AN ACT to amend the public health law, in relation to payments for personal protective equipment for home and community based long term care services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section 2 3614-f to read as follows:

3 § 3614-f. Payments for personal protective equipment for home and community based long term care services. The payment of claims submitted 5 under contracts or agreements with insurers under the medical assistance program for home and community based long term care services provided 7 under this article or by fiscal intermediaries operating pursuant to 8 section three hundred sixty-five-f of the social services law shall 9 include reimbursement for expenses related to the provision of personal 10 protective equipment (PPE) for direct care workers, care recipients and 11 an emergency inventory of a ninety-day supply of PPE. Such reimbursement 12 shall be clearly identified as an addition to base rates of payments and in an amount that supplements any current contracts or agreements and 13 shall not use such funds to supplant payments for existing services 14 under the Medicaid program. Determination of a standardized amount for 15 16 PPE will be adjusted annually and will take into consideration clinical 17 best practices for PPE use and current and projected public health 18 considerations that could result in increased need for PPE supplies. In 19 the event of a declaration of a state of emergency, rate adjustments shall be reviewed and implemented within thirty days to accommodate an 20 immediate need for increased supplies of PPE. Provided that no portion 2.2 of the dollars spent or to be spent to satisfy the need for PPE for
