the credit allowed under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter, provided, however, that no interest shall be paid on such refund, notwithstanding the provisions of subsection (c) of section one thousand eighty-eight of this chapter.

§ 2. Section 606 of the tax law is amended by adding a new subsection (kkk) to read as follows:

(kkk) Credit for biodiesel fuel used in farming equipment. (1) Allowance of credit. A taxpayer whose federal gross income from farming for the taxable year is at least two-thirds of excess federal gross income shall be allowed a credit against the tax imposed by this article for the purchase of qualified biodiesel fuel to be used in farming equipment in this state. Such credit shall be \$0.01 per percent of biodiesel per gallon of qualified biodiesel fuel, not to exceed twenty cents per gallon, purchased by such taxpayer during the taxable year and used in farming equipment.

(2) Definitions. For purposes of this subsection, the following definitions shall apply:

21 (A) "Excess federal gross income" means the amount of federal gross income from all sources for the taxable year reduced by the sum (not to 22 exceed thirty thousand dollars) of those items included in federal gross 23 income which consist of (i) earned income, (ii) pension payments, 24 including social security payments, (iii) interest, and (iv) dividends. 25 26 For purposes of this paragraph, the term "earned income" shall mean 27 wages, salaries, tips and other employee compensation, and those items of gross income which are includible in the computation of net earnings 28 29 from self-employment. For the purposes of this paragraph, payments from the state's farmland protection program, administered by the department 30 31 of agriculture and markets, shall be included as federal gross income 32 from farming.

33 (B) "Biodiesel" means a fuel comprised exclusively of monoalkyl esters
34 of long chain fatty acids derived from vegetable oils or animal fats,
35 designated B100, which meets the specifications of American Society of
36 Testing and Materials designation D 6751.

37 (C) "Qualified biodiesel" means a fuel that is a mixture of biodiesel
38 and diesel motor fuel.

(3) Application of credit. If the amount of the credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

45 § 3. This act shall take effect immediately and shall apply to taxable 46 years beginning on and after January 1, 2022.
