AN ACT to amend the social services law, in relation to establishing an advisory council to effectuate a reduction in child poverty in the state; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The social services law is amended by adding a new section
2 131-zz to read as follows:

3 § 131-zz. Child poverty reduction. 1. Legislative findings. The
4 legislature hereby declares that New York should take any steps neces-
5 sary to reduce the overall child poverty rate by fifty percent in the
6 next ten years. Nearly three million New Yorkers are living in poverty,
7 eight hundred ninety-five thousand of which are children. In fact, one
8 in five New York children struggle to meet basic needs, and although
9 several efforts have been undertaken, the overall poverty rate in New
10 York has failed to see a reduction over the last decade. The legislature
11 finds that reducing child poverty will protect the health and general
12 well-being of all New Yorkers. To effectuate this reduction, the child
13 poverty reduction advisory council shall be established to research
14 policy ideas, develop best practices, and continually monitor relevant

38 required.

39 3. Appointments to the advisory council. (a) Appointments to the
40 advisory council shall be made no later than forty-five days after the
41 effective date of this section.

42 (b) If any such appointment is not made by such date, the appointing
43 official may make the appointment after that date, but such vacant
44 appointment shall not count for the calculation of a quorum until such
45 vacancy is filled.

46 (c) Any vacancies in the advisory council shall be filled in the same
47 manner as the original appointment was made.

48 4. Policy proposal review and recommendations. The advisory council

14 state related to the implementation of such policies, as well as the
15 projected savings in both the short and long term that the state could
16 realize by reducing poverty.
