41 § 7. Subdivision 5 of section 68-c of the state finance law, as
42 amended by section 6 of part MM of chapter 59 of the laws of 2018, is
43 amended to read as follows:

44 5. Nothing contained in this article shall be deemed to restrict the
45 right of the state to amend, repeal, modify or otherwise alter statutes
46 imposing or relating to the taxes imposed pursuant to article
47 twenty-two, ~~[and]~~ article twenty-four, and article twenty-four-A of the

PART D

Section 1. Section 352 of the economic development law is amended by adding two new subdivisions 5-a and 13-a to read as follows:

5-a. "Child care services" means those services undertaken or sponsored by a participant in this program meeting the requirements of "child day care" as defined in paragraph (a) of subdivision one of section three hundred ninety of the social services law or any child care services in the city of New York whereby a permit to operate such child care services is required pursuant to the health code of the city of New York.

13-a. "Net new child care services expenditures" means the calculation of new, annual participant expenditures on child care services whether internal or provided by a third party (including coverage for full or partial discount of employee rates), minus any revenues received by the participant through a third-party operator (i.e. rent paid to the participant by the child care provider) or employees and may be further defined by the commissioner in regulations. For the purposes of this definition, expenditures for child care services that a participant has incurred prior to admission to this program shall not be eligible for the credit.

§ 2. Paragraphs (k) and (l) of subdivision 1 of section 353 of the economic development law, as amended by section 2 of part L of chapter 59 of the laws of 2020, are amended and a new paragraph (m) is added to read as follows:

§ 2-a. Subdivision 3 of section 354 of the economic development law, as amended by section 3 of part G of chapter 61 of the laws of 2011, is amended to read as follows:

1 3. (a) After reviewing a business enterprise's completed application
2 and determining that the business enterprise will meet the conditions
3 set forth in subdivisions three and four of section three hundred
4 fifty-three of this article, the department may admit the applicant into
5 the program and provide the applicant with a certificate of eligibility
6 and a preliminary schedule of benefits by year based on the applicant's
7 projections as set forth in its application. This preliminary schedule
8 of benefits delineates the maximum possible benefits an applicant may
9 receive.

10 (b) Notwithstanding the requirements of this subdivision, an existing
11 participant in the excelsior jobs program may be eligible for an
12 enhanced investment tax credit on projects for child care services and
13 the excelsior child care services tax credit component, provided:

14 (i) the participant is in compliance with the requirements of this
15 article;

16 (ii) the participant is not, at the time of application to the depart-
17 ment for either the enhanced investment tax credit on projects for child
18 care services or the excelsior child care tax credit component, either
19 operating a child care facility or sponsoring child care services for
20 its employees; and

21 (iii) the participant is seeking to provide such services on condition
22 of receipt of additional tax credits attributable to child care
23 services. Such existing participant may apply to the department for the
24 benefit as defined in section three hundred fifty-five of this article.
25 In no circumstances shall the benefit term for child care services
26 exceed the existing participant's existing benefit term in its prelimi-
27 nary schedule of benefits.

28 § 3. Subdivisions 2 and 6 of section 355 of the economic development
29 law, subdivision 2 as amended by section 4 of part L of chapter 59 of

32 added to read as follows:

33 2. Excelsior investment tax credit component. A participant in the
34 excelsior jobs program shall be eligible to claim a credit on qualified
35 investments. In a project that is not a green project, the credit shall
36 be equal to two percent of the cost or other basis for federal income
37 tax purposes of the qualified investment. In a green project, the credit
38 shall be equal to five percent of the cost or other basis for federal
39 income tax purposes of the qualified investment. In a project for child
40 care services, the credit shall be up to five percent of the cost or
41 other basis for federal income tax purposes of the qualified investment
42 in child care services. A participant may not claim both the excelsior
43 investment tax credit component and the investment tax credit set forth
44 in subdivision one of section two hundred ten-B, subsection (a) of
45 section six hundred six, the former subsection (i) of section fourteen
46 hundred fifty-six, or subdivision (q) of section fifteen hundred eleven
47 of the tax law for the same property in any taxable year, except that a
48 participant may claim both the excelsior investment tax credit component
49 and the investment tax credit for research and development property. In
50 addition, a taxpayer who or which is qualified to claim the excelsior
51 investment tax credit component and is also qualified to claim the
52 brownfield tangible property credit component under section twenty-one
53 of the tax law may claim either the excelsior investment tax credit
54 component or such tangible property credit component, but not both with
55 regard to a particular piece of property. A credit may not be claimed
56 until a business enterprise has received a certificate of tax credit,

provided that qualified investments made on or after the issuance of the certificate of eligibility but before the issuance of the certificate of tax credit to the business enterprise, may be claimed in the first taxable year for which the business enterprise is allowed to claim the credit. Expenses incurred prior to the date the certificate of eligibility is issued are not eligible to be included in the calculation of the credit.

2-a. Excelsior child care services tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit on its net new child care services expenditures for its operation, sponsorship or direct financial support of a child care services program. The credit shall be up to six percent of the net new child care services expenditures as defined in this chapter.

6. Claim of tax credit. The business enterprise shall be allowed to claim the credit as prescribed in section thirty-one of the tax law. No costs used by an entertainment company as the basis for the allowance of a tax credit described in this section shall be used by such entertainment company to claim any other credit allowed pursuant to the tax law. No costs or expenditures for child care services used by a participant to claim the credit as prescribed in section forty-four of the tax law shall be used for the allowance of a tax credit described in this section.

§ 3-a. Section 358 of the economic development law is amended by adding a new subdivision 3 to read as follows:

On an annual basis, businesses participating in the excelsior child care services credit shall report to the department on the number of employees participating in child care services supported by the credit.

(a) General. A taxpayer subject to tax under article nine-A, twenty-two, or thirty-three of this chapter shall be allowed a credit against such tax in an amount equal to two hundred percent of the portion of the credit that is allowed to the taxpayer under section 45F of the internal revenue code that is attributable to (i) qualified child care expenditures paid or incurred with respect to a qualified child care facility with a situs in the state, and to (ii) qualified child care resource and referral expenditures paid or incurred with respect to the taxpayer's employees working in the state. The credit allowable under this subdivision for any taxable year shall not exceed [~~one hundred fifty~~ five hundred] thousand dollars. If the entity operating the qualified child care facility is a partnership or a New York S corporation, then such cap shall be applied at the entity level, so the aggregate credit allowed to all the partners or shareholders of such entity in a taxable year does not exceed [~~one hundred fifty~~ five hundred] thousand dollars.

§ 6. This act shall take effect immediately; provided, however, section five of this act shall apply to taxable years beginning on or after January 1, 2022.

PART F

Section 1. Paragraph 5 of subdivision (a) of section 24 of the tax law, as amended by section 5-a of part M of chapter 59 of the laws of 2020, is amended to read as follows:

24 allocated credits applied for under this paragraph in any year exceeds
25 the aggregate amount of tax credits allowed for such year under this
26 paragraph, such excess shall be treated as having been applied for on
27 the first day of the next year. If the total amount of allocated tax
28 credits applied for under this paragraph at the conclusion of any year
29 is less than five million dollars, the remainder shall be treated as
30 part of the annual allocation made available to the program pursuant to
31 paragraph four of subdivision (e) of this section. However, in no event
32 may the total of the credits allocated under this paragraph and the
33 credits allocated under paragraph five of subdivision (a) of section
34 thirty-one of this article exceed five million dollars in any year
35 during the period two thousand fifteen through two thousand [~~twenty-~~

51 of the annual allocation shall be made available for the television
52 writers' and directors' fees and salaries credit pursuant to section
53 twenty-four-b of this article in each year starting in two thousand
54 twenty through two thousand [~~twenty-five~~] twenty-six. This amount shall
55 be allocated by the governor's office for motion picture and television
56 development among taxpayers in accordance with subdivision (a) of this

1 section. If the commissioner of economic development determines that the
2 aggregate amount of tax credits available from additional pool 2 for the
3 empire state film production tax credit have been previously allocated,
4 and determines that the pending applications from eligible applicants
5 for the empire state film post production tax credit pursuant to section
6 thirty-one of this article is insufficient to utilize the balance of
7 unallocated empire state film post production tax credits from such
8 pool, the remainder, after such pending applications are considered,
9 shall be made available for allocation in the empire state film tax
10 credit pursuant to this section, subdivision twenty of section two

13 that the aggregate amount of tax credits available from additional pool
14 2 for the empire state film post production tax credit have been previ-
15 ously allocated, and determines that the pending applications from
16 eligible applicants for the empire state film production tax credit
17 pursuant to this section is insufficient to utilize the balance of unal-
18 located film production tax credits from such pool, then all or part of
19 the remainder, after such pending applications are considered, shall be
20 made available for allocation for the empire state film post production
21 credit pursuant to this section, subdivision thirty-two of section two
22 hundred ten-B and subsection (qq) of section six hundred six of this
23 chapter. The governor's office for motion picture and television devel-
24 opment must notify taxpayers of their allocation year and include the
25 allocation year on the certificate of tax credit. Taxpayers eligible to
26 claim a credit must report the allocation year directly on their empire
27 state film production credit tax form for each year a credit is claimed
28 and include a copy of the certificate with their tax return. In the case
29 of a qualified film that receives funds from additional pool 2, no
30 empire state film production credit shall be claimed before the later of
31 the taxable year the production of the qualified film is complete, or
32 the taxable year immediately following the allocation year for which the
33 film has been allocated credit by the governor's office for motion
34 picture and television development.

35 § 3. Paragraph 4 of subdivision (e) of section 24 of the tax law, as
36 amended by section 2 of part SSS of chapter 59 of the laws of 2019, is
37 amended to read as follows:

38 (4) Additional pool 2 - The aggregate amount of tax credits allowed in
39 subdivision (a) of this section shall be increased by an additional four
40 hundred twenty million dollars in each year starting in two thousand ten
41 through two thousand [~~twenty-four~~] twenty-six provided however, seven
42 million dollars of the annual allocation shall be available for the
43 empire state film post production credit pursuant to section thirty-one
44 of this article in two thousand thirteen and two thousand fourteen and
45 twenty-five million dollars of the annual allocation shall be available
46 for the empire state film post production credit pursuant to section
47 thirty-one of this article in each year starting in two thousand fifteen
48 through two thousand [~~twenty-four~~] twenty-six. This amount shall be
49 allocated by the governor's office for motion picture and television
50 development among taxpayers in accordance with subdivision (a) of this
51 section. If the commissioner of economic development determines that the
52 aggregate amount of tax credits available from additional pool 2 for the
53 empire state film production tax credit have been previously allocated,
54 and determines that the pending applications from eligible applicants
55 for the empire state film post production tax credit pursuant to section
56 thirty-one of this article is insufficient to utilize the balance of

1 unallocated empire state film post production tax credits from such
2 pool, the remainder, after such pending applications are considered,
3 shall be made available for allocation in the empire state film tax
4 credit pursuant to this section, subdivision twenty of section two
5 hundred ten-B and subsection (gg) of section six hundred six of this
6 chapter. Also, if the commissioner of economic development determines
7 that the aggregate amount of tax credits available from additional pool
8 2 for the empire state film post production tax credit have been previ-
9 ously allocated, and determines that the pending applications from
10 eligible applicants for the empire state film production tax credit
11 pursuant to this section is insufficient to utilize the balance of unal-
12 located film production tax credits from such pool, then all or part of
13 the remainder, after such pending applications are considered, shall be
14 made available for allocation for the empire state film post production
15 credit pursuant to this section, subdivision thirty-two of section two
16 hundred ten-B and subsection (qq) of section six hundred six of this
17 chapter. The governor's office for motion picture and television devel-
18 opment must notify taxpayers of their allocation year and include the
19 allocation year on the certificate of tax credit. Taxpayers eligible to
20 claim a credit must report the allocation year directly on their empire
21 state film production credit tax form for each year a credit is claimed
22 and include a copy of the certificate with their tax return. In the case
23 of a qualified film that receives funds from additional pool 2, no
24 empire state film production credit shall be claimed before the later of
25 the taxable year the production of the qualified film is complete, or
26 the taxable year immediately following the allocation year for which the
27 film has been allocated credit by the governor's office for motion
28 picture and television development.

29 § 4. Paragraph 6 of subdivision (a) of section 31 of the tax law, as
30 amended by section 5-c of part M of chapter 59 of the laws of 2020, is
31 amended to read as follows:

32 (6) For the period two thousand fifteen through two thousand [~~twenty-~~
33 ~~five~~] twenty-six, in addition to the amount of credit established in
34 paragraph two of this subdivision, a taxpayer shall be allowed a credit
35 equal to the product (or pro rata share of the product, in the case of a
36 member of a partnership) of ten percent and the amount of wages or sala-

9 treated as having been applied for on the first day of the next year. If
10 the total amount of allocated tax credits applied for under this para-

12 the remainder shall be treated as part of the annual allocation for two
13 thousand seventeen made available to the empire state film post
14 production credit pursuant to paragraph four of subdivision (e) of
15 section twenty-four of this article. However, in no event may the total
16 of the credits allocated under this paragraph and the credits allocated
17 under paragraph five of subdivision (a) of section twenty-four of this
18 article exceed five million dollars in any year during the period two
19 thousand fifteen through two thousand ~~twenty-five~~ twenty-six.

27 fiduciary or representative capacity, whether appointed by a court or
28 otherwise, any combination of individuals, and any other form of unin-

30 (2) "Person" shall include any individual, corporation, partnership or
31 limited liability company or an officer or employee of any corporation
32 (including a dissolved corporation), or a member or employee of any
33 partnership, or a member, manager or employee of a limited liability
34 company, who as such officer, employee, manager or member is under a
35 duty to act for such corporation, partnership, limited liability company
36 or individual proprietorship in complying with any requirement of this
37 article, or has so acted.

38 § 2. Subdivision (a) of section 1404 of the tax law, as amended by
39 chapter 61 of the laws of 1989, is amended to read as follows:

40 (a) The real estate transfer tax imposed pursuant to section fourteen
41 hundred two of this article shall be paid by the grantor and such tax
42 shall not be payable, directly or indirectly, by the grantee except as
43 provided in a contract between grantor and grantee or as otherwise
44 provided in this section. If the grantor has failed to pay the tax
45 imposed by this article at the time required by section fourteen hundred
46 ten of this article or if the grantor is exempt from such tax, the gran-
47 tee shall have the duty to pay the tax. Where the grantee has the duty
48 to pay the tax because the grantor has failed to pay, such tax shall be
49 the joint and several liability of the grantor and the grantee; provided
50 that in the event of such failure, the grantee shall have a cause of
51 action against the grantor for recovery of payment of such tax, interest
52 and penalties by the grantee. In the case of a conveyance of residen-
53 tial real property as defined in subdivision (a) of section fourteen
54 hundred two-a of this article, if the tax imposed by this article is

1 paid by the grantee pursuant to a contract between the grantor and the
2 grantee, the amount of such tax shall be excluded from the calculation
3 of consideration subject to tax under this article.

4 § 3. Subdivision (a) of section 1409 of the tax law, as amended by
5 chapter 297 of the laws of 2019, is amended to read as follows:

6 (a) (1) A joint return shall be filed by both the grantor and the
7 grantee for each conveyance whether or not a tax is due thereon other
8 than a conveyance of an easement or license to a public utility as
9 defined in subdivision two of section one hundred eighty-six-a of this
10 chapter or to a public utility which is a provider of telecommunication
11 services as defined in subdivision one of section one hundred eighty-
12 six-e of this chapter, where the consideration is two dollars or less
13 and is clearly stated as actual consideration in the instrument of
14 conveyance.

15 (2) When the grantor or grantee of a deed for a building used as resi-
16 dential real property containing [~~one to four~~] up to four family
17 dwelling units is a limited liability company, the joint return shall
18 not be accepted for filing unless it is accompanied by a document which
19 identifies the names and business addresses of all members, managers,
20 and any other authorized persons, if any, of such limited liability
21 company and the names and business addresses or, if none, the business
22 addresses of all shareholders, directors, officers, members, managers
23 and partners of any limited liability company or other business entity
24 that are to be the members, managers or authorized persons, if any, of
25 such limited liability company. The identification of such names and
26 addresses shall not be deemed an unwarranted invasion of personal priva-
27 cy pursuant to article six of the public officers law. If any such
28 member, manager or authorized person of the limited liability company is
29 itself a limited liability company or other business entity other than a
30 publicly traded entity, a REIT, a UPREIT, or a mutual fund, the names
31 and addresses of the shareholders, directors, officers, members, manag-
32 ers and partners of the limited liability company or other business
33 entity shall also be disclosed until full disclosure of ultimate owner-
34 ship by natural persons is achieved. For purposes of this subdivision,
35 the terms "members", "managers", "authorized person", "limited liability
36 company" and "other business entity" shall have the same meaning as
37 those terms are defined in section one hundred two of the limited
38 liability company law.

39 (3) The return shall be filed with the recording officer before the
40 instrument effecting the conveyance may be recorded. However, if the tax
41 is paid to the commissioner pursuant to section fourteen hundred ten of
42 this article, the return shall be filed with such commissioner at the
43 time the tax is paid. In that instance, a receipt evidencing the filing
44 of the return and the payment of tax shall be filed with the recording
45 officer before the instrument effecting the conveyance may be recorded.
46 The recording officer shall handle such receipt in the same manner as a
47 return filed with the recording officer.

48 § 4. Subdivision (h) of section 1418 of the tax law, as added by
49 section 7 of part X of chapter 56 of the laws of 2010 and as further

2 five hundred seventy-four of the real property tax law and the rules
3 adopted thereunder, provided such information was collected through a
4 combined process established pursuant to an agreement entered into with
5 the commissioner pursuant to paragraph viii of subdivision one-e of
6 section three hundred thirty-three of the real property law. The commis-

8 section five hundred seventy-four of the real property tax law. The
9 commissioner may also disclose any information reported pursuant to
10 paragraph two of subdivision (a) of section fourteen hundred nine of
11 this article.

12 § 5. This act shall take effect immediately; provided however that
13 sections one and two of this act shall take effect July 1, 2021, and
14 shall apply to conveyances occurring on or after such date other than
15 conveyances that are made pursuant to binding written contracts entered
16 into on or before April 1, 2021, provided that the date of execution of
17 such contract is confirmed by independent evidence, such as the record-
18 ing of the contract, payment of a deposit or other facts and circum-
19 stances as determined by the commissioner of taxation and finance.

44 ~~sion~~] commissioner may, if [~~it~~] he or she deems it necessary [~~in order~~]
45 to [~~insure~~] facilitate the efficient reporting and payment of the tax
46 imposed by this article, require returns to be made at such times and
47 covering such periods as [~~it~~] he or she may deem necessary. Such return
48 shall contain such further information as the [~~tax-commission~~] commis-
49 sioner shall require. The fact that the name of the distributor, noncom-
50 mercial importer or other person is signed to a filed return shall be
51 prima facie evidence for all purposes that the return was actually
52 signed by such distributor, noncommercial importer or other person.

53 § 2. Section 505 of the tax law, as amended by section 2 of part E of
54 chapter 60 of the laws of 2007, is amended to read as follows:

§ 505. Returns. Every carrier subject to this article and every carrier to whom a certificate of registration was issued shall file on or before the last day of each month a return for the preceding calendar month where a carrier's total tax liability under this article for the preceding calendar year exceeded ~~[four]~~ twelve thousand dollars. Where a carrier's total tax liability under this article for the preceding calendar year did not exceed ~~[four]~~ twelve thousand dollars or where a carrier was not subject to such tax in the preceding calendar year, returns shall be filed quarterly, on or before the last day of the calendar month following each of the calendar quarters: January through March, April through June, July through September and October through December. Provided, however, if the commissioner consents thereto in writing, any carrier may file a return on or before the thirtieth day after the close of any different period, if the carrier's books are regularly kept on a periodic basis other than a calendar month or quarter. The commissioner may permit the filing of returns on an annual basis, provided the carrier was subject to the tax under this article during the entire preceding calendar year and the carrier's total tax liability under this article for such year did not exceed ~~[two hundred fifty]~~ twelve hundred dollars. Such annual returns shall be filed on or before January thirty-first of the succeeding calendar year. Returns shall be filed with the commissioner on forms to be furnished by such commissioner for such purpose and shall contain such data, information or matter as the commissioner may require to be included therein. The fact that a carrier's name is signed to a filed return shall be prima facie evidence for all purposes that the return was actually signed by such carrier. The commissioner may grant a reasonable extension of time for filing returns whenever good cause exists and may waive the filing of returns if a carrier is not subject to the tax imposed by this article for the period covered by the return. Every return shall have annexed thereto a certification to the effect that the statements contained therein are true.

§ 3. This act shall take effect immediately; provided, however, that section two of this act shall apply to tax returns for taxable periods beginning on or after January 1, 2022.

PART R

Section 1. Section 1280 of the tax law is amended by adding two new subdivisions (v) and (w) to read as follows:

(v) "Technology service provider" or "TSP" means a person that acts by employment, contract or otherwise on behalf of one or more taxicab owners or HAIL vehicle owners to collect the trip record for a taxicab trip or HAIL vehicle trip.

(w) "Cash trip" means any trip for which the TSP collects the trip record but does not collect the fare.

§ 2. Subdivision (b) of section 1283 of the tax law, as amended by chapter 9 of the laws of 2012, is amended to read as follows:

(b) (1) If the taxicab owner has designated an agent, then the agent shall be jointly liable with the taxicab owner for the tax on trips occurring during the period that such designation is in effect. Even if the TLC has specified that the taxicab owner's agent cannot operate as an agent, that agent shall be jointly liable with the taxicab owner if the agent has acted for the taxicab owner. During the period that a taxicab owner's designation of an agent is in effect, the agent shall file the returns required by this article and pay any tax due with such

1 return, but the taxicab owner shall not be relieved of liability for
2 tax, penalty or interest due under this article, or for the filing of
3 returns required to be filed, unless the agent has timely filed accurate
4 returns and timely paid the tax required to be paid under this article.
5 If a taxicab owner has designated an agent, then the agent must perform
6 any act this article requires the taxicab owner to perform, but the
7 failure of such agent to perform any such act shall not relieve the
8 taxicab owner from the obligation to perform such act or from any
9 liability that may arise from failure to perform the act.

10 (2) (A) Notwithstanding the foregoing, a TSP that collects the trip
11 record and the trip fare on behalf of a taxicab owner or a HAIL vehicle
12 owner shall withhold from daily collections the taxes due on such trips,
13 and shall withhold from such collections the taxes due on cash trips. If
14 the TSP's daily collections, after retaining any fees to which it is
15 entitled pursuant to a contract with such taxicab owner or HAIL vehicle
16 owner, are insufficient to cover the taxes due on such cash trips, the
17 TSP shall withhold an amount from subsequent daily collections, to the
18 extent funds are available, until all taxes due for a quarterly period
19 described in section twelve hundred eighty-four of this article have
20 been withheld. If a TSP is unable to withhold all the taxes due in such
21 quarterly period, it shall withhold such unwithheld taxes from daily
22 collections in the next quarterly period. A TSP shall be jointly liable
23 for the tax due on all trips for which it collects the trip record, but
24 shall be relieved of liability for any taxes attributable to cash trips
25 for which it was unable to withhold the taxes due because there was
26 insufficient daily collections during four successive quarterly periods.

27 (B) For any period that the TSP collects trip records on behalf of a
28 taxicab owner or HAIL vehicle owner, the TSP shall file returns report-
29 ing the tax due on all trips for which it collected trip records and
30 shall remit the taxes withheld on all such trips and shall report any
31 unwithheld taxes due because of insufficient daily collections to cover
32 the taxes due on cash trips.

33 § 3. Subdivision (a) of section 1299-B of the tax law, as added by
34 section 2 of part NNN of chapter 59 of the laws of 2018, is amended to
35 read as follows:

36 (a) Notwithstanding any provision of law to the contrary, any person
37 that dispatches a motor vehicle by any means that provides transportation
38 that is subject to a surcharge imposed by this article, including
39 transportation network companies as defined in article forty-four-B of
40 the vehicle and traffic law, shall be liable for the surcharge imposed
41 by this article, except that in the case of taxicab trips and HAIL vehicle
42 trips that are also subject to tax pursuant to article twenty-nine-A
43 of this chapter[~~, only the taxicab owner or HAIL base liable for that~~
44 ~~tax shall be the person liable for the surcharge imposed by this arti-~~
45 ~~cle~~]; (1) a TSP that collected the trip record and trip fare shall with-
46 hold from daily collections the surcharges due on such trips, and shall
47 withhold from such collections the surcharges due on cash trips. If the
48 TSP's daily collections, after retaining any fees to which it is enti-
49 tled pursuant to a contract with such taxicab owner or HAIL vehicle
50 owner, are insufficient to cover the surcharges due on such cash trips,
51 the TSP shall withhold an amount from subsequent daily collections, to
52 the extent funds are available, until all surcharges due for a monthly
53 period have been withheld. If a TSP is unable to withhold all the
54 surcharges due in a monthly period, it shall withhold such unwithheld
55 surcharges from daily collections in the next monthly period. A TSP
56 shall be jointly liable for the surcharge imposed by this article for

1 all trips for which the TSP collected the trip record, but shall be
2 relieved of liability for any surcharges attributable to cash trips for
3 which it was unable to withhold the surcharges because there were insuf-
4 ficient daily collections during twelve successive monthly periods.

5 (2) The TSP shall be responsible for filing monthly returns reporting
6 the surcharges due on all trips for which it collected trip records,
7 shall remit the surcharges withheld on all such trips and shall report
8 any unwithheld surcharges due because of insufficient daily collections
9 to cover the tax due on cash trips. For purposes of this section, the
10 terms "taxicab trips," "HAIL vehicle trips," "taxicab owner," ~~[and]~~
11 "HAIL base," "TSP" and "cash trip" shall have the same meaning as they
12 do in section twelve hundred eighty of this chapter.

13 § 4. Section 1299-F of the tax law is amended by adding a new subdivi-
14 sion (e) to read as follows:

15 (e) Notwithstanding the provisions of subdivision (a) of this section,
16 the commissioner may, in his or her discretion, permit the proper offi-
17 cer of the taxi and limousine commission of the city of New York (TLC)
18 or the duly authorized representative of such officer, to inspect any
19 return filed under this article, or may furnish to such officer or such
20 officer's authorized representative an abstract of any such return or
21 supply such person with information concerning an item contained in any
22 such return, or disclosed by any investigation of tax liability under
23 this article; but such permission shall be granted or such information
24 furnished only if the TLC shall have furnished the commissioner with all
25 information requested by the commissioner pursuant to this article and
26 shall have permitted the commissioner or the commissioner's authorized
27 representative to make any inspection of any records or reports concern-
28 ing for-hire transportation trips subject to the surcharge imposed by
29 this article, and any persons required to collect such surcharge, filed
30 with or possessed by the TLC that the commissioner may have requested
31 from the TLC. Provided, further, that the commissioner may disclose to
32 the TLC whether or not a person liable for the surcharge imposed by this
33 article has paid all of the surcharges due under this article as of any
34 given date.

35 § 5. This act shall take effect immediately and shall apply to trips
36 occurring on or after July 1, 2021.

37 PART S

38 Section 1. Paragraph 1 of subdivision (g) of section 32 of the tax
39 law, as added by section 2 of part VV of chapter 59 of the laws of 2009,

The affirmations required by this paragraph shall be made in the form and manner prescribed by the commissioner, provided that notwithstanding any provision of law to the contrary, affirmants may be allowed, but shall not be required, to sign such affirmations electronically.

§ 3. Subdivision 3 of section 333 of the real property law, as amended by section 2 of part JJ of chapter 56 of the laws of 2009 and as further

amended by subdivision (d) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

(3) such receipt or form includes a certification by the transferor that this section is inapplicable to the sale or transfer.

§ 5. Subdivision (c) of section 1407 of the tax law, as amended by chapter 61 of the laws of 1989, is amended to read as follows:

(c) ~~[Every]~~ 1. When a recording officer designated to act as such agent is presented with a conveyance for recording that is accompanied by a receipt issued by the commissioner pursuant to subdivision (c) of section fourteen hundred twenty-three of this article, such recording officer shall be relieved of the responsibility to collect the real estate transfer tax thereon. He or she shall nonetheless be entitled to the portion of such tax that he or she would otherwise have retained pursuant to this subdivision, as provided by subdivision (b) of section fourteen hundred twenty-three of the tax law.

1 2. When a recording officer is presented with a conveyance for record-

3 this subdivision, he or she shall collect the applicable real estate
4 transfer tax and shall retain, from the real estate transfer tax which
5 he or she collects, the sum of one dollar for each of the first five
6 thousand conveyances accepted for recording and for which he or she has
7 issued a documentary stamp or metering machine stamp or upon which
8 instrument effecting the conveyance he or she has noted payment of the
9 tax or that no tax is due, pursuant to any other method for payment of
10 the tax provided for in the regulations of the commissioner of taxation
11 and finance, during each annual period commencing on the first day of
12 August and ending on the next succeeding thirty-first day of July and
13 seventy-five cents for each conveyance in excess of five thousand
14 accepted for recording and for which he or she has issued such a stamp
15 or upon which instrument effecting the conveyance he or she has noted
16 payment of the tax or that no tax is due, pursuant to such other method,
17 during such annual period. Such fee shall be payable even though the
18 stamp issued or such notation shows that no tax is due. Such a fee paid
19 to the register of the city of New York shall belong to the city of New
20 York and such a fee paid to a recording officer of a county outside such
21 city shall belong to such officer's county. With respect to any other
22 agents designated to act pursuant to subdivision (a) of this section,
23 the commissioner of taxation and finance shall have the power to
24 provide, at his or her discretion, for payment of a fee to such agent,
25 in such manner and amount and subject to such limitations as he or she
26 may determine, but any such fee for any annual period shall not be
27 greater than the sum of one dollar for each of the first five thousand
28 conveyances for which such agent has issued a documentary stamp or
29 metering machine stamp or upon which instrument effecting the conveyance
30 he or she has noted payment of the tax or that no tax is due, pursuant
31 to any other method for payment of the tax provided for in the regu-
32 lations of the commissioner of taxation and finance, during such annual
33 period and seventy-five cents for each conveyance in excess of five
34 thousand for which such agent has issued such a stamp or upon which
35 instrument effecting the conveyance such agent has noted payment of the
36 tax or that no tax is due, pursuant to such other method, during such
37 annual period.

38 § 6. Subdivision (b) of 1409 of the tax law, as added by chapter 61 of
39 the laws of 1989, is amended to read as follows:

40 (b) [~~The~~] Subject to the provisions of section fourteen hundred twen-
41 ty-three of this article, the return shall be signed by both the grantor
42 and the grantee. Where a conveyance has more than one grantor or more
43 than one grantee, the return shall be signed by all of such grantors and
44 grantees. Where any or all of the grantors or any or all of the grantees
45 have failed to sign a return, it shall be accepted as a return if signed
46 by any one of the grantors or by any one of the grantees. Provided,
47 however, those not signing the return shall not be relieved of any
48 liability for the tax imposed by this article and the period of limita-
49 tions for assessment of tax or of additional tax shall not apply to any
50 such party.

51 § 7. Subdivision (b) of section 1410 of the tax law, as added by chap-
52 ter 61 of the laws of 1989, is amended to read as follows:

53 (b) A recording officer shall not record an instrument effecting a
54 conveyance unless one of the following conditions is satisfied:

1 (1) the instrument is accompanied by a receipt issued by the commis-
2 sioner pursuant to subdivision (c) of section fourteen hundred twenty-
3 three of this article; or

4 (2) the return required by section fourteen hundred nine of this arti-
5 cle has been filed and the real estate transfer tax due, if any, shall
6 have been paid as provided in this section.

7 § 8. The tax law is amended by adding a new section 1423 to read as
8 follows:

9 § 1423. Modernization of real property transfer reporting. (a)
10 Notwithstanding any provision of law to the contrary, the commissioner
11 is hereby authorized to implement a system for the electronic collection
12 of data relating to transfers of real property. In connection therewith,
13 the commissioner may combine the two forms referred to in paragraph one
14 of this subdivision into a consolidated real property transfer form to
15 be filed with him or her electronically; provided:

16 (1) The two forms that may be so combined are the real estate transfer
17 tax return required by section fourteen hundred nine of this article,
18 and the real property transfer report required by subdivision one-e of
19 section three hundred thirty-three of the real property law. However,
20 the commissioner shall continue to maintain both such return and such
21 report as separate forms, so that a party who prefers not to file a
22 consolidated real property transfer form with the commissioner electron-
23 ically shall have the option of filing both such return and such report
24 with the recording officer, as otherwise provided by law. Under no
25 circumstances shall a consolidated real property transfer form be filed
26 with, or accepted by, the recording officer.

27 (2) Notwithstanding the provisions of section fourteen hundred eigh-
28 teen of this article, any information appearing on a consolidated real
29 property transfer form that is required to be included on the real prop-
30 erty transfer report required by subdivision one-e of section three
31 hundred thirty-three of the real property law shall be subject to public
32 disclosure.

33 (3) When a consolidated real property transfer form is electronically
34 submitted to the department by either the grantor or grantee or a duly
35 authorized agent thereof, the act of submitting such form shall be
36 deemed to be the signing of the return as required by paragraph (v) of
37 subdivision one-e of the real property law or subdivision (b) of section
38 fourteen hundred nine of this article, and the requirement that all the
39 grantors and grantees shall sign the return shall not apply. However,
40 the fact that a grantor or grantee has not electronically submitted the
41 form shall not relieve that grantor or grantee of any liability for the
42 tax imposed by this article.

43 (b) When a consolidated real property transfer form is filed with the
44 commissioner electronically pursuant to this section, the real estate
45 transfer tax imposed under this article, and the fee that would other-
46 wise be retained by the recording officer pursuant to subdivision three
47 of section three hundred thirty-three of the real property law, shall be
48 paid to the commissioner therewith. The commissioner shall retain on
49 behalf of the recording officer the portion of such tax that would
50 otherwise have been retained by the recording officer pursuant to subdi-
51 vision (c) of section fourteen hundred seven of this article, and the
52 portion of such fee that would otherwise have been retained by the
53 recording officer pursuant to subdivision three of section three hundred
54 thirty-three of the real property law. The moneys so retained by the
55 commissioner on behalf of the recording officer, hereinafter referred to
56 as the recording officer's fees, shall be deposited daily with such

1 responsible banks, banking houses, or trust companies as may be desig-
2 nated by the state comptroller. Of the recording officer's fees so
3 deposited, the comptroller shall retain in the comptroller's hands such
4 amount as the commissioner may determine to be necessary for refunds or
5 reimbursements of such fees collected or received pursuant to this
6 section, out of which the comptroller shall pay any refunds or
7 reimbursements of such fees to which persons shall be entitled under the
8 provisions of this section. The comptroller, after reserving such refund
9 and reimbursement fund shall, on or before the twelfth day of each
10 month, pay to the appropriate recording officers an amount equal to the
11 recording officer's fees reserved on their behalf. Provided, however,
12 that the commissioner is authorized to request that the comptroller
13 refrain from making such a payment of such fees to a recording officer
14 until the commissioner has certified to the comptroller that the record-
15 ing officer has supplied the commissioner with the liber and page
16 numbers of the recorded instruments that gave rise to such fees.

17 (c) The system for the electronic submission of consolidated real
18 property transfer forms shall be designed so that upon the successful
19 electronic filing of such a form and the payment of the associated taxes
20 and fees, the party submitting the same shall be provided with an elec-
21 tronic receipt in a form prescribed by the commissioner that confirms
22 such filing and payment. Such party may file a printed copy of such
23 receipt with the recording officer when offering the associated instru-
24 ment for recording, in lieu of submitting to the recording officer the
25 return, report, tax and fee that would otherwise have been required
26 under this article and subdivisions one-e and three of section three
27 hundred thirty-three of the real property law. The recording officer
28 shall retain such receipt for a minimum of three years, unless otherwise
29 directed by the commissioner, and shall provide a copy thereof to the
30 commissioner for inspection upon his or her request.

31 (d) Upon recording the instrument to which the consolidated real prop-
32 erty transfer form pertains, the recording officer shall provide the
33 commissioner with the liber and page thereof at such time and in such
34 manner as the commissioner shall prescribe.

35 (e) The provisions of this section shall not be applicable within a
36 city or county that has implemented its own electronic system for the
37 recording of deeds, the filing of the real estate transfer tax returns
38 and the real property transfer reports prescribed by the commissioner,
39 and the payment of the associated taxes and fees, unless such city or
40 county shall notify the commissioner that such jurisdiction will follow
41 the system authorized pursuant to this section to be used therein, in
42 writing.

43 § 9. This act shall take effect immediately.

44 PART V

45 Section 1. Paragraph 2 of subdivision w of section 233 of the real
46 property law is REPEALED.

29 amended to read as follows:

30 3. The commissioner shall meet at the time and place specified in such
31 notice to hear complaints in relation to the tentative determination of
32 the railroad ceiling. The provisions of section five hundred twelve of
33 this chapter shall apply so far as may be practicable to a hearing under
34 this section. Nothing contained in this subdivision shall be construed
35 to require a hearing to be conducted when no complaints have been filed.

36 § 5. Subdivision 3 of section 489-kk of the real property tax law, as
37 added by chapter 920 of the laws of 1977 and as further amended by

47 to read as follows:

48 § 497. Construction of certain local option provisions in exemption
49 statutes. 1. Population restrictions. When an exemption statute makes
50 one or more options available to municipal corporations having a popu-
51 lation within a specified range, and the governing body of a municipal
52 corporation adopts a local law or resolution exercising such an option
53 while its population is within the specified range, a subsequent change
54 in the population of the municipal corporation that places it outside
55 the specified range shall not render such local law or resolution inef-
56 fective or invalid, nor shall it impair the ability of the governing

body to amend or repeal such local law or resolution to the same extent as if its population were still within the specified range. Provided, however, that this subdivision shall not apply to any exemption statute that expressly provides that a local law or resolution adopted thereunder shall become ineffective or invalid if the population of the municipal corporation subsequently experiences a change that places it outside the specified range.

2. Filing provisions. When an exemption statute makes one or more options available to some or all municipal corporations, and further provides that a municipal corporation adopting a local law or resolution exercising such an option shall file a copy thereof with one or more state agencies other than the department of state, but if such statute does not expressly provide that a local law or resolution exercising such an option shall not take effect until a copy thereof is filed with the specified state agency or agencies, then a failure to comply with such filing provision shall not render such local law or resolution ineffective or invalid.

§ 7. Subdivision 3 of section 499-0000 of the real property tax law, as added by chapter 475 of the laws of 2013, is amended to read as follows:

3. The commissioner or his or her designee shall meet at the time and place specified in such notice set forth in subdivision one of this section to hear complaints in relation to the tentative determination of the assessment ceiling. The provisions of section five hundred twelve of this chapter shall apply so far as may be practicable to a hearing under this section. 3 parties thereto; and provided further that the amendments made to
4 section 499-0000 of the real property tax law made by section seven of
5 this act shall not affect the repeal of such section and shall be deemed
6 to be repealed therewith.

PART X

8 Section 1. Subdivisions 5, 7 and 9 of section 487 of the real property
9 tax law, subdivision 5 as amended by chapter 325 of the laws of 2018,
10 subdivision 7 as amended by chapter 515 and subdivision 9 as added by
11 chapter 608 of the laws of 2002, and paragraph (a) of subdivision 9 as
12 amended by chapter 344 of the laws of 2014, are amended to read as
13 follows:

14 5. The exemption granted pursuant to this section shall only be appli-
15 cable to (a) solar or wind energy systems or farm waste energy systems
16 which are (i) existing or constructed prior to July first, nineteen
17 hundred eighty-eight or (ii) constructed subsequent to January first,
18 nineteen hundred ninety-one and prior to January first, two thousand
19 [~~twenty-five~~] thirty, and (b) micro-hydroelectric energy systems, fuel
20 cell electric generating systems, micro-combined heat and power generat-
21 ing equipment systems, electric energy storage equipment or electric
22 energy storage system, or fuel-flexible linear generator electric gener-
23 ating system which are constructed subsequent to January first, two
24 thousand eighteen and prior to January first, two thousand [~~twenty-five~~]
25 thirty.

26 7. If the assessor is satisfied that the applicant is entitled to an
27 exemption pursuant to this section, he or she shall approve the applica-
28 tion and enter the taxable assessed value of the parcel for which an
29 exemption has been granted pursuant to this section on the assessment
30 roll with the taxable property, with the amount of the exemption set
31 forth in a separate column as computed pursuant to subdivision two of
32 this section in a separate column. In the event that real property
33 granted an exemption pursuant to this section ceases to be used primari-
34 ly for eligible purposes, the exemption granted pursuant to this section
35 shall cease.

36 9. (a) A county, city, town, village or school district, except a
37 school district under article fifty-two of the education law, that has
38 not acted to remove the exemption under this section may require the
39 owner of a property which includes a solar or wind energy system which
40 meets the requirements of subdivision four of this section, to enter
41 into a contract for payments in lieu of taxes. Such contract may require
42 annual payments in an amount not to exceed the amounts which would
43 otherwise be payable but for the exemption under this section. If the
44 owner or developer of such a system provides written notification to a
45 taxing jurisdiction of its intent to construct such a system, then in
46 order to require the owner or developer of such system to enter into a
47 contract for payments in lieu of taxes, such taxing jurisdiction must
48 notify such owner or developer in writing of its intent to require a
49 contract for payments in lieu of taxes within sixty days of receiving
50 the written notification. Written notification to a taxing jurisdiction
51 for this purpose shall include a hard copy letter sent to the highest-
52 ranking official of the taxing jurisdiction. Such letter shall explicit-
53 ly reference subdivision nine of section four hundred eighty-seven of
54 the real property tax law, and clearly state that, unless the taxing

1 jurisdiction responds within sixty days in writing with its intent to
2 require a contract for payments in lieu of taxes, such project shall not
3 be obligated to make such payments.

4 (b) Notwithstanding paragraph (a) of this subdivision, should a taxing
5 jurisdiction adopt a law or resolution at any time within or prior to
6 the sixty day window, indicating the taxing jurisdiction's ongoing
7 intent to require a contract for payments in lieu of taxes for such
8 systems, such law or resolution shall be considered notification to
9 owners or developers and no further action is required on the part of
10 the taxing jurisdiction, provided that such law or resolution remains in
11 effect through the end of the sixty day notification period.

12 [~~The~~] (c) Any payment in lieu of a tax agreement shall not operate for
13 a period of more than fifteen years, commencing in each instance from
14 the date on which the benefits of such exemption first become available
15 and effective.

19 1. Every corporation, company, association, joint stock association,
20 partnership and person, their lessees, trustees or receivers appointed
21 by any court whatsoever, owning, operating or managing any electric

23 sioner, by April thirtieth, a report showing the inventory, revenue, and
24 expenses associated therewith for the most recent fiscal year, and, in
25 the case of solar and wind energy systems, such other information as the
26 commissioner may reasonably require for the development and maintenance
27 of an appraisal model and discount rate as required pursuant to section
28 575-b of this chapter. Such report shall be in the form and manner
29 prescribed by the commissioner.

30 § 3. The real property tax law is amended by adding a new section
31 575-b to read as follows:

32 § 575-b. Solar or wind energy systems. 1. The assessed value for solar
33 or wind energy systems, as defined in section four hundred eighty-seven
34 of this chapter, shall be determined by a discounted cash flow approach
35 that includes:

36 (a) An appraisal model identified and published by the New York state
37 department of taxation and finance, in consultation with the New York
38 state energy research and development authority, within one hundred
39 eighty days of the effective date of this section, and periodically
40 thereafter as appropriate; and

41 (b) A solar or wind energy system discount rate or rates published
42 annually by the New York state department of taxation and finance;
43 provided that prior to such publication, such discount rate or rates
44 shall be published in preliminary form on the department's website and
45 notice thereof shall be sent to parties who have requested the same.
46 The department shall then allow at least sixty days for public comments
47 to be submitted, and shall consider any comments so submitted and make
48 any changes it deems necessary prior to publishing the final discount
49 rate or rates; and

50 (c) In the formulation of such a model and discount rate, the New York
51 state department of taxation and finance shall consult with the New York
52 State Assessors Association. Provided, further, in the formulation of
53 such a model and discount rate, the New York state department of taxa-
54 tion and finance shall be authorized to take into account economic and
55 cost characteristics of such solar and wind energy systems located in
56 different geographic regions of the state and consider regionalized

1 market pressures in the formulation of the appraisal model and discount
2 rate required under this section.

3 2. The reports required by section five hundred seventy-five-a of this
4 title shall be designed to elicit such information as the commissioner
5 may reasonably require for the development and maintenance of an
6 appraisal model and discount rate.

7 3. The provisions of this section shall only apply to solar or wind
8 energy systems with a nameplate capacity equal to or greater than one
9 megawatt.

10 § 4. The third undesignated paragraph of section 852 of the general
11 municipal law, as amended by chapter 630 of the laws of 1977, is amended
12 to read as follows:

13 It is hereby further declared to be the policy of this state to
14 protect and promote the health of the inhabitants of this state and to
15 increase trade through promoting the development of facilities to
16 provide recreation for the citizens of the state and to attract tourists
17 from other states and to promote the development of renewable energy
18 projects to support the state's renewable energy goals as may be estab-
19 lished or amended from time to time.

20 § 5. Subdivision 4 of section 854 of the general municipal law, as

42 which a part or parts of the project is, or is to be, located, and such
43 portion of the project located outside such municipality for whose bene-
44 fit the agency was created shall be contiguous with the portion of the
45 project inside such municipality.

46 (21) "Renewable energy project" shall mean any project and associated
47 real property on which the project is situated, that utilizes any system
48 or equipment as set forth in section four hundred eighty-seven of the
49 real property tax law or as defined pursuant to paragraph b of subdivi-

23 state's renewable energy goals and emission reduction targets as set
24 forth in the state energy plan adopted pursuant to section 6-104 of the
25 energy law; the likelihood of accomplishing the proposed project in a
26 timely fashion; and the extent to which the proposed project will

28 districts; and any other public benefits that might occur as a result of
29 the project;

30 § 8. This act shall take effect immediately.

31 PART Y

32 Section 1. Legislative intent. Section 9 of Article 1 of the New York
33 State Constitution was recently amended and provides "casino gambling at
34 no more than seven facilities as authorized and prescribed by the legis-
35 lature shall hereafter be authorized or allowed within this state". It
36 is the sense of the legislature that this provision is not contravened
37 by a statute that authorizes the acceptance of a wager by an individual
38 who is betting by virtual or electronic means and the wager is accepted
39 through equipment located within a licensed gaming facility; provided
40 that any such wager meets other safeguards ensuring that the plain text
41 of this provision is honored in such structure. Sports wagering is now
42 legal online in 14 states, including the bordering states of New Jersey
43 and Pennsylvania, while it is permitted only in person in New York at
44 four upstate commercial gaming facilities and Native American Class III
45 gaming facilities. An industry study found that nearly 20 percent of New
46 Jersey's online sports wagering revenue comes from New York residents,
47 costing the state millions of dollars in lost tax revenue.

48 § 2. Legislative finding. The legislature hereby finds and declares
49 that a sports wager that is made through virtual or electronic means
50 from a location within New York state and is transmitted to and accepted
51 by electronic equipment located at a licensed gaming facility, including
52 without limitation a computer server located at such licensed gaming
53 facility, is a sports wager made at such licensed gaming facility,
54 notwithstanding any provisions of the penal law to the contrary.

§ 3. Section 1367 of the racing, pari-mutuel wagering and breeding law, as added by chapter 174 of the laws of 2013, paragraphs (b) and (d) of subdivision 3 as amended by section 1 of part X of chapter 59 of the laws of 2020, is amended to read as follows:

33 commission deems appropriate, shall be conspicuously displayed in the
34 sports wagering lounge and included in the terms and conditions of the
35 account wagering system, and copies shall be made readily available to
36 [~~patrons~~] authorized sports bettors. Mobile sports wagering operators
37 shall develop and prominently display procedures on the main page of
38 such mobile sports wagering operator's platform for the filing of

41 sports wagering operator to such bettor filing the complaint within
42 forty-eight hours. A complete response shall be given by such mobile

21 tax constituting a certain percentage of the sports wagering gross
22 gaming revenue attributed to mobile sports wagering offered through such
23 platform provider's platform pursuant to section thirteen hundred
24 sixty-seven-a of this title; provided however, that such percentage
25 shall be determined pursuant to a competitive bidding process conducted
26 by the commission as outlined in subdivision seven of section thirteen
27 hundred sixty-seven-a of this title; and provided further, that such
28 percentage shall be no lower than twelve percent. When awarding a
29 license pursuant to section thirteen hundred sixty-seven-a of this
30 title, the commission may set graduated tax rates; provided however,
31 that any such tax rates may not be lower than the minimum rate estab-
32 lished in this subdivision.

33 8. Notwithstanding section thirteen hundred fifty-one of this article,
34 mobile sports wagering gross gaming revenue and tax revenue shall be
35 excluded from sports wagering gross gaming revenue and tax revenue.
36 Mobile sports wagering tax revenue shall be separately maintained and

49 provided however, that such amount shall be equal to six million dollars
50 for each fiscal year thereafter. In the first fiscal year in which
51 mobile sports wagering licensees commence operations and accept mobile
52 sports wagers pursuant to this section, the commission shall pay one
53 percent of the state tax imposed on mobile sports wagering by this

1 to sports programs for underserved youth under the age of eighteen
2 years; provided however, that such amount shall be equal to five million
3 dollars for each fiscal year thereafter. The commission shall require
4 at least monthly deposits by a platform provider of any payments pursu-

6 conditions, and in such depositories as shall be prescribed by the state
7 comptroller. The deposits shall be deposited to the credit of the state
8 commercial gaming revenue fund. The commission shall require a monthly
9 report and reconciliation statement to be filed with it on or before the
10 tenth day of each month, with respect to gross revenues and deposits
11 received and made, respectively, during the preceding month.

12 9. The commission may perform audits of the books and records of a
13 casino or mobile sports wagering licensee pursuant to section one
14 hundred four of this chapter.

15 10. Nothing in this section shall apply to interactive fantasy sports
16 offered pursuant to article fourteen of this chapter. Nothing in this
17 section authorizes any entity that conducts interactive fantasy sports
18 offered pursuant to article fourteen of this chapter to conduct sports
19 wagering unless it separately qualifies for, and obtains, authorization
20 pursuant to this section.

21 11. A sports governing body may notify the commission that it desires
22 to restrict, limit, or exclude wagering on its sporting events by
23 providing notice in the form and manner as the commission may require.
24 Upon receiving such notice, the commission shall review the request in
25 good faith, seek input from the casinos or mobile sports wagering licen-

35 promulgated by the commission. These regulations shall, at a minimum,
36 require a casino or mobile sports wagering operator to adopt procedures
37 to obtain personally identifiable information from any individual who
38 places any single wager in an amount of ten thousand dollars or greater
39 or making a potential payout or actual payout of ten thousand dollars or
40 greater on a winning wager.

41 (c) Casinos, mobile sports wagering licensees and sports governing
42 bodies shall cooperate with the commission to ensure the timely, effi-

44 (d) Casinos, mobile sports wagering licensees and sports governing
45 bodies shall cooperate with investigations conducted by the commission

49 however, that the casino and mobile sports wagering operator shall not
50 be required to share any personally identifiable information of an
51 authorized sports bettor with any sports governing body unless ordered
52 to do so by the commission, a law enforcement agency or court of compe-

54 (e) (i) Casinos and mobile sports wagering licensees shall promptly
55 report to the commission and any third party integrity monitoring

26 (iv) A casino or mobile sports wagering licensee may be required to
27 share any personally identifiable information of an authorized sports
28 bettor with a sports governing body only pursuant to an order to do so
29 by the commission, a law enforcement agency or a court of competent
30 jurisdiction.

31 (f) The confidentiality of information shared between a sports govern-
32 ing body and a casino or a mobile sports wagering operator shall be
33 maintained pursuant to all applicable data privacy laws, unless disclo-
34 sure is required by this section, the commission, other law, or court
35 order. Furthermore, the information shared between a sports governing
36 body, a casino, a mobile sports wagering operator or any other party
37 pursuant to this act may not be used for business or marketing purposes
38 by the recipient without the express written approval of the party that
39 provides such information.

40 (g) The commission, by regulation, may authorize and promulgate any
41 rules necessary to implement agreements with other states, or authorized
42 agencies thereof to enable the sharing of information to facilitate
43 integrity monitoring and the conduct of investigations into abnormal
44 wagering activity, match fixing, and other conduct that corrupts a
45 wagering outcome of a sporting event or events.

46 (h) In the event of the creation of an entity that maintains an inter-

18 person reporting conduct potentially warranting further investigation to
19 the commission shall remain confidential unless that person authorizes
20 disclosure of his or her identity or until such time as the allegation
21 of conduct potentially warranting further investigation is referred to
22 law enforcement. The commission shall promulgate rules governing the
23 investigation and resolution of a charge of any person purported to have
24 engaged in conduct potentially warranting further investigation.

25 13. The commission shall promulgate rules that require a casino or

32 licensee's users.

33 14. For purposes of wager determination, the commission shall provide
34 a preference for the use of official league data unless the use of other
35 objective wager determination criteria has been justified to the satis-

12 filing the complaint within forty-eight hours. A complete response shall
13 be given by such mobile sports wagering operator to such bettor filing
14 the complaint within ten business days. An authorized sports bettor may
15 file a complaint alleging a violation of the provisions of this article
16 with the commission.

17 (g) Mobile sports wagering licensees shall maintain records of all
18 accounts belonging to authorized sports bettors and retain such records
19 of all transactions in such accounts for the preceding five years;
20 provided however that such records belonging to an authorized sports
21 bettor shall be readily accessible and downloadable, without cost, by
22 such authorized sports bettor.

23 (h) The server or other equipment which is used by a mobile sports
24 wagering licensee to accept mobile sports wagering shall be physically

26 ing related activities in accordance with regulations promulgated by the
27 commission.

28 (i) All mobile sports wagering initiated in this state shall be deemed
29 to take place at the licensed gaming facility where the server or other
30 equipment used by a mobile sports wagering licensee to accept mobile
31 sports wagering is located, regardless of the authorized sports bettor's
32 physical location within this state.

33 (j) All mobile sports wagering shall be conducted in compliance with
34 this section and section thirteen hundred sixty-seven of this title.

35 5. (a) Subject to regulations promulgated by the commission, a mobile
36 sports wagering operator may allow for authorized bettors to sign up to
37 create and fund accounts on its mobile sports wagering platform.

38 (b) Authorized sports bettors may deposit and withdraw funds to and
39 from their account on a mobile sports wagering operator through elec-
40 tronically recognized payment methods, including but not limited to
41 credit cards and debit cards, or via any other means approved by the
42 commission; provided however, that in the case of credit card payments,
43 each authorized sports bettor's account per operator shall be limited to

5 integrity of mobile sports wagering operations.

6 7. A platform provider may be licensed by the commission only after
7 having been selected for potential licensure by the commission following
8 a competitive bidding process in which the commission shall issue a
9 request for applications no later than July first, two thousand twenty-
10 one; provided however, that the deadline for submission of applications
11 shall be no later than thirty days after the date upon which the commis-
12 sion issues such request for applications.

13 (a) The commission shall select platform providers based upon the
14 criteria set forth in this section no later than one hundred fifty days,
15 to the extent practicable, after the final application is received. The
16 commission may disqualify applicants from licensure consideration if the
17 applicant or the mobile sports wagering operator or operators included
18 in their bid have not satisfied provision of required application infor-
19 mation, fail to meet any platform provider and mobile sports wagering
20 operator eligibility criteria established pursuant to the request for
21 applications, or are deemed by the commission to have not satisfied the
22 criteria pursuant to subdivision five of this section.

23 (a-1) The commission shall publish on its website the criteria that
24 will be used to score applications based upon the criteria set forth in
25 paragraph (c) of this subdivision; provided however, that such scoring
26 methodology shall award additional points to an applicant that has
27 entered into an agreement that includes revenue sharing related to such
28 mobile sports wagering with compacted Native American tribe(s) or
29 nation(s).

30 (b) The commission shall determine the form of application for
31 bidders, which shall require, at a minimum, the following information:

32 (i) Different scenarios for the number of platform providers and
33 number of mobile sports wagering operators licensed by the commission.
34 For each scenario, this shall include estimates of mobile sports wager-
35 ing gross gaming revenue and the bases for such estimates, the percent-
36 age of gross revenue from mobile sports wagering the applicant will pay
37 to the state for the privilege of licensure if chosen, and the percent-
38 age of overall mobile sports wagering gross gaming revenue estimated to
39 be generated;

40 (ii) The number of mobile sports wagering operators the applicant will
41 host on its mobile sports wagering platform, if the applicant is
42 licensed as a platform provider;

43 (iii) A description of how the applicant will use technology to ensure
44 all bettors are physically within approved locations within the state,
45 that any wager is accepted through equipment physically located at a
46 licensed gaming facility and that necessary safeguards against abuses
47 and addictions are in place;

48 (iv) The applicant and any associated operators such applicant
49 proposes in its application possess the qualifications, capabilities and
50 experience to provide a mobile sports wagering platform;

51 (v) A list of all jurisdictions where the applicant and parent compa-
52 ny, and mobile sports wagering operator or operators and parent company
53 or companies have been licensed or otherwise authorized by contract or
54 otherwise to conduct sports wagering operations. This shall include the
55 applicant and its mobile sports wagering operator or operators' experi-
56 ence in such other markets;

1 (vi) Player acquisition model, advertising and affiliate programs and
2 marketing budget, including details on how the applicant and its mobile

5 (vii) Timeframe to implement mobile sports wagering from award of
6 license;

7 (viii) The applicant and mobile sports wagering operator or operators'

10 (ix) Integrity monitoring and reporting including any current affil-
11 iations related to integrity monitoring.

12 (c) In determining whether an applicant shall be eligible for a plat-
13 form provider license, the commission shall evaluate how each applicant
14 proposes to maximize sustainable, long-term revenue for the state by
15 evaluating the following factors:

16 (i) A market analysis detailing the benefits of the applicant's bid as
17 it relates to maximizing revenue to the state;

18 (ii) Estimates of mobile sports wagering gross gaming revenue gener-
19 ated by the applicant under different scenarios;

20 (iii) The percentage of mobile sports wagering gross gaming revenue to
21 be paid to the state under different scenarios;

22 (iv) The potential market share of the mobile sports wagering operator
23 or operators under different scenarios;

24 (v) Advertising and promotional plans of the mobile sports wagering
25 operator or operators;

26 (vi) Past experience and expertise in the market of the applicant and
27 any mobile sports wagering operator or operators which are part of such
28 applicant's application;

30 authorized sports bettors into its platform;

31 (viii) A demonstration of how and to what degree the applicant fosters
32 racial, ethnic, and gender diversity in its workforce;

33 (ix) Timeframe to implement mobile sports wagering from award of
34 license;

35 (x) Any other factors that could impact the integrity, sustainability
36 or safety of the mobile sports wagering system; and

37 (xi) Any other factors that could impact revenue to the state.

38 (d) The commission shall award a license to each of the two highest
39 scoring platform providers that submit applications; provided however,
40 that such awards shall require that both winning platform providers pay
41 the same tax rate; and provided further, that the commission shall
42 require that no less than four mobile sports wagering operators will be
43 operating in the state. The commission may award additional licenses if
44 it determines that such additional awards are in the best interests of
45 the state; provided however, that any additional platform providers
46 awarded licenses must also agree to pay the same tax rate as those plat-
47 form providers that were initially awarded licenses by the commission.
48 The award of any such license shall require each applicant to remit the
49 highest percentage of gross gaming revenue from mobile sports wagering
50 contained in an applicant's bid selected by the commission considered
51 for licensure. A qualified applicant shall be afforded the ability to
52 revise its bid in any such manner in order for such bid to meet the
53 percentage of gross gaming revenue from mobile sports wagering as
54 required by the commission for license award, provided that the bid does
55 not incorporate any additional operators not already included in the
56 bid; and provided however that it is not determined by the commission

1 that the revised bid no longer meets all requirements and criteria
2 established pursuant to this section and the request for applications.
3 Any applicant that does not revise its bid to meet the percentage of
4 gross gaming revenue from mobile sports wagering required by the commis-
5 sion for license award shall not be awarded a license.

Applications for licenses shall be in such form as may be prescribed by the commission and shall contain such information or other material or evidence as the commission may require. No license shall be issued by the commission authorizing the simulcast transmission of thoroughbred races from a track located in Suffolk county. The fee for such licenses shall be five hundred dollars per simulcast facility and for account wagering licensees that do not operate either a simulcast facility that is open to the public within the state of New York or a licensed racetrack within the state, twenty thousand dollars per year payable by the licensee to the commission for deposit into the general fund. Except as provided in this section, the commission shall not approve any application to conduct simulcasting into individual or group residences, homes or other areas for the purposes of or in connection with pari-mutuel wagering. The commission may approve simulcasting into residences, homes or other areas to be conducted jointly by one or more regional off-track betting corporations and one or more of the following: a franchised corporation, thoroughbred racing corporation or a harness racing corporation or association; provided (i) the simulcasting consists only of those races on which pari-mutuel betting is authorized by this chapter at one or more simulcast facilities for each of the contracting off-track betting corporations which shall include wagers made in accordance with section one thousand fifteen, one thousand sixteen and one thousand seventeen of this article; provided further that the contract provisions or other simulcast arrangements for such simulcast facility shall be no less favorable than those in effect on January first, two thousand five; (ii) that each off-track betting corporation having within its geographic boundaries such residences, homes or other areas technically capable of receiving the simulcast signal shall be a contracting party; (iii) the distribution of revenues shall be subject to contractual agreement of the parties except that statutory payments to non-contracting parties, if any, may not be reduced; provided, however, that nothing herein to the contrary shall prevent a track from televising its races on an irregular basis primarily for promotional or marketing purposes as found by the commission. For purposes of this paragraph, the provisions of section one thousand thirteen of this article shall not apply. Any agreement authorizing an in-home simulcasting experiment commencing prior to May fifteenth, nineteen hundred ninety-five, may, and all its terms, be extended until June thirtieth, two thousand [~~twenty-one~~] twenty-two; provided, however, that any party to such agreement may elect to terminate such agreement upon

1 conveying written notice to all other parties of such agreement at least
2 forty-five days prior to the effective date of the termination, via
3 registered mail. Any party to an agreement receiving such notice of an
4 intent to terminate, may request the commission to mediate between the
5 parties new terms and conditions in a replacement agreement between the
6 parties as will permit continuation of an in-home experiment until June
7 thirtieth, two thousand [~~twenty-one~~] twenty-two; and (iv) no in-home
8 simulcasting in the thoroughbred special betting district shall occur
9 without the approval of the regional thoroughbred track.

10 § 2. Subparagraph (iii) of paragraph d of subdivision 3 of section

18 sively for purses to be awarded at races conducted by such receiving
19 track shall be computed as follows: of the sums so retained, two and
20 one-half percent of the total pools. Such amount shall be increased or
21 decreased in the amount of fifty percent of the difference in total
22 commissions determined by comparing the total commissions available
23 after July twenty-first, nineteen hundred ninety-five to the total
24 commissions that would have been available to such track prior to July
25 twenty-first, nineteen hundred ninety-five.

26 § 3. The opening paragraph of subdivision 1 of section 1014 of the
27 racing, pari-mutuel wagering and breeding law, as separately amended by
28 section 3 of part Z of chapter 59 and chapter 243 of the laws of 2020,

44 3. The commissioner shall solely determine the eligibility of any
45 applicant applying for entry into the program and shall remove any busi-

47 set forth in section four hundred seventy-three of this article, or for
48 failing to meet the requirements set forth in subdivision one of section
49 four hundred seventy-four of this article.

50 § 477. Maintenance of records. Each business entity participating in

9 claimed, and average amount of advance payments disbursed and tax credit
10 claimed; names of advance payment recipients and tax credits claimed;
11 total number of rehired jobs created; and such other information as the
12 commissioner determines necessary and appropriate to effectuate the
13 purpose of the program. Such reports shall, at the same time, be
14 included on the department's website and any other publicly accessible
15 database that list economic development programs as determined by the
16 department.

17 § 479. Cap on tax credit. The total amount of tax credits listed on
18 certificates of tax credit issued by the commissioner pursuant to this
19 article may not exceed thirty-five million dollars.

20 § 2. The tax law is amended by adding a new section 46 to read as
21 follows:

22 § 46. Restaurant return-to-work tax credit. (a) Allowance of credit. A
23 taxpayer subject to tax under article nine-A or twenty-two of this chap-
24 ter shall be allowed a credit against such tax, pursuant to the
25 provisions referenced in subdivision (f) of this section. The amount of
26 the credit is equal to the amount determined pursuant to section four
27 hundred seventy-five of the economic development law. No cost or expense
28 paid or incurred by the taxpayer which is included as part of the calcu-
29 lation of this credit shall be the basis of any other tax credit allowed
30 under this chapter.

31 (b) Eligibility. To be eligible for the restaurant return-to-work tax
32 credit, the taxpayer shall have been issued a certificate of tax credit
33 by the department of economic development pursuant to subdivision two of
34 section four hundred seventy-four of the economic development law, which
35 certificate shall set forth the amount of the credit that may be claimed
36 for the taxable year. The taxpayer shall be allowed to claim only the
37 amount listed on the certificate of tax credit for that taxable year. A
38 taxpayer that is a partner in a partnership, member of a limited liabil-
39 ity company or shareholder in a subchapter S corporation that has
40 received a certificate of tax credit shall be allowed its pro rata share
41 of the credit earned by the partnership, limited liability company or
42 subchapter S corporation.

43 (c) Tax return requirement and advance payment option. (1) The taxpay-
44 er shall be required to attach to its tax return in the form prescribed
45 by the commissioner, proof of receipt of its certificate of tax credit
46 issued by the commissioner of the department of economic development.

47 (2) Taxpayers who choose to use August thirty-first, two thousand
48 twenty-one as the last date to calculate their average ending full-time
49 employment and have received their certificate of tax credit by November
50 fifteenth, two thousand twenty-one shall have the option to request an
51 advance payment of the amount of tax credit they are allowed under this
52 section. A taxpayer must submit such request to the department in the
53 manner prescribed by the commissioner after it has been issued a certif-
54 icate of tax credit by the department of economic development pursuant
55 to subdivision two of section four hundred seventy-four of the economic
56 development law (or such certificate has been issued to a partnership,

1 limited liability company or subchapter S corporation in which it is a
2 partner, member or shareholder, respectively), but such request must be
3 submitted no later than November fifteenth, two thousand twenty-one. For
4 those taxpayers who have requested an advance payment and for whom the
5 commissioner has determined eligible for this credit, the commissioner
6 shall advance a payment of the tax credit allowed to the taxpayer.
7 However, in the case of a taxpayer subject to article nine-A of this
8 chapter, such payment shall be equal to the amount of credit allowed to
9 the taxpayer less twenty-five dollars. Such twenty-five dollars shall
10 represent a partial payment of tax owed by the taxpayer under article
11 nine-A, including any fixed dollar minimum owed under paragraph (d) of
12 subdivision one of section two hundred ten of this chapter. When a
13 taxpayer files its return for the taxable year, such taxpayer shall
14 properly reconcile the advance payment and any partial payment of fixed
15 dollar minimum tax, if applicable, on the taxpayer's return.

16 (d) Information sharing. Notwithstanding any provision of this chap-
17 ter, employees of the department of economic development and the depart-
18 ment shall be allowed and are directed to share and exchange:

19 (1) information derived from tax returns or reports that is relevant
20 to a taxpayer's eligibility to participate in the restaurant return-to-
21 work tax credit program;

22 (2) information regarding the credit applied for, allowed or claimed
23 pursuant to this section and taxpayers that are applying for the credit
24 or that are claiming the credit; and

25 (3) information contained in or derived from credit claim forms
26 submitted to the department and applications for admission into the
27 restaurant return-to-work tax credit program. Except as provided in
28 paragraph two of this subdivision, all information exchanged between the
29 department of economic development and the department shall not be
30 subject to disclosure or inspection under the state's freedom of infor-
31 mation law.

32 (e) Credit recapture. If a certificate of tax credit issued by the
33 department of economic development under article twenty-five of the
34 economic development law is revoked by such department, the amount of
35 credit described in this section and claimed by the taxpayer prior to
36 that revocation shall be added back to tax in the taxable year in which
37 any such revocation becomes final.

38 (f) Cross references. For application of the credit provided for in
39 this section, see the following provisions of this chapter:

40 (1) article 9-A: section 210-B, subdivision 56;

41 (2) article 22: section 606, subsection (111).

42 § 3. Section 210-B of the tax law is amended by adding a new subdivi-
43 sion 56 to read as follows:

44 56. Restaurant return-to-work tax credit. (a) Allowance of credit. A
45 taxpayer shall be allowed a credit, to be computed as provided in
46 section forty-six of this chapter, against the taxes imposed by this
47 article.

48 (b) Application of credit. The credit allowed under this subdivision
49 for the taxable year shall not reduce the tax due for such year to less
50 than the amount prescribed in paragraph (d) of subdivision one of
51 section two hundred ten of this article. However, if the amount of
52 credit allowed under this subdivision for the taxable year reduces the
53 tax to such amount or if the taxpayer otherwise pays tax based on the
54 fixed dollar minimum amount, any amount of credit thus not deductible in
55 such taxable year shall be treated as an overpayment of tax to be cred-
56 ited or refunded in accordance with the provisions of section one thou-

sand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest will be paid thereon.

§ 4. Section 606 of the tax law is amended by adding a new subsection (111) to read as follows:

(111) Restaurant return-to-work tax credit. (1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-six of this chapter, against the tax imposed by this article.

(2) Application of credit. If the amount of the credit allowed under this subsection for the taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest will be paid thereon.

§ 5. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xlvii) to read as follows:

16 such taxable year shall be treated as an overpayment of tax to be cred-

36 section, provided that such additional documents clearly demonstrate
37 that the applicant was employed and received monetary earnings for a
38 period of greater than six weeks in the six month period prior to the
39 date the applicant certifies that he or she became eligible for benefits
40 pursuant to this act.

41 (m) If an applicant cannot demonstrate the proof of work-related

12 (o) Prior to the commissioner of labor finalizing regulations required
13 by this section, for purposes of ensuring the integrity of the process,
14 the attorney general shall review, and the state comptroller may, in his
15 or her sole discretion, review, such regulations and any other rules or
16 guidance to implement this program in consultation with the department
17 of labor, in order to ensure that state funds are adequately protected
18 against fraud and abuse. The commissioner of labor shall not approve the
19 payment of any benefits pursuant to this act until such regulations have
20 been approved by the attorney general in a manner consistent with this
21 paragraph, and which approval shall be published together with such
22 regulations in the state register. Provided further that nothing herein
23 shall be deemed in any way to diminish the existing jurisdiction of
24 either official with respect to such program, and the comptroller may
25 continue to audit and the attorney general may defend any action related
26 thereto.

27 6. Review of denied application. Any individual claiming benefits
28 under this act whose claim is rejected in whole or in part by the
29 commissioner of labor shall be entitled to request a review of such
30 claim. The review shall be conducted in a manner specified by the
31 commissioner of labor.

32 7. Recoupment of benefits. The commissioner of labor may require
33 repayment of any benefits paid to an excluded worker if the commissioner
34 of labor determines that the payments were made in error provided that
35 such excluded worker is notified of such error within one year of the
36 provision of benefits. The department of labor shall offer such excluded
37 worker the opportunity to enter into an installment payment plan or any
38 other accommodation for repayment as provided by the commissioner.

39 8. Penalties for fraudulent practices. Any applicant or claimant who,
40 knowingly and with intent to defraud presents, causes to be presented,
41 or prepares with knowledge or belief that it will be presented to or by
42 the commissioner of labor, or any agent thereof, any written statement
43 as part of, or in support of, an application for the issuance of or
44 claim for payment for excluded worker benefits, which the applicant or
45 claimant knows to: (i) contain a false statement or representation
46 concerning any fact material thereto; or (ii) omits any fact material
47 thereto, shall be guilty of a class E felony. Upon conviction, the court
48 in addition to any other authorized sentence, may order forfeiture of
49 all rights to compensation or payments of any benefit, and may also
50 require restitution of any amount received as a result of a violation of
51 this subsection. Consistent with the provisions of the criminal proce-
52 dure law, in any prosecution alleging a violation of this subsection in
53 which the act or acts alleged may also constitute a violation of the
54 penal or other law, the prosecuting official may charge a person pursu-
55 ant to the provisions of this section and in the same accusatory instru-
56 ment with a violation of such other law. Any penalty moneys shall be

1 deposited to the credit of the general fund of the state. The attorney
2 general may prosecute every person charged with the commission of a
3 criminal offense in violation of this act pursuant to section 214 of the
4 labor law.

5 9. Prohibited use of funds. The commissioner of labor shall not use
6 any money appropriated for the operation of the program created pursuant
7 to this act in whole or in part for any purpose or in any manner
8 which (a) would permit its substitution for, or a corresponding
9 reduction in, federal funds that would be available in its absence to
10 finance expenditures for the administration of this act; or (b) would
11 cause the appropriate agency of the United States government to with-
12 hold any part of an administrative grant which would otherwise be made.

13 § 3. Confidentiality of excluded workers' records. 1. Restrictions on
14 disclosure. (a) Except where necessary to comply with a lawful court
15 order, judicial warrant signed by a judge appointed pursuant to article
16 III of the United States constitution, or subpoena for individual
17 records issued pursuant to the criminal procedure law or the civil prac-
18 tice law and rules, or in accordance with subsection 2 or 3 of this
19 section, no record or portion thereof relating to a claimant or worker
20 who has filed a claim for benefits pursuant to this act is a public
21 record and no such record shall be disclosed, redisclosed, released,
22 disseminated or otherwise published or made available.

23 (b) For purposes of this act:

24 (i) "record" means a claim file, a file regarding a complaint or
25 circumstances for which no claim has been made, and/or any records main-
26 tained by the board in electronic databases in which individual claim-
27 ants or workers are identifiable, or any other information relating to
28 any person who has heretofore or hereafter filed a claim for benefits
29 pursuant to this act, including a copy or oral description of a record
30 which is or was in the possession or custody of the department of labor,
31 its officers, members, employees or agents.

32 (ii) "person" means any natural person, corporation, association,
33 partnership, or other public or private entity.

34 (iii) "individually identifiable information" means any data concern-
35 ing any claim or potential claim that is linked to an identifiable work-
36 er or other natural person, including but not limited to a photo image,
37 social security number or tax identification number, telephone number,
38 place of birth, country of origin, place of employment, school or educa-
39 tional institution attended, source of income, status as a recipient of
40 public benefits, a customer identification number associated with a
41 public utilities account, or medical or disability information.

42 2. Authorized disclosure. Records which contain individually identifi-
43 able information may, unless otherwise prohibited by law, be disclosed
44 to:

45 (a) those officers, members and employees of the department of labor
46 if such disclosure is necessary to the performance of their official
47 duties pursuant to a purpose of the department of labor required to be
48 accomplished by statute or executive order or otherwise necessary to act
49 upon an application for benefits submitted by the person who is the
50 subject of the particular record;

51 (b) officers or employees of another governmental unit, or agents
52 and/or contractors of the governmental unit at the request and/or direc-
53 tion of the governmental unit, if the information sought to be disclosed
54 is necessary to act upon an application for benefits submitted by the
55 person who is the subject of the particular record;

1 (c) a judicial or administrative officer or employee in connection
2 with an administrative or judicial proceeding if the information sought
3 to be disclosed is necessary to act upon an application for benefits
4 submitted by the person who is the subject of the particular record; and

5 (d) a person engaged in bona fide statistical research, including but
6 not limited to actuarial studies and health and safety investigations,
7 which are authorized by statute or regulation of the department of labor
8 or other governmental agency. Individually identifiable information
9 shall not be disclosed unless the researcher has entered into an agree-
10 ment not to disclose any individually identifiable information which
11 contains restrictions no less restrictive than the restrictions set
12 forth in this section and which includes an agreement that any research
13 findings will not disclose individually identifiable information.

14 3. Individual authorization. Notwithstanding the restrictions on
15 disclosure set forth under subsection one of this section, an excluded
16 worker may authorize the release, re-release or publication of his or
17 her record to a specific person not otherwise authorized to receive such
18 record, by submitting written authorization for such release to the
19 department of labor on a form prescribed by the commissioner of labor or
20 by a notarized original authorization specifically directing the depart-
21 ment of labor to release the excluded worker's records to such person.
22 However, no such authorization directing disclosure of records to a
23 prospective employer shall be valid; nor shall an authorization permit-
24 ting disclosure of records in connection with assessing fitness or capa-
25 bility for employment be valid, and no disclosure of records shall be
26 made pursuant thereto. It shall be unlawful for any person to consider
27 for the purpose of assessing eligibility for a benefit, or as the basis
28 for an employment-related action, an individual's failure to provide
29 authorization under this subsection.

30 4. For the purposes of this act, whenever disclosure of records is
31 sought pursuant to a lawful court order, judicial warrant signed by a
32 judge pursuant to Article III of the U.S. Constitution, or subpoena for
33 individual records properly issued pursuant to the criminal procedure
34 law or the civil practice law and rules or pursuant to subsection two or
35 three of this section, only those records, documents, and information
36 specifically sought may be disclosed, and any such disclosure shall be
37 limited to such records as are necessary to fulfill the purpose of such
38 disclosure.

39 5. The commissioner of labor shall require any person or entity that
40 receives or has access to records to certify to the commissioner of
41 labor that, before such receipt or access, such person or entity shall
42 not:

43 (a) use such records or information for civil immigration purposes; or

44 (b) disclose such records or information to any agency that primarily
45 enforces immigration law or to any employee or agent of any such agency
46 unless such disclosure is pursuant to a cooperative arrangement between
47 city, state and federal agencies which arrangement does not enforce
48 immigration law and which disclosure is limited to the specific records
49 or information being sought pursuant to such arrangement. Violation of
50 such certification shall be a class A misdemeanor. In addition to any
51 records required to be kept pursuant to subdivision (c) of section 2721
52 of title 18 of the United States code, any person or entity certifying
53 pursuant to this paragraph shall keep for a period of five years records
54 of all uses and identifying each person or entity that primarily
55 enforces immigration law that received department records or information
56 from such certifying person or entity. Such records shall be maintained

1 in a manner and form prescribed by the commissioner of labor and shall
2 be available for inspection by the commissioner of labor or his or her
3 designee upon his or her request.

4 (c) For purposes of this subsection, the term "agency that primarily
5 enforces immigration law" shall include, but not be limited to, United
6 States immigration and customs enforcement and United States customs and
7 border protection, and any successor agencies having similar duties.

8 (d) Failure to maintain records as required by this subsection shall
9 be a class A misdemeanor.

10 6. Except as otherwise provided by this act, any person who knowingly
11 and willfully obtains records which contain individually identifiable
12 information under false pretenses or otherwise violates this section
13 shall be guilty of a class E felony.

14 7. In addition to or in lieu of any criminal proceeding available
15 under this section, whenever there shall be a violation of this section,
16 application may be made by the attorney general in the name of the

PART III

Section 1. Section 606 of the tax law is amended by adding a new subsection (e-2) to read as follows:

(e-2) Real property tax relief credit. (1) For purposes of this subsection:

(A) "Qualified taxpayer" means a resident individual of the state who owned and primarily resided for six months or more of the taxable year in real property that either received the STAR exemption authorized by section four hundred twenty-five of the real property tax law or that qualified the taxpayer to receive the school tax relief credit authorized by subsection (eee) of this section.

(B) "Qualified gross income" means the adjusted gross income of the qualified taxpayer for the taxable year for federal income tax purposes and, for taxable year two thousand twenty-one computed without regard to the last sentence of subdivision (a) of section six hundred seven of this article. In computing qualified gross income, the net amount of loss reported on Federal Schedule C, D, E, or F shall not exceed three thousand dollars per schedule. In addition, the net amount of any other separate category of loss shall not exceed three thousand dollars. The aggregate amount of all losses included in computing qualified gross income shall not exceed fifteen thousand dollars.

(C) "Residence" means a dwelling in this state owned by the taxpayer and used by the taxpayer as his or her primary residence, and so much of the land abutting it, not exceeding one acre, as is reasonably necessary for use of the dwelling as a home, and may consist of a part of a multi-dwelling or multi-purpose building including a cooperative or condominium. Residence includes a trailer or mobile home, used exclusively for residential purposes and defined as real property pursuant to paragraph (g) of subdivision twelve of section one hundred two of the real property tax law.

(D) "Qualifying real property taxes" means all real property taxes, special ad valorem levies and special assessments, exclusive of penalties and interest, levied by a taxing jurisdiction on the residence owned and occupied by a qualified taxpayer and paid by the qualified

1 taxpayer during the taxable year, provided that to the extent the total
2 amount of real property taxes so paid includes school district taxes,
3 the amount of the school tax relief (STAR) credit claimed pursuant to
4 subsection (eee) of this section, if any, shall be deducted from such
5 amount.

6 A qualified taxpayer may elect to include any additional amount that
7 would have been levied by a taxing jurisdiction and paid by the quali-
8 fied taxpayer in the absence of an exemption from real property taxation
9 pursuant to section four hundred sixty-seven of the real property tax
10 law. If tenant-stockholders in a cooperative housing corporation have
11 met the requirements of section two hundred sixteen of the internal
12 revenue code by which they are allowed a deduction for real estate
13 taxes, the amount of taxes so allowable, or which would be allowable if
14 the taxpayer had filed returns on a cash basis, shall be qualifying real
15 property taxes. If a residence is an integral part of a larger unit,
16 qualifying real property taxes shall be limited to that amount of such
17 taxes paid as may be reasonably apportioned to such residence. If a
18 taxpayer owned and occupied two residences in the state during different
19 periods in the same taxable year, qualifying real property taxes shall
20 be the sum of the prorated qualifying real property taxes attributable
21 to the taxpayer during the periods such taxpayer occupied each of such
22 residences. A taxpayer who owned and occupied a residence in the state
23 for part of the taxable year and rented a residence in the state for
24 part of the same taxable year, may include the proration of qualifying
25 real property taxes on the residence owned. Provided, however, for
26 purposes of the credit allowed under this subsection, qualifying real
27 property taxes may be included by a qualified taxpayer only to the
28 extent that such taxpayer or the spouse of such taxpayer occupied such
29 residence for one hundred eighty-three days or more of the taxable year,
30 owned the residence and paid such taxes.

31 (E) "Excess real property tax" means the excess of qualifying real
32 property taxes over six percent of qualified gross income.

33 (2) For tax years beginning on or after January first, two thousand
34 twenty-one and before January first, two thousand twenty-four, a quali-
35 fied taxpayer shall be allowed a credit as provided in paragraph three
36 of this subsection against the taxes imposed by this article. If the
37 credit exceeds the tax for such year under this article, the excess
38 shall be treated as an overpayment, to be credited or refunded, without
39 interest.

40 (3) Determination of credit. The credit amount allowed under this
41 subsection shall be the product of the excess real property tax and the
42 applicable percentage of the excess real property tax, calculated as
43 follows:

44 (A) For qualified taxpayers whose qualified gross income is seventy-
45 five thousand dollars or less, the applicable percentage shall be four-
46 teen percent.

47 (B) For qualified taxpayers whose qualified gross income is greater
48 than seventy-five thousand dollars but less than or equal to one hundred
49 fifty thousand dollars, the applicable percentage shall be the differ-
50 ence between (i) fourteen percent and (ii) five percent multiplied by a
51 fraction, the numerator of which is the difference between the qualified
52 taxpayer's qualified gross income as defined by this subsection and
53 seventy-five thousand dollars, and the denominator of which is seventy-
54 five thousand dollars.

55 (C) For qualified taxpayers whose qualified gross income is greater
56 than one hundred fifty thousand dollars but less than or equal to two

hundred fifty thousand dollars, the applicable percentage shall be the difference between (i) nine percent and (ii) six percent multiplied by a fraction, the numerator of which is the difference between the qualified taxpayer's qualified gross income and one hundred fifty thousand dollars, and the denominator of which is one hundred thousand dollars.

(4) No credit shall be allowed under this subsection if the amount determined pursuant to paragraph three is less than two hundred fifty dollars, provided further that if the amount determined pursuant to paragraph three is in excess of three hundred fifty dollars the taxpayer shall be allowed a credit of three hundred fifty dollars.

(5) The commissioner may prescribe that the credit under this subsection shall be determined in whole or in part by the use of tables prescribed by such commissioner. Such tables shall set forth the credit to the nearest dollar.

(6) No credit shall be granted under this subsection:

(A) To a property owner if qualified gross income for the taxable year exceeds two hundred fifty thousand dollars.

(B) To a property owner unless: (i) the property is used for residential purposes; (ii) not more than twenty percent of the rental income, if any, from the property is from rental for nonresidential purposes; and (iii) the property is occupied as a residence in whole or in part by one or more of the owners of the property.

(C) To an individual with respect to whom a deduction under subsection (c) of section one hundred fifty-one of the internal revenue code is allowable to another taxpayer for the taxable year.

(D) With respect to a residence that is wholly exempted from real property taxation.

(E) To an individual who is not a resident individual of the state for the entire taxable year.

(7) In the case of a taxpayer who has itemized deductions from federal adjusted gross income, and whose federal itemized deductions include an amount for real estate taxes paid, the New York itemized deduction otherwise allowable under section six hundred fifteen of this chapter shall be reduced by the amount of the credit claimed under this subsection.

§ 2. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2021.

Any service contract entered into pursuant to this section shall provide that the obligation of the state to pay the amount therein provided shall not constitute a debt of the state within the meaning of any constitutional or statutory provision and shall be deemed executory only to the extent of monies available and that no liability shall be incurred by the state beyond the monies available for such purpose, subject to annual appropriation by the legislature. Any such contract or any payments made or to be made thereunder may be assigned and pledged by the dormitory authority and the urban development corporation as security for its bonds and notes, as authorized by this section.

§ 46. Subdivision 1 of section 49 of section 1 of chapter 147 of the laws of 1968, constituting the New York state urban development corporation act, as amended by section 6 of part K of chapter 39 of the laws of 2019, is amended to read as follows:

Such bonds and notes of the dormitory authority and the corporation shall not be a debt of the state, and the state shall not be liable thereon, nor shall they be payable out of any funds other than those appropriated by the state to the dormitory authority and the corporation for principal, interest, and related expenses pursuant to a service contract and such bonds and notes shall contain on the face thereof a statement to such effect. Except for purposes of complying with the internal revenue code, any interest income earned on bond proceeds shall only be used to pay debt service on such bonds.

§ 47. Subdivision 1 of section 1680-r of the public authorities law, as amended by section 47 of part BBB of chapter 59 of the laws of 2018, is amended to read as follows:

1. Notwithstanding the provisions of any other law to the contrary, the dormitory authority and the urban development corporation are hereby authorized to issue bonds or notes in one or more series for the purpose of funding project costs for the capital restructuring financing program for health care and related facilities licensed pursuant to the public health law or the mental hygiene law and other state costs associated with such capital projects, the health care facility transformation programs, [~~and~~] the essential health care provider program, and other health care capital project costs. § 48. Section 1 of chapter 174 of the laws of 1968, constituting the New York state urban development corporation act, is amended by adding a new section 54-a to read as follows:

§ 54-a. Personal income tax notes; 2022. 1. Findings and declaration of need. (a) The state of New York finds and determines that the global spread of the COVID-19 pandemic has had and is expected to continue to have a significant adverse impact on the health and welfare of individuals in the state as well as to the financial condition of the state

1 during the state's 2021 and 2022 fiscal years and beyond. The antic-
2 ipated shortfalls and deferrals in the state's financial plan receipts
3 caused by the COVID-19 pandemic has required the state to adopt poli-
4 cies, regulations and procedures that suspend various legal requirements
5 and address state budgetary pressures, some of which require certain
6 fiscal management authorization measures to be legislatively authorized
7 and established.

8 (b) Notwithstanding any other provision of law to the contrary,
9 including, specifically, the provisions of chapter 59 of the laws of
10 2000 and section sixty-seven-b of the state finance law, the dormitory
11 authority of the state of New York and the corporation are hereby
12 authorized for the state's 2022 fiscal year, to issue until December 31,
13 2021, notes with a maturity no later than March 31, 2022, to be desig-
14 nated as personal income tax revenue anticipation notes, in one or more
15 series in an aggregate principal amount not to exceed three billion
16 dollars, excluding any such notes issued to finance one or more debt
17 service reserve funds, and to pay costs of issuance of such notes, for
18 the purpose of temporarily financing budgetary needs of the state. Such
19 purpose shall constitute an authorized purpose under subdivision two of
20 section sixty-eight-a of the state finance law for all purposes of arti-
21 cle five-C of the state finance law with respect to the notes authorized
22 by this paragraph. Such notes shall not be renewed or refunded beyond
23 March 31, 2022. For so long as any notes authorized by this paragraph
24 shall remain outstanding, the restrictions, limitations and requirements
25 contained in article five-B of the state finance law shall not apply,
26 other than subdivision four of section sixty-seven-b of such article.

27 (c) Such notes of the dormitory authority and the corporation shall
28 not be a debt of the state, and the state shall not be liable thereon,
29 nor shall they be payable out of any funds other than those appropriated
30 by the state to the dormitory authority and the corporation for debt
31 service and related expenses pursuant to any financing agreement
32 described in paragraph (d) of this subdivision, and such notes shall
33 contain on the face thereof a statement to such effect. Such notes shall
34 be issued on a subordinate basis and shall be secured by subordinate
35 payments from the revenue bond tax fund established pursuant to section
36 ninety-two-z of the state finance law. Except for purposes of complying
37 with the internal revenue code, any interest income earned on note
38 proceeds shall only be used to pay debt service on such notes. All of
39 the provisions of the state finance law, the dormitory authority act and
40 this act relating to notes and bonds which are not inconsistent with the
41 provisions of this section shall apply to notes authorized by paragraph
42 (b) of this subdivision, including but not limited to the power to
43 establish adequate reserves therefor, subject to the final maturity
44 limitation for such notes set forth in paragraph (b) of this subdivi-
45 sion. The issuance of any notes authorized by paragraph (b) of this
46 subdivision shall further be subject to the approval of the director of
47 the division of the budget.

48 (d) Notwithstanding any other law, rule or regulation to the contrary
49 but subject to the limitations contained in paragraph (b) of this subdivi-
50 sion, in order to assist the dormitory authority and the corporation
51 in undertaking the administration and financing of such notes, the
52 director of the budget is hereby authorized to supplement any existing
53 financing agreement with the dormitory authority and the corporation, or
54 to enter into a new financing agreement with the dormitory authority and
55 the corporation, upon such terms and conditions as the director of the
56 budget and the dormitory authority and the corporation shall agree, so

1 as to provide to the dormitory authority and the corporation, a sum not
2 to exceed the debt service payments and related expenses required for
3 any notes issued pursuant to this section. Any financing agreement
4 supplemented or entered into pursuant to this section shall provide that
5 the obligation of the state to pay the amount therein provided shall not
6 constitute a debt of the state within the meaning of any constitutional
7 or statutory provision and shall be deemed executory only to the extent
8 of monies available and that no liability shall be incurred by the state
9 beyond the monies available for such purposes, subject to annual appro-
10 priation by the legislature. Any such financing agreement or any
11 payments made or to be made thereunder may be assigned or pledged by the
12 dormitory authority and the corporation as security for the notes
13 authorized by paragraph (b) of this subdivision.

14 (e) Notwithstanding any other provision of law to the contrary,
15 including specifically the provisions of subdivision 3 of section 67-b
16 of the state finance law, no capital work or purpose shall be required
17 for any issuance of personal income tax revenue anticipation notes
18 issued by the dormitory authority and the corporation pursuant to this
19 section.

20 (f) Notwithstanding any other law, rule, or regulation to the contra-
21 ry, the comptroller is hereby authorized and directed to deposit to the
22 credit of the general fund, all proceeds of personal income tax revenue
23 anticipation notes issued by the dormitory authority and the New York
24 state urban development corporation pursuant to this section.

25 2. Effect of inconsistent provisions. Insofar as the provisions of
26 this section are inconsistent with the provisions of any other law,
27 general, special, or local, the provisions of this section shall be
28 controlling.

29 3. Severability; construction. The provisions of this section shall be
30 severable, and if the application of any clause, sentence, paragraph,
31 subdivision, section or part of this section to any person or circum-
32 stance shall be adjudged by any court of competent jurisdiction to be
33 invalid, such judgment shall not necessarily affect, impair or invali-
34 date the application of any such clause, sentence, paragraph, subdivi-
35 sion, section, part of this section or remainder thereof, as the case
36 may be, to any other person or circumstance, but shall be confined in
37 its operation to the clause, sentence, paragraph, subdivision, section
38 or part thereof directly involved in the controversy in which such judg-
39 ment shall have been rendered.

40 § 49. Section 1 of chapter 174 of the laws of 1968, constituting the
41 New York state urban development corporation act, is amended by adding a
42 new section 55-a to read as follows:

43 § 55-a. Line of credit facilities; 2022. 1. Findings and declaration
44 of need. (a) The state of New York finds and determines that the global
45 spread of the COVID-19 pandemic has had and is expected to continue to
46 have a significant adverse impact on the health and welfare of individ-
47 uals in the state as well as to the financial condition of the state
48 during the state's 2021 and 2022 fiscal years and beyond. The antic-
49 ipated shortfalls and deferrals in the state's financial plan receipts
50 caused by the COVID-19 pandemic has required the state, to adopt poli-
51 cies, regulations and procedures that suspend various legal requirements
52 and address state budgetary pressures, some of which require certain
53 fiscal management authorization measures to be legislatively authorized
54 and established.

55 (b) Definitions. When used in this subdivision "related expenses and
56 fees" shall mean interest costs, commitment fees and other costs,

1 expenses and fees incurred in connection with a line of credit facility
2 and/or a service contract or other agreement of the state securing such
3 line of credit facility that contractually obligates the state to pay
4 debt service subject to an appropriation.

5 (c) Notwithstanding any other provision of law to the contrary,
6 including, specifically, the provisions of chapter 59 of the laws of
7 2000 and section 67-b of the state finance law, the dormitory authority
8 of the state of New York and the urban development corporation are
9 authorized until March 31, 2022 to: (i) enter into commitments with
10 financial institutions for the establishment of one or more line of
11 credit facilities and other similar revolving financing arrangements not
12 in excess of two billion dollars in aggregate principal amount; (ii)
13 draw, at one or more times at the direction of the director of the budg-
14 et, upon such line of credit facilities and provide to the state the
15 amounts so drawn for the purpose of assisting the state to temporarily
16 finance its budgetary needs; provided, however, that the total amount of
17 such draws shall not exceed two billion dollars; and (iii) secure repay-
18 ment of such draws under such line of credit facilities, together with
19 related expenses and fees, which payment obligation thereunder shall not
20 constitute a debt of the state within the meaning of any constitutional
21 or statutory provision and shall be deemed executory only to the extent
22 moneys are available and that no liability shall be incurred by the
23 state beyond the moneys available for such purpose, and that such
24 payment obligation is subject to annual appropriation by the legisla-
25 ture. Any line of credit facility agreements entered by the dormitory
26 authority of the state of New York and/or the urban development corpo-
27 ration with financial institutions pursuant to this section may contain
28 such provisions that the dormitory authority of the state of New York
29 and/or the urban development corporation deem necessary or desirable for
30 the establishment of such credit facilities. The maximum term of any
31 line of credit facility shall be one year from the date of incurrence;
32 provided however that no draw on any such line of credit facility shall
33 occur after March 31, 2022, and provided further that any such line of
34 credit facility whose term extends beyond March 31, 2022, shall be
35 supported by sufficient appropriation authority enacted by the legisla-
36 ture that provides for the repayment of all amounts drawn and remaining
37 unpaid as of March 31, 2022, together with related expenses and fees
38 incurred and to become due and payable by the dormitory authority of the
39 state of New York and/or the urban development corporation.

40 (d) Notwithstanding any other law, rule, or regulation to the contra-
41 ry, the comptroller is hereby authorized and directed to deposit to the
42 credit of the general fund, all amounts provided by the dormitory
43 authority of the state of New York and/or the urban development corpo-
44 ration to the state from draws made on any line of credit facility
45 authorized by paragraph (c) of this subdivision.

46 (e) Notwithstanding any other provision of law to the contrary,
47 including specifically the provisions of subdivision 3 of section 67-b
48 of the state finance law, no capital work or purpose shall be required
49 for any indebtedness incurred in connection with any line of credit
50 facility authorized by paragraph (c) of this subdivision, or for any
51 service contract or other agreement entered into in connection with any
52 such line of credit facility, all in accordance with this section.

53 (f) Notwithstanding any other provision of law to the contrary, for so
54 long as any such line of credit facility shall remain outstanding, the
55 restrictions, limitations and requirements contained in article 5-B of
56 the state finance law shall not apply. Any such line of credit facility

1 shall be deemed to be incurred or issued for (i) an authorized purpose
2 within the meaning of subdivision 2 of section 68-a of the state finance
3 law for all purposes of article 5-C of the state finance law and section
4 92-z of the state finance law, and/or (ii) an authorized purpose within
5 the meaning of subdivision 2 of section 69-m of the state finance law
6 for all purposes of article 5-F of the state finance law and section
7 92-h of the state finance law, as the case may be. As applicable, all of
8 the provisions of the state finance law, the dormitory authority act and
9 the New York state urban development corporation act relating to notes
10 and bonds which are not inconsistent with the provisions of this section
11 shall apply to any line of credit facility and other similar revolving
12 financing arrangement established in accordance with the authorization
13 contained in paragraph (c) of this subdivision.

14 (g) Each draw on a line of credit facility authorized by paragraph (c)
15 of this subdivision shall only be made if the service contract or other
16 agreement entered into in connection with such line of credit facility
17 is supported by sufficient appropriation authority enacted by the legis-
18 lature to repay the amount of the draw, together with related expenses
19 and fees to become due and payable. Amounts repaid under a line of cred-
20 it facility may be re-borrowed under the same or another line of credit
21 facility authorized by paragraph (c) of this subdivision provided that
22 the legislature has enacted sufficient appropriation authority that
23 provides for the repayment of any such re-borrowed amounts, together
24 with related expenses and fees to become due and payable. Neither the
25 dormitory authority of the state of New York nor the urban development
26 corporation shall have any financial liability for the repayment of
27 draws under any line of credit facility authorized by paragraph (c) of
28 this subdivision beyond the moneys received for such purpose under any
29 service contract or other agreement authorized by paragraph (h) of this
30 subdivision.

31 (h) The director of the budget is authorized to enter into one or more
32 service contracts or other agreements, none of which shall exceed one
33 year in duration, with the dormitory authority of the state of New York
34 and/or the urban development corporation, upon such terms and conditions
35 as the director of the budget and dormitory authority of the state of
36 New York and/or the urban development corporation shall agree. Any
37 service contract or other agreement entered into pursuant to this para-
38 graph shall provide for state commitments to provide annually to the
39 dormitory authority of the state of New York and/or the urban develop-
40 ment corporation a sum or sums, upon such terms and conditions as shall
41 be deemed appropriate by the director of the budget and the dormitory
42 authority of the state of New York and/or the urban development corpo-
43 ration, to fund the payment of all amounts to become due and payable
44 under any line of credit facility. Any such service contract or other
45 agreement shall provide that the obligation of the director of the budg-
46 et or of the state to fund or to pay the amounts therein provided for
47 shall not constitute a debt of the state within the meaning of any
48 constitutional or statutory provision and shall be deemed executory only
49 to the extent moneys are available and that no liability shall be
50 incurred by the state beyond the moneys available for such purpose, and
51 that such obligation is subject to annual appropriation by the legisla-
52 ture.

53 (i) Any service contract or other agreement entered into pursuant to
54 paragraph (h) of this subdivision or any payments made or to be made
55 thereunder may be assigned and pledged by the dormitory authority of the
56 state of New York and/or the urban development corporation as security

1 for any related payment obligation it may have with one or more finan-
2 cial institutions in connection with a line of credit facility author-
3 ized by paragraph (c) of this subdivision.

4 (j) In addition to the foregoing, the director of the budget, the
5 dormitory authority of the state of New York and the urban development
6 corporation shall each be authorized to enter into such other agreements
7 and to take or cause to be taken such additional actions as are neces-
8 sary or desirable to effectuate the purposes of the transactions contem-
9 plated by a line of credit facility and the related service contract or
10 other agreement.

11 (k) No later than seven days after a draw occurs on a line of credit
12 facility, the director of the budget shall provide notification of such
13 draw to the president pro tempore of the senate and the speaker of the
14 assembly.

15 (l) The authorization, establishment and use by the dormitory authori-
16 ty of the state of New York and the urban development corporation of a
17 line of credit facility authorized by paragraph (c) of this subdivision
18 shall not be deemed an action, as such term is defined in article 8 of
19 the environmental conservation law, for the purposes of such article.
20 Such exemption shall be strictly limited in its application to such
21 financing activities of the dormitory authority of the state of New York
22 and the urban development corporation undertaken pursuant to this
23 section and does not exempt any other entity from compliance with such
24 article.

25 (m) Nothing contained in this section shall be construed to limit the
26 abilities of the director of the budget and the authorized issuers of
27 state personal income tax revenue bonds, state sales tax revenue bonds
28 or service contract bonds to perform their respective obligations with
29 respect to existing service contracts or other agreements.

30 2. Effect of inconsistent provisions. Insofar as the provisions of
31 this section are inconsistent with the provisions of any other law,
32 general, special, or local, the provisions of this act shall be control-
33 ling.

34 3. Severability; construction. The provisions of this section shall be
35 severable, and if the application of any clause, sentence, paragraph,
36 subdivision, section or part of this section to any person or circum-
37 stance shall be adjudged by any court of competent jurisdiction to be
38 invalid, such judgment shall not necessarily affect, impair or invali-
39 date the application of any such clause, sentence, paragraph, subdivi-
40 sion, section, part of this section or remainder thereof, as the case
41 may be, to any other person or circumstance, but shall be confined in
42 its operation to the clause, sentence, paragraph, subdivision, section
43 or part thereof directly involved in the controversy in which such judg-
44 ment shall have been rendered.

45 § 50. Section 1 of chapter 174 of the laws of 1968, constituting the
46 New York state urban development corporation act, is amended by adding a
47 new section 56-a to read as follows:

48 § 56-a. State-supported debt; 2022. 1. In light of the continuing
49 adverse impact that the COVID-19 pandemic is expected to have on the
50 health and welfare of individuals in the state as well as to the finan-
51 cial condition of the state during the state's 2022 fiscal year, and
52 notwithstanding any other provision of law to the contrary, the dormito-
53 ry authority of the state of New York, the urban development corpo-
54 ration, and the New York state thruway authority are each authorized to
55 issue state-supported debt pursuant to article 5-B, article 5-C and
56 article 5-F of the state finance law to assist the state to manage its

1 financing needs during its 2022 fiscal year, without regard to any
2 restrictions, limitations and requirements contained in article 5-B of
3 the state finance law, other than subdivision 4 of section 67-b of such
4 article, and such state-supported debt shall be deemed to be issued for
5 (i) an authorized purpose within the meaning of subdivision 2 of section
6 68-a of the state finance law for all purposes of article 5-C of the
7 state finance law and section 92-z of the state finance law, or (ii) an
8 authorized purpose within the meaning of subdivision 2 of section 69-m
9 of the state finance law for all purposes of article 5-F of the state
10 finance law and section 92-h of the state finance law, as the case may
11 be. Furthermore, any bonds issued directly by the state during the
12 state's 2022 fiscal year shall be issued without regard to any
13 restrictions, limitations and requirements contained in article 5-B of
14 the state finance law, other than subdivision 4 of section 67-b of such
15 article. For so long as any state-supported debt issued during the
16 state's 2022 fiscal year shall remain outstanding, including any state-
17 supported debt issued to refund state-supported debt issued during such
18 fiscal year, the restrictions, limitations and requirements contained in
19 article 5-B of the state finance law, other than subdivision 4 of
20 section 67-b of such article, shall not apply.

21 2. Effect of inconsistent provisions. Insofar as the provisions of
22 this section are inconsistent with the provisions of any other law,
23 general, special, or local, the provisions of this act shall be control-
24 ling.

25 3. Severability; construction. The provisions of this section shall be
26 severable, and if the application of any clause, sentence, paragraph,
27 subdivision, section or part of this section to any person or circum-
28 stance shall be adjudged by any court of competent jurisdiction to be
29 invalid, such judgment shall not necessarily affect, impair or invali-
30 date the application of any such clause, sentence, paragraph, subdivi-
31 sion, section, part of this section or remainder thereof, as the case
32 may be, to any other person or circumstance, but shall be confined in
33 its operation to the clause, sentence, paragraph, subdivision, section
34 or part thereof directly involved in the controversy in which such judg-
35 ment shall have been rendered.

36 § 51. Section 3238-a of the public authorities law, as amended by
37 section 1 of part V of chapter 63 of the laws of 2003, is amended to
38 read as follows:

39 § 3238-a. Payment to city of New York. 1. Notwithstanding any incon-
40 sistent provision of law, the corporation shall transfer to the city of
41 New York one hundred seventy million dollars from the resources of the
42 corporation pursuant to section thirty-two hundred thirty-nine of this
43 title. Such payment shall be made during each city fiscal year;
44 provided, however, that on and after July first, two thousand twenty,
45 the obligation of the corporation to make such payments shall be termi-
46 nated if all outstanding bonds of the sales tax asset receivable corpo-
47 ration that are secured by the corporation's payments described in this
48 subdivision have been fully paid and discharged by means of a legal
49 defeasance in accordance with the trust indenture under which they were
50 issued before July first, two thousand twenty-one, and in addition the
51 corporation has paid to the city of New York or to its assignee if such
52 payments have been assigned pursuant to this subdivision, the sum of
53 forty-six million dollars on or before June thirtieth, two thousand
54 twenty-one. Such payments from the corporation shall be made from the
55 fund established by section ninety-two-r of the state finance law and in
56 accordance with the provisions thereof.

1 2. The city of New York, acting by the mayor alone, may assign all or
2 any portion of such amount to any not-for-profit corporation incorpo-
3 rated pursuant to section fourteen hundred eleven of the not-for-profit
4 corporation law and, upon such assignment, the amount so assigned shall
5 be the property of such not-for-profit corporation for all purposes.
6 Following notice from the city of New York to the corporation and the
7 comptroller of such assignment, such payment shall be made directly to
8 the city's assignee. If such not-for-profit corporation issues bonds
9 and/or notes, the state does hereby pledge and agree with the holders of
10 any issue of bonds and/or notes secured by such a pledge that the state
11 will not limit or alter the rights vested in such not-for-profit corpo-
12 ration to fulfill the terms of any agreements made with such holders or
13 in any way impair the rights and remedies of such holders or the securi-
14 ty for such bonds and/or notes until such bonds and/or notes, together
15 with the interest thereon and all costs and expenses in connection with
16 any action or proceeding by or on behalf of such holders, are fully paid
17 and discharged. The foregoing pledge and agreement may be included in
18 any agreement with the holders of such bonds or notes. Nothing contained
19 in this section shall be deemed to restrict the right of the state to
20 amend, modify, repeal or otherwise alter statutes imposing or relating
21 to the taxes subject to such assignment, but such taxes shall in all
22 events continue to be so payable, as assigned, so long as any such taxes
23 are imposed.

24 3. Proceeds of state supported debt, as defined in subdivision one of
25 section sixty-seven-a of the state finance law, or other available
26 monies, may be provided to the trustee for the bonds of the sales tax
27 asset receivable corporation secured by the corporation's payments
28 described in subdivision one of this section in an amount sufficient to
29 fully pay and discharge such bonds by means of a legal defeasance of all
30 such outstanding bonds in accordance with the trust indenture under
31 which they were issued. So long as such bonds are legally defeased and
32 the corporation has paid to the city of New York or to its assignee if
33 such payments have been assigned pursuant to this subdivision, the sum

PART KKK

9 Section 1. This act enacts into law components of legislation that
10 would enable the city of New York and the board of education of the city
11 of New York to offer a temporary retirement incentive to their employ-
12 ees, as well as to provide an age 55/25 years temporary incentive for
13 certain public employees. Each component is wholly contained within a
14 Subpart identified as Subparts A and B. The effective date for each
15 particular provision contained within such Subpart is set forth in the
16 last section of such Subpart. Any provision in any section contained
17 within a Subpart, including the effective date of the Subpart, which
18 makes reference to a section "of this act", when used in connection with
19 that particular component, shall be deemed to mean and refer to the
20 corresponding section of the Subpart in which it is found, unless noted
21 otherwise. Section three of this act contains a severability clause for
22 all provisions contained in each Subpart of this Part. Section four of
23 this act sets forth the general effective date of this Part.

24 § 2. Legislative findings. The legislature finds and declares that the
25 retirement benefits provided for in this act are designed to achieve
26 cost-savings for public employers and to avoid layoffs of public employ-
27 ees in this time of fiscal need. Therefore, the retirement incentive
28 benefit provided for in Subpart A of this act and the age 55/25 years
29 retirement benefit provided for in Subpart B of this act are intended
30 only to be temporary in nature for employees who are eligible to receive
31 and qualify for the applicable benefit during the applicable time peri-
32 ods specified within each Subpart. Further, nothing in this act shall be
33 construed to create an expectation of a future or continuing retirement
34 benefit for any public employee who is not eligible to receive and qual-
35 ify for the retirement benefits in this act during the applicable time
36 periods.

37

SUBPART A

39 ly requires otherwise:

40 a. "Retirement system" means the New York city teachers' retirement
41 system, the New York city board of education retirement system or the
42 New York city employees' retirement system, exclusive of the retirement
43 plans established pursuant to sections 13-156 and 13-157 of the adminis-
44 trative code of the city of New York.

45 b. "Teachers' retirement system" means the New York city teachers'
46 retirement system.

48 board of education of the city of New York.

49 (b) "Educational employer" means a participating employer which is the
50 board of education of the city of New York.

51 d. "Eligible employee" means a person who is a member of a retirement
52 system who is an employee of the city of New York or the board of educa-

tion of the city of New York, but such term shall not include the following persons:

(a) elected officials, judges or justices appointed to or serving in a court of record;

(b) chief administrative officers of employers which participate in a teachers' retirement system; and

(c) appointed members of boards or commissions any of whose members are appointed by the governor or by another public officer or body;

e. "Eligible title" means any title where a certain number of positions in that title, as identified by agency, department, work location or appointing authority, as the case may be, would otherwise be identified for layoff but for this act because of economy, consolidation or abolition of functions, curtailment of activities or otherwise. However, an eligible title can also include a title as identified by an agency, department, work location or appointing authority in which positions would not be eliminated but into which employees in titles affected by layoff can be transferred or reassigned pursuant to the civil service law, rule or regulation. The determination of eligible titles shall be made by the chief executive officer of the city of New York or other comparable official of a participating employer.

f. "Active service" means service while being paid on the payroll, provided that (a) a leave of absence with pay shall be deemed active service; (b) other approved leave without pay not to exceed twelve weeks prior to the commencement of the designated open period; and (c) the period of time subsequent to a June school term and on or before August 31 of the year for which an open period is designated for a teacher (or other employee employed on a school-year basis) who is otherwise in active service on the effective date of this act shall be deemed active service.

g. "Open period" means the period beginning with the commencement date as defined in subdivision h of this section and shall not be more than ninety days nor less than thirty days in length, as specified by the participating employer; provided however that any such period shall not extend beyond October 31, 2021 for participating employers, and not beyond August 31, 2021 for educational employers. h. "Commencement date" means the first day the retirement incentive authorized by this act shall be made available, which shall mean a date or dates on or after the effective date of this act to be determined by a participating employer. The chief executive officer or other comparable official of a participating employer shall notify the heads of the appropriate retirement systems of the dates of each open period prior to the commencement dates of such periods.

§ 2. The determination of whether a title shall be considered eligible shall consider whether the reduction of a specific number of positions within a title would unacceptably:

a. Directly result in a reduction of the level of service required or mandated to protect and care for clients of a participating employer or to assure public health and safety;

b. Endanger the health or safety of employees of a participating employer; or

c. Clearly result in a loss of significant revenue to a participating employer or result in substantially increased overtime or contractual

1 costs. However, any title may be determined eligible if the vacancies
2 created can be controlled by the use of transfer or reassignment
3 provisions of the civil service law, rules or regulations or other
4 deployment of employees.

5 § 3. a. Eligibility for inclusion in the retirement incentive provided
6 by section six of this act shall be determined by seniority for employ-

11 service law, as established in the official records of the New York city
12 department of citywide administrative services, regardless of the juris-
13 dictional classification of the position or the status of the incumbent.

15 themselves of the retirement incentive provided by section six of this
16 act shall provide written notice to his or her employer on or before the
17 twenty-first day preceding the end of the open period. Failure to
18 provide such written notice shall render the employee ineligible for the
19 retirement incentive provided by this act.

20 § 4. a. On or before June 30, 2021, a participating employer may elect
21 to provide its employees the retirement incentive authorized by this act
22 by (a) the enactment of a local law, or (b) in the case of a participat-
23 ing employer which is not so empowered to act by local law, by the
24 resolution of its governing body; provided however, no local law or
25 resolution enacted pursuant to this section shall in any manner super-
26 sede any local charter, provided further that, for an educational
27 employer such election must be made by May 31, 2021. The local law or
28 resolution shall specify the commencement date of the program and the
29 length of the open period or periods. A copy of such law or resolution
30 shall be filed with the appropriate retirement system or systems, and,
31 if applicable, on forms provided by such system. The local law or resol-
32 ution shall be accompanied by the affidavit of the chief executive offi-
33 cer or other comparable official certifying to the information contained
34 in subdivision c of this section.

35 b. The commencement date of an open period for eligible employees of a
36 retirement system of the city of New York who elect retirement benefits
37 pursuant to this section may be up to one hundred eighty days after the
38 end of the open period for other eligible employees, if requested by
39 such system.

40 c. Notwithstanding any other provision of law, the benefits provided
41 by this act shall not be made available to any person who (a) has
42 received any retirement incentive authorized by any provision of state
43 law, or (b) who receives, has received or is eligible to receive a
44 payment in a lump sum or in another form from a retirement incentive
45 pursuant to the provisions of a collective bargaining agreement or by
46 other arrangement with his or her employer, unless such person files a
47 written statement with his or her employer, a copy of which shall be
48 forwarded to the appropriate retirement system, that he or she agrees to
49 waive any right to such payment. If a participating employer has offered
50 a retirement incentive pursuant to the provisions of a collective
51 bargaining agreement or by other arrangement, such employer shall
52 prepare, and file with each retirement system, a list containing the
53 names and social security numbers of all persons described in this
54 subdivision. The employer is authorized, however, to exempt persons in
55 its employ from the provisions of paragraph (b) of this subdivision.

1 Such exemption shall be made part of the election made pursuant to this
2 section.

3 § 5. Notwithstanding any other provision of law, any eligible employee
4 serving in an eligible title who:

6 employer prior to the commencement date of the applicable open period;

21 service required to retire with an allowance equal to fifty percent of
22 final average salary under such plan, but has, with the inclusion of the
23 additional credit provided under this act, accrued such number of years
24 of credit.

25 § 6. Notwithstanding any other provision of law, an eligible employee
26 serving in an eligible title who is a member of a retirement system and
27 who is entitled to a retirement incentive pursuant to section five of
28 this act shall receive a retirement incentive of one-twelfth of a year
29 of additional retirement credit for each year of pension service credit-
30 ed as of the date of retirement, up to a maximum of three years of
31 retirement service credit at the time of retirement, provided, however,
32 that service credit provided under the provisions of sections 902 and
33 911 of the retirement and social security law shall not be included when
34 calculating the additional retirement credit awarded pursuant to this
35 act. For the New York city teachers' retirement system, the New York

56 who is a participant in the optional twenty-five year early retirement

1 program for certain New York city members governed by section 604-c of
2 the retirement and social security law, as added by chapter 96 of the
3 laws of 1995 or a twenty-five year participant in the age fifty-five
4 retirement program governed by section 604-i of the retirement and
5 social security law, with twenty-five or more years of service and who
6 is covered by article 15 of the retirement and social security law shall
7 be reduced by five percent for each year by which retirement pursuant to
8 this section precedes age fifty-five. The amount of such benefit for an
9 eligible New York city employee with five or more years of service and
10 who is a participant in the age fifty-seven retirement program governed
11 by section 604-d of the retirement and social security law shall be
12 reduced by one-thirtieth for the first two years by which retirement
13 precedes age fifty-seven plus a further reduction of one-twentieth for
14 each year by which retirement precedes age fifty-five. Such reduction
15 shall be prorated for partial years. There shall be no reduction for an
16 eligible New York city employee in a physically taxing position with
17 twenty-five or more years of service and who is a participant (i) in the
18 optional twenty-five year early retirement program for certain members
19 governed by section 604-c of the retirement and social security law, as
20 added by chapter 96 of the laws of 1995, or (ii) in the age fifty-seven
21 retirement program governed by section 604-d of the retirement and
22 social security law.

23 An eligible employee serving in an eligible title who is covered by
24 article 11 of the retirement and social security law shall retire under
25 the provisions of such article. There shall be no reduction in retire-
26 ment benefit provided that such employee retires with thirty or more
27 years of service at age fifty-five or older. The amount of such benefit
28 for an eligible employee covered by article 11 of the retirement and
29 social security law other than a member of a teachers' retirement system
30 with thirty or more years of service, a participant in the optional age
31 fifty-five improved benefit retirement program for certain New York city
32 employees governed by section 445-d of the retirement and social securi-
33 ty law, as added by chapter 96 of the laws of 1995, with twenty-five or
34 more years of service, or a participant in the optional age fifty-five
35 retirement program for New York city teachers and certain other members
36 governed by section 445-i of the retirement and social security law,
37 with twenty-five or more years of service, shall be reduced by six
38 percent for each of the first two years by which retirement pursuant to
39 this section precedes age sixty-two, plus a further reduction of three
40 percent for each year by which retirement pursuant to this section
41 precedes age sixty, provided, however, the foregoing reduction shall not
42 apply in any case where an eligible employee can retire pursuant to a
43 plan which permits retirement for service with immediate payability,
44 exclusive of this act, prior to the age of fifty-five. Such reduction
45 shall be prorated for partial years. The amount of such benefit for an
46 eligible employee who is a member of a teachers' retirement system with
47 thirty or more years of service, a participant in the optional age
48 fifty-five improved benefit retirement program for certain New York city
49 employees governed by section 445-d of the retirement and social securi-
50 ty law, as added by chapter 96 of the laws of 1995, with twenty-five or
51 more years of service, or a participant in the optional age fifty-five
52 retirement program for New York city teachers and certain other members
53 governed by section 445-i of the retirement and social security law,
54 with twenty-five or more years of service and who is covered by article
55 11 of the retirement and social security law shall be reduced by five
56 percent for each year by which retirement pursuant to this section

1 precedes age fifty-five. Such reduction shall be prorated for partial
2 years. There shall be no reduction for an eligible New York city employ-
3 ee in a physically taxing position and who is a participant in the
4 optional age fifty-five improved benefit retirement program for certain
5 New York city employees governed by section 445-d of the retirement and
6 social security law, as added by chapter 96 of the laws of 1995, with
7 twenty-five or more years of service.

8 An eligible employee serving in an eligible title who is not covered
9 by article 11 or 15 of the retirement and social security law shall
10 retire under the provisions of the plan by which he or she is covered.
11 The amount of such benefit shall be reduced by five percent for each
12 year by which retirement pursuant to this section precedes age fifty-
13 five, provided, however, the foregoing reduction shall not apply in any
14 case where an eligible employee can retire pursuant to a plan which
15 permits retirement for service with immediate payability, exclusive of
16 this act, prior to the age of fifty-five. Such reduction shall be
17 prorated for partial years.

18 An eligible employee serving in an eligible title who participates in
19 a retirement plan which provides for a retirement allowance equal to
20 fifty percent of final average salary upon the completion of twenty-five
21 years of service without regard to age and who is otherwise eligible to
22 retire shall retire under the provisions of such plan. Such employee
23 shall, at the time of retirement, be credited with one-twelfth of a year
24 of additional retirement service credit for each year of service credit-
25 ed under such plan as of the date of retirement, up to a maximum of
26 three years of retirement service credit. If such employee has not
27 accrued, excluding additional credit granted pursuant to this act, the
28 minimum number of years of service required to retire with an allowance
29 equal to fifty percent of final average salary under such plan, but has,
30 with the inclusion of the additional credit provided under this act,
31 accrued such number of years of credit, the benefit payable shall be the
32 percentage of final average salary that would ordinarily be applicable
33 to such individual upon retirement with such amount of credit (including
34 incentive credit), reduced by five per centum per year for each year by
35 which the number of years of service otherwise required to retire with
36 an allowance equal to fifty percent of final average salary under such
37 plan exceeds the amount of service credited to such employee under such
38 plan at retirement (excluding the additional retirement incentive
39 service credit provided pursuant to this act). Such reduction shall be
40 prorated for partial years.

41 § 7. a. Notwithstanding any other provision of law, any termination
42 pay or leave arising from accrued sick leave or accrued annual leave for
43 an eligible employee who has elected the retirement incentive provided
44 by this act and who is a member of the New York city teachers' retire-
45 ment system employed by the board of education of the city of New York
46 shall be paid in three equal installments during a twenty-four month
47 period commencing on such eligible employee's effective date of retire-
48 ment.

49 b. An employee of the city of New York who retires under the retire-
50 ment incentive provided by this act, who is eligible for terminal leave
51 pursuant to an applicable collective bargaining agreement or a personnel
52 policy or rule or retirement leave pursuant to section 3107 of the
53 education law or who has an accrued annual leave balance on the effec-
54 tive date of retirement shall be paid in three equal installments two
55 months, fourteen months and twenty-four months following such eligible
56 employee's effective date of retirement.

1 § 8. a. A participating employer, if it elects the retirement incen-
2 tive provided by this act shall be required to demonstrate the savings
3 of their election by either eliminating positions vacated as a result of
4 an eligible employee in an eligible title receiving the incentive
5 provided by section six of this act or demonstrating a compensation
6 savings such that the total amount of base salary paid for the two-year
7 period subsequent to the effective date of retirement for such eligible
8 employees in eligible titles to new hires, if any, who otherwise would
9 not have been hired by such employer after the effective date of this
10 act but for the retirement incentive provided herein shall be no more
11 than one-half of the total amount of base salary that would have been
12 paid to such eligible employees from their date of retirement for such
13 two-year period. A participating employer may also demonstrate savings,
14 however, by identifying a vacant position into which another employee
15 can be appointed, transferred, or reassigned pursuant to the civil
16 service law, rules or regulations, in which case the former position of
17 the employee so appointed, transferred, or reassigned shall be elimi-
18 nated. A participating employer shall make available its plans for
19 achieving the savings described herein.

20 b. The New York city department of citywide administrative services
21 shall prepare a report designating the title, grade level, salary, and
22 classification, according to appointing authority, (i) of each position
23 which is eliminated pursuant to subdivision a of this section, (ii) of
24 each position into which another employee was appointed, transferred, or
25 reassigned and the former position of such employee, and (iii) of each
26 position which is eliminated as a result of an appointment, transfer or
27 reassignment referred to in paragraph (ii) of this subdivision. Such
28 report shall be available no later than ninety days after the last date
29 of the open period related to such positions.

30 § 9. Nothing in this act shall be used to provide benefits that shall
31 exceed the limits contained in section 415 of the internal revenue code.
32 Provided, however, any service retirement benefit which has been reduced
33 because of section 415 of the internal revenue code shall be increased
34 when (and consistent with) the dollar limits in section 415 of the
35 internal revenue code are adjusted by the internal revenue service for
36 cost of living increases. Such increases shall not increase the benefit
37 in excess of the service retirement benefit otherwise payable.

38 § 10. Any eligible employee who retires pursuant to the provisions of
39 this act and enters or reenters public service as defined in subdivision
40 e of section 210 of the retirement and social security law and joins or
41 rejoins any public retirement system of the state shall if the addi-
42 tional benefit was provided pursuant to: (a) section six of this act,
43 forfeit the additional benefit authorized by this act at the time of his
44 or her subsequent retirement; or (b) repay to the participating employer
45 such additional contribution together with the appropriate interest as
46 determined by the appropriate retirement system.

47 § 11. Notwithstanding any other provision of law, if the service
48 retirement benefit of a member of a retirement system is subject to a
49 maximum retirement benefit, the additional benefit authorized by this
50 act will be computed by multiplying the final average salary times the
51 number of years of service credit granted by section six of this act
52 times the benefit fraction of the plan under which such member retires.

53 § 12. The provisions of section 430 of the retirement and social secu-
54 rity law shall not apply to any benefit or benefit improvement provided
55 by this act.

§ 13. The pension benefit costs of section six of this act shall be paid by participating employers as provided by applicable law for each retirement system covered by this act over a period not to exceed five years commencing in the fiscal year following the fiscal year in which this act shall have become a law.

§ 14. Where an employee is eligible to receive the benefit authorized under section six and the retirement benefit provided for under section five of subpart B of this act, such employee may elect a section under which he or she will participate. In no event shall the benefits provided for in section six of this act be received by any employee in conjunction with the benefits of section five of subpart B of this act.

§ 15. This act shall take effect immediately.

27 § 6. The pension benefit costs of section five of this act shall be
28 paid by participating employers as provided by applicable law for each
29 retirement system covered by this act over a period not to exceed five
30 years commencing in the fiscal year following the fiscal year in which
31 this act shall have become a law.

32 § 7. This act shall take effect immediately.

37 its operation to the clause, sentence, paragraph, subdivision, section
38 or part thereof directly involved in the controversy in which such judg-
39 ment shall have been rendered. It is hereby declared to be the intent of
40 the legislature that this act would have been enacted even if such
41 invalid provisions had not been included herein.

42 § 4. This act shall take effect immediately; provided, however, that
43 the applicable effective date of Subparts A and B of this act shall be
44 as specifically set forth in the last section of such Subparts.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to the New
York City Retirement Systems and Pension Funds (NYCRS), would provide
for a temporary Early Retirement Incentive Program (ERI Program) to
allow certain members of the New York City Employees' Retirement System
(NYCERS), the New York City Teachers' Retirement System (TRS), and the
New York City Board of Education Retirement System (BERS), who are
employees of the City of New York (City) or the New York City Department
of Education (DOE) and meet enumerated criteria, to elect immediate
retirement with enhanced benefits.

The ERI Program consists of two parts and is contingent upon the
employer's election to participate in the Program. Part A would provide

to eligible members, determined by title, seniority, and enumerated policy considerations, an additional service credit. Part B would remove the application of early retirement reduction factors for qualifying members. The benefits of the respective Parts cannot be combined.

Eligible NYCERS members would have anywhere from 30 to 90 days in an open period to elect and retire under Part A or within a 90-day open period following the commencement date to retire under Part B of the ERI Program. Multiple open periods, not to exceed 180 days from the end of an open period for other employees, may be requested by NYCERS. Should the City or the DOE elect to participate in the ERI Program provided by this Act, it would be required to demonstrate the savings related to the election.

A member is eligible to participate in Part A of the ERI Program if he or she:

- * Is otherwise eligible for service retirement;
- * Is at least age 50 with 10 or more years of service and is not in a plan which permits retirement at half-pay with 25 or fewer years of service without regard to age; or
- * Is in a plan that permits retirement at half-pay at 25 years of service without regard to age and would reach 25 years of service considering the additional service credit provided in Part A.

A member is eligible to participate in Part B of the ERI Program if he or she is age 55 or older and has at least 25 years of service.

In addition to the eligibility conditions above, members must also:

- * Be in continuous active service preceding the commencement date of the open period;
- * For Part A - provide timely written notice of the intent to avail himself or herself of the ERI and file for service retirement that is effective within the open period;
- * For Part B - file for service retirement that is effective within the open period and otherwise be eligible to retire for service as of the effective date of retirement.

Effective Date: Upon enactment and as determined by the respective open periods contained in Parts A and B.

IMPACT ON BENEFITS: Part A would provide one-twelfth of a year of additional retirement service credit for each year of pension service, up to a maximum of three years of additional retirement service credit. Some benefits provided under Part A could be subject to Early Retirement Factors (ERF) as specified in the proposed legislation.

Part B would allow members to retire with an unreduced benefit if they are at least age 55 with 25 or more years of service.

FINANCIAL IMPACT - OVERVIEW: There is no credible data available to estimate the number of members who will retire under the current ERI Program and potentially benefit from this proposed legislation. Therefore, the estimated financial impact has been calculated on a per event basis equal to the average increase in the Present Value of future employer contributions and in the annual employer contributions for members who would benefit from the proposed legislation.

The Present Value of future employer contributions is the net result of the increase in the Present Value of Future Benefits (PVFB) and the decrease in the Present Value of member contributions.

For the purposes of this Fiscal Note, the increase in Present Value of future employer contributions was amortized over a five-year period (four payments under the One-Year Lag Methodology (OYLM)) using level dollar payments, the maximum allowable period under the proposed legis-

lation. This amortized value is the estimated increase in annual employer contributions.

There will also be future savings in Employer Contributions assuming that these members are not replaced. This additional savings is not included here.

With respect to an individual member, the additional cost of this proposed legislation could vary greatly depending on the member's length of service, age, and salary history.

FINANCIAL IMPACT - SUMMARY: Based on the census data and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would result in an increase in the Present Value of Employer Contributions and annual employer contributions. The estimated pension financial impact has been calculated as the average increase per person. A breakdown of the financial impact by NYCERS is shown in the table below:

| NYCERS | Additional Present Value of Future Employer Contributions (\$ Per Person) | Estimated Annual Employer Contributions (\$ Per Person) |
|-------------|---|--|
| Part A Only | | |
| NYCERS | \$80,700 | \$24,600 |
| TRS | 84,800 | 25,900 |
| BERS | 37,900 | 11,600 |
| Average | \$77,900 | \$23,800 |
| Part B Only | | |
| NYCERS | \$113,600 | \$34,700 |
| TRS | 68,000 | 20,800 |
| BERS | 98,400 | 30,100 |
| Average | \$109,200 | \$33,300 |
| Both A & B | | |
| NYCERS | \$96,500 | \$29,500 |
| TRS | 85,000 | 26,000 |
| BERS | 43,700 | 13,400 |
| Average | \$87,700 | \$26,800 |

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the Final June 30, 2020 actuarial valuations of NYCERS, TRS, and BERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2022.

CENSUS DATA: For purposes of this Fiscal Note, it was assumed that the census data had the same age, gender, and service characteristics as the census data used in the Preliminary June 30, 2019 (Lag) actuarial valuations of NYCERS, TRS, and BERS to determine the Preliminary Fiscal Year 2021 employer contributions. Active members' salaries have been adjusted to reflect estimated salary increases from June 30, 2019 to June 30, 2020.

The table below contains the census data for members who meet the eligibility requirements and would be impacted by the proposed legis-

lation (Potential Elections), and for a subset of those members who would benefit actuarially (Assumed to Elect).

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2019 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2021 employer contributions of NYCERS, TRS, and BERS.

The Actuary is proposing a set of changes for use in the June 30, 2019 (Lag) actuarial valuations of NYCERS to determine the Final Fiscal Year 2021 Employer Contributions (2021 A&M). If the 2021 A&M is enacted it is estimated that it would produce increases in the Present Value of Employer Contributions and annual employer contributions that are approximately 1% larger than the results shown above.

To determine the impact of the elective nature of the proposed legislation, a subgroup based on who could potentially benefit actuarially was used. The Present Value of future employer costs (i.e. the PVFB less the Present Value of future member contributions) of each member's benefit was determined under their current plan and as if retiring immediately under the ERI Program. If the Present Value of future employer cost under the ERI Program was greater than or equal to the Present Value of future employer cost under the member's current plan, then the member was deemed to benefit actuarially.

Based on this analysis, the costs presented in this Fiscal Note are borne only from current NYCERS, TRS, and BERS members who are employed by the City and assumed to benefit from, and thus opt to retire under, the ERI Program.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS, TRS, and BERS, and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The offsetting reduction in salary due to retirements earlier than expected.

- * The impact of potential new hires replacing members who retire due to the ERI Program.

- * The initial, additional administrative costs to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

13 PART NNN

14 Section 1. Clauses (A) and (E) of subparagraph (ii) of paragraph (d)
15 of subdivision 6 of section 137 of the correction law, as amended by a
16 chapter of the laws of 2021, amending the correction law relating to
17 restricting the use of segregated confinement and creating alternative
18 therapeutic and rehabilitative confinement options, as proposed in
19 legislative bills numbers S. 2836 and A. 2277-A, are amended to read as
20 follows:

21 (A) Upon placement of an inmate into segregated confinement or a resi-
22 dential rehabilitation unit at a level one or level two facility, a
23 suicide prevention screening instrument shall be administered by staff
24 from the department or the office of mental health who has been trained
25 for that purpose. If such a screening instrument reveals that the inmate
26 is at risk of suicide, a mental health clinician shall be consulted and
27 appropriate safety precautions shall be taken. Additionally, within one
28 business day of the placement of such an inmate into segregated confine-
29 ment at a level one or level two facility or a residential rehabili-
30 tation unit, the inmate shall be assessed by a mental health clinician.

31 (E) A recommendation or determination whether to remove an inmate from
32 segregated confinement or a residential rehabilitation unit shall take
33 into account the assessing mental health clinicians' opinions as to the
34 inmate's mental condition and treatment needs, and shall also take into
35 account any safety and security concerns that would be posed by the
36 inmate's removal, even if additional restrictions were placed on the
37 inmate's access to treatment, property, services or privileges in a
38 residential mental health treatment unit. A recommendation or determi-
39 nation shall direct the inmate's removal from segregated confinement or
40 a residential rehabilitation unit except in the following exceptional
41 circumstances: (1) when the reviewer finds that removal would pose a
42 substantial risk to the safety of the inmate or other persons, or a
43 substantial threat to the security of the facility, even if additional
44 restrictions were placed on the inmate's access to treatment, property,
45 services or privileges in a residential mental health treatment unit; or
46 (2) when the assessing mental health clinician determines that such
47 placement is in the inmate's best interests based on his or her mental
48 condition and that removing such inmate to a residential mental health
49 treatment unit would be detrimental to his or her mental condition. Any
50 determination not to remove an inmate with serious mental illness from
51 ~~[segregated confinement or]~~ a residential rehabilitation unit shall be
52 documented in writing and include the reasons for the determination.

53 § 2. Subparagraph (iv) of paragraph (d) of subdivision 6 of section
54 137 of the correction law, as amended by a chapter of the laws of 2021

1 amending the correction law relating to restricting the use of segre-
2 gated confinement and creating alternative therapeutic and rehabilita-
3 tive confinement options, as proposed in legislative bills numbers S.
4 2836 and A. 2277-A, is amended to read as follows:

5 (iv) All inmates in segregated confinement in a level one or level two
6 facility or a residential rehabilitation unit who are not assessed with
7 a serious mental illness at the initial assessment shall be offered at
8 least one interview with a mental health clinician within seven days of
9 their initial mental health assessment, unless the mental health clini-
10 cian at the most recent interview recommends an earlier interview or
11 assessment. All inmates in a residential rehabilitation unit in a level
12 three or level four facility who are not assessed with a serious mental
13 illness at the initial assessment shall be offered at least one inter-
14 view with a mental health clinician within thirty days of their initial
15 mental health assessment, and additional interviews at least every nine-
16 ty days thereafter, unless the mental health clinician at the most
17 recent interview recommends an earlier interview or assessment.

18 § 3. Paragraph (i) of subdivision 6 of section 137 of the correction
19 law, as added by a chapter of the laws of 2021 amending the correction
20 law relating to restricting the use of segregated confinement and creat-
21 ing alternative therapeutic and rehabilitative confinement options, as
22 proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended
23 to read as follows:

24 (i) (i) No person may be placed in segregated confinement for longer
25 than necessary and no more than fifteen consecutive days ~~[ex]~~. Nor shall
26 any person be placed in segregated confinement for more than twenty
27 total days within any sixty day period except as otherwise provided in
28 subparagraph (ii) of this paragraph. At these limits, he or she must be
29 released from segregated confinement or diverted to a separate residen-
30 tial rehabilitation unit. If placement of such person in segregated
31 confinement would exceed the twenty-day limit and the department estab-
32 lishes that the person committed an act defined in subparagraph (ii) of
33 paragraph (k) of this subdivision, the department may place the person
34 in segregated confinement until admission to a residential rehabili-
35 tation unit can be effectuated. Such admission to a residential rehabil-
36 itation unit shall occur as expeditiously as possible and in no case
37 take longer than forty-eight hours from the time such person is placed
38 in segregated confinement.

39 (ii) For offenses determined pursuant to paragraph (l) of this subdivi-
40 vision to constitute a violent felony act defined in subparagraph (ii)
41 of paragraph (k) of this subdivision, if occurring more than one time
42 within any sixty day period, up to an additional fifteen consecutive
43 days in segregated confinement may occur for each such additional inci-
44 dent. If such subsequent incident takes place in a residential rehabili-
45 tation unit or general population, the person may be returned to segre-
46 gated confinement for up to fifteen consecutive days. If such subsequent
47 incident takes place in segregated confinement and causes physical inju-
48 ry to another person, the person may receive up to an additional fifteen
49 consecutive days in segregated confinement, provided however that the
50 person must spend at least fifteen days in a residential rehabilitation
51 unit in between each placement of up to fifteen consecutive days in
52 segregated confinement. Custody under this subparagraph shall otherwise
53 be in accordance with this chapter.

54 § 4. Subparagraphs (ii) and (v) of paragraph (j) of subdivision 6 of
55 section 137 of the correction law, as added by a chapter of the laws of
56 2021 amending the correction law relating to restricting the use of

1 segregated confinement and creating alternative therapeutic and rehabi-
2 litative confinement options, as proposed in legislative bills numbers
3 S. 2836 and A. 2277-A, are amended to read as follows:

4 (ii) Persons in segregated confinement shall be offered out-of-cell
5 programming at least four hours per day, including at least one hour for
6 recreation. Persons admitted to residential rehabilitation units shall
7 be offered at least six hours of daily out-of-cell congregate program-
8 ming, services, treatment, recreation, activities and/or meals, with an
9 additional minimum of one hour for recreation. Recreation in all resi-
10 dential rehabilitation units shall take place in a congregate setting,
11 unless exceptional circumstances mean doing so would create a signif-
12 icant and unreasonable risk to the safety and security of other incar-
13 cerated persons, staff, or the facility. Persons in segregated confine-
14 ment and residential rehabilitation units shall be offered programming
15 led by program or therapeutic staff five days per week, except on recog-
16 nized state legal holidays. All other out-of-cell time may include peer-
17 led programs, time in a day room or out-of-cell recreation area with
18 other people, congregate meals, volunteer programs, or other congregate
19 activities.

20 (v) An incarcerated person in a residential rehabilitation unit shall
21 have access to programs and work assignments comparable to core programs
22 and types of work assignments in general population. Such incarcerated
23 persons shall also have access to additional out-of-cell, trauma-in-
24 formed therapeutic programming aimed at promoting personal development,
25 addressing underlying causes of problematic behavior resulting in place-
26 ment in a residential rehabilitation unit, and helping prepare for
27 discharge from the unit and to the community.

28 § 5. Clause (F) of subparagraph (ii) of paragraph (k) of subdivision 6
29 of section 137 of the correction law, as added by a chapter of the laws
30 of 2021 amending the correction law relating to restricting the use of
31 segregated confinement and creating alternative therapeutic and rehabi-
32 litative confinement options, as proposed in legislative bills numbers
33 S. 2836 and A. 2277-A, is amended to read as follows:

34 (F) procuring a deadly [~~weapons~~] weapon or other dangerous contraband
35 that poses a serious threat to the security of the institution; or

36 § 6. Paragraphs (n) and (o) of subdivision 6 of section 137 of the
37 correction law, as added by a chapter of the laws of 2021 amending the
38 correction law relating to restricting the use of segregated confinement
39 and creating alternative therapeutic and rehabilitative confinement
40 options, as proposed in legislative bills numbers S. 2836 and A. 2277-A,
41 are amended to read as follows:

42 (n) All special housing unit, keeplock unit and residential rehabili-
43 tation unit staff and their supervisors shall undergo [~~a minimum of~~
44 ~~thirty-seven hours and thirty minutes of~~] specialized training prior to
45 assignment to such unit, and [~~twenty-one hours of additional training~~
46 ~~annually~~] regular specialized training thereafter, on substantive
47 content developed in consultation with relevant experts, on topics
48 including, but not limited to, the purpose and goals of the non-punitive
49 therapeutic environment, trauma-informed care, restorative justice, and
50 dispute resolution methods. Prior to presiding over any hearings, all
51 hearing officers shall undergo a minimum of thirty-seven hours [~~and~~
52 ~~thirty minutes~~] of training, with one additional day of training annual-
53 ly thereafter, on relevant topics, including but not limited to, the
54 physical and psychological effects of segregated confinement, procedural
55 and due process rights of the accused, and restorative justice remedies.

(o) The department shall publish monthly reports on its website, with semi-annual and annual cumulative reports, of the total number of people who are in segregated confinement and the total number of people who are in residential rehabilitation units on the first day of each month. The reports shall provide a breakdown of the number of people in segregated confinement and in residential rehabilitation units by: (i) age; (ii) race; (iii) gender; (iv) mental health treatment level; (v) special health accommodations or needs; (vi) need for and participation in substance ~~[abuse]~~ use disorder programs; (vii) pregnancy status; (viii) continuous length of stay in residential treatment units as well as length of stay in the past sixty days; (ix) number of days in segregated confinement; (x) a list of all incidents resulting in sanctions of segregated confinement by facility and date of occurrence; (xi) the number of incarcerated persons in segregated confinement by facility; and (xii) the number of incarcerated persons in residential rehabilitation units by facility.

§ 7. Subdivision 7 of section 138 of the correction law, as added by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

7. De-escalation, intervention, informational reports~~[r]~~ and the withdrawal of incentives shall be the preferred methods of responding to misbehavior unless the department determines that non-disciplinary interventions have failed, or that non-disciplinary interventions would not succeed and the misbehavior involved an act listed in subparagraph (ii) of paragraph (k) of subdivision six of section one hundred thirty-seven of this article, in which case, as a last resort, the department shall have the authority to issue misbehavior reports, pursue disciplinary charges, or impose new or additional segregated confinement sanctions.

§ 8. Subparagraph (i) of paragraph (a) of subdivision 2 of section 401 of the correction law, as amended by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

(i) In exceptional circumstances, a mental health clinician, or the highest ranking facility security supervisor in consultation with a mental health clinician who has interviewed the inmate, may determine that an inmate's access to out-of-cell therapeutic programming and/or mental health treatment in a residential mental health treatment unit presents an unacceptable risk to the safety of inmates or staff. Such determination shall be documented in writing and such inmate ~~[shall]~~ may be removed to a residential rehabilitation unit that is not a residential mental health treatment unit where alternative mental health treatment and/or other therapeutic programming, as determined by a mental health clinician, shall be provided.

§ 9. Subdivision 6 of section 401 of the correction law, as amended by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

6. The department shall ensure that the curriculum for new correction officers, and other new department staff who will regularly work in programs providing mental health treatment for inmates, shall include at least eight hours of training about the types and symptoms of mental illnesses, the goals of mental health treatment, the prevention of suicide and training in how to effectively and safely manage inmates with mental illness. Such training may be provided by the office of mental health or the justice center for the protection of people with special needs. All department staff who are transferring into a residential mental health treatment unit shall receive a minimum of eight additional hours of such training, and eight hours of annual training as long as they work in such a unit. All security, program services, mental health and medical staff with direct inmate contact shall receive training each year regarding identification of, and care for, inmates with mental illnesses. The department shall provide additional training on these topics on an ongoing basis as it deems appropriate. All staff working in a residential mental health treatment unit shall also receive ~~[all]~~ the training mandated in paragraph (n) of subdivision six of section one hundred thirty-seven of this chapter.

§ 10. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2021, amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, takes effect.

PART 000

Section 1. Subdivision 1 of section 1351 of the racing, pari-mutuel wagering and breeding law, as added by chapter 174 of the laws of 2013, is amended to read as follows:

1. (a) For a gaming facility in zone two, there is hereby imposed a tax on gross gaming revenues. The amount of such tax imposed shall be as follows; provided, however, should a licensee have agreed within its application to supplement the tax with a binding supplemental fee payment exceeding the aforementioned tax rate, such tax and supplemental fee shall apply for a gaming facility:

~~[(a)]~~ (1) in region two, forty-five percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

~~[(b)]~~ (2) in region one, thirty-nine percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

~~[(c)]~~ (3) in region five, thirty-seven percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

(b) (1) Notwithstanding the rates in paragraph (a) of this subdivision, a gaming facility may petition the commission to lower the tax rate applicable to its slot machines to no lower than thirty percent. In analyzing such request, the commission shall evaluate the petition using the following criteria:

(i) the ability of the licensee to satisfy the license criterion of financial stability absent the tax rate reduction;

(ii) a complete examination of all financial projections, as well as gaming revenues generated for the prior annual period;

1 (iii) the licensee's intended use of the funds resulting from a tax
2 adjustment;

3 (iv) the inability of the operator to remain competitive under the
4 current tax structure;

5 (v) positions advanced by other gaming operators in the state in
6 response to the petition;

7 (vi) the impact on the competitive landscape;

8 (vii) other economic factors such as employment and the potential
9 impact upon other businesses in the region; and

10 (viii) the public interest to be served by a tax adjustment, including
11 the impact upon the state in the event the operator is unable to remain
12 financially viable.

13 (2) The commission shall report their recommendation solely based on
14 the criteria listed in subparagraph one of this paragraph to the direc-
15 tor of the division of budget who will make a final approval.

16 (3) (i) As a condition of the lower slot machine tax rate, such gaming
17 facility shall provide an initial report to the governor, the speaker of
18 the assembly, the temporary president of the senate, and the commission
19 detailing the projected use of funds resulting from such tax adjustment
20 and a plan that prescribes the manner in which the licensed gaming
21 facility potentially receiving the reduction in its slot machine tax
22 rate will rebuild their economic infrastructure through the rehiring of
23 laid-off employees or the creation of new jobs. Such plan shall also
24 clearly establish quarterly and annual employment goals of increasing
25 full-time employees. Such initial report and accompanying plan shall be
26 due at the time a facility is granted a tax adjustment. Thereafter, an
27 annual report shall be made to the governor, the speaker of the assem-
28 bly, the temporary president of the senate, and the commission detailing
29 actual use of the funds resulting from such tax adjustment. Such report
30 shall include, but not be limited to, any impact on employment levels
31 since receiving the funds, an accounting of the use of such funds, any
32 other measures implemented to improve the financial stability of the
33 gaming facility, any relevant information that helped in the determi-
34 nation of such slot tax rate reduction, and any other information as
35 deemed necessary by the commission. Such report shall be due no later
36 than the first day of the fourth quarter after such tax rate has been
37 granted.

38 (ii) (A) At the conclusion of each year, a licensed gaming facility
39 shall provide an affirmation in writing to the commission stating the
40 employment goal in clause (i) of this subparagraph was either met or not
41 met as described in the initial report. If the licensed gaming facility
42 is found to have not adhered to the plan by the commission, then the
43 applicable slot tax rate shall be adjusted at the discretion of the
44 commission as follows:

45 1. If the actual employment number is more than fifty percent less
46 than the employment goal, then the slot tax rate shall be increased by
47 ten percentage points.

48 2. If the actual employment number is more than forty percent less
49 than the employment goal, then the slot tax rate shall be increased by
50 eight percentage points.

51 3. If the actual employment number is more than thirty percent less
52 than the employment goal, then the slot tax rate shall be increased by
53 six percentage points.

54 4. If the actual employment number is more than twenty percent less
55 than the employment goal, then the slot tax rate shall be increased by
56 four percentage points.

1 5. If the actual employment number is more than ten percent less than
2 the employment goal, then the slot tax rate shall be increased by two
3 percentage points.

4 (B) Such finding and the reasoning thereof shall occur no later than
5 thirty days following submission of the written affirmation.

6 (iii) A licensed gaming facility may petition the commission to lower
7 the tax rate applicable to its slot machines to no lower than thirty
8 percent no more than once annually after the effective date of the chap-
9 ter of the laws of two thousand twenty-one which amended this subdivi-
10 sion. A licensed gaming facility may request a revision to its plan in
11 its initial report due to unforeseen circumstances.

12 § 2. This act shall take effect immediately and shall expire and be
13 deemed repealed five years after such date.

14 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
15 sion, section or part of this act shall be adjudged by any court of
16 competent jurisdiction to be invalid, such judgment shall not affect,
17 impair, or invalidate the remainder thereof, but shall be confined in
18 its operation to the clause, sentence, paragraph, subdivision, section
19 or part thereof directly involved in the controversy in which such judg-
20 ment shall have been rendered. It is hereby declared to be the intent of
21 the legislature that this act would have been enacted even if such
22 invalid provisions had not been included herein.

23 § 3. This act shall take effect immediately provided, however, that
24 the applicable effective date of Parts A through 000 of this act shall
25 be as specifically set forth in the last section of such Parts.
