AN ACT to authorize the county of Orleans to offer an optional twenty year retirement plan to Ryan Flaherty, a deputy sheriff employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 Ryan Flaherty, a member of the optional twenty-five year retirement plan  
3 for certain sheriffs, undersheriffs, deputy sheriffs and correction  
4 officers pursuant to section 89-1 of the retirement and social security  
5 law, who was employed by the Orleans county sheriff's office as of Janu-  
6 ary 23, 2005, and who through no fault of his own, failed to file a  
7 timely application to participate in the special twenty year retirement  
8 plan contained in section 553 of the retirement and social security law  
9 resulting in the crediting of his service with the county of Orleans in  
10 the retirement plan contained in section 89-1 of such law, shall be  
11 given full credit in the section 553 twenty year retirement plan for  
12 such service upon the election of the county of Orleans to assume the  
13 additional cost of such service and his election to participate in such  
14 plan. The county of Orleans may so elect within one year of the effec-  
15 tive date of this act, by filing with the state comptroller a resolution  
16 of its local legislative body together with certification that such  
17 member did not bar himself from participation in such retirement plan as  
18 a result of his own negligence.

19 § 2. Such deputy sheriff may elect to be covered by the provisions of  
20 section 553 of the retirement and social security law and shall be enti-

1 tled to the full rights and benefits associated with coverage under such  
2 section by filing a request to that effect with the state comptroller  
3 within eighteen months of the effective date of this act.

4 § 3. All employer past service costs associated with the implementa-  
5 tion of this act shall be borne by Orleans county, and may be amortized  
6 over a period of five years.

7 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Ryan Flaherty, a current member of the New York State and Local Employees' Retirement System employed as a deputy sheriff by Orleans County and covered under the 25-year retirement plan of section 89-I of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20-year plan of section 553 of the RSSL.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$3,500 in the annual contributions of Orleans County for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of Ryan Flaherty change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$143,000 which will be borne by Orleans County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023. If Orleans County elects to amortize this cost over a 5-year period, the cost for the first year including interest would be \$32,000.
