AN ACT to amend the agriculture and markets law, in relation to requiring the department of agriculture and markets to maintain a publicly available database of the results of its graded inspections on its website

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 500 of the agriculture and markets law is amended by adding new subdivisions 6, 7 and 8 to read as follows:

6. The department shall maintain a publicly available database of the results of its graded inspections that shall include the retail food store's name, address, date of inspection, grade and a list of any violations cited within ninety days of a graded inspection. The department shall update the database every ninety days. The department shall make the inspection database available on their website, in a conspicuous location, including on any navigation or drop-down menu.

7. The department shall provide on their website information as to where a customer may file a consumer report, which shall be placed in a conspicuous location, including on any navigation or drop-down menu. If a consumer report is filed with the department regarding a retail food store, the graded inspection report provided to such retail food store shall note that the store was reported by a consumer. The consumer report and any other identifiable information of the consumer shall not be included within the inspection report.

8. The department shall facilitate and coordinate the planning and implementation of an awareness and educational program to inform the general public on the standards retail food stores shall meet and how
