AN ACT to amend the public health law, in relation to coverage of early and periodic screening, diagnosis and treatment under the child health insurance plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 7 of section 2510 of the public health law, as amended by chapter 428 of the laws of 2013, is amended to read as follows:

7. "Covered health care services" means: the services of physicians, optometrists, nurses, nurse practitioners, midwives and other related professional personnel which are provided on an outpatient basis, including routine well-child visits; diagnosis and treatment of illness and injury; inpatient health care services; laboratory tests; diagnostic x-rays; prescription and non-prescription drugs and durable medical equipment; radiation therapy; chemotherapy; hemodialysis; outpatient blood clotting factor products and other treatments and services furnished in connection with the care of hemophilia and other blood clotting protein deficiencies; emergency room services; hospice services; emergency, preventive and routine dental care, including medically necessary orthodontia but excluding cosmetic surgery; emergency, preventive and routine vision care, including eyeglasses; speech and hearing services; and, inpatient and outpatient mental health, alcohol and substance [~~abuse~~] use services as defined by the commissioner in consultation with the superintendent **(but shall include early and peri-**

odic screening, diagnosis and treatment outpatient services approved by the Centers for Medicare and Medicaid Services and authorized under article thirty-one of the mental hygiene law). "Covered health care services" shall not include drugs, procedures and supplies for the treatment of erectile dysfunction when provided to, or prescribed for use by, a person who is required to register as a sex offender pursuant to article six-C of the correction law, provided that any denial of coverage of such drugs, procedures or supplies shall provide the patient with the means of obtaining additional information concerning both the denial and the means of challenging such denial.

§ 2. This act shall take effect on the first of April after it becomes a law. Effective immediately, the commissioner of health shall make regulations and take other actions reasonably necessary to implement this act on that date.
