PART D

Section 1. Section 352 of the economic development law is amended by adding two new subdivisions 5-a and 13-a to read as follows:

5-a. "Child care services" means those services undertaken or sponsored by a participant in this program meeting the requirements of "child day care" as defined in paragraph (a) of subdivision one of section three hundred ninety of the social services law or any child care services in the city of New York whereby a permit to operate such child care services is required pursuant to the health code of the city of New York.

13-a. "Net new child care services expenditures" means the calculation of new, annual participant expenditures on child care services whether internal or provided by a third party (including coverage for full or partial discount of employee rates), minus any revenues received by the participant through a third-party operator (i.e., rent paid to the participant by the child care provider) or employees and may be further defined by the commissioner in regulations. For the purposes of this definition, expenditures for child care services that a participant has incurred prior to admission to this program shall not be eligible for the credit.

§ 2. Paragraphs (k) and (l) of subdivision 1 of section 353 of the economic development law, as amended by section 2 of part L of chapter 59 of the laws of 2020, are amended and a new paragraph (m) is added to read as follows:

(l) as a company operating in one of the industries listed in paragraphs (b) through (e) of this subdivision and engaging in a green project as defined in section three hundred fifty-two of this article[●]; or

(m) as a participant operating in one of the industries listed in paragraphs (a) through (k) of this subdivision and operating or sponsoring child care services to its employees as defined in section three hundred fifty-two of this article.

§ 2-a. Subdivision 3 of section 354 of the economic development law, as amended by section 3 of part G of chapter 61 of the laws of 2011, is amended to read as follows:

This preliminary schedule of benefits delineates the maximum possible benefits an applicant may receive.

(b) Notwithstanding the requirements of this subdivision, an existing participant in the excelsior jobs program may be eligible for an enhanced investment tax credit on projects for child care services and the excelsior child care services tax credit component, provided:

(i) the participant is in compliance with the requirements of this article;

Such existing participant may apply to the department for the benefit as defined in section three hundred fifty-five of this article. In no circumstances shall the benefit term for child care services exceed the existing participant's existing benefit term in its preliminary schedule of benefits.

§ 3. Subdivisions 2 and 6 of section 355 of the economic development law, subdivision 2 as amended by section 4 of part L of chapter 59 of the laws of 2020 and subdivision 6 as amended by section 4 of part K of chapter 59 of the laws of 2015, are amended and a new subdivision 2-a is added to read as follows:

In a project that is not a green project, the credit shall be equal to two percent of the cost or other basis for federal income tax purposes of the qualified investment. In a green project, the credit shall be equal to five percent of the cost or other basis for federal income tax purposes of the qualified investment. In a project for child care services, the credit shall be up to five percent of the cost or other basis for federal income tax purposes of the qualified investment in child care services. A participant may not claim both the excelsior investment tax credit component and the investment tax credit set forth in subdivision one of section two hundred ten-B, subsection (a) of section six hundred six, the former subsection (i) of section fourteen hundred fifty-six, or subdivision (q) of section fifteen hundred eleven of the tax law for the same property in any taxable year, except that a participant may claim both the excelsior investment tax credit component and the investment tax credit for research and development property. In addition, a taxpayer who or which is qualified to claim the excelsior investment tax credit component and is also qualified to claim the brownfield tangible property credit component under section twenty-one of the tax law may claim either the excelsior investment tax credit component or such tangible property credit component, but not both with regard to a particular piece of property. A credit may not be claimed until a business enterprise has received a certificate of tax credit,
provided that qualified investments made on or after the issuance of the certificate of eligibility but before the issuance of the certificate of tax credit to the business enterprise, may be claimed in the first taxable year for which the business enterprise is allowed to claim the credit. Expenses incurred prior to the date the certificate of eligibility is issued are not eligible to be included in the calculation of the credit.

2-a. Excelsior child care services tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit on its net new child care services expenditures for its operation, sponsorship or direct financial support of a child care services program. The credit shall be up to six percent of the net new child care services expenditures as defined in this chapter.

6. Claim of tax credit. The business enterprise shall be allowed to claim the credit as prescribed in section thirty-one of the tax law. No costs or expenditures for child care services used by a participant to claim the credit as prescribed in section forty-four of the tax law shall be used for the allowance of a tax credit described in this section.

Such information shall include, but need not be limited to the following: number of applicants; number of participants approved; total net new child care services expenditures certified; total amount of benefits certified; benefits received per participant. On an annual basis, businesses participating in the excelsior child care services credit shall report to the department on the number of employees participating in child care services supported by the credit.

§ 4. Subdivision (a) of section 31 of the tax law is amended by adding a new paragraph 2-a to read as follows:

The credit allowable under this subdivision for any taxable year shall not exceed [one hundred fifty] five hundred thousand dollars. If the entity operating the qualified child care facility is a partnership or a New York S corporation, then such cap shall be applied at the entity level, so the aggregate credit allowed to all the partners or shareholders of such entity in a taxable year does not exceed [one hundred fifty] five hundred thousand dollars.
§ 6. This act shall take effect immediately; provided, however, section five of this act shall apply to taxable years beginning on or after January 1, 2022.

   (4) Provided, however, that the provisions of this paragraph shall not apply to any corporation which does not file its franchise tax report in a timely manner (determined with regard to any extension of time for filing).

§ 2. This act shall take effect immediately, provided, however, that section one of this act shall apply to taxable years beginning on or after January 1, 2021.

credits allocated under paragraph five of subdivision (a) of section
thirty-one of this article exceed five million dollars in any year

1 this article. Nothing herein shall be construed to prohibit the delivery
2 to a person who has filed a return or report or his duly authorized

4 connection with his tax. Nor shall anything herein be construed to
5 prohibit the delivery to a person required to collect the tax under this
6 article or a purchaser, transferee or assignee personally liable under
7 the provisions of subdivision (c) of section eleven hundred forty-one of
8 this chapter for the tax due from the seller, transferor or assignor, of
9 any return or report filed under this article in connection with such
10 tax provided, however, that there may be delivered only so much of said
11 return, report or of the facts shown thereby as are pertinent to a
determination of the taxes due or liability owed by such person or
12 purchaser, transferee or assignee and no more or to prohibit the publi-

13 particular returns or reports and the items thereof, or the inspection
by the attorney general or other legal representatives of the state of
14 the return or report of any person required to collect or pay the tax
who shall bring action to review the tax based thereon, or against whom
an action or proceeding under this chapter has been recommended by the
commissioner of taxation and finance or the attorney general or has been
instituted, or the inspection of the returns or reports required under
this article by the comptroller or duly designated officer or employee
of the state department of audit and control, for purposes of the audit
of a refund of any tax paid by a person required to collect or pay the
tax under this article. Provided, further, nothing herein shall be
construed to prohibit the disclosure, in such manner as the [tax commis-

identifying information of those persons holding certificates of author-
ity pursuant to section eleven hundred thirty-four of this article,
those persons whose certificates of authority have been suspended or
revoked, those persons whose certificates of authority have expired,
those persons who have filed a certificate of registration for a certif-

has refused to issue a certificate of authority, those persons holding direct
payment permits pursuant to section eleven hundred thirty-two or those
persons whose direct payment permits have been suspended or revoked by
the [tax commission] commissioner; and provided further that nothing
herein shall be construed to prohibit the disclosure, in such manner as
the commissioner deems appropriate, of information related to the tax on
admissions to race tracks and simulcast facilities to the gaming commis-
sion or the division of the budget.

§ 5. Paragraph 1 of subdivision (a) of section 1210 of the tax law, as

provisions of such article twenty-eight can be made applicable to the
taxes imposed by such city or county and with such limitations and
special provisions as are set forth in this article. The taxes author-

Notwithstanding the foregoing, a tax imposed by a city or county authorized under this subdivision shall not include the tax imposed on charges for admission to race tracks and simulcast facilities under subdivision (f) of section eleven hundred five of this chapter. (ii) Any local law, ordinance or resolution enacted by any city, county or school district, imposing the taxes authorized by this subdivision, shall omit the residential solar energy systems equipment and electricity exemption provided for in subdivision (ee), the commercial solar energy systems equipment and electricity exemption provided for in subdivision (ii), the commercial fuel cell electricity generating systems equipment and electricity generated by such equipment exemption provided for in subdivision (kk) and the clothing and footwear exemption provided for in paragraph thirty of subdivision (a) of section eleven hundred fifteen of this chapter, unless such city, county or school district elects otherwise as to such residential solar energy systems equipment and electricity exemption for such residential solar energy systems equipment and electricity exemption, commercial fuel cell electricity generating systems equipment and electricity generated by such equipment exemption or such clothing and footwear exemption.

§ 6. Paragraph 1 of subdivision (b) of section 1210 of the tax law, as amended by section 3 of part WW of chapter 60 of the laws of 2016, is amended to read as follows:

(1) Or, one or more of the taxes described in subdivisions (b), (d), (e) and (f) of section eleven hundred five of this chapter, at the same uniform rate, including the transitional provisions in section eleven hundred six of this chapter covering such taxes, but not the taxes described in subdivisions (a) and (c) of section eleven hundred five of this chapter. Provided, further, that where the tax described in subdivision (b) of section eleven hundred five of this chapter is imposed, the compensating use taxes described in clauses (E), (G) and (H) of subdivision (a) of section eleven hundred ten of this chapter shall be imposed. Provided, further, that where the taxes described in subdivision (b) of section eleven hundred five of this chapter are imposed, such taxes shall omit: (A) the provision for refund or credit contained in subdivision (d) of section eleven hundred nineteen of this chapter with respect to such taxes described in such subdivision (b) of section eleven hundred five unless such city or county elects to provide such provision or, if so elected, to repeal such provision; (B) the exemption
provided in paragraph two of subdivision (ee) of section eleven hundred fifteen of this chapter unless such county or city elects otherwise; (C) the exemption provided in paragraph two of subdivision (ii) of section eleven hundred fifteen of this chapter, unless such county or city elects otherwise; and (D) the exemption provided in paragraph two of subdivision (kk) of section eleven hundred fifteen of this chapter, unless such county or city elects otherwise; and provided further that where the tax described in subdivision (f) of such section eleven hundred five is imposed, such tax shall not apply to charges for admission to race tracks and simulcast facilities.

§ 7. Notwithstanding any provisions of law to the contrary and notwithstanding the repeal of sections 227, 306 and 406, subparagraph (ii) of paragraph b of subdivision 4 of section 1008 and paragraph b of subdivision 5 of section 1009 of the racing, pari-mutuel wagering and breeding law by section one of this act, all provisions of such sections 227, 306 and 406, subparagraph (ii) of paragraph b of subdivision 4 of section 1008 and paragraph b of subdivision 5 of section 1009, in respect to the imposition, exemption, assessment, payment, payment over, determination, collection, and credit or refund of tax, interest and penalty imposed thereunder, the filing of forms and returns, the preservation of records for the purposes of such tax, the disposition of revenues, and any civil and criminal penalties applicable to the violation of the provisions of such sections 227, 306 and 406, subparagraph (ii) of paragraph b of subdivision 4 of section 1008 and paragraph b of subdivision 5 of section 1009, shall continue in full force and effect with respect to all such tax accrued for periods prior to the effective date of this act in the same manner as they might if such provisions were not repealed.

§ 8. This act shall take effect November 1, 2021 and shall apply to charges for admissions to race tracks and simulcast facilities on and after such date; provided, however, that any race track that is authorized to conduct a racing meet that begins before November 1, 2021 and ends after such date shall collect and remit the tax due for such meet in accordance with the provisions of the applicable section of the racing, pari-mutuel wagering and breeding law, notwithstanding the repeal of such section.

PART O

Section 1. Subdivision (a) of section 1401 of the tax law, as amended by chapter 576 of the laws of 1994, is amended to read as follows:

(a) (1) "Person" means an individual, partnership, limited liability company, society, association, joint stock company, corporation, estate, receiver, trustee, assignee, referee or any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, any combination of individuals, and any other form of unincorporated enterprise owned or conducted by two or more persons.

(2) "Person" shall include any individual, corporation, partnership or limited liability company or an officer or employee of any corporation (including a dissolved corporation), or a member or employee of any partnership, or a member, manager or employee of a limited liability company, who as such officer, employee, manager or member is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article, or has so acted.

§ 2. Subdivision (a) of section 1404 of the tax law, as amended by chapter 61 of the laws of 1989, is amended to read as follows:

(a) The real estate transfer tax imposed pursuant to section fourteen hundred two of this article shall be paid by the grantor and such tax shall not be payable, directly or indirectly, by the grantee except as provided in a contract between grantor and grantee or as otherwise provided in this section. If the grantor has failed to pay the tax imposed by this article at the time required by section fourteen hundred ten of this article or if the grantor is exempt from such tax, the grantee shall have the duty to pay the tax. Where the grantee has the duty to pay the tax because the grantor has failed to pay, such tax shall be the joint and several liability of the grantor and the grantee; provided that in the event of such failure, the grantee shall have a cause of action against the grantor for recovery of payment of such tax, interest and penalties by the grantee. In the case of a conveyance of residential real property as defined in subdivision (a) of section fourteen hundred two-a of this article, if the tax imposed by this article is
paid by the grantee pursuant to a contract between the grantor and the
grantee, the amount of such tax shall be excluded from the calculation
of consideration subject to tax under this article.
§ 3. Subdivision (a) of section 1409 of the tax law, as amended by
chapter 297 of the laws of 2019, is amended to read as follows:
(a) (1) A joint return shall be filed by both the grantor and the
grantee for each conveyance whether or not a tax is due thereon other
than a conveyance of an easement or license to a public utility as
defined in subdivision two of section one hundred eighty-six-a of this
chapter or to a public utility which is a provider of telecommunication
services as defined in subdivision one of section one hundred eighty-
six-e of this chapter, where the consideration is two dollars or less
and is clearly stated as actual consideration in the instrument of
conveyance.
(2) When the grantor or grantee of a deed for a building used as resi-
dential real property containing one to four family dwelling units is a limited liability company, the joint return shall
not be accepted for filing unless it is accompanied by a document which
identifies the names and business addresses of all members, managers,
and any other authorized persons, if any, of such limited liability
company and the names and business addresses or, if none, the business
addresses of all shareholders, directors, officers, members, managers
and partners of any limited liability company or other business entity
that are to be the members, managers or authorized persons, if any, of
such limited liability company. The identification of such names and
addresses shall not be deemed an unwarranted invasion of personal priva-
cy pursuant to article six of the public officers law. If any such
member, manager or authorized person of the limited liability company is
itself a limited liability company or other business entity other than a
publicly traded entity, a REIT, a UPREIT, or a mutual fund, the names
and addresses of the shareholders, directors, officers, members, manag-
ers and partners of the limited liability company or other business
entity shall also be disclosed until full disclosure of ultimate owner-
ship by natural persons is achieved. For purposes of this subdivision,
the terms "members", "managers", "authorized person", "limited liability
company" and "other business entity" shall have the same meaning as
those terms are defined in section one hundred two of the limited
liability company law.
(3) The return shall be filed with the recording officer before the
instrument effecting the conveyance may be recorded. However, if the tax
is paid to the commissioner pursuant to section fourteen hundred ten of
this article, the return shall be filed with such commissioner at the
time the tax is paid. In that instance, a receipt evidencing the filing
of the return and the payment of tax shall be filed with the recording
officer before the instrument effecting the conveyance may be recorded.
The recording officer shall handle such receipt in the same manner as a
return filed with the recording officer.
§ 4. Subdivision (h) of section 1418 of the tax law, as added by
section 7 of part X of chapter 56 of the laws of 2010 and as further
amended by subdivision (c) of section 1 of part W of chapter 56 of the
laws of 2010, is amended to read as follows:
(h) Notwithstanding the provisions of subdivision (a) of this section,
the commissioner may furnish information relating to real property
transfers obtained or derived from returns filed pursuant to this arti-
cle in relation to the real estate transfer tax, to the extent that such
information is also required to be reported to the commissioner by
section three hundred thirty-three of the real property law and section five hundred seventy-four of the real property tax law and the rules adopted thereunder, provided such information was collected through a combined process established pursuant to an agreement entered into with the commissioner pursuant to paragraph viii of subdivision one-e of section three hundred thirty-three of the real property law. The commissioner may redisclose such information to the extent authorized by section five hundred seventy-four of the real property tax law. The commissioner may also disclose any information reported pursuant to paragraph two of subdivision (a) of section fourteen hundred nine of this article.

§ 5. This act shall take effect immediately; provided however that sections one and two of this act shall take effect July 1, 2021, and shall apply to conveyances occurring on or after such date other than conveyances that are made pursuant to binding written contracts entered into on or before April 1, 2021, provided that the date of execution of such contract is confirmed by independent evidence, such as the recording of the contract, payment of a deposit or other facts and circumstances as determined by the commissioner of taxation and finance.

Provided, however, that the commissioner may revoke or suspend a certificate of authority based on (a) the grounds set forth in clause (vi) of this subparagraph only where the conviction referred to occurred not more than one year prior to the date of revocation or suspension; and provided further that where the commissioner revokes or suspends a certificate of authority based on the grounds set forth in clause (vii) of this subparagraph, such suspension or revocation shall continue for as long as the revocation of the retail dealer registration pursuant to section four hundred eighty-a of this chapter remains in effect, or (b) the grounds set forth in clause (viii) of this subparagraph, such suspension or revocation shall be for a period of five years.

Every distributor, noncommercial importer or other person shall, on or before the twentieth day of each month, file with the department of taxation and finance a return, on forms to be prescribed by the commissioner and furnished by such department, stating separately the number of gallons, or lesser quantity, of beers, and the number of liters, or lesser quantity, of wines and liquors sold or used by such distributor, noncommercial importer or other person in this state during the preceding calendar month, except that the commissioner may, if he or she deems it necessary in order to facilitate the efficient reporting and payment of the tax imposed by this article, require returns to be made at such times and covering such periods as he or she may deem necessary. Such return shall contain such further information as the commissioner shall require. The fact that the name of the distributor, noncommercial importer or other person is signed to a filed return shall be prima facie evidence for all purposes that the return was actually signed by such distributor, noncommercial importer or other person.

§ 2. Section 505 of the tax law, as amended by section 2 of part E of chapter 60 of the laws of 2007, is amended to read as follows:
§ 505. Returns. Every carrier subject to this article and every carrier to whom a certificate of registration was issued shall file on or before the last day of each month a return for the preceding calendar month where a carrier's total tax liability under this article for the preceding calendar year exceeded [four] twelve thousand dollars. Where a carrier's total tax liability under this article for the preceding calendar year did not exceed [four] twelve thousand dollars or where a carrier was not subject to such tax in the preceding calendar year, returns shall be filed quarterly, on or before the last day of the calendar month following each of the calendar quarters: January through March, April through June, July through September and October through December. Provided, however, if the commissioner consents thereto in writing, any carrier may file a return on or before the thirtieth day after the close of any different period, if the carrier's books are regularly kept on a periodic basis other than a calendar month or quarter. The commissioner may permit the filing of returns on an annual basis, provided the carrier was subject to the tax under this article during the entire preceding calendar year and the carrier's total tax liability under this article for such year did not exceed [two hundred fifty] twelve hundred dollars. Such annual returns shall be filed on or before January thirty-first of the succeeding calendar year. Returns shall be filed with the commissioner on forms to be furnished by such commissioner for such purpose and shall contain such data, information or matter as the commissioner may require to be included therein. The fact that a carrier's name is signed to a filed return shall be prima facie evidence for all purposes that the return was actually signed by such carrier. The commissioner may grant a reasonable extension of time for filing returns whenever good cause exists and may waive the filing of returns if a carrier is not subject to the tax imposed by this article for the period covered by the return. Every return shall have annexed thereto a certification to the effect that the statements contained therein are true.

§ 3. This act shall take effect immediately; provided, however, that section two of this act shall apply to tax returns for taxable periods beginning on or after January 1, 2022.

PART R

Section 1. Section 1280 of the tax law is amended by adding two new subdivisions (v) and (w) to read as follows:

(v) "Technology service provider" or "TSP" means a person that acts by employment, contract or otherwise on behalf of one or more taxicab owners or HAIL vehicle owners to collect the trip record for a taxicab trip or HAIL vehicle trip.

(w) "Cash trip" means any trip for which the TSP collects the trip record but does not collect the fare.

§ 2. Subdivision (b) of section 1283 of the tax law, as amended by chapter 9 of the laws of 2012, is amended to read as follows:

(b) (1) If the taxicab owner has designated an agent, then the agent shall be jointly liable with the taxicab owner for the tax on trips occurring during the period that such designation is in effect. Even if the TLC has specified that the taxicab owner's agent cannot operate as an agent, that agent shall be jointly liable with the taxicab owner if the agent has acted for the taxicab owner. During the period that a taxicab owner's designation of an agent is in effect, the agent shall file the returns required by this article and pay any tax due with such
return, but the taxicab owner shall not be relieved of liability for
tax, penalty or interest due under this article, or for the filing of
returns required to be filed, unless the agent has timely filed accurate
returns and timely paid the tax required to be paid under this article.
If a taxicab owner has designated an agent, then the agent must perform
any act this article requires the taxicab owner to perform, but the
failure of such agent to perform any such act shall not relieve the
taxicab owner from the obligation to perform such act or from any
liability that may arise from failure to perform the act.

(2) (A) Notwithstanding the foregoing, a TSP that collects the trip
record and the trip fare on behalf of a taxicab owner or a HAIL vehicle
owner shall withhold from daily collections the taxes due on such trips,
and shall withhold from such collections the taxes due on cash trips. If
the TSP's daily collections, after retaining any fees to which it is
entitled pursuant to a contract with such taxicab owner or HAIL vehicle
owner, are insufficient to cover the taxes due on such cash trips, the
TSP shall withhold an amount from subsequent daily collections, to the
extent funds are available, until all taxes due for a quarterly period
described in section twelve hundred eighty-four of this article have
been withheld. If a TSP is unable to withhold all the taxes due in such
quarterly period, it shall withhold such unwithheld taxes from daily
collections in the next quarterly period. A TSP shall be jointly liable
for the tax due on all trips for which it collects the trip record, but
shall be relieved of liability for any taxes attributable to cash trips
for which it was unable to withhold the taxes due because there was
insufficient daily collections during four successive quarterly periods.

(B) For any period that the TSP collects trip records on behalf of a
taxicab owner or HAIL vehicle owner, the TSP shall file returns reporting
the tax due on all trips for which it collected trip records and
shall remit the taxes withheld on all such trips and shall report any
unwithheld taxes due because of insufficient daily collections to cover
the taxes due on cash trips.

§ 3. Subdivision (a) of section 1299-B of the tax law, as added by
section 2 of part NNN of chapter 59 of the laws of 2018, is amended to
read as follows:
(a) Notwithstanding any provision of law to the contrary, any person
that dispatches a motor vehicle by any means that provides transporta-
tion that is subject to a surcharge imposed by this article, including
transportation network companies as defined in article forty-four-B of
the vehicle and traffic law, shall be liable for the surcharge imposed
by this article, except that in the case of taxicab trips and HAIL vehi-
cle trips that are also subject to tax pursuant to article twenty-nine-A
of this chapter[; only the taxicab owner or HAIL base liable for that
tax shall be the person liable for the surcharge imposed by this arti-
cle]; (1) a TSP that collected the trip record and trip fare shall with-
hold from daily collections the surcharges due on such trips, and shall
withhold from such collections the surcharges due on cash trips. If the
TSP's daily collections, after retaining any fees to which it is enti-
titled pursuant to a contract with such taxicab owner or HAIL vehicle
owner, are insufficient to cover the surcharges due on such cash trips,
the TSP shall withhold an amount from subsequent daily collections, to
the extent funds are available, until all surcharges due for a monthly
period have been withheld. If a TSP is unable to withhold all the
surcharges due in a monthly period, it shall withhold such unwithheld
surcharges from daily collections in the next monthly period. A TSP
shall be jointly liable for the surcharge imposed by this article for
all trips for which the TSP collected the trip record, but shall be
relieved of liability for any surcharges attributable to cash trips for
which it was unable to withhold the surcharges because there were insuf-
ficient daily collections during twelve successive monthly periods.
(2) The TSP shall be responsible for filing monthly returns reporting
the surcharges due on all trips for which it collected trip records,
shall remit the surcharges withheld on all such trips and shall report
any unwithheld surcharges due because of insufficient daily collections
to cover the tax due on cash trips. For purposes of this section, the
terms "taxicab trips," "HAIL vehicle trips," "taxicab owner," [and]
"HAIL base," "TSP" and "cash trip" shall have the same meaning as they
do in section twelve hundred eighty of this chapter.
§ 4. Section 1299-F of the tax law is amended by adding a new subdivi-
sion (e) to read as follows:
(e) Notwithstanding the provisions of subdivision (a) of this section,
the commissioner may, in his or her discretion, permit the proper offi-
cer of the taxi and limousine commission of the city of New York (TLC)
or the duly authorized representative of such officer, to inspect any
return filed under this article, or may furnish to such officer or such
officer's authorized representative an abstract of any such return or
supply such person with information concerning an item contained in any
such return, or disclosed by any investigation of tax liability under
this article; but such permission shall be granted or such information
furnished only if the TLC shall have furnished the commissioner with all
information requested by the commissioner pursuant to this article and
shall have permitted the commissioner or the commissioner's authorized
representative to make any inspection of any records or reports concern-
ing for-hire transportation trips subject to the surcharge imposed by
this article, and any persons required to collect such surcharge, filed
with or possessed by the TLC that the commissioner may have requested
from the TLC. Provided, further, that the commissioner may disclose to
the TLC whether or not a person liable for the surcharge imposed by this
article has paid all of the surcharges due under this article as of any
given date.
§ 5. This act shall take effect immediately and shall apply to trips
occurring on or after July 1, 2021.

[Such]

The affirmations required by this paragraph shall be made in the form and manner prescribed by the commissioner, provided that notwithstanding any provision of law to the contrary, affirmants may be allowed, but shall not be required, to sign such affirmations electronically.

§ 2. Paragraphs vii and viii of subdivision 1-e of section 333 of the real property law are REPEALED.

§ 3. Subdivision 3 of section 333 of the real property law, as amended by section 2 of part JJ of chapter 56 of the laws of 2009 and as further
amended by subdivision (d) of section 1 of part W of chapter 56 of the  
laws of 2010, is amended to read as follows:

New York is presented with a conveyance for recording that is accompa-

the tax law, such recording officer shall be relieved of the responsi-
bility to collect the fee described by this subdivision. He or she  
shall nonetheless be entitled to the portion of such fee that he or she  
would otherwise have deducted pursuant to this subdivision, as provided  
by subdivision (b) of section fourteen hundred twenty-three of the tax  
law.

(ii) When a recording officer is presented with a conveyance for  
recording that is not accompanied by such a receipt, he or she shall  
impose a fee of two hundred fifty dollars, or in the case of a transfer  
involving qualifying residential or farm property as defined by para-
graph iv of subdivision one-e of this section, a fee of one hundred  
twenty-five dollars, for every real property transfer reporting form

York, except where a real property transfer reporting form is also  
submitted for recording for the transfer as required under subdivision  
two of paragraph i of this section. The recording officer shall deduct nine dollars from such fee and remit the remainder

her;

(2) it is accompanied by a form prescribed by the commissioner pursuant  
to subsection (b) of this section and the payment of any estimated  
tax shown as payable on such form or [unless]

(3) such receipt or form includes a certification by the transferor  
that this section is inapplicable to the sale or transfer.

§ 5. Subdivision (c) of section 1407 of the tax law, as amended by  
chapter 61 of the laws of 1989, is amended to read as follows:

(c) Every recording officer designated to act as such agent is presented with a conveyance for recording that is accompanied  
by a receipt issued by the commissioner pursuant to subdivision (c) of  
section fourteen hundred twenty-three of this article. Such recording  
officer shall be relieved of the responsibility to collect the real  
estate transfer tax thereon. He or she shall nonetheless be entitled to  
the portion of such tax that he or she would otherwise have retained  
pursuant to this subdivision, as provided by subdivision (b) of section  
fourteen hundred twenty-three of the tax law.
2. When a recording officer is presented with a conveyance for recording that is not accompanied by a receipt described in paragraph one of this subdivision, he or she shall collect the applicable real estate transfer tax and shall retain, from the real estate transfer tax which he or she collects, the sum of one dollar for each of the first five thousand conveyances accepted for recording and for which he or she has issued a documentary stamp or metering machine stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to any other method for payment of the tax provided for in the regulations of the commissioner of taxation and finance, during each annual period commencing on the first day of August and ending on the next succeeding thirty-first day of July and seventy-five cents for each conveyance in excess of five thousand accepted for recording and for which he or she has issued such a stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to such other method, during such annual period. Such fee shall be payable even though the stamp issued or such notation shows that no tax is due. Such a fee paid to the register of the city of New York shall belong to the city of New York and such a fee paid to a recording officer of a county outside such city shall belong to such officer's county. With respect to any other agents designated to act pursuant to subdivision (a) of this section, the commissioner of taxation and finance shall have the power to provide, at his or her discretion, for payment of a fee to such agent, in such manner and amount and subject to such limitations as he or she may determine, but any such fee for any annual period shall not be greater than the sum of one dollar for each of the first five thousand conveyances for which such agent has issued a documentary stamp or metering machine stamp or upon which instrument effecting the conveyance he or she has noted payment of the tax or that no tax is due, pursuant to any other method for payment of the tax provided for in the regulations of the commissioner of taxation and finance, during such annual period and seventy-five cents for each conveyance in excess of five thousand for which such agent has issued such a stamp or upon which instrument effecting the conveyance such agent has noted payment of the tax or that no tax is due, pursuant to such other method, during such annual period.

§ 6. Subdivision (b) of 1409 of the tax law, as added by chapter 61 of the laws of 1989, is amended to read as follows:

(b) Subject to the provisions of section fourteen hundred twenty-three of this article, the return shall be signed by both the grantor and the grantee. Where a conveyance has more than one grantor or more than one grantee, the return shall be signed by all of such grantors and grantees. Where any or all of the grantors or any or all of the grantees have failed to sign a return, it shall be accepted as a return if signed by any one of the grantors or by any one of the grantees. Provided, however, those not signing the return shall not be relieved of any liability for the tax imposed by this article and the period of limitations for assessment of tax or of additional tax shall not apply to any such party.

§ 7. Subdivision (b) of section 1410 of the tax law, as added by chapter 61 of the laws of 1989, is amended to read as follows:

(b) A recording officer shall not record an instrument effecting a conveyance unless one of the following conditions is satisfied:
(1) the instrument is accompanied by a receipt issued by the commis-
sioner pursuant to subdivision (c) of section fourteen hundred twenty-
three of this article; or

(2) the return required by section fourteen hundred nine of this arti-
cle has been filed and the real estate transfer tax due, if any, shall
have been paid as provided in this section.

§ 8. The tax law is amended by adding a new section 1423 to read as
follows:

§ 1423. Modernization of real property transfer reporting. (a)
Notwithstanding any provision of law to the contrary, the commissioner
is hereby authorized to implement a system for the electronic collection
of data relating to transfers of real property. In connection therewith,
the commissioner may combine the two forms referred to in paragraph one
of this subdivision into a consolidated real property transfer form to
be filed with him or her electronically; provided:

(1) The two forms that may be so combined are the real estate transfer
tax return required by section fourteen hundred nine of this article,
and the real property transfer report required by subdivision one-e of
section three hundred thirty-three of the real property law. However,
the commissioner shall continue to maintain both such return and such
report as separate forms, so that a party who prefers not to file a
consolidated real property transfer form with the commissioner electron-
ically shall have the option of filing both such return and such report
with the recording officer, as otherwise provided by law. Under no
circumstances shall a consolidated real property transfer form be filed
with, or accepted by, the recording officer.

(2) Notwithstanding the provisions of section fourteen hundred eigh-
teen of this article, any information appearing on a consolidated real
property transfer form that is required to be included on the real prop-
erty transfer report required by subdivision one-e of section three
hundred thirty-three of the real property law shall be subject to public
disclosure.

(3) When a consolidated real property transfer form is electronically
submitted to the department by either the grantor or grantee or a duly
authorized agent thereof, the act of submitting such form shall be
deemed to be the signing of the return as required by paragraph (v) of
subdivision one-e of the real property law or subdivision (b) of section
fourteen hundred nine of this article, and the requirement that all the
grantors and grantees shall sign the return shall not apply. However,
the fact that a grantor or grantee has not electronically submitted the
form shall not relieve that grantor or grantee of any liability for the
tax imposed by this article.

(b) When a consolidated real property transfer form is filed with the
commissioner electronically pursuant to this section, the real estate
transfer tax imposed under this article, and the fee that would other-
wise be retained by the recording officer pursuant to subdivision three
of section three hundred thirty-three of the real property law, shall be
paid to the commissioner therewith. The commissioner shall retain on
behalf of the recording officer the portion of such tax that would
otherwise have been retained by the recording officer pursuant to subdi-
vision (c) of section fourteen hundred seven of this article, and the
portion of such fee that would otherwise have been retained by the
recording officer pursuant to subdivision three of section three hundred
thirty-three of the real property law. The monies so retained by the
commissioner on behalf of the recording officer, hereinafter referred to
as the recording officer’s fees, shall be deposited daily with such
responsible banks, banking houses, or trust companies as may be designated by the state comptroller. Of the recording officer’s fees so deposited, the comptroller shall retain in the comptroller’s hands such amount as the commissioner may determine to be necessary for refunds or reimbursements of such fees collected or received pursuant to this section, out of which the comptroller shall pay any refunds or reimbursements of such fees to which persons shall be entitled under the provisions of this section. The comptroller, after reserving such refund and reimbursement fund shall, on or before the twelfth day of each month, pay to the appropriate recording officers an amount equal to the recording officer’s fees reserved on their behalf. Provided, however, that the commissioner is authorized to request that the comptroller refrain from making such a payment of such fees to a recording officer until the commissioner has certified to the comptroller that the recording officer has supplied the commissioner with the liber and page numbers of the recorded instruments that gave rise to such fees.

(c) The system for the electronic submission of consolidated real property transfer forms shall be designed so that upon the successful electronic filing of such a form and the payment of the associated taxes and fees, the party submitting the same shall be provided with an electronic receipt in a form prescribed by the commissioner that confirms such filing and payment. Such party may file a printed copy of such receipt with the recording officer when offering the associated instrument for recording, in lieu of submitting to the recording officer the return, report, tax and fee that would otherwise have been required under this article and subdivisions one-e and three of section three hundred thirty-three of the real property law. The recording officer shall retain such receipt for a minimum of three years, unless otherwise directed by the commissioner, and shall provide a copy thereof to the commissioner for inspection upon his or her request.

(d) Upon recording the instrument to which the consolidated real property transfer form pertains, the recording officer shall provide the commissioner with the liber and page thereof at such time and in such manner as the commissioner shall prescribe.

(e) The provisions of this section shall not be applicable within a city or county that has implemented its own electronic system for the recording of deeds, the filing of the real estate transfer tax returns and the real property transfer reports prescribed by the commissioner, and the payment of the associated taxes and fees, unless such city or county shall notify the commissioner that such jurisdiction will follow the system authorized pursuant to this section to be used therein, in writing.

§ 9. This act shall take effect immediately.

Owners of such property may claim the credit authorized by subsection (eee) of section six hundred six of the tax law in the manner prescribed therein. The commissioner shall develop a process to automatically switch qualified exemption recipients into the STAR credit, and to request additional information from those exemption recipients whose credit eligibility cannot be independently confirmed. Each affected individual shall be notified of the switch as soon as practicable. Once the individual receives a STAR credit check and deposits or endorses it, he or she shall be deemed to have consented to the switch and shall not be permitted to switch back to the exemption.

§ 5. Subparagraph (B) of paragraph 6 of subsection (eee) of section 606 of the tax law is amended by adding a new clause (iii) to read as follows:

(iii) Beginning with the two thousand twenty-two taxable year, to receive the credit authorized by this subsection, an owner of a mobile home described by clause (i) of this subparagraph shall register for such credit in the manner prescribed by the commissioner.

§ 6. This act shall take effect immediately; provided, however, that the amendments to subdivision w of section 233 of the real property law made by sections one, two and three of this act shall be applicable beginning with assessment rolls used to levy school district taxes for the 2022--2023 school year.

When an exemption statute makes one or more options available to municipal corporations having a population within a specified range, and the governing body of a municipal corporation adopts a local law or resolution exercising such an option while its population is within the specified range, a subsequent change in the population of the municipal corporation that places it outside the specified range shall not render such local law or resolution ineffective or invalid, nor shall it impair the ability of the governing
body to amend or repeal such local law or resolution to the same extent as if its population were still within the specified range. Provided, however, that this subdivision shall not apply to any exemption statute that expressly provides that a local law or resolution adopted thereunder shall become ineffective or invalid if the population of the municipal corporation subsequently experiences a change that places it outside the specified range.

2. Filing provisions. When an exemption statute makes one or more options available to some or all municipal corporations, and further provides that a municipal corporation adopting a local law or resolution exercising such an option shall file a copy thereof with one or more state agencies other than the department of state, but if such statute does not expressly provide that a local law or resolution exercising such an option shall not take effect until a copy thereof is filed with the specified state agency or agencies, then a failure to comply with such filing provision shall not render such local law or resolution ineffective or invalid.

3. PART X

Section 1. Subdivisions 5, 7 and 9 of section 487 of the real property
tax law, subdivision 5 as amended by chapter 325 of the laws of 2018,
subdivision 7 as amended by chapter 515 and subdivision 9 as added by
chapter 608 of the laws of 2002, and paragraph (a) of subdivision 9 as
amended by chapter 344 of the laws of 2014, are amended to read as
follows:

5. The exemption granted pursuant to this section shall only be appli-
cable to (a) solar or wind energy systems or farm waste energy systems
which are (i) existing or constructed prior to July first, nineteen
hundred eighty-eight or (ii) constructed subsequent to January first,
nineteen hundred ninety-one and prior to January first, two thousand
twenty-five thirty, and (b) micro-hydroelectric energy systems, fuel
cell electric generating systems, micro-combined heat and power generat-
ing equipment systems, electric energy storage equipment or electric
energy storage system, or fuel-flexible linear generator electric gener-

thousand eighteen and prior to January first, two thousand [twenty-five]
thirty.

7. If the assessor is satisfied that the applicant is entitled to an
exemption pursuant to this section, he or she shall approve the applica-
tion and enter the taxable assessed value of the parcel for which an
exemption has been granted pursuant to this section on the assessment
roll with the taxable property, with the amount of the exemption set
forth in a separate column as computed pursuant to subdivision two of
this section in a separate column. In the event that real property
granted an exemption pursuant to this section ceases to be used primari-
ly for eligible purposes, the exemption granted pursuant to this section
shall cease.

9. (a) A county, city, town, village or school district, except a
school district under article fifty-two of the education law, that has
not acted to remove the exemption under this section may require the
owner of a property which includes a solar or wind energy system which
meets the requirements of subdivision four of this section, to enter
into a contract for payments in lieu of taxes. Such contract may require
annual payments in an amount not to exceed the amounts which would
otherwise be payable but for the exemption under this section. If the
owner or developer of such a system provides written notification to a
taxing jurisdiction of its intent to construct such a system, then in
order to require the owner or developer of such system to enter into a
contract for payments in lieu of taxes, such taxing jurisdiction must
notify such owner or developer in writing of its intent to require a
contract for payments in lieu of taxes within sixty days of receiving
the written notification. Written notification to a taxing jurisdiction
for this purpose shall include a hard copy letter sent to the highest-
ranking official of the taxing jurisdiction. Such letter shall explicit-
ly reference subdivision nine of section four hundred eighty-seven of
the real property tax law, and clearly state that, unless the taxing
jurisdiction responds within sixty days in writing with its intent to require a contract for payments in lieu of taxes, such project shall not be obligated to make such payments.

(b) Notwithstanding paragraph (a) of this subdivision, should a taxing jurisdiction adopt a law or resolution at any time within or prior to the sixty day window, indicating the taxing jurisdiction's ongoing intent to require a contract for payments in lieu of taxes for such systems, such law or resolution shall be considered notification to owners or developers and no further action is required on the part of the taxing jurisdiction, provided that such law or resolution remains in effect through the end of the sixty day notification period.

The] (c) Any payment in lieu of a tax agreement shall not operate for a period of more than fifteen years, commencing in each instance from the date on which the benefits of such exemption first become available and effective.

Such report shall be in the form and manner prescribed by the commissioner.

§ 3. The real property tax law is amended by adding a new section 575-b to read as follows:

§ 575-b. Solar or wind energy systems. 1. The assessed value for solar or wind energy systems, as defined in section four hundred eighty-seven of this chapter, shall be determined by a discounted cash flow approach that includes:

(a) An appraisal model identified and published by the New York state department of taxation and finance, in consultation with the New York state energy research and development authority, within one hundred eighty days of the effective date of this section, and periodically thereafter as appropriate; and

(b) A solar or wind energy system discount rate or rates published annually by the New York state department of taxation and finance; provided that prior to such publication, such discount rate or rates shall be published in preliminary form on the department's website and notice thereof shall be sent to parties who have requested the same. The department shall then allow at least sixty days for public comments to be submitted, and shall consider any comments so submitted and make any changes it deems necessary prior to publishing the final discount rate or rates; and

(c) In the formulation of such a model and discount rate, the New York state department of taxation and finance shall consult with the New York State Assessors Association. Provided, further, in the formulation of such a model and discount rate, the New York state department of taxation and finance shall be authorized to take into account economic and cost characteristics of such solar and wind energy systems located in different geographic regions of the state and consider regionalized
market pressures in the formulation of the appraisal model and discount rate required under this section.

2. The reports required by section five hundred seventy-five-a of this title shall be designed to elicit such information as the commissioner may reasonably require for the development and maintenance of an appraisal model and discount rate.

3. The provisions of this section shall only apply to solar or wind energy systems with a nameplate capacity equal to or greater than one megawatt.

§ 4. The third undesignated paragraph of section 852 of the general municipal law, as amended by chapter 630 of the laws of 1977, is amended to read as follows:

It is hereby further declared to be the policy of this state to protect and promote the health of the inhabitants of this state and to increase trade through promoting the development of facilities to provide recreation for the citizens of the state and to attract tourists from other states and to promote the development of renewable energy projects to support the state's renewable energy goals as may be established or amended from time to time.

PART Y

Section 1. Legislative intent. Section 9 of Article 1 of the New York State Constitution was recently amended and provides "casino gambling at no more than seven facilities as authorized and prescribed by the legislature shall hereafter be authorized or allowed within this state". It is the sense of the legislature that this provision is not contravened by a statute that authorizes the acceptance of a wager by an individual who is betting by virtual or electronic means and the wager is accepted through equipment located within a licensed gaming facility; provided that any such wager meets other safeguards ensuring that the plain text of this provision is honored in such structure. Sports wagering is now legal online in 14 states, including the bordering states of New Jersey and Pennsylvania, while it is permitted only in person in New York at four upstate commercial gaming facilities and Native American Class III gaming facilities. An industry study found that nearly 20 percent of New Jersey's online sports wagering revenue comes from New York residents, costing the state millions of dollars in lost tax revenue.

§ 2. Legislative finding. The legislature hereby finds and declares that a sports wager that is made through virtual or electronic means from a location within New York state and is transmitted to and accepted by electronic equipment located at a licensed gaming facility, including without limitation a computer server located at such licensed gaming facility, is a sports wager made at such licensed gaming facility, notwithstanding any provisions of the penal law to the contrary.
§ 3. Section 1367 of the racing, pari-mutuel wagering and breeding law, as added by chapter 174 of the laws of 2013, paragraphs (b) and (d) of subdivision 3 as amended by section 1 of part X of chapter 59 of the laws of 2020, is amended to read as follows:

Section 1. Paragraph (a) of subdivision 1 of section 1003 of the
racing, pari-mutuel wagering and breeding law, as amended by section 1
of part Z of chapter 59 of the laws of 2020, is amended to read as
follows:
(a) Any racing association or corporation or regional off-track
betting corporation, authorized to conduct pari-mutuel wagering under
this chapter, desiring to display the simulcast of horse races on which
pari-mutuel betting shall be permitted in the manner and subject to the
conditions provided for in this article may apply to the commission for
a license so to do. Applications for licenses shall be in such form as
may be prescribed by the commission and shall contain such information
or other material or evidence as the commission may require. No license
shall be issued by the commission authorizing the simulcast transmission
of thoroughbred races from a track located in Suffolk county. The fee
for such licenses shall be five hundred dollars per simulcast facility
and for account wagering licensees that do not operate either a simul-
cast facility that is open to the public within the state of New York or
a licensed racetrack within the state, twenty thousand dollars per year
payable by the licensee to the commission for deposit into the general
fund. Except as provided in this section, the commission shall not
approve any application to conduct simulcasting into individual or group
residences, homes or other areas for the purposes of or in connection
with pari-mutuel wagering. The commission may approve simulcasting into
residences, homes or other areas to be conducted jointly by one or more
regional off-track betting corporations and one or more of the follow-
ing: a franchised corporation, thoroughbred racing corporation or a
harness racing corporation or association; provided (i) the simulcasting

that the contract provisions or other simulcast arrangements for such
simulcast facility shall be no less favorable than those in effect on

 corporation having within its geographic boundaries such residences,
homes or other areas technically capable of receiving the simulcast
signal shall be a contracting party; (iii) the distribution of revenues
shall be subject to contractual agreement of the parties except that
statutory payments to non-contracting parties, if any, may not be
reduced; provided, however, that nothing herein to the contrary shall
prevent a track from televising its races on an irregular basis primari-
ly for promotional or marketing purposes as found by the commission. For
purposes of this paragraph, the provisions of section one thousand thir-
ten of this article shall not apply. Any agreement authorizing an
in-home simulcasting experiment commencing prior to May fifteenth, nine-
teen hundred ninety-five, may, and all its terms, be extended until June
thirtieth, two thousand twenty; provided, however, that any party to such agreement may elect to terminate such agreement upon
conveying written notice to all other parties of such agreement at least forty-five days prior to the effective date of the termination, via registered mail. Any party to an agreement receiving such notice of an intent to terminate, may request the commission to mediate between the parties new terms and conditions in a replacement agreement between the parties as will permit continuation of an in-home experiment until June thirtieth, two thousand twenty-one twenty-two; and (iv) no in-home simulcasting in the thoroughbred special betting district shall occur without the approval of the regional thoroughbred track.

§ 479. Cap on tax credit. The total amount of tax credits listed on
certificates of tax credit issued by the commissioner pursuant to this
article may not exceed thirty-five million dollars.

§ 2. The tax law is amended by adding a new section 46 to read as
follows:

§ 46. Restaurant return-to-work tax credit. (a) Allowance of credit. A
taxpayer subject to tax under article nine-A or twenty-two of this chap-
ter shall be allowed a credit against such tax, pursuant to the
provisions referenced in subdivision (f) of this section. The amount of
the credit is equal to the amount determined pursuant to section four
hundred seventy-five of the economic development law. No cost or expense
paid or incurred by the taxpayer which is included as part of the calcu-
lation of this credit shall be the basis of any other tax credit allowed
under this chapter.

(b) Eligibility. To be eligible for the restaurant return-to-work tax
credit, the taxpayer shall have been issued a certificate of tax credit
by the department of economic development pursuant to subdivision two of
section four hundred seventy-four of the economic development law, which
certificate shall set forth the amount of the credit that may be claimed
for the taxable year. The taxpayer shall be allowed to claim only the
amount listed on the certificate of tax credit for that taxable year. A
taxpayer that is a partner in a partnership, member of a limited liabil-
ity company or shareholder in a subchapter S corporation that has
received a certificate of tax credit shall be allowed its pro rata share
of the credit earned by the partnership, limited liability company or
subchapter S corporation.

(c) Tax return requirement and advance payment option. (1) The taxpay-
er shall be required to attach to its tax return in the form prescribed
by the commissioner, proof of receipt of its certificate of tax credit
issued by the commissioner of the department of economic development.

(2) Taxpayers who choose to use August thirty-first, two thousand
twenty-one as the last date to calculate their average ending full-time
employment and have received their certificate of tax credit by November
fifteenth, two thousand twenty-one shall have the option to request an
advance payment of the amount of tax credit they are allowed under this
section. A taxpayer must submit such request to the department in the
manner prescribed by the commissioner after it has been issued a certif-
icate of tax credit by the department of economic development pursuant
to subdivision two of section four hundred seventy-four of the economic
development law (or such certificate has been issued to a partnership,
limited liability company or subchapter S corporation in which it is a partner, member or shareholder, respectively), but such request must be submitted no later than November fifteenth, two thousand twenty-one. For those taxpayers who have requested an advance payment and for whom the commissioner has determined eligible for this credit, the commissioner shall advance a payment of the tax credit allowed to the taxpayer. However, in the case of a taxpayer subject to article nine-A of this chapter, such payment shall be equal to the amount of credit allowed to the taxpayer less twenty-five dollars. Such twenty-five dollars shall represent a partial payment of tax owed by the taxpayer under article nine-A, including any fixed dollar minimum owed under paragraph (d) of subdivision one of section two hundred ten of this chapter. When a taxpayer files its return for the taxable year, such taxpayer shall properly reconcile the advance payment and any partial payment of fixed dollar minimum tax, if applicable, on the taxpayer's return.

(d) Information sharing. Notwithstanding any provision of this chapter, employees of the department of economic development and the department shall be allowed and are directed to share and exchange:

(1) information derived from tax returns or reports that is relevant to a taxpayer's eligibility to participate in the restaurant return-to-work tax credit program;

(2) information regarding the credit applied for, allowed or claimed pursuant to this section and taxpayers that are applying for the credit or that are claiming the credit; and

(3) information contained in or derived from credit claim forms submitted to the department and applications for admission into the restaurant return-to-work tax credit program. Except as provided in paragraph two of this subdivision, all information exchanged between the department of economic development and the department shall not be subject to disclosure or inspection under the state's freedom of information law.

(e) Credit recapture. If a certificate of tax credit issued by the department of economic development under article twenty-five of the economic development law is revoked by such department, the amount of credit described in this section and claimed by the taxpayer prior to that revocation shall be added back to tax in the taxable year in which any such revocation becomes final.

(f) Cross references. For application of the credit provided for in this section, see the following provisions of this chapter:

(1) article 9-A: section 210-B, subdivision 56;

(2) article 22: section 606, subsection (l)(l).

§ 3. Section 210-B of the tax law is amended by adding a new subdivision 56 to read as follows:

56. Restaurant return-to-work tax credit. (a) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section forty-six of this chapter, against the taxes imposed by this article.

(b) Application of credit. The credit allowed under this subdivision for the taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowed under this subdivision for the taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thou-
sand eighty-six of this chapter. Provided, however, the provisions of
subsection (c) of section one thousand eighty-eight of this chapter
notwithstanding, no interest will be paid thereon.
§ 4. Section 606 of the tax law is amended by adding a new subsection
(111) to read as follows:
(111) Restaurant return-to-work tax credit. (1) Allowance of credit.
A taxpayer shall be allowed a credit, to be computed as provided in
section forty-six of this chapter, against the tax imposed by this arti-
cle.
(2) Application of credit. If the amount of the credit allowed under
this subsection for the taxable year exceeds the taxpayer's tax for such
year, the excess shall be treated as an overpayment of tax to be credit-
ed or refunded in accordance with the provisions of section six hundred
eighty-six of this article, provided, however, that no interest will be
paid thereon.
§ 5. Subparagraph (B) of paragraph 1 of subsection (i) of section 606
of the tax law is amended by adding a new clause (xlvi) to read as
follows:
(xlvi) Restaurant return-to-work Amount of credit under
tax credit subdivision fifty-six of
section two hundred ten-B
$ 6. This act shall take effect immediately.

person who is the subject of the particular record;
(c) a judicial or administrative officer or employee in connection with an administrative or judicial proceeding if the information sought to be disclosed is necessary to act upon an application for benefits submitted by the person who is the subject of the particular record; and
(d) a person engaged in bona fide statistical research, including but not limited to actuarial studies and health and safety investigations, which are authorized by statute or regulation of the department of labor or other governmental agency. Individually identifiable information shall not be disclosed unless the researcher has entered into an agreement not to disclose any individually identifiable information which contains restrictions no less restrictive than the restrictions set forth in this section and which includes an agreement that any research findings will not disclose individually identifiable information.

3. Individual authorization. Notwithstanding the restrictions on disclosure set forth under subsection one of this section, an excluded worker may authorize the release, re-release or publication of his or her record to a specific person not otherwise authorized to receive such record, by submitting written authorization for such release to the department of labor on a form prescribed by the commissioner of labor or by a notarized original authorization specifically directing the department of labor to release the excluded worker's records to such person. However, no such authorization directing disclosure of records to a prospective employer shall be valid; nor shall an authorization permitting disclosure of records in connection with assessing fitness or capability for employment be valid, and no disclosure of records shall be made pursuant thereto. It shall be unlawful for any person to consider for the purpose of assessing eligibility for a benefit, or as the basis for an employment-related action, an individual's failure to provide authorization under this subsection.

4. For the purposes of this act, whenever disclosure of records is sought pursuant to a lawful court order, judicial warrant signed by a judge pursuant to Article III of the U.S. Constitution, or subpoena for individual records properly issued pursuant to the criminal procedure law or the civil practice law and rules or pursuant to subsection two or three of this section, only those records, documents, and information specifically sought may be disclosed, and any such disclosure shall be limited to such records as are necessary to fulfill the purpose of such disclosure.

5. The commissioner of labor shall require any person or entity that receives or has access to records to certify to the commissioner of labor that, before such receipt or access, such person or entity shall not:
   (a) use such records or information for civil immigration purposes; or
   (b) disclose such records or information to any agency that primarily enforces immigration law or to any employee or agent of any such agency unless such disclosure is pursuant to a cooperative arrangement between city, state and federal agencies which arrangement does not enforce immigration law and which disclosure is limited to the specific records or information being sought pursuant to such arrangement. Violation of such certification shall be a class A misdemeanor. In addition to any records required to be kept pursuant to subdivision (c) of section 2721 of title 18 of the United States code, any person or entity certifying pursuant to this paragraph shall keep for a period of five years records of all uses and identifying each person or entity that primarily enforces immigration law that received department records or information from such certifying person or entity. Such records shall be maintained
in a manner and form prescribed by the commissioner of labor and shall
be available for inspection by the commissioner of labor or his or her
designee upon his or her request.

(c) For purposes of this subsection, the term "agency that primarily
enforces immigration law" shall include, but not be limited to, United
States immigration and customs enforcement and United States customs and
border protection, and any successor agencies having similar duties.

(d) Failure to maintain records as required by this subsection shall
be a class A misdemeanor.

6. Except as otherwise provided by this act, any person who knowingly
and willfully obtains records which contain individually identifiable
information under false pretenses or otherwise violates this section
shall be guilty of a class E felony.

7. In addition to or in lieu of any criminal proceeding available
under this section, whenever there shall be a violation of this section,
application may be made by the attorney general in the name of the
people of the state of New York to a court or justice having jurisdic-
tion by a special proceeding to issue an injunction, and upon notice to
the defendant of not less than five days, to enjoin and restrain the
continuance of such violations; and if it shall appear to the satisfac-
tion of the court or justice that the defendant has, in fact, violated
this section, an injunction may be issued by such court or justice,
enjoining and restraining any further violation, without requiring proof
that any person has, in fact, been injured or damaged thereby. In any
such proceeding, the court may make allowances to the attorney general
as provided in paragraph six of subdivision (a) of section 8303 of the
civil practice law and rules, and direct restitution. Whenever the
court shall determine that a violation of this section has occurred, the
court may impose a civil penalty of not more than five hundred dollars
for the first violation, and not more than one thousand dollars for the
second or subsequent violation within a three-year period. In connection
with any such proposed application, the attorney general is authorized
to take proof and make a determination of the relevant facts and to
issue subpoenas in accordance with the civil practice law and rules.

§ 4. Notwithstanding sections 112 and 163 of the state finance law,
section 142 of the economic development law, and any other inconsistent
provision of law to the contrary, the commissioner of labor is hereby
authorized to enter into non-competitive contracts for any good,
service, or technology for the purposes of administering the program,
including paying the benefits, required by this act.

§ 5. This act shall take effect immediately.

For taxable years beginning before January first, two thousand sixteen, the amount prescribed by this paragraph shall be computed at the rate of seven and one-tenth percent of the taxpayer's business income base. For taxable years beginning on or after January first, two thousand sixteen, the amount prescribed by this paragraph shall be six and one-half percent of the taxpayer's business income base. For taxable years beginning on or after January first, two thousand twenty-one and before January first, two thousand twenty-four for any taxpayer with a business income base for the taxable year of more than five million dollars, the amount prescribed by this paragraph shall be seven and one-quarter percent of the taxpayer's business income base. The taxpayer's business income base shall mean the portion of the taxpayer's business income apportioned within the state as hereinafter provided. However, in the case of a small business taxpayer, as defined in paragraph (f) of this subdivision, the amount prescribed by this paragraph shall be computed pursuant to subparagraph (iv) of this paragraph and in the case of a manufacturer, as defined in subparagraph (vi) of this paragraph, the amount prescribed by this paragraph shall be computed pursuant to subparagraph (vi) of this paragraph, and, in the case of a qualified emerging technology company, as defined in subparagraph (vii) of this paragraph, the amount prescribed by this paragraph shall be computed pursuant to subparagraph (vii) of this paragraph.

(1) (i) The amount prescribed by this paragraph shall be computed at .15 percent for each dollar of the taxpayer's total business capital, or the portion thereof apportioned within the state as hereinafter provided for taxable years beginning before January first, two thousand sixteen. However, in the case of a cooperative housing corporation as defined in the internal revenue code, the applicable rate shall be .04 percent until taxable years beginning on or after January first, two thousand twenty-one and zero percent for taxable years beginning on or after January first, two thousand twenty-four. For taxable years beginning on or after January first, two thousand twenty-one, the rate of tax for subsequent taxable years shall be as follows: .125 percent for taxable years beginning on or after January first, two thousand sixteen and before January first, two thousand seventeen; .100 percent for taxable years beginning on or after January first, two thousand seventeen and before January first, two thousand eighteen; .075 percent for taxable years beginning on or after January first, two thousand eighteen and before January first, two thousand nineteen; .050 percent for taxable years beginning on or after January first, two thousand nineteen and before January first, two thousand twenty; .025 percent for taxable years beginning on or after January first, two thousand twenty and before January first, two thousand twenty-one; and .0125 percent for taxable years beginning on or after January first, two thousand twenty-one and before January first, two thousand twenty-four, and zero percent for taxable years beginning on or after January first, two thousand twenty-four. Provided however, for taxable years beginning on or after January first, two thousand twenty-one and before January first, two thousand twenty-four, and zero percent for taxable years beginning on or after January first, two thousand twenty-four, and zero percent for taxable years beginning on or after January first, two thousand twenty-four.

The rate of tax for a qualified New York manufacturer shall be .132 percent for taxable years beginning on or after January first, two thousand fifteen and before January first, two thousand sixteen, .106 percent for taxable years beginning on or after January first, two thousand sixteen and before January first, two thousand seventeen, .085 percent for taxable years beginning on or after January first, two thousand seventeen and before January first, two thousand eighteen; .056 percent for taxable years beginning on or after January first, two thousand eighteen and before January first, two thousand nineteen; .038 percent for taxable years beginning on or after January first, two thousand nineteen and before January first, two thousand twenty; .019 percent for taxable years beginning on or after January first, two thousand twenty and before January first, two thousand twenty-one; and zero percent for years beginning on or after January first, two thousand twenty-one. (ii) In no event shall the amount prescribed by this paragraph exceed three hundred fifty thousand dollars for qualified New York manufacturers and for all other taxpayers five million dollars.

§ 3. This act shall take effect immediately.

PART III

Section 1. Section 606 of the tax law is amended by adding a new subsection (e-2) to read as follows:

(e-2) Real property tax relief credit. (1) For purposes of this subsection:

(A) "Qualified taxpayer" means a resident individual of the state who owned and primarily resided for six months or more of the taxable year in real property that either received the STAR exemption authorized by section four hundred twenty-five of the real property tax law or that qualified the taxpayer to receive the school tax relief credit authorized by subsection (eee) of this section.

(B) "Qualified gross income" means the adjusted gross income of the qualified taxpayer for the taxable year for federal income tax purposes and, for taxable year two thousand twenty-one computed without regard to the last sentence of subdivision (a) of section six hundred seven of this article. In computing qualified gross income, the net amount of loss reported on Federal Schedule C, D, E, or F shall not exceed three thousand dollars per schedule. In addition, the net amount of any other separate category of loss shall not exceed three thousand dollars. The aggregate amount of all losses included in computing qualified gross income shall not exceed fifteen thousand dollars.

(C) "Residence" means a dwelling in this state owned by the taxpayer and used by the taxpayer as his or her primary residence, and so much of the land abutting it, not exceeding one acre, as is reasonably necessary for use of the dwelling as a home, and may consist of a part of a multi-dwelling or multi-purpose building including a cooperative or condominium. Residence includes a trailer or mobile home, used exclusively for residential purposes and defined as real property pursuant to paragraph (g) of subdivision twelve of section one hundred two of the real property tax law.

(D) "Qualifying real property taxes" means all real property taxes, special ad valorem levies and special assessments, exclusive of penalties and interest, levied by a taxing jurisdiction on the residence owned and occupied by a qualified taxpayer and paid by the qualified
taxpayer during the taxable year, provided that to the extent the total
amount of real property taxes so paid includes school district taxes,
the amount of the school tax relief (STAR) credit claimed pursuant to
subsection (eee) of this section, if any, shall be deducted from such
amount.

A qualified taxpayer may elect to include any additional amount that
would have been levied by a taxing jurisdiction and paid by the qualifi-
cation taxpayer in the absence of an exemption from real property taxation
pursuant to section four hundred sixty-seven of the real property tax
law. If tenant-stockholders in a cooperative housing corporation have
met the requirements of section two hundred sixteen of the internal
revenue code by which they are allowed a deduction for real estate
taxes, the amount of taxes so allowable, or which would be allowable if
the taxpayer had filed returns on a cash basis, shall be qualifying real
property taxes. If a residence is an integral part of a larger unit, quali-
fying real property taxes shall be limited to that amount of such
taxes paid as may be reasonably apportioned to such residence. If a
taxpayer owned and occupied two residences in the state during different
periods in the same taxable year, qualifying real property taxes shall
be the sum of the prorated qualifying real property taxes attributable
to the taxpayer during the periods such taxpayer occupied each of such
residences. A taxpayer who owned and occupied a residence in the state
for part of the taxable year and rented a residence in the state for
part of the same taxable year, may include the proration of qualifying
real property taxes on the residence owned. Provided, however, for
purposes of the credit allowed under this subsection, qualifying real
property taxes may be included by a qualified taxpayer only to the
extent that such taxpayer or the spouse of such taxpayer occupied such
residence for one hundred eighty-three days or more of the taxable year,
owned the residence and paid such taxes.

(E) "Excess real property tax" means the excess of qualifying real
property taxes over six percent of qualified gross income.

(2) For tax years beginning on or after January first, two thousand
twenty-one and before January first, two thousand twenty-four, a quali-
fied taxpayer shall be allowed a credit as provided in paragraph three
of this subsection against the taxes imposed by this article. If the
credit exceeds the tax for such year under this article, the excess
shall be treated as an overpayment, to be credited or refunded, without
interest.

(3) Determination of credit. The credit amount allowed under this
subsection shall be the product of the excess real property tax and the
applicable percentage of the excess real property tax, calculated as
follows:

(A) For qualified taxpayers whose qualified gross income is seventy-
five thousand dollars or less, the applicable percentage shall be four-
ten percent.

(B) For qualified taxpayers whose qualified gross income is greater
than seventy-five thousand dollars but less than or equal to one hundred
fifty thousand dollars, the applicable percentage shall be the differ-
ence between (i) fourteen percent and (ii) five percent multiplied by a
fraction, the numerator of which is the difference between the qualified
taxpayer’s qualified gross income as defined by this subsection and
seventy-five thousand dollars, and the denominator of which is seventy-
five thousand dollars.

(C) For qualified taxpayers whose qualified gross income is greater
than one hundred fifty thousand dollars but less than or equal to two
hundred fifty thousand dollars, the applicable percentage shall be the
difference between (i) nine percent and (ii) six percent multiplied by a
fraction, the numerator of which is the difference between the qualified
taxpayer's qualified gross income and one hundred fifty thousand
dollars, and the denominator of which is one hundred thousand dollars.

(4) No credit shall be allowed under this subsection if the amount
determined pursuant to paragraph three is less than two hundred fifty
dollars, provided further that if the amount determined pursuant to
paragraph three is in excess of three hundred fifty dollars the taxpayer
shall be allowed a credit of three hundred fifty dollars.

(5) The commissioner may prescribe that the credit under this
subsection shall be determined in whole or in part by the use of tables
prescribed by such commissioner. Such tables shall set forth the credit
to the nearest dollar.

(6) No credit shall be granted under this subsection:
(A) To a property owner if qualified gross income for the taxable year
exceeds two hundred fifty thousand dollars.
(B) To a property owner unless: (i) the property is used for residential purposes; (ii) not more than twenty percent of the rental income,
if any, from the property is from rental for nonresidential purposes;
and (iii) the property is occupied as a residence in whole or in part by
one or more of the owners of the property.
(C) To an individual with respect to whom a deduction under subsection
(c) of section one hundred fifty-one of the internal revenue code is
allowable to another taxpayer for the taxable year.
(D) With respect to a residence that is wholly exempted from real
property taxation.
(E) To an individual who is not a resident individual of the state for
the entire taxable year.

(7) In the case of a taxpayer who has itemized deductions from federal
adjusted gross income, and whose federal itemized deductions include an
amount for real estate taxes paid, the New York itemized deduction
otherwise allowable under section six hundred fifteen of this chapter
shall be reduced by the amount of the credit claimed under this
subsection.

§ 2. This act shall take effect immediately and shall apply to taxable
years beginning on or after January 1, 2021.

§ 54-a. Personal income tax notes; 2022. 1. Findings and declaration of need. (a) The state of New York finds and determines that the global spread of the COVID-19 pandemic has had and is expected to continue to have a significant adverse impact on the health and welfare of individuals in the state as well as to the financial condition of the state
during the state's 2021 and 2022 fiscal years and beyond. The antici-
patated shortfalls and deferrals in the state's financial plan receipts
caused by the COVID-19 pandemic has required the state to adopt poli-
cies, regulations and procedures that suspend various legal require-
ments and address state budgetary pressures, some of which require certain
fiscal management authorization measures to be legislatively authorized
and established.

(b) Notwithstanding any other provision of law to the contrary,
including, specifically, the provisions of chapter 59 of the laws of
2000 and section sixty-seven-b of the state finance law, the dormitory
authority of the state of New York and the corporation are hereby
authorized for the state's 2022 fiscal year, to issue until December 31,
2021, notes with a maturity no later than March 31, 2022, to be desig-
nated as personal income tax revenue anticipation notes, in one or more
series in an aggregate principal amount not to exceed three billion
dollars, excluding any such notes issued to finance one or more debt
service reserve funds, and to pay costs of issuance of such notes, for
the purpose of temporarily financing budgetary needs of the state. Such
purpose shall constitute an authorized purpose under subdivision two of
section sixty-eight-a of the state finance law for all purposes of arti-
cle five-C of the state finance law with respect to the notes authorized
by this paragraph. Such notes shall not be renewed or refunded beyond
March 31, 2022. For so long as any notes authorized by this paragraph
shall remain outstanding, the restrictions, limitations and requirements
contained in article five-B of the state finance law shall not apply,
other than subdivision four of section sixty-seven-b of such article.

(c) Such notes of the dormitory authority and the corporation shall
not be a debt of the state, and the state shall not be liable thereon,
or shall they be payable out of any funds other than those appropriated
by the state to the dormitory authority and the corporation for debt
service and related expenses pursuant to any financing agreement
described in paragraph (d) of this subdivision, and such notes shall
contain on the face thereof a statement to such effect. Such notes shall
be issued on a subordinate basis and shall be secured by subordinate
payments from the revenue bond tax fund established pursuant to section
ninety-two-z of the state finance law. Except for purposes of complying
with the internal revenue code, any interest income earned on note
proceeds shall only be used to pay debt service on such notes. All of
the provisions of the state finance law, the dormitory authority act and
this act relating to notes and bonds which are not inconsistent with the
provisions of this section shall apply to notes authorized by paragraph
(b) of this subdivision, including but not limited to the power to
establish adequate reserves therefor, subject to the final maturity
limitation for such notes set forth in paragraph (b) of this subdivi-
sion. The issuance of any notes authorized by paragraph (b) of this
subdivision shall further be subject to the approval of the director of
the division of the budget.

(d) Notwithstanding any other law, rule or regulation to the contrary
but subject to the limitations contained in paragraph (b) of this subdi-
vision, in order to assist the dormitory authority and the corporation
in undertaking the administration and financing of such notes, the
director of the budget is hereby authorized to supplement any existing
financing agreement with the dormitory authority and the corporation, or
to enter into a new financing agreement with the dormitory authority and
the corporation, upon such terms and conditions as the director of the
budget and the dormitory authority and the corporation shall agree, so
as to provide to the dormitory authority and the corporation, a sum not
to exceed the debt service payments and related expenses required for
any notes issued pursuant to this section. Any financing agreement
supplemented or entered into pursuant to this section shall provide that
the obligation of the state to pay the amount therein provided shall not
constitute a debt of the state within the meaning of any constitutional
or statutory provision and shall be deemed executory only to the extent
of monies available and that no liability shall be incurred by the state
beyond the monies available for such purposes, subject to annual appro-
priation by the legislature. Any such financing agreement or any
payments made or to be made thereunder may be assigned or pledged by the
dormitory authority and the corporation as security for the notes
authorized by paragraph (b) of this subdivision.
(e) Notwithstanding any other provision of law to the contrary,
including specifically the provisions of subdivision 3 of section 67-b
of the state finance law, no capital work or purpose shall be required
for any issuance of personal income tax revenue anticipation notes
issued by the dormitory authority and the corporation pursuant to this
section.
(f) Notwithstanding any other law, rule, or regulation to the contra-
ry, the comptroller is hereby authorized and directed to deposit to the
credit of the general fund, all proceeds of personal income tax revenue
anticipation notes issued by the dormitory authority and the New York
state urban development corporation pursuant to this section.
2. Effect of inconsistent provisions. Insofar as the provisions of
this section are inconsistent with the provisions of any other law,
general, special, or local, the provisions of this section shall be
controlling.
3. Severability; construction. The provisions of this section shall be
severable, and if the application of any clause, sentence, paragraph,
subdivision, section or part of this section to any person or circum-
stance shall be adjudged by any court of competent jurisdiction to be
invalid, such judgment shall not necessarily affect, impair or invali-
date the application of any such clause, sentence, paragraph, subdivi-
sion, section, part of this section or remainder thereof, as the case
may be, to any other person or circumstance, but shall be confined in
its operation to the clause, sentence, paragraph, subdivision, section
or part thereof directly involved in the controversy in which such judg-
ment shall have been rendered.
§ 49. Section 1 of chapter 174 of the laws of 1968, constituting the
New York state urban development corporation act, is amended by adding a
new section 55-a to read as follows:
§ 55-a. Line of credit facilities; 2022. 1. Findings and declaration
of need. (a) The state of New York finds and determines that the global
spread of the COVID-19 pandemic has had and is expected to continue to
have a significant adverse impact on the health and welfare of individ-
uals in the state as well as to the financial condition of the state
during the state's 2021 and 2022 fiscal years and beyond. The anticip-
ated shortfalls and deferrals in the state's financial plan receipts
caused by the COVID-19 pandemic has required the state to adopt poli-
cies, regulations and procedures that suspend various legal requirements
and address state budgetary pressures, some of which require certain
fiscal management authorization measures to be legislatively authorized
and established.
(b) Definitions. When used in this subdivision "related expenses and
fees" shall mean interest costs, commitment fees and other costs,
expenses and fees incurred in connection with a line of credit facility
and/or a service contract or other agreement of the state securing such
line of credit facility that contractually obligates the state to pay
debt service subject to an appropriation.

(c) Notwithstanding any other provision of law to the contrary,
including, specifically, the provisions of chapter 59 of the laws of
2000 and section 67-b of the state finance law, the dormitory authority
of the state of New York and the urban development corporation are
authorized until March 31, 2022 to: (i) enter into commitments with
financial institutions for the establishment of one or more line of
credit facilities and other similar revolving financing arrangements not
in excess of two billion dollars in aggregate principal amount; (ii)
draw, at one or more times at the direction of the director of the budg-
et, upon such line of credit facilities and provide to the state the
amounts so drawn for the purpose of assisting the state to temporarily
finance its budgetary needs; provided, however, that the total amount of
such draws shall not exceed two billion dollars; and (iii) secure repay-
ment of such draws under such line of credit facilities, together with
related expenses and fees, which payment obligation thereunder shall not
constitute a debt of the state within the meaning of any constitutional
or statutory provision and shall be deemed executory only to the extent
moneys are available and that no liability shall be incurred by the
state beyond the moneys available for such purpose, and that such
payment obligation is subject to annual appropriation by the legisla-
ture. Any line of credit facility agreements entered by the dormitory
authority of the state of New York and/or the urban development corpo-
ration with financial institutions pursuant to this section may contain
such provisions that the dormitory authority of the state of New York
and/or the urban development corporation deem necessary or desirable for
the establishment of such credit facilities. The maximum term of any
line of credit facility shall be one year from the date of incurrence;
provided however that no draw on any such line of credit facility shall
occur after March 31, 2022, and provided further that any such line of
credit facility whose term extends beyond March 31, 2022, shall be
supported by sufficient appropriation authority enacted by the legisla-
ture that provides for the repayment of all amounts drawn and remaining
unpaid as of March 31, 2022, together with related expenses and fees
incurred and to become due and payable by the dormitory authority of the
state of New York and/or the urban development corporation.

(d) Notwithstanding any other law, rule, or regulation to the contra-
ry, the comptroller is hereby authorized and directed to deposit to the
credit of the general fund, all amounts provided by the dormitory
authority of the state of New York and/or the urban development corpo-
ration to the state from draws made on any line of credit facility
authorized by paragraph (c) of this subdivision.

(e) Notwithstanding any other provision of law to the contrary,
including specifically the provisions of subdivision 3 of section 67-b
of the state finance law, no capital work or purpose shall be required
for any indebtedness incurred in connection with any line of credit
facility authorized by paragraph (c) of this subdivision, or for any
service contract or other agreement entered into in connection with any
such line of credit facility, all in accordance with this section.

(f) Notwithstanding any other provision of law to the contrary, for so
long as any such line of credit facility shall remain outstanding, the
restrictions, limitations and requirements contained in article 5-B of
the state finance law shall not apply. Any such line of credit facility
shall be deemed to be incurred or issued for (i) an authorized purpose within the meaning of subdivision 2 of section 68-a of the state finance law for all purposes of article 5-C of the state finance law and section 92-z of the state finance law, and/or (ii) an authorized purpose within the meaning of subdivision 2 of section 69-m of the state finance law for all purposes of article 5-F of the state finance law and section 92-h of the state finance law, as the case may be. As applicable, all of the provisions of the state finance law, the dormitory authority act and the New York state urban development corporation act relating to notes and bonds which are not inconsistent with the provisions of this section shall apply to any line of credit facility and other similar revolving financing arrangement established in accordance with the authorization contained in paragraph (c) of this subdivision.

(g) Each draw on a line of credit facility authorized by paragraph (c) of this subdivision shall only be made if the service contract or other agreement entered into in connection with such line of credit facility is supported by sufficient appropriation authority enacted by the legislature to repay the amount of the draw, together with related expenses and fees to become due and payable. Amounts repaid under a line of credit facility may be re-borrowed under the same or another line of credit facility authorized by paragraph (c) of this subdivision provided that the legislature has enacted sufficient appropriation authority that provides for the repayment of any such re-borrowed amounts, together with related expenses and fees to become due and payable. Neither the dormitory authority of the state of New York nor the urban development corporation shall have any financial liability for the repayment of draws under any line of credit facility authorized by paragraph (c) of this subdivision beyond the moneys received for such purpose under any service contract or other agreement authorized by paragraph (h) of this subdivision.

(h) The director of the budget is authorized to enter into one or more service contracts or other agreements, none of which shall exceed one year in duration, with the dormitory authority of the state of New York and/or the urban development corporation, upon such terms and conditions as the director of the budget and dormitory authority of the state of New York and/or the urban development corporation shall agree. Any service contract or other agreement entered into pursuant to this paragraph shall provide for state commitments to provide annually to the dormitory authority of the state of New York and/or the urban development corporation a sum or sums, upon such terms and conditions as shall be deemed appropriate by the director of the budget and the dormitory authority of the state of New York and/or the urban development corporation, to fund the payment of all amounts to become due and payable under any line of credit facility. Any such service contract or other agreement shall provide that the obligation of the director of the budget or of the state to fund or to pay the amounts therein provided for shall not constitute a debt of the state within the meaning of any constitutional or statutory provision and shall be deemed executory only to the extent moneys are available and that no liability shall be incurred by the state beyond the moneys available for such purpose, and that such obligation is subject to annual appropriation by the legislature.

(i) Any service contract or other agreement entered into pursuant to paragraph (h) of this subdivision or any payments made or to be made thereunder may be assigned and pledged by the dormitory authority of the state of New York and/or the urban development corporation as security
for any related payment obligation it may have with one or more financial institutions in connection with a line of credit facility authorized by paragraph (c) of this subdivision.

(j) In addition to the foregoing, the director of the budget, the dormitory authority of the state of New York and the urban development corporation shall each be authorized to enter into such other agreements and to take or cause to be taken such additional actions as are necessary or desirable to effectuate the purposes of the transactions contemplated by a line of credit facility and the related service contract or other agreement.

(k) No later than seven days after a draw occurs on a line of credit facility, the director of the budget shall provide notification of such draw to the president pro tempore of the senate and the speaker of the assembly.

(l) The authorization, establishment and use by the dormitory authority of the state of New York and the urban development corporation of a line of credit facility authorized by paragraph (c) of this subdivision shall not be deemed an action, as such term is defined in article 8 of the environmental conservation law, for the purposes of such article. Such exemption shall be strictly limited in its application to such financing activities of the dormitory authority of the state of New York and the urban development corporation undertaken pursuant to this section and does not exempt any other entity from compliance with such article.

(m) Nothing contained in this section shall be construed to limit the abilities of the director of the budget and the authorized issuers of state personal income tax revenue bonds, state sales tax revenue bonds or service contract bonds to perform their respective obligations with respect to existing service contracts or other agreements.

2. Effect of inconsistent provisions. Insofar as the provisions of this section are inconsistent with the provisions of any other law, general, special, or local, the provisions of this act shall be controlling.

§ 50. Section 1 of chapter 174 of the laws of 1968, constituting the New York state urban development corporation act, is amended by adding a new section 56-a to read as follows:

§ 56-a. State-supported debt; 2022. 1. In light of the continuing adverse impact that the COVID-19 pandemic is expected to have on the health and welfare of individuals in the state as well as to the financial condition of the state during the state's 2022 fiscal year, and notwithstanding any other provision of law to the contrary, the dormitory authority of the state of New York, the urban development corporation, and the New York state thruway authority are each authorized to issue state-supported debt pursuant to article 5-B, article 5-C and article 5-F of the state finance law to assist the state to manage its
financing needs during its 2022 fiscal year, without regard to any restrictions, limitations and requirements contained in article 5-B of the state finance law, other than subdivision 4 of section 67-b of such article, and such state-supported debt shall be deemed to be issued for (i) an authorized purpose within the meaning of subdivision 2 of section 68-a of the state finance law for all purposes of article 5-C of the state finance law and section 92-z of the state finance law, or (ii) an authorized purpose within the meaning of subdivision 2 of section 69-m of the state finance law for all purposes of article 5-F of the state finance law and section 92-h of the state finance law, as the case may be. Furthermore, any bonds issued directly by the state during the state's 2022 fiscal year shall be issued without regard to any restrictions, limitations and requirements contained in article 5-B of the state finance law, other than subdivision 4 of such article. For so long as any state-supported debt issued during the state's 2022 fiscal year shall remain outstanding, including any state-supported debt issued to refund state-supported debt issued during such fiscal year, the restrictions, limitations and requirements contained in article 5-B of the state finance law, other than subdivision 4 of section 67-b of such article, shall not apply.

2. Effect of inconsistent provisions. Insofar as the provisions of this section are inconsistent with the provisions of any other law, general, special, or local, the provisions of this act shall be controlling.

3. Severability; construction. The provisions of this section shall be severable, and if the application of any clause, sentence, paragraph, subdivision, section or part of this section to any person or circumstance shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not necessarily affect, impair or invalidate the application of any such clause, sentence, paragraph, subdivision, section, part of this section or remainder thereof, as the case may be, to any other person or circumstance, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 51. Section 3238-a of the public authorities law, as amended by section 1 of part V of chapter 63 of the laws of 2003, is amended to read as follows:

§ 3238-a. Payment to city of New York. 1. Notwithstanding any inconsistent provision of law, the corporation shall transfer to the city of New York one hundred seventy million dollars from the resources of the corporation pursuant to section thirty-two hundred thirty-nine of this title. Such payment shall be made during each city fiscal year; provided, however, that on and after July first, two thousand twenty, the obligation of the corporation to make such payments shall be terminated if all outstanding bonds of the sales tax asset receivable corporation that are secured by the corporation’s payments described in this subdivision have been fully paid and discharged by means of a legal defeasance in accordance with the trust indenture under which they were issued before July first, two thousand twenty-one, and in addition the corporation has paid to the city of New York or to its assignee if such payments have been assigned pursuant to this subdivision, the sum of forty-six million dollars on or before June thirtieth, two thousand twenty-one. 2. The city of New York, acting by the mayor alone, may assign all or
any portion of such amount to any not-for-profit corporation incorpo-

corporation law and, upon such assignment, the amount so assigned shall
be the property of such not-for-profit corporation for all purposes.
Following notice from the city of New York to the corporation and the
comptroller of such assignment, such payment shall be made directly to
the city's assignee. If such not-for-profit corporation issues bonds
and/or notes, the state does hereby pledge and agree with the holders of
any issue of bonds and/or notes secured by such a pledge that the state
will not limit or alter the rights vested in such not-for-profit corpo-
ration to fulfill the terms of any agreements made with such holders or
in any way impair the rights and remedies of such holders or the securi-
ty for such bonds and/or notes until such bonds and/or notes, together
with the interest thereon and all costs and expenses in connection with
any action or proceeding by or on behalf of such holders, are fully paid
and discharged. The foregoing pledge and agreement may be included in
any agreement with the holders of such bonds or notes. Nothing contained
in this section shall be deemed to restrict the right of the state to
amend, modify, repeal or otherwise alter statutes imposing or relating
to the taxes subject to such assignment, but such taxes shall in all
events continue to be so payable, as assigned, so long as any such taxes
are imposed.

3. Proceeds of state supported debt, as defined in subdivision one of
section sixty-seven-a of the state finance law, or other available
monies, may be provided to the trustee for the bonds of the sales tax
asset receivable corporation secured by the corporation's payments
described in subdivision one of this section in an amount sufficient to
fully pay and discharge such bonds by means of a legal defeasance of all
such outstanding bonds in accordance with the trust indenture under
which they were issued. So long as such bonds are legally defeased and
the corporation has paid to the city of New York or to its assignee if
such payments have been assigned pursuant to this subdivision, the sum
of forty-six million dollars on or before June thirtieth, two thousand
twenty-one the corporation's obligation contained in subdivision one of
this section to transfer funds to the city of New York shall be deemed
satisfied and fully discharged. Upon any such legal defeasance of such
bonds, the sales tax asset receivable corporation shall no longer be
deemed a local authority within the meaning of subdivision two of
section two of this chapter and the provisions of this chapter, includ-
ing, without limitation, the provisions of article nine of this chapter,
shall no longer be applicable to the sales tax asset receivable corpo-
ration.

4. Notwithstanding any inconsistent provision of law, the dormitory
authority of the state of New York and the New York state urban develop-
ment corporation are hereby authorized to issue bonds in one or more
series pursuant to article five-C or article five-F of the state finance
law in an aggregate principal amount sufficient to directly or indirect-
ly (i) finance the legal defeasance or payment of all of the outstanding
bonds of the sales tax asset receivable corporation secured by the
corporation's payments described in subdivision one of this section,
(ii) one or more related debt service reserve funds, and (iii) costs of
issuance attributable to such bonds, and the issuance of such bonds is
hereby determined to be for an "authorized purpose", as defined in
subdivision two of section sixty-eight-a and subdivision two of section
sixty-nine-m of the state finance law, as the case may be.

PART KKK

Section 1. This act enacts into law components of legislation that would enable the city of New York and the board of education of the city of New York to offer a temporary retirement incentive to their employees, as well as to provide an age 55/25 years temporary incentive for certain public employees. Each component is wholly contained within a Subpart identified as Subparts A and B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found, unless noted otherwise. Section three of this act contains a severability clause for all provisions contained in each Subpart of this Part. Section four of this act sets forth the general effective date of this Part.

§ 2. Legislative findings. The legislature finds and declares that the retirement benefits provided for in this act are designed to achieve cost-savings for public employers and to avoid layoffs of public employees in this time of fiscal need. Therefore, the retirement incentive benefit provided for in Subpart A of this act and the age 55/25 years retirement benefit provided for in Subpart B of this act are intended only to be temporary in nature for employees who are eligible to receive and qualify for the applicable benefit during the applicable time periods specified within each Subpart. Further, nothing in this act shall be construed to create an expectation of a future or continuing retirement benefit for any public employee who is not eligible to receive and qualify for the retirement benefits in this act during the applicable time periods.

The employer is authorized, however, to exempt persons in its employ from the provisions of paragraph (b) of this subdivision.
§ 5. Notwithstanding any other provision of law, any eligible employee serving in an eligible title who:
   a. has been continuously in the active service of a participating employer prior to the commencement date of the applicable open period;
   b. files an application for service retirement that is effective during the open period; and
   c. is otherwise eligible for a service retirement as of the effective date of the application for retirement shall be entitled to the retirement incentive provided in section six of this act. If not otherwise eligible for a service retirement, the following person shall be deemed to satisfy the eligibility condition of this section: a person who is at least age fifty with ten or more years service as of the effective date of retirement (other than a member of a retirement plan which provides for half-pay pension upon completion of twenty-five years or less service without regard to age); or a member of a retirement plan which provides for half-pay pension upon completion of twenty-five years of service without regard to age who has not accrued, excluding additional credit granted pursuant to this act, the minimum number of years of service required to retire with an allowance equal to fifty percent of final average salary under such plan, but has, with the inclusion of the additional credit provided under this act, accrued such number of years of credit.

§ 6. Notwithstanding any other provision of law, an eligible employee serving in an eligible title who is a member of a retirement system and who is entitled to a retirement incentive pursuant to section five of this act shall receive a retirement incentive of one-twelfth of a year of additional retirement credit for each year of pension service credit-ed as of the date of retirement, up to a maximum of three years of retirement service credit at the time of retirement, provided, however, that service credit provided under the provisions of sections 902 and 911 of the retirement and social security law shall not be included when calculating the additional retirement credit awarded pursuant to this act. For the New York city teachers' retirement system, the New York city employees' retirement system and the New York city board of education retirement system such incentive shall be available for all purposes, including fulfilling the qualifying service requirements of plan A and C, if applicable.

An eligible employee who is covered by the provisions of article 15 of the retirement and social security law shall retire under the provisions of article 15 of the retirement and social security law. The amount of such benefit for an eligible employee who is covered by article 15 of the retirement and social security law and retires under the provisions of this section (other than a member with thirty or more years of service in the New York city employees' retirement system, the New York city teachers' retirement system, or the New York city board of education retirement system) shall be reduced by six percent for each of the first two years by which retirement precedes age sixty-two, plus a further reduction of three percent for each year by which retirement precedes age sixty. Such reduction shall be prorated for partial years. The amount of such benefit for an eligible employee with thirty or more years of service who is a member of the New York city employees' retirement system, the New York city teachers' retirement system, or the New York city board of education retirement system, or an eligible employee who is a participant in the optional twenty-five year early retirement
program for certain New York city members governed by section 604-c of
the retirement and social security law, as added by chapter 96 of the
laws of 1995 or a twenty-five year participant in the age fifty-five
retirement program governed by section 604-i of the retirement and
social security law, with twenty-five or more years of service and who
is covered by article 15 of the retirement and social security law shall
be reduced by five percent for each year by which retirement pursuant to
this section precedes age fifty-five. The amount of such benefit for an
eligible New York city employee with five or more years of service and
who is a participant in the age fifty-seven retirement program governed
by section 604-d of the retirement and social security law shall be
reduced by one-thirtieth for the first two years by which retirement
precedes age fifty-seven plus a further reduction of one-twentieth for
each year by which retirement precedes age fifty-five. Such reduction
shall be prorated for partial years. There shall be no reduction for an
eligible New York city employee in a physically taxing position with
twenty-five or more years of service and who is a participant (i) in the
optional twenty-five year early retirement program for certain members
governed by section 604-c of the retirement and social security law, as
added by chapter 96 of the laws of 1995, or (ii) in the age fifty-seven
retirement program governed by section 604-d of the retirement and
social security law.

An eligible employee serving in an eligible title who is covered by
article 11 of the retirement and social security law shall retire under
the provisions of such article. There shall be no reduction in retire-
ment benefit provided that such employee retires with thirty or more
years of service at age fifty-five or older. The amount of such benefit
for an eligible employee covered by article 11 of the retirement and
social security law other than a member of a teachers' retirement system
with thirty or more years of service, a participant in the optional age
fifty-five improved benefit retirement program for certain New York city
employees governed by section 445-d of the retirement and social securi-
ty law, as added by chapter 96 of the laws of 1995, with twenty-five or
more years of service, or a participant in the optional age fifty-five
retirement program for New York city teachers and certain other members
governed by section 445-i of the retirement and social security law,
with twenty-five or more years of service, shall be reduced by six
percent for each of the first two years by which retirement pursuant to
this section precedes age sixty-two, plus a further reduction of three
percent for each year by which retirement pursuant to this section
precedes age sixty, provided, however, the foregoing reduction shall not
apply in any case where an eligible employee can retire pursuant to a
plan which permits retirement for service with immediate payability,
exclusive of this act, prior to the age of fifty-five. Such reduction
shall be prorated for partial years. The amount of such benefit for an
eligible employee who is a member of a teachers' retirement system with
thirty or more years of service, a participant in the optional age
fifty-five improved benefit retirement program for certain New York city
employees governed by section 445-d of the retirement and social securi-
ty law, as added by chapter 96 of the laws of 1995, with twenty-five or
more years of service, or a participant in the optional age fifty-five
retirement program for New York city teachers and certain other members
governed by section 445-i of the retirement and social security law,
with twenty-five or more years of service and who is covered by article
11 of the retirement and social security law shall be reduced by five
percent for each year by which retirement pursuant to this section
precedes age fifty-five. Such reduction shall be prorated for partial years. There shall be no reduction for an eligible New York city employ-ee in a physically taxing position and who is a participant in the optional age fifty-five improved benefit retirement program for certain New York city employees governed by section 445-d of the retirement and social security law, as added by chapter 96 of the laws of 1995, with twenty-five or more years of service.

An eligible employee serving in an eligible title who is not covered by article 11 or 15 of the retirement and social security law shall retire under the provisions of the plan by which he or she is covered. The amount of such benefit shall be reduced by five percent for each year by which retirement pursuant to this section precedes age fifty-five, provided, however, the foregoing reduction shall not apply in any case where an eligible employee can retire pursuant to a plan which permits retirement for service with immediate payability, exclusive of this act, prior to the age of fifty-five. Such reduction shall be prorated for partial years.

An eligible employee serving in an eligible title who participates in a retirement plan which provides for a retirement allowance equal to fifty percent of final average salary upon the completion of twenty-five years of service without regard to age and who is otherwise eligible to retire shall retire under the provisions of such plan. Such employee shall, at the time of retirement, be credited with one-twelfth of a year of additional retirement service credit for each year of service credit-ed under such plan as of the date of retirement, up to a maximum of three years of retirement service credit. If such employee has not accrued, excluding additional credit granted pursuant to this act, the minimum number of years of service required to retire with an allowance equal to fifty percent of final average salary under such plan, but has, with the inclusion of the additional credit provided under this act, accrued such number of years of service, the benefit payable shall be the percentage of final average salary that would ordinarily be applicable to such individual upon retirement with such amount of credit (including incentive credit), reduced by five per centum per year for each year by which the number of years of service otherwise required to retire with an allowance equal to fifty percent of final average salary under such plan exceeds the amount of service credited to such employee under such plan at retirement (excluding the additional retirement incentive service credit provided pursuant to this act). Such reduction shall be prorated for partial years.

§ 7. a. Notwithstanding any other provision of law, any termination pay or leave arising from accrued sick leave or accrued annual leave for an eligible employee who has elected the retirement incentive provided by this act and who is a member of the New York city teachers' retire-ment system employed by the board of education of the city of New York shall be paid in three equal installments during a twenty-four month period commencing on such eligible employee's effective date of retire-ment.

b. An employee of the city of New York who retires under the retire-ment incentive provided by this act, who is eligible for terminal leave pursuant to an applicable collective bargaining agreement or a personnel policy or rule or retirement leave pursuant to section 3107 of the education law or who has an accrued annual leave balance on the effec-tive date of retirement shall be paid in three equal installments two months, fourteen months and twenty-four months following such eligible employee's effective date of retirement.
§ 8. a. A participating employer, if it elects the retirement incentive provided by this act shall be required to demonstrate the savings of their election by either eliminating positions vacated as a result of an eligible employee in an eligible title receiving the incentive provided by section six of this act or demonstrating a compensation savings such that the total amount of base salary paid for the two-year period subsequent to the effective date of retirement for such eligible employees in eligible titles to new hires, if any, who otherwise would not have been hired by such employer after the effective date of this act but for the retirement incentive provided herein shall be no more than one-half of the total amount of base salary that would have been paid to such eligible employees from their date of retirement for such two-year period. A participating employer may also demonstrate savings, however, by identifying a vacant position into which another employee can be appointed, transferred, or reassigned pursuant to the civil service law, rules or regulations, in which case the former position of the employee so appointed, transferred, or reassigned shall be eliminated. A participating employer shall make available its plans for achieving the savings described herein.

b. The New York city department of citywide administrative services shall prepare a report designating the title, grade level, salary, and classification, according to appointing authority, (i) of each position which is eliminated pursuant to subdivision a of this section, (ii) of each position into which another employee was appointed, transferred, or reassigned and the former position of such employee, and (iii) of each position which is eliminated as a result of an appointment, transfer or reassignment referred to in paragraph (ii) of this subdivision. Such report shall be available no later than ninety days after the last date of the open period related to such positions.

§ 9. Nothing in this act shall be used to provide benefits that shall exceed the limits contained in section 415 of the internal revenue code. Provided, however, any service retirement benefit which has been reduced because of section 415 of the internal revenue code shall be increased when (and consistent with) the dollar limits in section 415 of the internal revenue code are adjusted by the internal revenue service for cost of living increases. Such increases shall not increase the benefit in excess of the service retirement benefit otherwise payable.

§ 10. Any eligible employee who retires pursuant to the provisions of this act and enters or reenters public service as defined in subdivision e of section 210 of the retirement and social security law and joins or rejoins any public retirement system of the state shall if the additional benefit was provided pursuant to: (a) section six of this act, forfeit the additional benefit authorized by this act at the time of his or her subsequent retirement; or (b) repay to the participating employer such additional contribution together with the appropriate interest as determined by the appropriate retirement system.

§ 11. Notwithstanding any other provision of law, if the service retirement benefit of a member of a retirement system is subject to a maximum retirement benefit, the additional benefit authorized by this act will be computed by multiplying the final average salary times the number of years of service credit granted by section six of this act times the benefit fraction of the plan under which such member retires.

§ 12. The provisions of section 430 of the retirement and social security law shall not apply to any benefit or benefit improvement provided by this act.
§ 13. The pension benefit costs of section six of this act shall be paid by participating employers as provided by applicable law for each retirement system covered by this act over a period not to exceed five years commencing in the fiscal year following the fiscal year in which this act shall have become a law.

§ 14. Where an employee is eligible to receive the benefit authorized under section six and the retirement benefit provided for under section five of subpart B of this act, such employee may elect a section under which he or she will participate. In no event shall the benefits provided for in section six of this act be received by any employee in conjunction with the benefits of section five of subpart B of this act.

§ 15. This act shall take effect immediately.

It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 4. This act shall take effect immediately; provided, however, that the applicable effective date of Subparts A and B of this act shall be as specifically set forth in the last section of such Subparts.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation, as it relates to the New York City Retirement Systems and Pension Funds (NYCRS), would provide for a temporary Early Retirement Incentive Program (ERI Program) to allow certain members of the New York City Employees' Retirement System (NYCERS), the New York City Teachers' Retirement System (TRS), and the New York City Board of Education Retirement System (BERS), who are employees of the City of New York (City) or the New York City Department of Education (DOE) and meet enumerated criteria, to elect immediate retirement with enhanced benefits.

The ERI Program consists of two parts and is contingent upon the employer's election to participate in the Program. Part A would provide
to eligible members, determined by title, seniority, and enumerated policy considerations, an additional service credit. Part B would remove the application of early retirement reduction factors for qualifying members. The benefits of the respective Parts cannot be combined.

Eligible NYCRS members would have anywhere from 30 to 90 days in an open period to elect and retire under Part A or within a 90-day open period following the commencement date to retire under Part B of the ERI Program. Multiple open periods, not to exceed 180 days from the end of an open period for other employees, may be requested by NYCRS. Should the City or the DOE elect to participate in the ERI Program provided by this Act, it would be required to demonstrate the savings related to the election.

A member is eligible to participate in Part A of the ERI Program if he or she:

* Is otherwise eligible for service retirement;
* Is at least age 50 with 10 or more years of service and is not in a plan which permits retirement at half-pay with 25 or fewer years of service without regard to age; or
* Is in a plan that permits retirement at half-pay at 25 years of service without regard to age and would reach 25 years of service considering the additional service credit provided in Part A.

A member is eligible to participate in Part B of the ERI Program if he or she is age 55 or older and has at least 25 years of service.

In addition to the eligibility conditions above, members must also:

* Be in continuous active service preceding the commencement date of the open period;
* For Part A - provide timely written notice of the intent to avail himself or herself of the ERI and file for service retirement that is effective within the open period;
* For Part B - file for service retirement that is effective within the open period and otherwise be eligible to retire for service as of the effective date of retirement.

Effective Date: Upon enactment and as determined by the respective open periods contained in Parts A and B.

IMPACT ON BENEFITS: Part A would provide one-twelfth of a year of additional retirement service credit for each year of pension service, up to a maximum of three years of additional retirement service credit. Some benefits provided under Part A could be subject to Early Retirement Factors (ERF) as specified in the proposed legislation.

Part B would allow members to retire with an unreduced benefit if they are at least age 55 with 25 or more years of service.

FINANCIAL IMPACT - OVERVIEW: There is no credible data available to estimate the number of members who will retire under the current ERI Program and potentially benefit from this proposed legislation. Therefore, the estimated financial impact has been calculated on a per event basis equal to the average increase in the Present Value of future employer contributions and in the annual employer contributions for members who would benefit from the proposed legislation.

The Present Value of future employer contributions is the net result of the increase in the Present Value of Future Benefits (PVFB) and the decrease in the Present Value of member contributions.

For the purposes of this Fiscal Note, the increase in Present Value of future employer contributions was amortized over a five-year period (four payments under the One-Year Lag Methodology (OYLM)) using level dollar payments, the maximum allowable period under the proposed legis-
lation. This amortized value is the estimated increase in annual employer contributions.

There will also be future savings in Employer Contributions assuming that these members are not replaced. This additional savings is not included here.

With respect to an individual member, the additional cost of this proposed legislation could vary greatly depending on the member's length of service, age, and salary history.

FINANCIAL IMPACT - SUMMARY: Based on the census data and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would result in an increase in the Present Value of Employer Contributions and annual employer contributions. The estimated pension financial impact has been calculated as the average increase per person. A breakdown of the financial impact by NYCRS is shown in the table below:

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the Final June 30, 2020 actuarial valuations of NYCERS, TRS, and BERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2022.

CENSUS DATA: For purposes of this Fiscal Note, it was assumed that the census data had the same age, gender, and service characteristics as the census data used in the Preliminary June 30, 2019 (Lag) actuarial valuations of NYCERS, TRS, and BERS to determine the Preliminary Fiscal Year 2021 employer contributions. Active members' salaries have been adjusted to reflect estimated salary increases from June 30, 2019 to June 30, 2020.

The table below contains the census data for members who meet the eligibility requirements and would be impacted by the proposed legis-

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the June 30, 2019 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2021 employer contributions of NYCERS, TRS, and BERS.
The Actuary is proposing a set of changes for use in the June 30, 2019 (Lag) actuarial valuations of NYCRS to determine the Final Fiscal Year 2021 Employer Contributions (2021 A&M). If the 2021 A&M is enacted it is estimated that it would produce increases in the Present Value of Employer Contributions and annual employer contributions that are approximately 1% larger than the results shown above.

To determine the impact of the elective nature of the proposed legislation, a subgroup based on who could potentially benefit actuarially was used. The Present Value of future employer costs (i.e. the PVFB less the Present Value of future member contributions) of each member's benefit was determined under their current plan and as if retiring immediately under the ERI Program. If the Present Value of future employer cost under the ERI Program was greater than or equal to the Present Value of future employer cost under the member's current plan, then the member was deemed to benefit actuarially.

Based on this analysis, the costs presented in this Fiscal Note are borne only from current NYCERS, TRS, and BERS members who are employed by the City and assumed to benefit from, and thus opt to retire under, the ERI Program.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS, TRS, and BERS, and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:
* The offsetting reduction in salary due to retirements earlier than expected.
* The impact of potential new hires replacing members who retire due to the ERI Program.
* The initial, additional administrative costs to implement the proposed legislation.
* The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

STATEMENT OF ACTUARIAL OPINION: I, Sherry S. Chan, am the Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries, an Enrolled Actuary under the Employee Retirement Income and Security Act of 1974, a Member of the American Academy of Actuaries, and a Fellow of the Conference of Consulting Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

PART NNN

Section 1. Clauses (A) and (E) of subparagraph (ii) of paragraph (d) of subdivision 6 of section 137 of the correction law, as amended by a chapter of the laws of 2021, amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, are amended to read as follows:

(A) Upon placement of an inmate into segregated confinement or a residential rehabilitation unit at a level one or level two facility, a suicide prevention screening instrument shall be administered by staff from the department or the office of mental health who has been trained for that purpose. If such a screening instrument reveals that the inmate is at risk of suicide, a mental health clinician shall be consulted and appropriate safety precautions shall be taken. Additionally, within one business day of the placement of such an inmate into segregated confinement or a residential rehabilitation unit, the inmate shall be assessed by a mental health clinician.

(E) A recommendation or determination whether to remove an inmate from segregated confinement or a residential rehabilitation unit shall take into account the assessing mental health clinicians' opinions as to the inmate's mental condition and treatment needs, and shall also take into account any safety and security concerns that would be posed by the inmate's removal, even if additional restrictions were placed on the inmate's access to treatment, property, services or privileges in a residential mental health treatment unit. A recommendation or determination shall direct the inmate's removal from segregated confinement or a residential rehabilitation unit except in the following exceptional circumstances: (1) when the reviewer finds that removal would pose a substantial risk to the safety of the inmate or other persons, or a substantial threat to the security of the facility, even if additional restrictions were placed on the inmate's access to treatment, property, services or privileges in a residential mental health treatment unit; or (2) when the assessing mental health clinician determines that such placement is in the inmate's best interests based on his or her mental condition and that removing such inmate to a residential mental health treatment unit would be detrimental to his or her mental condition. Any determination not to remove an inmate with serious mental illness from segregated confinement or a residential rehabilitation unit shall be documented in writing and include the reasons for the determination.

§ 2. Subparagraph (iv) of paragraph (d) of subdivision 6 of section 137 of the correction law, as amended by a chapter of the laws of 2021
amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

(iv) All inmates in segregated confinement in a level one or level two facility **or a residential rehabilitation unit** who are not assessed with a serious mental illness at the initial assessment shall be offered at least one interview with a mental health clinician within seven days of their initial mental health assessment, unless the mental health clinician at the most recent interview recommends an earlier interview or assessment. All inmates in a residential rehabilitation unit in a level three or level four facility who are not assessed with a serious mental illness at the initial assessment shall be offered at least one interview with a mental health clinician within thirty days of their initial mental health assessment, and additional interviews at least every ninety days thereafter, unless the mental health clinician at the most recent interview recommends an earlier interview or assessment.

§ 3. Paragraph (i) of subdivision 6 of section 137 of the correction law, as added by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

(i) No person may be placed in segregated confinement for longer than necessary and no more than fifteen consecutive days. Nor shall any person be placed in segregated confinement for more than twenty total days within any sixty day period except as otherwise provided in subparagraph (ii) of this paragraph. At these limits, he or she must be released from segregated confinement or diverted to a separate residential rehabilitation unit. If placement of such person in segregated confinement would exceed the twenty-day limit and the department establishes that the person committed an act defined in subparagraph (ii) of paragraph (k) of this subdivision, the department may place the person in segregated confinement until admission to a residential rehabilitation unit can be effectuated. Such admission to a residential rehabilitation unit shall occur as expeditiously as possible and in no case take longer than forty-eight hours from the time such person is placed in segregated confinement.

(ii) For offenses determined pursuant to paragraph (l) of this subdivision to constitute a violent felony act defined in subparagraph (ii) of paragraph (k) of this subdivision, if occurring more than one time within any sixty day period, up to an additional fifteen consecutive days in segregated confinement may occur for each such additional incident. If such subsequent incident takes place in a residential rehabilitation unit or general population, the person may be returned to segregated confinement for up to fifteen consecutive days. If such subsequent incident takes place in segregated confinement and causes physical injury to another person, the person may receive up to an additional fifteen consecutive days in segregated confinement, provided however that the person must spend at least fifteen days in a residential rehabilitation unit in between each placement of up to fifteen consecutive days in segregated confinement. Custody under this subparagraph shall otherwise be in accordance with this chapter.

§ 4. Subparagraphs (ii) and (v) of paragraph (j) of subdivision 6 of section 137 of the correction law, as added by a chapter of the laws of 2021 amending the correction law relating to restricting the use of
segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, are amended to read as follows:

(ii) Persons in segregated confinement shall be offered out-of-cell programming at least four hours per day, including at least one hour for recreation. Persons admitted to residential rehabilitation units shall be offered at least six hours of daily out-of-cell congregate programming, services, treatment, recreation activities and/or meals, with an additional minimum of one hour for recreation. Recreation in all residential rehabilitation units shall take place in a congregate setting, unless exceptional circumstances mean doing so would create a significant and unreasonable risk to the safety and security of other incarcerated persons, staff, or the facility. **Persons in segregated confinement and residential rehabilitation units shall be offered programming led by program or therapeutic staff five days per week, except on recognized state legal holidays. All other out-of-cell time may include peer-led programs, time in a day room or out-of-cell recreation area with other people, congregate meals, volunteer programs, or other congregate activities.**

(v) An incarcerated person in a residential rehabilitation unit shall have access to programs and work assignments comparable to core programs and types of work assignments in general population. Such incarcerated persons shall also have access to additional out-of-cell, trauma-informed therapeutic programming aimed at promoting personal development, addressing underlying causes of problematic behavior resulting in placement in a residential rehabilitation unit, and helping prepare for discharge from the unit and to the community.

§ 5. Clause (F) of subparagraph (ii) of paragraph (k) of subdivision 6 of section 137 of the correction law, as added by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

(F) procuring a deadly weapon or other dangerous contraband that poses a serious threat to the security of the institution; or

§ 6. Paragraphs (n) and (o) of subdivision 6 of section 137 of the correction law, as added by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, are amended to read as follows:

(n) All special housing unit, keeplock unit and residential rehabilitation unit staff and their supervisors shall undergo a minimum of thirty-seven hours and thirty minutes of specialized training prior to assignment to such unit, and twenty-one hours of additional training annually on substantive content developed in consultation with relevant experts, on topics including, but not limited to, the purpose and goals of the non-punitive therapeutic environment, trauma-informed care, restorative justice, and dispute resolution methods. Prior to presiding over any hearings, all hearing officers shall undergo a minimum of thirty-seven hours and thirty minutes of training, with one additional day of training annually thereafter, on relevant topics, including but not limited to, the physical and psychological effects of segregated confinement, procedural and due process rights of the accused, and restorative justice remedies.
The department shall publish monthly reports on its website, with semi-annual and annual cumulative reports, of the total number of people who are in segregated confinement and the total number of people who are in residential rehabilitation units on the first day of each month. The reports shall provide a breakdown of the number of people in segregated confinement and in residential rehabilitation units by: (i) age; (ii) race; (iii) gender; (iv) mental health treatment level; (v) special health accommodations or needs; (vi) need for and participation in substance abuse programs; (vii) pregnancy status; (viii) continuous length of stay in residential treatment units as well as length of stay in the past sixty days; (ix) number of days in segregated confinement; (x) a list of all incidents resulting in sanctions of segregated confinement by facility and date of occurrence; (xi) the number of incarcerated persons in segregated confinement by facility; and (xii) the number of incarcerated persons in residential rehabilitation units by facility.

7. De-escalation, intervention, informational reports and the withdrawal of incentives shall be the preferred methods of responding to misbehavior unless the department determines that non-disciplinary interventions have failed, or that non-disciplinary interventions would not succeed and the misbehavior involved an act listed in subparagraph (ii) of paragraph (k) of subdivision six of section one hundred thirty-seven of this article, in which case, as a last resort, the department shall have the authority to issue misbehavior reports, pursue disciplinary charges, or impose new or additional segregated confinement sanctions.

§ 8. Subparagraph (i) of paragraph (a) of subdivision 2 of section 401 of the correction law, as amended by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:

(i) In exceptional circumstances, a mental health clinician, or the highest ranking facility security supervisor in consultation with a mental health clinician who has interviewed the inmate, may determine that an inmate's access to out-of-cell therapeutic programming and/or mental health treatment in a residential mental health treatment unit presents an unacceptable risk to the safety of inmates or staff. Such determination shall be documented in writing and such inmate shall be removed to a residential rehabilitation unit that is not a residential mental health treatment unit where alternative mental health treatment and/or other therapeutic programming, as determined by a mental health clinician, shall be provided.

§ 9. Subdivision 6 of section 401 of the correction law, as amended by a chapter of the laws of 2021 amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, is amended to read as follows:
6. The department shall ensure that the curriculum for new correction officers, and other new department staff who will regularly work in programs providing mental health treatment for inmates, shall include at least eight hours of training about the types and symptoms of mental illnesses, the goals of mental health treatment, the prevention of suicide and training in how to effectively and safely manage inmates with mental illness. Such training may be provided by the office of mental health or the justice center for the protection of people with special needs. All department staff who are transferring into a residential mental health treatment unit shall receive a minimum of eight additional hours of such training, and eight hours of annual training as long as they work in such a unit. All security, program services, mental health and medical staff with direct inmate contact shall receive training each year regarding identification of, and care for, inmates with mental illnesses. The department shall provide additional training on these topics on an ongoing basis as it deems appropriate. All staff working in a residential mental health treatment unit shall also receive the training mandated in paragraph (n) of subdivision six of section one hundred thirty-seven of this chapter.

§ 10. This act shall take effect on the same date and in the same manner as a chapter of the laws of 2021, amending the correction law relating to restricting the use of segregated confinement and creating alternative therapeutic and rehabilitative confinement options, as proposed in legislative bills numbers S. 2836 and A. 2277-A, takes effect.

PART OOO

Section 1. Subdivision 1 of section 1351 of the racing, pari-mutuel wagering and breeding law, as added by chapter 174 of the laws of 2013, is amended to read as follows:

1. (a) For a gaming facility in zone two, there is hereby imposed a tax on gross gaming revenues. The amount of such tax imposed shall be as follows; provided, however, should a licensee have agreed within its application to supplement the tax with a binding supplemental fee payment exceeding the aforementioned tax rate, such tax and supplemental fee shall apply for a gaming facility:

   [a] (1) in region two, forty-five percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

   [b] (2) in region one, thirty-nine percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

   [c] (3) in region five, thirty-seven percent of gross gaming revenue from slot machines and ten percent of gross gaming revenue from all other sources.

(b) (1) Notwithstanding the rates in paragraph (a) of this subdivision, a gaming facility may petition the commission to lower the tax rate applicable to its slot machines to no lower than thirty percent. In analyzing such request, the commission shall evaluate the petition using the following criteria:

   (i) the ability of the licensee to satisfy the license criterion of financial stability absent the tax rate reduction;

   (ii) a complete examination of all financial projections, as well as gaming revenues generated for the prior annual period:
(iii) the licensee's intended use of the funds resulting from a tax adjustment;
(iv) the inability of the operator to remain competitive under the current tax structure;
(v) positions advanced by other gaming operators in the state in response to the petition;
(vi) the impact on the competitive landscape;
(vii) other economic factors such as employment and the potential impact upon other businesses in the region; and
(viii) the public interest to be served by a tax adjustment, including the impact upon the state in the event the operator is unable to remain financially viable.

(2) The Commission shall report their recommendation solely based on the criteria listed in subparagraph one of this paragraph to the director of the division of budget who will make a final approval.

(3) (i) As a condition of the lower slot machine tax rate, such gaming facility shall provide an initial report to the governor, the speaker of the assembly, the temporary president of the senate, and the commission detailing the projected use of funds resulting from such tax adjustment and a plan that prescribes the manner in which the licensed gaming facility potentially receiving the reduction in its slot machine tax rate will rebuild their economic infrastructure through the rehiring of laid-off employees or the creation of new jobs. Such plan shall also clearly establish quarterly and annual employment goals of increasing full-time employees. Such initial report and accompanying plan shall be due at the time a facility is granted a tax adjustment. Thereafter, an annual report shall be made to the governor, the speaker of the assembly, the temporary president of the senate, and the commission detailing actual use of the funds resulting from such tax adjustment. Such report shall include, but not be limited to, any impact on employment levels since receiving the funds, an accounting of the use of such funds, any other measures implemented to improve the financial stability of the gaming facility, any relevant information that helped in the determination of such slot tax rate reduction, and any other information as deemed necessary by the commission. Such report shall be due no later than the first day of the fourth quarter after such tax rate has been granted.

(ii) (A) At the conclusion of each year, a licensed gaming facility shall provide an affirmation in writing to the commission stating the employment goal in clause (i) of this subparagraph was either met or not met as described in the initial report. If the licensed gaming facility is found to have not adhered to the plan by the commission, then the applicable slot tax rate shall be adjusted at the discretion of the commission as follows:

1. If the actual employment number is more than fifty percent less than the employment goal, then the slot tax rate shall be increased by ten percentage points.
2. If the actual employment number is more than forty percent less than the employment goal, then the slot tax rate shall be increased by eight percentage points.
3. If the actual employment number is more than thirty percent less than the employment goal, then the slot tax rate shall be increased by six percentage points.
4. If the actual employment number is more than twenty percent less than the employment goal, then the slot tax rate shall be increased by four percentage points.
5. If the actual employment number is more than ten percent less than the employment goal, then the slot tax rate shall be increased by two percentage points.

(B) Such finding and the reasoning thereof shall occur no later than thirty days following submission of the written affirmation.

(iii) A licensed gaming facility may petition the commission to lower the tax rate applicable to its slot machines to no lower than thirty percent no more than once annually after the effective date of the chapter of the laws of two thousand twenty-one which amended this subdivision. A licensed gaming facility may request a revision to its plan in its initial report due to unforeseen circumstances.

§ 2. This act shall take effect immediately and shall expire and be deemed repealed five years after such date.

§ 2. Severability clause. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately provided, however, that the applicable effective date of Parts A through OOO of this act shall be as specifically set forth in the last section of such Parts.
