical test or any portion thereof, and/or an evaluation or any portion thereof conducted by a certified drug recognition expert or any portion thereof, whether or not the person is found guilty of the charge for which such person is arrested or detained, refuses to submit to such chemical test or any portion thereof, and/or an evaluation or any portion thereof conducted by a certified drug recognition expert or any portion thereof, unless a court order has been granted pursuant to subdivision three of this section, the test shall not be given and a written report of such refusal shall be immediately made by the police officer before whom such refusal was made. Such report may be verified by having the report sworn to, or by affixing to such report a form notice that false statements made therein are
punishable as a class A misdemeanor pursuant to section 210.45 of the penal law and such form notice together with the subscription of the deponent shall constitute a verification of the report.

(2) The report of the police officer shall set forth reasonable grounds to believe such arrested person or such detained person under the age of twenty-one had been driving in violation of any subdivision of section eleven hundred ninety-two or eleven hundred ninety-two-a of this article, that said person had refused to submit to such chemical test, or an evaluation or any portion thereof conducted by a certified drug recognition expert or any portion thereof, and that no chemical test or evaluation conducted by a certified drug recognition expert was administered pursuant to the requirements of subdivision three of this section. The report shall be presented to the court upon arraignment of an arrested person, provided, however, in the case of a person under the age of twenty-one, for whom a test was authorized pursuant to the provisions of subparagraph two or three of paragraph (a) of this subdivision, and who has not been placed under arrest for a violation of any of the provisions of section eleven hundred ninety-two of this article, such report shall be forwarded to the commissioner within forty-eight hours in a manner to be prescribed by the commissioner, and all subsequent proceedings with regard to refusal to submit to such chemical test and/or an evaluation conducted by a certified drug recognition expert by such person shall be as set forth in subdivision three of section eleven hundred ninety-four-a of this article.

(3) For persons placed under arrest for a violation of any subdivision of section eleven hundred ninety-two of this article, the license or permit to drive and any non-resident operating privilege shall, upon the basis of such written report, be temporarily suspended by the court without notice pending the determination of a hearing as provided in paragraph (c) of this subdivision. Copies of such report must be transmitted by the court to the commissioner and such transmittal may not be waived even with the consent of all the parties. Such report shall be forwarded to the commissioner within forty-eight hours of such arraignment.

(4) The court or the police officer, in the case of a person under the age of twenty-one alleged to be driving after having consumed alcohol, shall provide such person with a scheduled hearing date, a waiver form, and such other information as may be required by the commissioner. If a hearing, as provided for in paragraph (c) of this subdivision, or subdivision three of section eleven hundred ninety-four-a of this article, is waived by such person, the commissioner shall immediately revoke the license, permit to drive or non-resident operating privilege, as of the date of receipt of such waiver in accordance with the provisions of paragraph (d) of this subdivision.

(c) Hearings. Any person whose license or permit to drive or any non-resident driving privilege has been suspended pursuant to paragraph (b) of this subdivision is entitled to a hearing in accordance with a hearing schedule to be promulgated by the commissioner. If the department fails to provide for such hearing fifteen days after the date of the arraignment of the arrested person, the license, permit to drive or non-resident operating privilege of such person shall be reinstated pending a hearing pursuant to this section. The hearing shall be limited to the following issues: (1) did the police officer have reasonable grounds to believe that such person had been driving in violation of any subdivision of section eleven hundred ninety-two of this article; (2) did the police officer make a lawful arrest of such person; (3) was such
person given sufficient warning, in clear or unequivocal language, prior
to such refusal that such refusal to submit to such chemical test or any
portion thereof and/or an evaluation or any portion thereof conducted by
a certified drug recognition expert, would result in the immediate
suspension and subsequent revocation of such person's license or operat-
ing privilege whether or not such person is found guilty of the charge
for which the arrest was made; and (4) did such person refuse to submit
to such chemical test or any portion thereof and/or an evaluation or any
portion thereof conducted by a certified drug recognition expert. If,
after such hearing, the hearing officer, acting on behalf of the commis-
sioner, finds on any one of said issues in the negative, the hearing
officer shall immediately terminate any suspension arising from such
refusal. If, after such hearing, the hearing officer, acting on behalf
of the commissioner finds all of the issues in the affirmative, such
officer shall immediately revoke the license or permit to drive or any
non-resident operating privilege in accordance with the provisions of
paragraph (d) of this subdivision. A person who has had a license or
permit to drive or non-resident operating privilege suspended or revoked
pursuant to this subdivision may appeal the findings of the hearing
officer in accordance with the provisions of article three-A of this
chapter. Any person may waive the right to a hearing under this section.
Failure by such person to appear for the scheduled hearing shall consti-
tute a waiver of such hearing, provided, however, that such person may
petition the commissioner for a new hearing which shall be held as soon
as practicable.

(d) Sanctions. (1) Revocations. a. Any license which has been revoked
pursuant to paragraph (c) of this subdivision shall not be restored for
at least one year after such revocation, nor thereafter, except in the
discretion of the commissioner. However, no such license shall be

the person has had a prior revocation resulting from refusal to submit
to a chemical test and/or an evaluation or any portion thereof conducted
by a certified drug recognition expert, or has been convicted of or
found to be in violation of any subdivision of section eleven hundred
ninety-two or section eleven hundred ninety-two-a of this article not

preceding the date of such revocation; provided, however, a prior find-
ing that a person under the age of twenty-one has refused to submit to a
chemical test pursuant to subdivision three of section eleven hundred
ninety-four-a of this article shall have the same effect as a prior
finding of a refusal pursuant to this subdivision solely for the purpose
of determining the length of any license suspension or revocation
required to be imposed under any provision of this article, provided
that the subsequent offense or refusal is committed or occurred prior to
the expiration of the retention period for such prior refusal as set
forth in paragraph (k) of subdivision one of section two hundred one of
this chapter.

this subdivision or pursuant to subdivision three of section eleven
hundred ninety-four-a of this article, where the holder was under the

restored for at least one year, nor thereafter, except in the discretion
of the commissioner. Where such person under the age of twenty-one years
has a prior finding, conviction or youthful offender adjudication
resulting from a violation of section eleven hundred ninety-two or
section eleven hundred ninety-two-a of this article, not arising from
the same incident, such license shall not be restored for at least one
year or until such person reaches the age of twenty-one years, whichever
is the greater period of time, nor thereafter, except in the discretion
of the commissioner.

c. Any commercial driver's license which has been revoked pursuant to
paragraph (c) of this subdivision based upon a finding of refusal to

However, such person shall be permanently disqualified from operating a commercial motor vehicle in any case where the holder has a prior finding of refusal to submit to a chemical test and/or an evaluation or any portion thereof conducted by a certified drug recognition expert pursuant to this section or has a prior conviction of any of the following offenses: any violation of section eleven hundred ninety-two of this article; refusal to submit to a chemical test or an evaluation or any portion thereof conducted by a certified drug recognition expert pursuant to this section; any violation of subdivision one or two of section six hundred of this chapter; or has a prior conviction of any felony involving the use of a motor vehicle pursuant to paragraph (a) of subdivision one of section five hundred ten-a of this chapter. Provided that the commissioner may waive such permanent revocation after a period of ten years has expired from such revocation provided:

(ii) that such person provides acceptable documentation to the commissioner that such person is not in need of alcohol or drug treatment or has satisfactorily completed a prescribed course of such treatment; and

(iii) after such documentation is accepted, that such person is granted a certificate of relief from disabilities or a certificate of good conduct pursuant to article twenty-three of the correction law by the court in which such person was last penalized.

d. Upon a third finding of refusal and/or conviction of any of the offenses which require a permanent commercial driver's license revocation, such permanent revocation may not be waived by the commissioner under any circumstances.

(2) Civil penalties. Except as otherwise provided, any person whose license, permit to drive, or any non-resident operating privilege is revoked pursuant to the provisions of this section shall also be liable for a civil penalty in the amount of five hundred dollars except that if such revocation is a second or subsequent revocation pursuant to this section issued within a five year period, or such person has been
convicted of a violation of any subdivision of section eleven hundred ninety-two of this article within the past five years not arising out of the same incident, the civil penalty shall be in the amount of seven hundred fifty dollars. Any person whose license is revoked pursuant to the provisions of this section based upon a finding of refusal to submit to a chemical test while operating a commercial motor vehicle shall also be liable for a civil penalty of five hundred fifty dollars except that if such person has previously been found to have refused a chemical test and/or an evaluation conducted by a certified drug recognition expert or any portion thereof pursuant to this section while operating a commercial motor vehicle or has a prior conviction of any of the following offenses while operating a commercial motor vehicle: any violation of section eleven hundred ninety-two of this article; any violation of subdivision two of section six hundred of this chapter; or has a prior conviction of any felony involving the use of a commercial motor vehicle pursuant to paragraph (a) of subdivision one of section five hundred ten-a of this chapter, then the civil penalty shall be seven hundred fifty dollars. § 35. Section 490 of the tax law, as added by chapter 90 of the laws
of 2014, is amended to read as follows:

§ 490. [Definitions] Excise tax on medical cannabis. 1. (a) [All
definitions of terms applicable to title five-A of article thirty-three
of the public health law shall apply to this article.] For purposes of
this article, the terms "medical cannabis," "registered organization,"
"certified patient," and "designated caregiver" shall have the same
definitions as in section three of the cannabis law.

(b) As used in this section, where not otherwise specifically defined
and unless a different meaning is clearly required "gross receipt" means
the amount received in or by reason of any sale, conditional or other-
wise, of medical [marihuana] cannabis or in or by reason of the furnish-
ing of medical [marihuana] cannabis from the sale of medical [marihuana]
1. **cannabis** provided by a registered organization to a certified patient or
designated caregiver. Gross receipt is expressed in money, whether paid
in cash, credit or property of any kind or nature, and shall be deter-
mined without any deduction therefrom on account of the cost of the
service sold or the cost of materials, labor or services used or other
costs, interest or discount paid, or any other expenses whatsoever.

"Amount received" for the purpose of the definition of gross receipt, as
the term gross receipt is used throughout this article, means the amount
charged for the provision of medical [marihuana] cannabis.

2. There is hereby imposed an excise tax on the gross receipts from
the sale of medical [marihuana] cannabis by a registered organization to
a certified patient or designated caregiver, to be paid by the regis-
tered organization, at the rate of seven percent. The tax imposed by
this article shall be charged against and be paid by the registered
organization and shall not be added as a separate charge or line item on
any sales slip, invoice, receipt or other statement or memorandum of the
price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations,
procedures and forms necessary for the proper administration of this
article.

4. Every registered organization that makes sales of medical [marihu-
na] cannabis subject to the tax imposed by this article shall, on or
before the twentieth date of each month, file with the commissioner a
return on forms to be prescribed by the commissioner, showing its
receipts from the retail sale of medical [marihuana] cannabis during the
preceeding calendar month and the amount of tax due thereon. Such returns
shall contain such further information as the commissioner may require.
Every registered organization required to file a return under this
section shall, at the time of filing such return, pay to the commision-
er the total amount of tax due on its retail sales of medical [marihu-
na] cannabis for the period covered by such return. If a return is not
filed when due, the tax shall be due on the day on which the return is
required to be filed.

5. Whenever the commissioner shall determine that any moneys received
under the provisions of this article were paid in error, he may cause
the same to be refunded, with interest, in accordance with such rules
and regulations as he may prescribe, except that no interest shall be
allowed or paid if the amount thereof would be less than one dollar.
Such interest shall be at the overpayment rate set by the commissioner
pursuant to subdivision twenty-sixth of section one hundred seventy-one
of this chapter, or if no rate is set, at the rate of six percent per
annum, from the date when the tax, penalty or interest to be refunded
was paid to a date preceding the date of the refund check by not more
than thirty days. Provided, however, that for the purposes of this
subdivision, any tax paid before the last day prescribed for its payment
shall be deemed to have been paid on such last day. Such moneys received
under the provisions of this article which the commissioner shall deter-
mine were paid in error, may be refunded out of funds in the custody of
the comptroller to the credit of such taxes provided an application
therefor is filed with the commissioner within two years from the time
the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply
to the tax imposed by this article in the same manner and with the same
force and effect as if the language of such article had been incorpo-
rated in full into this section and had expressly referred to the tax
imposed by this article, except to the extent that any provision of such
1 article is either inconsistent with a provision of this article or is not relevant to this article.

7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical [marihuana] cannabis trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical [marihuana] cannabis shall provide to the department information on where the medical cannabis was dispensed and where the medical [marihuana] cannabis was manufactured. A registered organization that obtains [marihuana] cannabis from another registered organization shall obtain from such registered organization information on where the medical [marihuana] cannabis was manufactured.

§ 36. Section 491 of the tax law, as added by chapter 90 of the laws of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 of the laws of 2016, is amended to read as follows:

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the contents or any other information relating to the business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the state, [the state department of health] office of cannabis management, or the commissioner in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceeding involving the collection of a tax due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article, when the returns or the reports or the facts shown thereby are directly involved in such action or proceeding, or in an action or proceeding relating to the regulation or taxation of medical [marihuana] cannabis on behalf of officers to whom information shall have been supplied as provided in subdivision two of this section, in any of which events the court may require the production of, and may admit in evidence so much of said returns or reports or of the facts shown there-by as are pertinent to the action or proceeding and no more. Nothing herein shall be construed to prohibit the commissioner, in his or her discretion, from allowing the inspection or delivery of a certified copy of any return or report filed under this article or of any information contained in any such return or report by or to a duly authorized officer or employee of the [state department of health] office of cannabis
management; or by or to the attorney general or other legal representatives of the state when an action shall have been recommended or commenced pursuant to this chapter in which such returns or reports or the facts shown thereby are directly involved; or the inspection of the returns or reports required under this article by the comptroller or duly designated officer or employee of the state department of audit and control, for purposes of the audit of a refund of any tax paid by a registered organization or other person under this article; nor to prohibit the delivery to a registered organization, or a duly authorized representative of such registered organization, a certified copy of any return or report filed by such registered organization pursuant to this article, nor to prohibit the publication of statistics so classified as to prevent the identification of particular returns or reports and the items thereof. This section shall also not be construed to prohibit the disclosure, for tax administration purposes, to the division of the budget and the office of the state comptroller, of information aggregated from the returns filed by all the registered organizations making sales of, or manufacturing, medical marijuana in a specified county, whether the number of such registered organizations is one or more. Provided further that, notwithstanding the provisions of this subdivision, the commissioner may, in his or her discretion, permit the proper officer of any county entitled to receive an allocation, following appropriation by the legislature, pursuant to this article and section eighty-nine-h of the state finance law, or the authorized representative of such officer, to inspect any return filed under this article, or may furnish to such officer or the officer's authorized representative an abstract of any such return or supply such officer or such representative with information concerning an item contained in any such return, or disclosed by any investigation of tax liability under this article.

2. The commissioner, in his or her discretion and pursuant to such rules and regulations as he or she may adopt, may permit the appropriate officers of any other state which regulates or taxes medical marijuana, or the duly authorized representatives of such officers, to inspect returns or reports made pursuant to this article, or may furnish to such other officers, or duly authorized representatives, a copy of any such return or report or an abstract of the information therein contained, or any portion thereof, or may supply any such officers or such representatives with information relating to the business of a registered organization making returns or reports hereunder. The commissioner may refuse to supply information pursuant to this subdivision to the commissioner of internal revenue of the United States or to the appropriate officers of any other state if the statutes of the United States, or of the state represented by such officers, do not grant substantially similar privileges to the commissioner, but such refusal shall not be mandatory. Information shall not be supplied to the commissioner of internal revenue of the United States or to the appropriate officers of any other state which regulates or taxes medical marijuana, or the duly authorized representatives of any such officers, unless such officer or other representatives shall agree not to divulge or make known in any manner the information so supplied, but such officers may transmit such information to their employees or legal representatives when necessary, who in turn shall be
subject to the same restrictions as those hereby imposed upon such officer or other representatives.

3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

(b) Cross-reference: For criminal penalties, see article thirty-seven of this chapter.

§ 493. Imposition of tax. (a) There is hereby imposed a tax on adult-use cannabis products sold by a distributor to a person who sells adult-use cannabis products at retail at the following rates:

(1) cannabis flower at the rate of seven tenths of one cent per milligram of the amount of total THC, as reflected on the product label;

§ 494. Registration and renewal. (a) (i) Every distributor on whom tax is imposed under this article and every person who sells adult-use cannabis products at retail must file with the commissioner a properly completed application for a certificate of registration before engaging in business. A certificate of registration shall not be assignable or transferable and shall be destroyed immediately upon such person ceasing to do business as specified in such certificate, or in the event that such business never commenced.

Such refund or credit shall be deemed a refund of tax paid in error, provided, however, no interest shall be allowed or paid on any such refund.

(b) The commissioner shall refuse to issue a certificate of registration to any applicant and shall revoke the certificate of registration of any such person who does not possess a valid license from the office of cannabis management or a valid certificate of authority issued pursu-

(d) Every holder of a certificate of registration under this article shall be required to reapply prior to such certificate’s expiration, during a reapplication period established by the commissioner. Such reapplication period shall occur not more frequently than every two years. Such reapplication shall be subject to the same requirements and conditions as an initial application, including grounds for refusal and the payment of the application fee.

(e) Any person who is required to obtain a certificate of registration under subdivision (a) of this section who possesses adult-use cannabis products without such certificate shall be subject to a penalty of five hundred dollars for each month or part thereof during which adult-use cannabis products are possessed without such certificate, not to exceed ten thousand dollars in the aggregate.

§ 495. Returns and payment of tax. (a)(i) Every distributor on whom tax is imposed under this article shall, on or before the twentieth date of each month, file with the commissioner a return on forms to be prescribed by the commissioner, showing the total THC content of adult-use cannabis products subject to tax pursuant to subdivision (a) of section four hundred ninety-three of this article and the total amount of tax due thereon in the preceding calendar month, along with such other information as the commissioner may require.

at the time of filing such return, pay to the commissioner the total
amount of tax due for the period covered by such return. If a return is
not filed when due, the tax shall be due on the day on which the return
is required to be filed.

§ 496. Records to be kept; penalties. (a) Records to be kept. Every
distributor on whom tax is imposed under this article and every person
who sells adult-use cannabis products at retail shall maintain complete
and accurate records in such form as the commissioner may require
including, but not limited to, such items as the total THC content of
the adult-use cannabis products sold to or produced by such person;
complete records of every retail sale of adult-use cannabis, and any
other record or information required by the commissioner. Such records
must be preserved for a period of three years after the filing of the
return to which such records relate and must be provided to the commis-
sioner upon request.

(b) Penalties. In addition to any other penalty provided in this arti-
cle or otherwise imposed by law, every distributor on whom tax is
imposed under this article and every person who sells adult-use cannabis
products at retail who fails to maintain or make available to the
commissioner the records required by this section is subject to a penal-
ty not to exceed five hundred dollars for each month or part thereof for
which the failure occurs. This penalty may not be imposed more than once
for failures for the same monthly period or part thereof. If the
commissioner determines that a failure to maintain or make available
records in any month was entirely due to reasonable cause and not to
willful neglect, the commissioner must remit the penalty for that month.

§ 496-a. Returns to be secret. (a) Except in accordance with proper
judicial order or as in this section or otherwise provided by law, it
shall be unlawful for the commissioner, any officer or employee of the
department, or any officer or person who, pursuant to this section, is
permitted to inspect any return or report or to whom a copy, an abstract
or a portion of any return or report is furnished, or to whom any infor-
mation contained in any return or report is furnished, or any person who
in any manner may acquire knowledge of the contents of a return or
report filed pursuant to this article to divulge or make known in any
manner the content or any other information contained in any return or
report required under this article. The officers charged with the custo-
dy of such returns or reports shall not be required to produce any of
them or evidence of anything contained in them in any action or preced-
ing in any court, except on behalf of the state, the office of cannabis
management, or the commissioner in an action or proceeding involving the
collection of tax due under this chapter to which the state or the
commissioner is a party or a claimant or on behalf of any party to any
action or proceeding under the provisions of this article, when the
returns or the reports or the facts shown thereby are directly involved
in such action or proceeding, or in an action or proceeding related to
the regulation or taxation of adult-use cannabis products on behalf of
officers to whom information shall have been supplied as provided in
this section, in any of which events the court may require the

§ 55. The criminal procedure law is amended by adding a new section 440.46-a to read as follows:

**§ 440.46-a Motion for resentence; persons convicted of certain marihuana offenses.**

1. A person currently serving a sentence for a conviction, whether by trial or by open or negotiated plea, who would not have been guilty of an offense or who would have been guilty of a lesser offense on and after the effective date of this section had this section been in effect at the time of his or her conviction may petition for a recall or dismissal of sentence before the trial court that entered the judgment of conviction in his or her case to request resentencing or dismissal in accordance with article two hundred twenty-one of the penal law.

2. Upon receiving a motion under subdivision one of this section the court shall presume the movant satisfies the criteria in subdivision one of this section unless the party opposing the motion proves by clear and convincing evidence that the movant does not satisfy the criteria. If the movant satisfies the criteria in subdivision one of this section, the court shall grant the motion to vacate the sentence or to resentence because it is legally invalid. In exercising its discretion, the court
may consider, but shall not be limited to, the following: (a) the
movant's criminal conviction history, including the type of crimes
committed, the extent of injury to victims, the length of prior prison
commitments, and the remoteness of the crimes. (b) the movant's disci-

3. A person who is serving a sentence and resentenced pursuant to
subdivision two of this section shall be given credit for any time
already served and shall be subject to supervision for one year follow-
ing completion of his or her time in custody or shall be subject to
whatever supervision time he or she would have otherwise been subject to
after release, whichever is shorter, unless the court, in its
discretion, as part of its resentencing order, releases the person from
supervision. Such person is subject to parole supervision under section
60.04 of the penal law or post-release supervision under section 70.45
of the penal law by the designated agency and the jurisdiction of the
court in the county in which the person is released or resides, or in
which an alleged violation of supervision has occurred, for the purpose
of hearing petitions to revoke supervision and impose a term of custody.

4. Under no circumstances may resentencing under this section result
in the imposition of a term longer than the original sentence, or the
reinstatement of charges dismissed pursuant to a negotiated plea agree-
ment.

5. A person who has completed his or her sentence for a conviction
under the former article two hundred twenty-one of the penal law, wheth-
er by trial or open or negotiated plea, who would have been guilty of a
lesser offense and after the effective date of this section had this
section been in effect at the time of his or her conviction, may file an
application before the trial court that entered the judgment of
conviction in his or her case to have the conviction, in accordance with
article two hundred twenty-one of the penal law: (a) dismissed because
the prior conviction is now legally invalid and sealed in accordance
with section 160.50 of this chapter; (b) redesignated (reclassified) as a violation and sealed in accordance
with section 160.50 of this chapter; or (c) redesignated (reclassified) as a misdemeanor.

6. The court shall presume the petitioner satisfies the criteria in
subdivision five of this section unless the party opposing the applica-
tion proves by clear and convincing evidence that the petitioner does
not satisfy the criteria in subdivision five of this section. Once the
applicant satisfies the criteria in subdivision five of this section, the
court shall redesignate (reclassify) the conviction as a misdemeanor, redesignate (reclassify) the conviction as a violation and seal
the conviction, or dismiss and seal the conviction as legally invalid
under this section had this section been in effect at the time of his or
her conviction.

7. Unless requested by the applicant, no hearing is necessary to grant
or deny an application filed under subdivision five of this section.

8. Any felony conviction that is vacated and resentenced under subdi-
vision two or designated as a misdemeanor or violation under subdivision
six of this section shall be considered a misdemeanor or violation for
all purposes. Any misdemeanor conviction that is vacated and resentenced
under subdivision two of this section or designated as a violation under
subdivision six of this section shall be considered a violation for all
purposes.

9. If the court that originally sentenced the movant is not available,
the presiding judge shall designate another judge to rule on the peti-
tion or application.
10. Nothing in this section is intended to diminish or abrogate any
rights or remedies otherwise available to the petitioner or applicant.

11. Nothing in this and related sections is intended to diminish or
abrogate the finality of judgments in any case not falling within the
purview of this section.

12. The provisions of this section shall apply equally to juvenile
delinquency adjudications and dispositions under section five hundred
one-e of the executive law if the juvenile would not have been guilty of
an offense or would have been guilty of a lesser offense under this
section had this section been in effect at the time of his or her
conviction.

13. The office of court administration shall promulgate and make
available all necessary forms to enable the filing of the petitions and
applications provided in this section no later than sixty days following
the effective date of this section.

§ 56. Transfer of employees. Notwithstanding any other provision of
law, rule, or regulation to the contrary, upon the transfer of any func-
tions from the department of health to the office of cannabis management
for the regulation and control of medical cannabis pursuant to this act,
employees performing those functions shall be transferred to the office
of cannabis management pursuant to subdivision 2 of section 70 of the
civil service law. Employees transferred pursuant to this section shall
be transferred without further examination or qualification and shall
retain their respective civil service classifications, status and
collective bargaining unit designations and collective bargaining agree-
ments. The civil service department may re-classify any person employed
in a permanent, classified, competitive, or exempt class position imme-
diately prior to being transferred to the office of cannabis management
pursuant to subdivision 2 of section 70 of the civil service law, to
align with the duties and responsibilities of their positions upon
transfer. Employees whose positions are subsequently re-classified to
align with the duties and responsibilities of their positions upon being
transferred to the office of cannabis management shall hold such posi-
tions without further examination or qualification. Notwithstanding any
other provision of this act, the names of those competitive permanent
employees on promotion eligible lists in their former department shall
be added and interfiled on a promotion eligible list in the new office,
as the state civil service department deems appropriate.

§ 57. Transfer of records. All books, papers, and property of the
department of health related to the administration of the medical mari-
juana program shall be deemed to be in the possession of the executive
director of the office of cannabis management and shall continue to be
maintained by the office of cannabis management.

§ 58. Continuity of authority. For the purpose of succession of all
functions, powers, duties and obligations transferred and assigned to,
developed upon and assumed by it pursuant to this act, the office of
cannabis management shall be deemed and held to constitute the continua-
tion of the department of health's medical marijuana program.

§ 59. Completion of unfinished business. Any business or other matter
undertaken or commenced by the department of health pertaining to or
connected with the functions, powers, obligations and duties hereby
transferred and assigned to the office of cannabis management and pend-
ing on the effective date of this act, may be conducted and completed by
the office of cannabis management.

§ 60. Continuation of rules and regulations. All rules, regulations,
acts, orders, determinations, and decisions of the department of health
pertaining to medical marijuana and cannabinoid hemp, including the
functions and powers transferred and assigned pursuant to this act, in
force at the time of such transfer and assumption, shall continue in
full force and effect as rules, regulations, acts, orders, determina-
tions and decisions of the office of cannabis management until duly
modified or abrogated by the board of the office of cannabis management.
§ 61. Terms occurring in laws, contracts and other documents. Whenev-
er the department of health, or commissioner thereof, is referred to or
designated in any law, contract or document pertaining to the functions,
powers, obligations and duties hereby transferred to and assigned to the
office of cannabis management, such reference or designation shall be
deemed to refer to the board of cannabis management, or the executive
director thereof, as applicable.
§ 62. Existing rights and remedies preserved. No existing right or
remedy of any character shall be lost, impaired or affected by any
provisions of this act.
§ 63. Pending actions and proceedings. No action or proceeding pending
at the time when this act shall take effect, brought by or against the
department of health, or the commissioner thereof, shall be affected by
any provision of this act, but the same may be prosecuted or defended in
the name of the executive director of the office of cannabis management.
In all such actions and proceedings, the executive director of the
office of cannabis management, upon application to the court, shall be
substituted as a party.
§ 63-a. Severability. If any clause, sentence, paragraph, subdivision,
section or part of this act shall be adjudged by any court of competent
jurisdiction to be invalid, such judgment shall not affect, impair, or
invalidate the remainder thereof, but shall be confined in its operation
to the clause, sentence, paragraph, subdivision, section or part thereof
directly involved in the controversy in which such judgment shall have
been rendered. It is hereby declared to be the intent of the legislature
that this act would have been enacted even if such invalid provisions
had not been included herein.
§ 64. This act shall take effect immediately; provided, however that:
(i) the taxes imposed by section thirty-seven of this act shall apply
on and after March 1, 2022 to: (1) the sale of adult-use cannabis
products from a distributor to the person who sells adult-use cannabis
at retail; and (2) the sale of adult-use cannabis products by a person
who sells such products at retail;
(ii) the amendments to article 179 of the penal law made by section
forty-six of this act shall not affect the repeal of such article and

section forty-nine of this act shall not affect the repeal of such
section and shall be deemed repealed therewith;

fourteen of this act shall be subject to the expiration of such section
when upon such date the provisions of section fifteen of this act shall
take effect;

(vii) the amendments to subdivision 5 of section 410.91 of the criminal procedure law made by section fifty-three of this act shall not affect the repeal of such section and shall be subject to the expiration and reversion of such subdivision when upon such date the provisions of section fifty-four of this act shall take effect.

PART I

Section 1. Subdivision (c) of section 1101 of the tax law, as added by chapter 93 of the laws of 1965, paragraphs 2, 3, 4 and 6 as amended by section 2 and paragraph 8 as added by section 3 of part AA of chapter 57 of the laws of 2010, and paragraph 5 as amended by chapter 575 of the laws of 1965, is amended to read as follows:

(c) When used in this article for the purposes of the tax imposed under subdivision (e) of section eleven hundred five of this article, the following terms shall mean:

(1) Hotel. A building or portion of it which is regularly used and kept open as such for the lodging of guests. The term "hotel" includes an apartment hotel, a motel, boarding house or club, whether or not meals are served.

(2) Occupancy. The use or possession, or the right to the use or possession, of any room in a hotel or vacation rental. "Right to the use or possession" includes the rights of a room remarketer as described in paragraph eight of this subdivision.

(3) Occupant. A person who, for a consideration, uses, possesses, or has the right to use or possess, any room in a hotel or vacation rental under any lease, concession, permit, right of access, license to use or other agreement, or otherwise. "Right to use or possess" includes the rights of a room remarketer as described in paragraph eight of this subdivision.

(4) Operator. Any person operating a hotel or vacation rental. Such term shall include a room remarketer and such room remarketer shall be deemed to operate a hotel, or portion thereof, with respect to which such person has the rights of a room remarketer.

(5) Permanent resident. Any occupant of any room or rooms in a hotel or vacation rental for at least ninety consecutive days shall be considered a permanent resident with regard to the period of such occupancy.

(6) Rent. The consideration received for occupancy, including any service or other charge or amount required to be paid as a condition for occupancy, valued in money, whether received in money or otherwise and whether received by the operator or a room remarketer or another person on behalf of either of them.

(7) Room. Any room or rooms of any kind in any part or portion of a hotel or vacation rental, which is available for or let out for any purpose other than a place of assembly.

(8) Room remarketer. A person who reserves, arranges for, conveys, or furnishes occupancy, whether directly or indirectly, to an occupant for rent in a hotel or vacation rental an amount determined by the room remarketer, directly or indirectly, whether pursuant to a written or other agreement. Such person's ability or authority to reserve, arrange for, convey, or furnish occupancy, directly or indirectly, and to determine rent therefore, shall be the "rights of a room remarketer". A room remarketer is not a permanent resident with respect to a room for which such person has the rights of a room remarketer.

(9) Vacation rental. A building or portion of it that is used for the lodging of guests. The term "vacation rental" includes a house, an
apartment, a condominium, a cooperative unit, a cabin, a cottage, or a bungalow, or one or more rooms therein, where sleeping accommodations are provided for the lodging of paying occupants, the typical occupants are transients or travelers, and the relationship between the operator and occupant is not that of a landlord and tenant. It is not necessary that meals are served. A building or portion of a building may qualify as a vacation rental whether or not amenities, including but not limited to daily housekeeping services, concierge services, or linen services, are provided.

(10) (i) Vacation rental marketplace provider. A person who, pursuant to an agreement with an operator, facilitates the occupancy of a vacation rental by such operator or operators. A person "facilitates the occupancy of a vacation rental" for purposes of this paragraph when the person meets both of the following conditions: (A) such person provides the forum in which, or by means of which, the sale of the occupancy takes place or the offer of such sale is accepted, including a shop, store, or booth, an internet website, catalog, or similar forum; and (B) such person or an affiliate of such person collects the rent paid by a customer to an operator for the occupancy of a vacation rental, or contracts with a third party to collect such rent.

(ii) For the purposes of this article, the term "vacation rental marketplace provider" shall not include a "room remarketer" as defined in paragraph eight of this subdivision. For purposes of this paragraph, persons are affiliated if one person has an ownership interest of more than five percent, whether direct or indirect, in another, or where an ownership interest of more than five percent, whether direct or indirect, is held in each of such persons by another person or by a group of other persons that are affiliated persons with respect to each other. The term "vacation rental marketplace provider" shall not include a "real estate broker" as licensed under article twelve-A of the real property law.

§ 2. Subdivision (a) of section 1104 of the tax law, as added by chapter 3 of the laws of 2004, is amended to read as follows:

(a) Imposition. In addition to any other fee or tax imposed by this article or any other law, on and after April first, two thousand five, there is hereby imposed within the territorial limits of a city with a population of a million or more and there shall be paid a unit fee on every occupancy of a unit in a hotel or vacation rental in such city at the rate of one dollar and fifty cents per unit per day, except that such unit fee shall not be imposed upon (1) occupancy by a permanent resident or (2) where the rent per unit is not more than at the rate of two dollars per day.

§ 3. Paragraph 1 of subdivision (e) of section 1105 of the tax law, as amended by section 1 of part Q of chapter 59 of the laws of 2012, is amended to read as follows:

(1) The rent for every occupancy of a room or rooms in a hotel and vacation rental in this state, except that the tax shall not be imposed upon (i) a permanent resident, or (ii) where the rent is not more than at the rate of two dollars per day.

§ 4. Subdivision 1 of section 1131 of the tax law, as amended by section 2 of part G of chapter 59 of the laws of 2019, is amended to read as follows:

(1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; every operator of a hotel or vacation rental; every vacation rental
marketplace provider with respect to the rent for every occupancy of a
vacation rental it facilitates as described in paragraph ten of subdivi-
sion (c) of section eleven hundred one of this article; and every
marketplace provider with respect to sales of tangible personal property
it facilitates as described in paragraph one of subdivision (e) of
section eleven hundred one of this article. Said terms shall also
include any officer, director or employee of a corporation or of a
dissolved corporation, any employee of a partnership, any employee or
manager of a limited liability company, or any employee of an individual
proprietorship who as such officer, director, employee or manager is
under a duty to act for such corporation, partnership, limited liability
company or individual proprietorship in complying with any requirement
of this article, or has so acted; and any member of a partnership or
limited liability company. Provided, however, that any person who is a
vendor solely by reason of clause (D) or (E) of subparagraph (i) of
paragraph [49] eight of subdivision (b) of section eleven hundred one
of this article shall not be a "person required to collect any tax
imposed by this article" until twenty days after the date by which such
person is required to file a certificate of registration pursuant to
section eleven hundred thirty-four of this part.

§ 5. Section 1132 of the tax law is amended by adding a new subdivi-
section (m) to read as follows:

(m)(1) A vacation rental marketplace provider with respect to a sale
for every occupancy of a vacation rental it facilitates: (A) shall have
all the obligations and rights of a vendor under this article and arti-
cle twenty-nine of this chapter and any regulations adopted pursuant
thereto, including, but not limited to, the duty to obtain a certif-
icate of authority to collect tax, file returns, remit tax, and the
right to accept a certificate or other documentation from a customer
substantiating an exemption or exclusion from tax, the right to receive
the refund authorized by subdivision (e) of this section and the credit
allowed by subdivision (f) of section eleven hundred thirty-seven of
this part subject to the provisions of such subdivisions; and (B) shall
keep such records and information and cooperate with the commissioner to
ensure the proper collection and remittance of tax imposed, collected or
required to be collected under this article and article twenty-nine of
this chapter.

(2) An operator is relieved from the duty to collect tax in regard to
a particular rent for the occupancy of a vacation rental subject to tax
under subdivision (e) of section eleven hundred five of this article and
shall not include the rent from such occupancy in its taxable sales for
purposes of section eleven hundred thirty-six of this part if, in regard
to such occupancy: (A) the operator of the vacation rental can show that
such occupancy was facilitated by a vacation rental marketplace provider
from whom such operator has received in good faith a properly completed
certificate of collection in a form prescribed by the commissioner,
certifying that the vacation rental marketplace provider is registered
to collect sales tax and will collect sales tax on all taxable sales of
occupancy of a vacation rental by the operator facilitated by the vaca-
tion rental marketplace provider, and with such other information as the
commissioner may prescribe; and (B) any failure of the vacation rental
marketplace provider to collect the proper amount of tax in regard to
such sale was not the result of such operator providing the vacation
rental marketplace provider with incorrect information. This provision
shall be administered in a manner consistent with subparagraph (i) of
paragraph one of subdivision (c) of this section as if a certificate of
collection were a resale or exemption certificate for purposes of such subparagraph, including with regard to the completeness of such certificate of collection and the timing of its acceptance by the operator. Provided that, with regard to any sales of occupancy of a vacation rental by an operator that are facilitated by a vacation rental marketplace provider who is affiliated with such operator within the meaning of paragraph ten of subdivision (c) of section eleven hundred one of this article, the operator shall be deemed liable as a person under a duty to act for such vacation rental marketplace provider for purposes of subdivision one of section eleven hundred thirty-one of this part.

(3) The commissioner may, at his or her discretion: (A) develop a standard provision, or approve a provision developed by a vacation rental marketplace provider, in which the vacation rental marketplace provider obligates itself to collect the tax on behalf of all operators for whom the vacation rental marketplace provider facilitates sales of occupancy of a vacation rental, with respect to all sales that it facilitates for such operators where the rental occurs in the state; and (B) provide by regulation or otherwise that the inclusion of such provision in the publicly-available agreement between the vacation rental marketplace provider and operator will have the same effect as an operator's acceptance of a certificate of collection from such vacation rental marketplace provider under paragraph two of this subdivision.

§ 6. Section 1133 of the tax law is amended by adding a new subdivision (g) to read as follows:

(g) A vacation rental marketplace provider is relieved of liability under this section for failure to collect the correct amount of tax to the extent that the vacation rental marketplace provider can show that the error was due to incorrect or insufficient information given to the vacation rental marketplace provider by the operator. Provided, however, this subdivision shall not apply if the operator and vacation rental marketplace provider are affiliated within the meaning of paragraph ten of subdivision (c) of section eleven hundred one of this article.

§ 7. Subdivision (a) of section 1134 of the tax law is amended by adding a new paragraph 6 to read as follows:

(6) An operator of a vacation rental, as defined in paragraph nine of subdivision (c) of section eleven hundred one of this article, is relieved of the requirement to register in paragraph one of this subdivision if its sales of occupancy are wholly facilitated by one or more vacation rental marketplace providers from whom the operator has received in good faith a certificate of collection that meets the requirements set forth in paragraph two of subdivision (m) of section eleven hundred thirty-two of this part.

§ 8. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as amended by section 5 of part G of chapter 59 of the laws of 2019, is amended to read as follows:

(4) The return of a vendor of tangible personal property or services shall show such vendor's receipts from sales and the number of gallons of any motor fuel or diesel motor fuel sold and also the aggregate value of tangible personal property and services and number of gallons of such fuels sold by the vendor, the use of which is subject to tax under this article, and the amount of tax payable thereon pursuant to the provisions of section eleven hundred thirty-seven of this part. The return of a recipient of amusement charges shall show all such charges and the amount of tax thereon, and the return of an operator required to collect tax on rents shall show all rents received or charged and the amount of tax thereon. The return of a marketplace seller shall exclude
the receipts from a sale of tangible personal property facilitated by a marketplace provider if, in regard to such sale: (A) the marketplace seller has timely received in good faith a properly completed certificate of collection from the marketplace provider or the marketplace provider has included a provision approved by the commissioner in the publicly-available agreement between the marketplace provider and the marketplace seller as described in subdivision one of section eleven hundred thirty-two of this part, and (B) the information provided by the marketplace seller to the marketplace provider about such tangible personal property is accurate. The return of an operator shall exclude the rent from occupancy of a vacation rental facilitated by a vacation rental marketplace provider if, in regard to such sale: (A) the vacation rental operator has timely received in good faith a properly completed certificate of collection from the vacation rental marketplace provider or the vacation rental marketplace provider has included a provision approved by the commissioner in the publicly-available agreement between the vacation rental marketplace provider and the operator as described in subdivision (m) of section eleven hundred thirty-two of this part, and (B) the information provided by the operator to the vacation rental marketplace provider about such rent and such occupancy is accurate.

§ 9. Section 1142 of the tax law is amended by adding a new subdivision 16 to read as follows:

16. To publish a list on the department’s website of vacation rental marketplace providers whose certificates of authority have been revoked and, if necessary to protect sales tax revenue, provide by regulation or otherwise that a vacation rental operator will be relieved of the requirement to register and the duty to collect tax on the rent for occupancy of a vacation rental facilitated by a vacation rental marketplace provider only if, in addition to the conditions prescribed by paragraph two of subdivision (m) of section eleven hundred thirty-two and paragraph six of subdivision (a) of section eleven hundred thirty-four of this part being met, such vacation rental marketplace provider is not on such list at the commencement of the quarterly period covered thereby.

§ 10. This act shall take effect immediately and shall apply to collections of rent by the operator or vacation rental marketplace provider on or after September 1, 2021.

PART J

Section 1. Sections 227, 306 and 406, subparagraph (ii) of paragraph b of subdivision 4 of section 1008 and paragraph b of subdivision 5 of section 1009 of the racing, pari-mutuel, wagering and breeding law are REPEALED.

§ 2. Paragraph 1 of subdivision (f) of section 1105 of the tax law, as amended by chapter 32 of the laws of 2016, is amended to read as follows:

(1) Any admission charge where such admission charge is in excess of ten cents to or for the use of any place of amusement in the state, except charges for admission to [race tracks or] combative sports which charges are taxed under any other law of this state, or dramatic or musical arts performances, or live circus performances, or motion picture theaters, and except charges to a patron for admission to, or use of, facilities for sporting activities in which such patron is to be a participant, such as bowling alleys and swimming pools. For any person having the permanent use or possession of a box or seat or a lease or a
license, other than a season ticket, for the use of a box or seat at a
place of amusement, the tax shall be upon the amount for which a similar

§ 3. Subdivision (a) of section 1409 of the tax law, as amended by chapter 297 of the laws of 2019, is amended to read as follows:
(a) (1) A joint return shall be filed by both the grantor and the grantee for each conveyance whether or not a tax is due thereon other than a conveyance of an easement or license to a public utility as defined in subdivision two of section one hundred eighty-six-a of this chapter or to a public utility which is a provider of telecommunication services as defined in subdivision one of section one hundred eighty-six-e of this chapter, where the consideration is two dollars or less and is clearly stated as actual consideration in the instrument of conveyance.
(2) When the grantor or grantee of a deed for a building used as residential real property containing one to four dwelling units is a limited liability company, the joint return shall not be accepted for filing unless it is accompanied by a document which identifies the names and business addresses of all members, managers, and any other authorized persons, if any, of such limited liability company and the names and business addresses or, if none, the business addresses of all shareholders, directors, officers, members, managers and partners of any limited liability company or other business entity that are to be the members, managers or authorized persons, if any, of such limited liability company. The identification of such names and addresses shall not be deemed an unwarranted invasion of personal privacy pursuant to article six of the public officers law. If any such member, manager or authorized person of the limited liability company is itself a limited liability company or other business entity other than a publicly traded entity, a REIT, a UPREIT, or a mutual fund, the names and addresses of the shareholders, directors, officers, members, managers and partners of the limited liability company or other business entity shall also be disclosed until full disclosure of ultimate ownership by natural persons is achieved. For purposes of this subdivision, the terms "members", "managers", "authorized person", "limited liability company" and "other business entity" shall have the same meaning as those terms are defined in section one hundred two of the limited liability company law.
(3) The return shall be filed with the recording officer before the instrument effecting the conveyance may be recorded. However, if the tax is paid to the commissioner pursuant to section fourteen hundred ten of this article, the return shall be filed with such commissioner at the time the tax is paid. In that instance, a receipt evidencing the filing
of the return and the payment of tax shall be filed with the recording
officer before the instrument effecting the conveyance may be recorded.
The recording officer shall handle such receipt in the same manner as a
return filed with the recording officer.
§ 4. Subdivision (h) of section 1418 of the tax law, as added by
section 7 of part X of chapter 56 of the laws of 2010 and as further
amended by subdivision (c) of section 1 of part W of chapter 56 of the
laws of 2010, is amended to read as follows:
(h) Notwithstanding the provisions of subdivision (a) of this section,
the commissioner may furnish information relating to real property
transfers obtained or derived from returns filed pursuant to this arti-
cle in relation to the real estate transfer tax, to the extent that such
information is also required to be reported to the commissioner by
section three hundred thirty-three of the real property law and section
five hundred seventy-four of the real property tax law. The commis-
sioner may also disclose any information reported pursuant to
paragraph two of subdivision (a) of section fourteen hundred nine of
this article.
§ 5. This act shall take effect immediately; provided however that
sections one and two of this act shall take effect July 1, 2021, and
shall apply to conveyances occurring on or after such date other than
conveyances that are made pursuant to binding written contracts entered
into on or before April 1, 2021, provided that the date of execution of
such contract is confirmed by independent evidence, such as the record-
ing of the contract, payment of a deposit or other facts and circum-
stances as determined by the commissioner of taxation and finance.

PART P

article shall possess cigarettes or tobacco products in any place of
business, cart, stand, truck or other merchandising device in this state
beginning on the tenth day after such cancellation, suspension, revoca-
tion, or forbiddance and continuing for the duration of the same;
provided however, such retail dealer shall not be prohibited before the
tenth day after such cancellation, suspension, revocation, or forbid-
dance from selling or transferring its inventory of lawfully stamped
cigarettes or tobacco products on which the taxes imposed by this arti-
cle have been assumed or paid to a properly registered retail dealer
whose registration is not cancelled, suspended, or revoked or who has
not been forbidden from selling cigarettes or tobacco products.
(b) No retail dealer shall possess cigarettes or tobacco products in
any place of business, cart, stand, truck or other merchandising device
in this state unless it has obtained a valid retail dealer registration
from the commissioner.
(c) The possession of cigarettes or tobacco products in violation of paragraph (a) or (b) of this subdivision shall be presumptive evidence that such cigarettes or tobacco products are being sold in violation of this section and section four hundred eighty of this article and, in addition to any other applicable penalties, shall be subject to the penalties authorized by subdivision three of this section.

§ 2. Any retail dealer who, prior to the effective date of this act, had its retail dealer registration cancelled, suspended, or revoked pursuant to section four hundred eighty-a of the tax law or was forbidden from selling cigarettes or tobacco products pursuant to paragraph (j) of subdivision one of section four hundred eighty of the tax law and such cancellation, suspension, revocation, or forbiddance remains in effect as of the effective date of this act, shall be prohibited from possessing cigarettes and tobacco products beginning on the tenth day after the effective date of this act and continuing for as long as such cancellation, suspension, revocation, or forbiddance shall remain in effect; provided however, such retail dealer shall not be prohibited before the tenth day after the effective date of this act from selling or transferring its inventory of lawfully stamped cigarettes or tobacco products on which the taxes imposed by this article have been assumed or paid to a properly registered retail dealer whose registration is not cancelled, suspended, or revoked or who has not been forbidden from selling cigarettes or tobacco products.

§ 3. This act shall take effect immediately.

PART Q

Section 1. Subdivision 1 of section 429 of the tax law, as amended by chapter 433 of the laws of 1978, is amended to read as follows:

1. Every distributor, noncommercial importer or other person shall, on or before the twentieth day of each month, file with the department of taxation and finance a return, on forms to be prescribed by the commissioner and furnished by such department, stating separately the number of gallons, or lesser quantity, of beers, and the number of liters, or lesser quantity, of wines and liquors sold or used by such distributor, noncommercial importer or other person in this state during the preceding calendar month, except that the tax commissioner may, if he or she deems it necessary, require returns to be made at such times and covering such periods as he or she may deem necessary. Such return shall contain such further information as the tax commissioner shall require. The fact that the name of the distributor, noncommercial importer or other person is signed to a filed return shall be prima facie evidence for all purposes that the return was actually signed by such distributor, noncommercial importer or other person.

§ 2. Section 505 of the tax law, as amended by section 2 of part E of chapter 60 of the laws of 2007, is amended to read as follows:

§ 505. Returns. Every carrier subject to this article and every carrier to whom a certificate of registration was issued shall file on or before the last day of each month a return for the preceding calendar month where a carrier's total tax liability under this article for the preceding calendar year exceeded twelve thousand dollars. Where a carrier's total tax liability under this article for the preceding calendar year did not exceed twelve thousand dollars or where a carrier was not subject to such tax in the preceding calendar year,
returns shall be filed quarterly, on or before the last day of the calendar month following each of the calendar quarters: January through March, April through June, July through September and October through December. Provided, however, if the commissioner consents thereto in writing, any carrier may file a return on or before the thirtieth day after the close of any different period, if the carrier's books are regularly kept on a periodic basis other than a calendar month or quarter. The commissioner may permit the filing of returns on an annual basis, provided the carrier was subject to the tax under this article during the entire preceding calendar year and the carrier's total tax liability under this article for such year did not exceed \[\text{two hundred fifty}}\] twelve hundred dollars. Such annual returns shall be filed on or before January thirty-first of the succeeding calendar year. Returns shall be filed with the commissioner on forms to be furnished by such commissioner for such purpose and shall contain such data, information or matter as the commissioner may require to be included therein. The fact that a carrier's name is signed to a filed return shall be prima facie evidence for all purposes that the return was actually signed by such carrier. The commissioner may grant a reasonable extension of time for filing returns whenever good cause exists and may waive the filing of returns if a carrier is not subject to the tax imposed by this article for the period covered by the return. Every return shall have annexed thereto a certification to the effect that the statements contained therein are true.

§ 3. This act shall take effect immediately; provided, however, that section two of this act shall apply to tax returns required to be filed on or after January 1, 2022.

PART R

Section 1. Section 1280 of the tax law is amended by adding a new subdivision (v) to read as follows:

(v) "Technology service provider" or "TSP" means a person that acts by employment, contract or otherwise on behalf of one or more taxicab owners or HAIL vehicle owners to collect the trip record for a taxicab trip or HAIL vehicle trip.

§ 2. Subdivision (b) of section 1283 of the tax law, as amended by chapter 9 of the laws of 2012, is amended to read as follows:

(b) (1) If the taxicab owner has designated an agent, then the agent shall be jointly liable with the taxicab owner for the tax on trips occurring during the period that such designation is in effect. Even if the TLC has specified that the taxicab owner's agent cannot operate as an agent, that agent shall be jointly liable with the taxicab owner if the agent has acted for the taxicab owner. During the period that a taxicab owner's designation of an agent is in effect, the agent shall file the returns required by this article and pay any tax due with such return, but the taxicab owner shall not be relieved of liability for tax, penalty or interest due under this article, or for the filing of returns required to be filed, unless the agent has timely filed accurate returns and timely paid the tax required to be paid under this article. If a taxicab owner has designated an agent, then the agent must perform any act this article requires the taxicab owner to perform, but the failure of such agent to perform any such act shall not relieve the taxicab owner from the obligation to perform such act or from any liability that may arise from failure to perform the act.
(2) (A) Notwithstanding the foregoing, a TSP that collects the trip record and the trip fare on behalf of a taxicab owner or HAIL vehicle owner shall be jointly liable with the taxicab owner or HAIL vehicle owner for the tax due on such trips. For any period that the TSP collects trip records on behalf of a taxicab owner or HAIL vehicle owner, the TSP shall file returns reporting all trip records and, after retaining any fees to which it is entitled pursuant to a contract with such taxicab owner or HAIL vehicle owner, shall remit the taxes due on all fares collected by the TSP.

(B) The TSP, after retaining the fees described in subparagraph (A) of this paragraph, shall also remit the taxes due on any taxicab trip or HAIL vehicle trip for which it maintained the trip record but did not collect the fare, from any fares it collected on behalf of any such taxicab owner or HAIL vehicle owner, before it releases any proceeds to the taxicab owner or HAIL vehicle owner. If the TSP fails to comply with the requirements of this subparagraph, such TSP shall be liable for the taxes due on such trips up to the amount it released to the taxicab owner or HAIL vehicle owner, or any person on behalf of such taxicab owner or HAIL vehicle owner. However, the taxicab owner, HAIL vehicle owner or their agents shall not be relieved of any liability for the tax, penalty or interest due under this article, or for failing to file returns required to be filed, unless the TSP has timely filed accurate returns and timely paid the tax required to be paid under this article.

§ 3. Subdivision (a) of section 1299-B of the tax law, as added by section 2 of part NNN of chapter 59 of the laws of 2018, is amended to read as follows:

(a) Notwithstanding any provision of law to the contrary, any person that dispatches a motor vehicle by any means that provides transportation that is subject to a surcharge imposed by this article, including transportation network companies as defined in article forty-four-B of the vehicle and traffic law, shall be liable for the surcharge imposed by this article, except that in the case of taxicab trips and HAIL vehicle trips that are also subject to tax pursuant to article twenty-nine-A of this chapter[ only the taxicab owner or HAIL base liable for that tax shall be the person liable for the surcharge imposed by this article]: (1) the TSP shall be liable for the surcharge imposed by this article for all trips for which the TSP collected the trip record and the surcharge, and shall be responsible for filing returns; and, after retaining any fees to which it is entitled pursuant to a contract with such taxicab owner or HAIL vehicle owner, shall remit the surcharges on such trips to the department.

(2) the TSP, after retaining the fees described in paragraph one of this subdivision, shall also remit the surcharges due on any taxicab trip or HAIL vehicle trip for which it maintained the trip record but did not collect the fare, from any fares it collected on behalf of any such taxicab owner or HAIL vehicle owner, before it releases any proceeds to the taxicab owner or HAIL vehicle owner. Whenever the TSP fails to comply with the requirements of the preceding sentence, the TSP shall be liable for the surcharges due on such trips up to the amount it released to the taxicab owner or HAIL vehicle owner, or any person on behalf of such taxicab owner or HAIL vehicle owner. However, the taxicab owner or HAIL base shall be jointly and severally liable with the TSP for such surcharges. For purposes of this section, the terms "taxicab trips," "HAIL vehicle trips," "taxicab owner," [and] "HAIL base". and "TSP" shall have the same meaning as they do in section twelve hundred eighty of this chapter.
§ 4. Section 1299-F of the tax law is amended by adding a new subdivision (e) to read as follows:

(e) Notwithstanding the provisions of subdivision (a) of this section, the commissioner may, in his or her discretion, permit the proper officer of the taxi and limousine commission of the city of New York (TLC) or the duly authorized representative of such officer, to inspect any return filed under this article, or may furnish to such officer or such officer's authorized representative an abstract of any such return or supply such person with information concerning an item contained in any such return, or disclosed by any investigation of tax liability under this article; but such permission shall be granted or such information furnished only if the TLC shall have furnished the commissioner with all information requested by the commissioner pursuant to this article and shall have permitted the commissioner or the commissioner's authorized representative to make any inspection of any records or reports concerning for-hire transportation trips subject to the surcharge imposed by this article, and any persons required to collect such surcharge, filed with or possessed by the TLC that the commissioner may have requested from the TLC. Provided, further, that the commissioner may disclose to the TLC whether or not a person liable for the surcharge imposed by this article has paid all of the surcharges due under this article as of any given date.

§ 5. This act shall take effect immediately and shall apply to trips occurring on or after July 1, 2021.

In connection therewith, the commissioner may combine the two forms referred to in paragraph one of this subdivision into a consolidated real property transfer form to be filed with him or her electronically; provided:

(1) The two forms that may be so combined are the real estate transfer tax return required by section fourteen hundred nine of this article, and the real property transfer report required by subdivision one-e of section three hundred thirty-three of the real property law. However, the commissioner shall continue to maintain both such return and such report as separate forms, so that a party who prefers not to file a consolidated real property transfer form with the commissioner electronically shall have the option of filing both such return and such report with the recording officer, as otherwise provided by law. Under no circumstances shall a consolidated real property transfer form be filed with, or accepted by, the recording officer.

(2) Notwithstanding the provisions of section fourteen hundred eighteen of this article, any information appearing on a consolidated real property transfer form that is required to be included on the real property transfer report required by subdivision one-e of section three hundred thirty-three of the real property law shall be subject to public disclosure.
(3) When a consolidated real property transfer form is electronically submitted to the department by either the grantor or grantee or a duly authorized agent thereof, the act of submitting such form shall be deemed to be the signing of the return as required by paragraph (v) of subdivision one-e of the real property law or subdivision (b) of section fourteen hundred nine of this article, and the requirement that all the grantors and grantees shall sign the return shall not apply. However, the fact that a grantor or grantee has not electronically submitted the form shall not relieve that grantor or grantee of any liability for the tax imposed by this article.

(b) When a consolidated real property transfer form is filed with the commissioner electronically pursuant to this section, the real estate transfer tax imposed under this article, and the fee that would otherwise be retained by the recording officer pursuant to subdivision three of section three hundred thirty-three of the real property law, shall be paid to the commissioner therewith. The commissioner shall retain on behalf of the recording officer the portion of such tax that would otherwise have been retained by the recording officer pursuant to subdivision (c) of section fourteen hundred seven of this article, and the portion of such fee that would otherwise have been retained by the recording officer pursuant to subdivision three of section three hundred thirty-three of the real property law. The moneys so retained by the commissioner on behalf of the recording officer, hereinafter referred to as the recording officer's fees, shall be deposited daily with such responsible banks, banking houses, or trust companies as may be designated by the state comptroller. Of the recording officer's fees so deposited, the comptroller shall retain in the comptroller's hands such amount as the commissioner may determine to be necessary for refunds or reimbursements of such fees collected or received pursuant to this section, out of which the comptroller shall pay any refunds or reimbursements of such fees to which persons shall be entitled under the provisions of this section. The comptroller, after reserving such refund and reimbursement fund shall, on or before the twelfth day of each month, pay to the appropriate recording officers an amount equal to the recording officer's fees reserved on their behalf. Provided, however, that the commissioner is authorized to request that the comptroller refrain from making such a payment of such fees to a recording officer until the commissioner has certified to the comptroller that the recording officer has supplied the commissioner with the liber and page numbers of the recorded instruments that gave rise to such fees.

(c) The system for the electronic submission of consolidated real property transfer forms shall be designed so that upon the successful electronic filing of such a form and the payment of the associated taxes and fees, the party submitting the same shall be provided with an electronic receipt in a form prescribed by the commissioner that confirms such filing and payment. Such party may file a printed copy of such receipt with the recording officer when offering the associated instrument for recording, in lieu of submitting to the recording officer the return, report, tax and fee that would otherwise have been required under this article and subdivisions one-e and three of section three hundred thirty-three of the real property law. The recording officer shall retain such receipt for a minimum of three years, unless otherwise directed by the commissioner, and shall provide a copy thereof to the commissioner for inspection upon his or her request.

(d) Upon recording the instrument to which the consolidated real property transfer form pertains, the recording officer shall provide the
commissioner with the liber and page thereof at such time and in such manner as the commissioner shall prescribe.

(e) The provisions of this section shall not be applicable within a city or county that has implemented its own electronic system for the recording of deeds, the filing of the real estate transfer tax returns and the real property transfer reports prescribed by the commissioner, and the payment of the associated taxes and fees, unless such city or county shall notify the commissioner that such jurisdiction will follow the system authorized pursuant to this section to be used therein, in writing.

§ 9. This act shall take effect immediately.

PART V

Section 1. This Part enacts into law components of legislation relating to the administration of the STAR program authorized by section 425 of the real property tax law and subsection (eee) of section 606 of the tax law. Each component is wholly contained within a Subpart identified as Subparts A through E. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. Paragraphs (a) and (b) of subdivision 16 of section 425 of the real property tax law, as amended by section 5 of part A of chapter 73 of the laws of 2016, are amended to read as follows:

(a) Beginning with assessment rolls used to levy school district taxes for the two thousand sixteen--two thousand seventeen school year, no application for an exemption under this section may be approved unless at least one of the applicants held title to the property on the taxable status date of the assessment roll that was used to levy school district taxes for the two thousand fifteen--two thousand sixteen school year and the property was granted an exemption pursuant to this section on that assessment roll. In addition, beginning with assessment rolls used to levy school district taxes for the two thousand twenty-one--two thousand twenty-two school year, no application for a new enhanced exemption under subdivision four of this section may be approved. In the event that an application is submitted to the assessor that cannot be approved due to this restriction, the assessor shall notify the applicant that he or she is required by law to deny the application, but that, in lieu of a STAR exemption, the applicant may claim the personal income tax credit authorized by subsection (eee) of section six hundred six of the tax law if eligible, and that the applicant may contact the department of taxation and finance for further information. The commissioner shall provide a form for assessors to use, at their option, when making this notification. No STAR exemption may be granted on the basis of an application that is not approvable due to this restriction.

(b) Where property received an exemption pursuant to this section on an assessment roll used to levy school district taxes for the two thousand fifteen--two thousand sixteen school year, and at least one of its
owners held title to the property on the taxable status date of such assessment roll, the exemption shall continue to be granted on subsequent assessment rolls without regard to the provisions of this subdivision as long as all applicable requirements of this section are satisfied. In addition, such exemption shall be subject to modification as follows:

(i) A basic STAR exemption shall be changed to an enhanced STAR exemption on an assessment roll used to levy school district taxes for a school year prior to the two thousand twenty-one--two thousand twenty-two school year if the owners and spouses primarily residing on the property file a timely application showing that their ages and incomes meet the requirements of subdivision four of this section. Beginning with assessment rolls used to levy school district taxes for the two thousand twenty-one--two thousand twenty-two school year, no application for a new enhanced exemption under this section may be approved. In the event that an application is submitted to the assessor that cannot be approved due to this restriction, the assessor shall notify the applicant that he or she is required by law to deny the application, but that the applicant may apply for an enhanced STAR credit pursuant to paragraph four of subsection (eee) of section six hundred six of the tax law if eligible, and that the applicant may contact the department of taxation and finance for information on how to apply for the credit. The assessor shall further notify the applicant that if he or she does not wish to switch to the credit, he or she may continue receiving the basic STAR exemption as long as the eligibility requirements for that exemption continue to be satisfied. The commissioner shall provide a form for assessors to use, at their option, when making this notification. No enhanced STAR exemption may be granted on the basis of an application that is not approvable due to this restriction. Nothing contained herein shall be construed to preclude the restoration of a previously-granted enhanced STAR exemption pursuant to subparagraphs (ii) or (iii) of this paragraph.

(ii) An enhanced STAR exemption shall be changed to a basic STAR exemption if the combined income of the owners and spouses primarily residing on the property increases above the limit set by subdivision four of this section, subject to the provisions of subparagraph (iii) of this paragraph, provided that if their combined income falls below the limit set by subdivision four of this section in the future, and they have not switched to the STAR credit, their enhanced STAR exemption may be resumed upon timely application.

(iii) A STAR exemption shall be discontinued if the combined income of the owners and spouses primarily residing on the property increases above the limit set by subdivision three of this section, provided that if their income falls below such limit in the future, and they have not switched to the STAR credit, their STAR exemption may be resumed upon timely application.

(iv) A STAR exemption shall be permanently discontinued if the owners fail to satisfy the applicable residency or ownership requirement, or both.

§ 2. This act shall take effect immediately.
(i) A STAR credit switch may be deferred if the application for the credit is submitted after a cutoff date set by the commissioner. When setting a cutoff date, the commissioner shall take into account the time required to ensure that the STAR exemptions of all STAR credit applicants in the assessing unit will be removed before school tax bills are prepared. The commissioner shall specify the applicable cutoff dates after taking into account local assessment calendars, provided that different cutoff dates may be set for municipalities with different assessment calendars, and provided further that any such cutoff date may be no earlier than the [sixt

fifteen] sixty-first day prior to the date on which the applicable final assessment roll is required by law to be completed and filed.

§ 2. This act shall take effect immediately.

SUBPART C

Section 1. Subsection (c) of section 651 of the tax law, as amended by section 3 of part QQ of chapter 59 of the laws of 2019, is amended to read as follows:

(c) Decedents. The return for any deceased individual shall be made and filed by his or her executor, administrator, or other person charged with his or her property. If a final return of a decedent is for a fractional part of a year, the due date of such return shall be the fifteenth day of the fourth month following the close of the twelve-month period which began with the first day of such fractional part of the year. Notwithstanding any provision of law to the contrary, when a return has been filed for a decedent, the commissioner may disclose the decedent's name, address, and the date of death to the director of real property tax services of the county and to the assessor of the assessing unit in which the address reported on such return is located.

§ 2. This act shall take effect immediately.

SUBPART D

Section 1. Paragraphs (b) and (c) of subdivision 2 of section 200-a of the real property tax law, as amended by section 2 of part J of chapter 57 of the laws of 2013, are amended to read as follows:

(b) The power to hear and determine reviews relating to determinations made by county equalization agencies, as provided by sections eight hundred sixteen and eight hundred eighteen of this chapter; and

(c) The power to hear and determine reviews relating to determinations of STAR eligibility made by the department of taxation and finance as provided by section four hundred twenty-five of this chapter.

§ 2. Subdivision 3 of section 200-a of the real property tax law, as added by section 7 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

3. The provisions of section five hundred twenty-five of this chapter shall apply so far as practicable to a hearing conducted by the board of real property tax services pursuant to sections eight hundred sixteen and eight hundred eighteen of this chapter.

§ 3. Paragraph (a-2) of subdivision 6 of section 425 of the real property tax law, as amended by section 1 of part TT of chapter 59 of the laws of 2019, is amended to read as follows:

(a-2) Notwithstanding any provision of law to the contrary, where an application for the "enhanced" STAR exemption authorized by subdivision four of this section has not been filed on or before the taxable status
date, and the owner believes that good cause existed for the failure to file the application by that date, the owner may, no later than the last day for paying school taxes without incurring interest or penalty, submit a written request to the commissioner asking him or her to extend the filing deadline and grant the exemption. Such request shall contain an explanation of why the deadline was missed, and shall be accompanied by an application, reflecting the facts and circumstances as they existed on the taxable status date. After consulting with the assessor, the commissioner may extend the filing deadline and grant the exemption if the commissioner is satisfied that (i) good cause existed for the failure to file the application by the taxable status date, and that (ii) the applicant is otherwise entitled to the exemption. The commissioner shall mail notice of his or her determination to such owner and the assessor. If the determination states that the commissioner has granted the exemption, the assessor shall thereupon be authorized and directed to correct the assessment roll accordingly, or, if another person has custody or control of the assessment roll, to direct that person to make the appropriate corrections. If the correction is not made before school taxes are levied, the school district authorities shall be authorized and directed to take account of the fact that the commissioner has granted the exemption by correcting the applicant’s tax bill and/or issuing a refund accordingly. Determination shall be implemented in the manner provided by subdivision fifteen of this section.

§ 4. Clauses (C) and (D) of subparagraph (iv) of paragraph (b) of subdivision 4 of section 425 of the real property tax law are REPEALED and a new clause (C) is added to read as follows:

(C) If the commissioner determines that the enhanced exemption should be replaced with a basic exemption because the property is only eligible for a basic exemption, or determines that the enhanced exemption should be removed or denied without being replaced with a basic exemption because the property is not eligible for either exemption, his or her determination shall be implemented in the manner provided by subdivision fifteen of this section.

§ 5. Paragraphs (c) and (d) of subdivision 14 of section 425 of the real property tax law are REPEALED and a new paragraph (c) is added to read as follows:

(c) If the commissioner determines that a STAR exemption should be removed or denied for one or more of the reasons specified in paragraph (b) of this subdivision, his or her determination shall be implemented in the manner provided by subdivision fifteen of this section.

§ 6. Subdivisions 14-a, 15 and 15-a of section 425 of the real property tax law are REPEALED and a new subdivision 15 is added to read as follows:

15. Review by commissioner. (a) When the commissioner determines pursuant to this section that a STAR exemption should be granted, denied or modified, the assessor or other person having custody or control of the assessment roll or tax roll shall be authorized and directed upon receipt of the commissioner’s determination to correct such roll accordingly. Such correction shall be made without regard to the provisions of title three of article five of this chapter or any comparable laws governing the correction of errors on assessment rolls and tax rolls, and shall be made without requesting additional documentation or the approval of any other party. In addition:

(b) If the commissioner’s determination directs the granting of a STAR exemption to a property owner, or is otherwise favorable to the property owner:
(i) The assessor or other person having custody or control of the assessment roll or tax roll shall attempt to implement the commissioner's determination prior to the levy of school taxes if possible. If the correction is not made before school taxes are levied, the school district authorities shall be authorized and directed to implement the commissioner's determination by issuing a refund of the amount at issue; provided that if the school tax bill has already been paid, the school district authorities shall implement the commissioner's determination by issuing a refund of the amount at issue. For purposes of this subdivision, the "amount at issue" means the additional tax savings that would have appeared on the property owner's school tax bill if the commissioner's determination had been implemented prior to the school tax levy.

(ii) Alternatively, the commissioner is authorized in his or her discretion to remit directly to the property owner or owners the amount at issue. When the commissioner does so, he or she shall so notify the assessor and county director of real property tax services. In such cases, no correction shall be made to the assessment roll or tax roll for that school year, and no credit or refund shall be provided by the school authorities to the property owner or his or her agent for the excessive amount of school taxes paid for that school year.

(c) If the commissioner's determination directs the denial of a STAR exemption to a property owner, or is otherwise unfavorable to the property owner:

(i) The commissioner shall mail the property owner notice of his or her determination and an opportunity to be heard thereon. If the owner fails to respond to such notice within forty-five days from the mailing thereof, the commissioner's determination shall stand and no further review shall be available. If the owner responds to such notice within the forty-five day period, the commissioner shall review the response and any documentation provided in support thereof and shall notify the owner of his or her final determination. If dissatisfied with the commissioner's final determination, the owner may seek judicial review thereof pursuant to article seventy-eight of the civil practice law and rules. The property owner shall otherwise have no right to challenge such final determination in a court action, administrative proceeding or any other form of legal recourse against the commissioner, the department, the assessor or other person having custody or control of the assessment roll or tax roll regarding such action.

(ii) Notwithstanding any provision of law to the contrary, neither an assessor nor a board of assessment review has the authority to consider an objection to the denial or reduction of an exemption pursuant to this subdivision, nor may such an action be reviewed in a proceeding to review an assessment pursuant to title one or one-A of article seven of this chapter. Such an action may only be challenged before the department in the manner described in this paragraph.

(iii) If a STAR exemption should appear on a property owner's school tax bill despite the fact that the commissioner had determined the property owner to be ineligible for that exemption, the commissioner is authorized to recover the amount at issue directly from the owners of the property by utilizing any of the procedures for collection, levy, and lien of personal income tax set forth in article twenty-two of the tax law, and any other relevant procedures referenced within the provisions of such article. When the commissioner implements the determination in this manner, he or she shall so notify the assessor and
county director of real property tax services, but no correction shall be made to the assessment roll or tax roll for that school year, and no corrected school tax bill shall be sent to the taxpayer for that school year.

§ 7. Section 171-u of the tax law, as added by section 2 of part FF of chapter 57 of the laws of 2010, and subdivision 5 as added by section 7 of part N of chapter 58 of the laws of 2011, is amended to read as follows:

§ 171-u. Verification of income eligibility for basic STAR exemption.
(1) [On or after August fifteenth of each year, beginning in two thousand ten, the commissioner shall procure a report or reports identifying all parcels receiving the basic STAR exemption authorized by section four hundred twenty-five of the real property tax law. The commissioner is authorized to develop procedures necessary to ascertain to the best of his or her ability whether the parcels satisfy the income eligibility requirements for such exemption. Such determination shall be based upon the affiliated income of the parcel for the applicable income tax year, as defined by paragraph (b-1) of subdivision three of section four hundred twenty-five of the real property tax law.]

(2) The commissioner shall further develop procedures by which each assessor shall be notified of his or her findings, stating in each case either that the parcel does or does not meet the income eligibility standard prescribed by law, or that the income-eligibility of such parcel cannot be ascertained, whichever is appropriate. The commissioner shall provide no other information about the income of any person to an assessor. Such reports shall be furnished to assessors prior to the applicable taxable status date or as soon thereafter as is possible.

(3) Upon receiving such a report, the assessor shall grant the exemption to those parcels which the commissioner determined to be income-eligible (assuming the assessor finds that the remaining eligibility requirements continue to be satisfied), shall deny the exemption to those which the commissioner determined not to be income-eligible, and shall solicit income documentation from the owners of those parcels as to which the commissioner was unable to make a determination. Where the assessor denies the exemption based upon the commissioner's report, a notice of denial shall be mailed as provided by paragraph (b) of subdivision six of section four hundred twenty-five of the real property tax law, giving the findings of such department as a reason for such denial.

(4) Where a STAR exemption has been improperly granted on a final assessment roll to a property where the affiliated income exceeds the limitations established by paragraph (b-1) of subdivision three of section four hundred twenty-five of the real property tax law, the improperly granted exemption shall be corrected in the manner provided by subdivision twelve of section four hundred twenty-five of the real property tax law.

(5) The commissioner shall verify the income eligibility of recipients of the basic STAR exemption authorized by section four hundred twenty-five of the real property tax law in the manner provided therein.

(a) Notwithstanding any provision of law to the contrary, the commissioner may adopt rules prescribing a uniform statewide system of parcel identification numbers applicable to all "assessing units", as that term is defined by section one hundred two of the real property tax law, provided that no such rule shall apply to an assessment roll with a taxable status date occurring prior to January first, two thousand thirteen.
(b) Notwithstanding the foregoing provisions of this subdivision, the commissioner may, at his or her discretion, adopt rules that are applicable only to "special assessing units," as that term is defined by section eighteen hundred one of the real property tax law, which prescribe an alternative system of parcel identification numbers solely for such special assessing units.

§ 8. This act shall take effect immediately.

SUBPART E

Section 1. Paragraph 2 of subdivision w of section 233 of the real property law is REPEALED.

§ 2. Paragraph 3 of subdivision w of section 233 of the real property law, as amended by section 18 of part B of chapter 389 of the laws of 1997, is amended to read as follows:

§ 4. Paragraph (l) of subdivision 2 of section 425 of the real property tax law is amended by adding a new subparagraph (iv) to read as follows:

(iv) Beginning with assessment rolls used to levy school district taxes for the two thousand twenty-two--two thousand twenty-three school year, no exemption shall be granted pursuant to this section to a mobile home that is described in this paragraph. § 5. Subparagraph (B) of paragraph 6 of subsection (eee) of section 606 of the tax law is amended by adding a new clause (iii) to read as follows:

(iii) Beginning with the two thousand twenty-two taxable year, to receive the credit authorized by this subsection, an owner of a mobile home described by clause (i) of this subparagraph shall register for such credit in the manner prescribed by the commissioner and claim the credit upon his or her personal income tax return for the taxable year in question. Notwithstanding the provisions of paragraph ten of this subsection, the commissioner shall not make advance payments of the credit to such owners.

§ 6. This act shall take effect immediately; provided, however, that the amendments to subdivision w of section 233 of the real property law made by sections one, two and three of this act shall be applicable beginning with assessment rolls used to levy school district taxes for the 2022--2023 school year.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section, item, subpart or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, item, subpart or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is here-
by declared to be the intent of the legislature that this act would have
been enacted even if such invalid provisions had not been included here-

§ 2. Section 307 of the real property tax law is REPEALED.
§ 3. Subdivision 4 of section 483 of the real property tax law, as
amended by chapter 72 of the laws of 1979 and as further amended by
subdivision (b) of section 1 of part W of chapter 56 of the laws of

§ 4. Subdivision 3 of section 489-n of the real property tax law, as
added by chapter 86 of the laws of 1963 and as further amended by subdi-

**§ 497. Construction of certain local option provisions in exemption statutes. 1. Population restrictions. When an exemption statute makes one or more options available to municipal corporations having a population within a specified range, and the governing body of a municipal corporation adopts a local law or resolution exercising such an option while its population is within the specified range, a subsequent change in the population of the municipal corporation that places it outside the specified range shall not render such local law or resolution ineffective or invalid, nor shall it impair the ability of the governing body to amend or repeal such local law or resolution to the same extent as if its population were still within the specified range. Provided, however, that this subdivision shall not apply to any exemption statute that expressly provides that a local law or resolution adopted thereunder shall become ineffective or invalid if the population of the municipal corporation subsequently experiences a change that places it outside the specified range.**

2. Filing provisions. When an exemption statute makes one or more options available to some or all municipal corporations, and further provides that a municipal corporation adopting a local law or resolution exercising such an option shall file a copy thereof with one or more state agencies other than the department of state, but if such statute does not expressly provide that a local law or resolution exercising such an option shall not take effect until a copy thereof is filed with the specified state agency or agencies, then a failure to comply with such filing provision shall not render such local law or resolution ineffective or invalid.

3. Nothing contained in this section shall be construed to require a hearing to be conducted when no complaints have been filed.

§ 9. Section 1208 of the real property tax law, as amended by chapter 385 of the laws of 1990 and as further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

Nothing contained in this section shall be construed to require a hearing to be conducted when no complaints have been filed.

§ 10. This act shall take effect immediately; provided, however, that notwithstanding the provisions of subdivision 2 of section 497 of the real property tax law as added by section six of this act, the decision issued by the Appellate Division, Third Department on April 16, 2020, in the Matter of Laertes Solar, LLC v Assessor of the Town of Harford, cited as 182 A.D.3d 826, 122 N.Y.S.3d 427, and 2020 NY Slip Op 02302, motion for leave to appeal dismissed in part and otherwise denied by the Court of Appeals on November 19, 2020, shall remain binding upon the parties thereto; and provided further that the amendments made to section 489-oooo of the real property tax law made by section seven of this act shall not affect the repeal of such section and shall be deemed to be repealed therewith.

PART X

Section 1. Subdivisions 5, 7 and 9 of section 487 of the real property tax law, subdivision 5 as amended by chapter 325 of the laws of 2018, subdivision 7 as amended by chapter 515 and subdivision 9 as added by chapter 608 of the laws of 2002, and paragraph (a) of subdivision 9 as amended by chapter 344 of the laws of 2014, are amended to read as follows:

5. PART Y

Section 1. Legislative intent. Article 1 Section 9 of the New York State Constitution was recently amended and provides "casino gambling at no more than seven facilities as authorized and prescribed by the legislature shall hereafter be authorized or allowed within this state." It is the sense of the legislature that this provision is not contravened by a statute which authorizes the acceptance of a wager by an individual who is betting by virtual or electronic means; provided that it meets other safeguards ensuring that the plain text of this provision is
honored in such structure. Sports wagering is now legal online in 14 states, including the bordering states of New Jersey and Pennsylvania, while it is only permitted in person in New York at four upstate commercial gaming facilities and Native American Class III gaming facilities. An industry study found that nearly 20 percent of New Jersey's online sports wagering revenue comes from New York residents, costing the state millions of dollars in lost tax revenue.

§ 2. Section 1367 of the racing, pari-mutuel wagering and breeding law is amended by adding a new subdivision 7 to read as follows:

7. (a) A licensed gaming facility operating a sports pool pursuant to subdivision three of this section may offer mobile sports wagering when conducted in conformance with section one thousand three hundred sixty-seven-a of this title.

(b) Notwithstanding section one thousand three hundred fifty-one of this article, mobile sports wagering revenue shall be excluded from gross gaming revenue and shall be separately maintained and returned to the state for deposit into the state lottery fund for education aid, on a schedule determined by the commission.

§ 3. The racing, pari-mutuel wagering and breeding law is amended by adding a new section 1367-a to read as follows:

§ 1367-a. Mobile sports wagering. Mobile sports wagering shall be permitted by the commission through a platform provider or providers selected pursuant to a competitive bidding process conducted by the commission. The winning platform provider or providers shall use the technology necessary to ensure all bettors are physically within approved locations within the state and ensure the necessary safeguards against abuses and addictions are in place. Any such contracts entered by the commission are subject to applicable state laws, regulations and practices.

§ 4. Subdivision 1 of section 1351 of the racing, pari-mutuel wagering and breeding law, as added by chapter 174 of the laws of 2013, is amended to read as follows:

1. (a) For a gaming facility in zone two, there is hereby imposed a tax on gross gaming revenues. The amount of such tax imposed shall be as follows[: provided, however, should a licensee have agreed within its application to supplement the tax with a binding supplemental fee payment exceeding the aforementioned tax rate, such tax and supplemental fee shall apply for a gaming facility]:

[(a)] (1) in region two, forty-five percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

[(b)] (2) in region one, thirty-nine percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

[(c)] (3) in region five, thirty-seven percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

(b) (1) Notwithstanding the rates in paragraph (a) of this subdivision, a gaming facility may petition the commission to lower their slot tax rate to no lower than twenty-five percent. The commission shall evaluate the petition using the following criteria:

(i) the ability of the licensee to satisfy the license criterion of financial stability absent the tax rate reduction;

(ii) a complete examination of all financial projections, as well as gaming revenues generated for the prior annual period;
(iii) the licensee's intended use of the funds resulting from a tax adjustment;
(iv) the inability of the operator to remain competitive under the current tax structure;
(v) positions advanced by other gaming operators in the state in response to the petition;
(vi) the impact on the competitive landscape;
(vii) other economic factors such as employment and the potential impact upon other businesses in the region; and
(viii) the public interest to be served by a tax adjustment, including the impact upon the state in the event the operator is unable to remain financially viable.

(2) The commission shall report their recommendation to the director of the division of budget who will make a final determination.

§ 5. This act shall take effect immediately; provided, however, that section four of this act shall take effect sixty days after mobile sports wagering commences and shall expire and be deemed repealed one year after such date.

PART Z

Section 1. The gaming commission shall issue a request for information for the purpose of soliciting interest regarding the three unawarded gaming facility licenses authorized by the state constitution. Such request shall seek information from parties interested in developing and/or operating such gaming facilities which shall inform the commission for the purposes of determining: the appropriate size and scope of development, the value of the gaming facility license, and the process that should be used in award consideration.

§ 2. This act shall take effect immediately.

further, that such regulations may be revised on an emergency basis not
later than ninety days after the enactment of this paragraph in order to
conform such regulations to the requirements of this paragraph; or

§ 2. This act shall take effect immediately.

PART BB

Section 1. Paragraphs 4 and 5 of subdivision a of section 1612 of the
tax law, as amended by chapter 174 of the laws of 2013, are amended to
read as follows:
