S. 310

1 (3) The department and the applicable state board shall require a licensee or, in the event that the patient's appointment is at a 2 3 location other than the licensee's practice, the licensee or the hospi-4 tal or practice where the patient's appointment is occurring to disclose 5 the following on a separate document: the licensee's probationary б status; the cause or causes for probation in the statement of the issues 7 or the legal conclusions of an administrative law judge; the length of 8 the probation and the end date; all practice restrictions placed on the 9 licensee by the board; the address of the applicable state board's 10 internet website; and the applicable state board's telephone number to a 11 current or new patient, the patient's quardian or the patient's health care surrogate prior to the patient's first visit following the proba-12 tionary order while the licensee is on probation pursuant to a proba-13 14 tionary order made after January first, two thousand twenty-two, in any of the circumstances listed in paragraph (a), (b), (c) or (d) of this 15 16 subdivision. Such written disclosure shall be provided to the patient, 17 the patient's quardian or the patient's health care surrogate in the licensee's office prior to the time the patient enters the examination 18 19 room and the examination or treatment commences. The licensee or, in 20 the event that the patient's appointment is at a location other than the 21 licensee's practice, the licensee or the hospital or practice where the patient's appointment is occurring shall provide the disclosure under 22 23 the following circumstances: 24 (a) A complaint filed against the licensee indicates or the legal 25 conclusions of an administrative law judge find that the licensee is 26 implicated in any of the following: 27 (i) gross negligence; 28 (ii) repeated negligent acts involving a departure from the standard 29 of care with multiple patients; 30 (iii) felony conviction arising from or occurring during patient care 31 or treatment; or (iv) mental illness or other cognitive impairment that impedes a 32 33 licensee's ability to safely render patient care. (b) The applicable state board ordered any of the following in 34 35 conjunction with placing the licensee on probation: 36 (i) that a third-party chaperone be present when the licensee examines 37 patients as a result of sexual misconduct; and/or 38 (ii) that the licensee have a monitor. 39 (c) The licensee has not successfully completed a training program or any associated examinations required by the board as a condition of 40 41 probation. 42 (d) The licensee has been on probation more than once. 43 (4) The licensee or, in the event that the patient's appointment is at a location other than the licensee's practice, the licensee or the 44 45 hospital or practice where the patient's appointment is occurring shall 46 obtain from each patient a signed receipt following the disclosure described in subdivision three of this section that includes a written 47 explanation of how the patient can find further information on the 48 49 licensee's probation on the applicable state board's internet website. (5) If a patient, the patient's quardian, or the patient's health care 50 surrogate elects to cancel the patient's appointment with the licensee 51 52 upon being provided with the disclosure required by subdivision three of 53 this section, neither the patient nor the patient's insurance company 54 shall be charged for the appointment. 55 (6) Any person who violates the provisions of this section shall be 56 subject to a penalty not to exceed two thousand dollars. Any person who

1	commits subsequent, willful violations of the provisions of this section
2	shall have his or her license suspended for a period of time to be
3	determined by the commissioner.
4	§ 2. This act shall take effect on the one hundred eightieth day after
5	it shall have become a law and shall apply to all probationary orders
б	issued on or after January 1, 2022. Effective immediately, the addition,
7	amendment and/or repeal of any rule or regulation necessary for the
8	implementation of this act on its effective date are authorized to be
9	made and completed on or before such effective date.
