2 new section 105-c to read as follows:

4 consumption. 1. Definition. As used in this section, the term "keg"
5 shall mean a vessel containing four or more gallons of beer.

6 2. No person licensed to sell beer at retail for off-premises consump-
7 tion pursuant to this chapter shall sell such beer by the keg unless
8 such keg shall have an identification label or tag attached thereto. An

10 protective coating, plastic, metal or another durable material that is
11 not easily damaged or destroyed. Identification labels used may contain
12 a nonpermanent adhesive material in order to apply the label directly to

14 shall be attached to the keg at the time of sale with nylon ties or
15 cording, wire ties or other metal attachment devices, or another durable
16 means of tying or attaching the tag to the keg. Such identification
17 label or tag shall be designed so that when affixed to a keg, such
18 labels or tags will not mar or otherwise physically damage the keg.
19 Such identification label or tag shall include the name and address of
20 the retail licensee, the name of the purchaser, and an individual iden-
21 tification number assigned by the retailer that uniquely identifies such
22 keg. The identification label or tag shall be kept on file with the
23 licensee for not less than ninety days from the date of return.

6 tion of any of the beer in the keg in violation of the provisions of
7 sections sixty-five-a, sixty-five-b and sixty-five-c of this chapter,

14 (d) the date and time of the purchase; and

15 (e) the keg identification number required under subdivision two of
16 this section.

17 4. All such records and statements shall be maintained by the licensee
18 for a period of ninety days from the date of return. Such record and

27 keg to such licensee with the identification label or tag intact, the
28 registration deposit shall be returned to the purchaser and the retail
29 licensee shall remove such label or tag from each such keg. The regis-
