STATE OF NEW YORK

S. 4028 A. 4213

2021-2022 Regular Sessions

SENATE - ASSEMBLY

February 1, 2021

IN SENATE -- Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

IN ASSEMBLY -- Introduced by M. of A. THIELE -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to permitting seaweed cultivation in underwater lands at Gardiner's and Peconic bays

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 13-0302 of the environmental conservation law, as added by chapter 425 of the laws of 2004, subdivision 10 as added by chapter 322 of the laws of 2016, is amended to read as follows:

§ 13-0302. Lands underwater of Gardiner's and Peconic bays.

1. Underwater lands ceded to county of Suffolk. All the right, title and interest in which the people of the state of New York have in and to the lands under water of Gardiner's and Peconic bays in the county of Suffolk, except underwater lands within one thousand feet of the high water mark is hereby ceded to such county, for the purposes of shellfish **or seaweed** cultivation, to be managed and controlled by such county, provided that such lands shall revert to the state when they shall cease to be used for shellfish **and seaweed** cultivation. For the purposes of this section, the term "Gardiner's and Peconic bays" shall mean the waters of Gardiner's and Peconic bays and the tributaries thereof between the westerly shore of Great Peconic bay and an easterly line running from the most easterly point of Plum island to Goff point at the entrance of Napeague harbor.

2. Ratification. The grant of lands under the waters of Gardiner's and Peconic bays, by the commissioners of shell fisheries, in accordance with the provisions of chapter 385 of the laws of 1884, as amended,

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD05829-01-1

subsequently held and used by the grantees, heirs, successors, and assigns on which all taxes and assessments have been paid, are hereby ratified and confirmed. Any underwater lands in Gardiner's and Peconic Bays previously granted that revert or escheat to the state or are subject to tax deed by the county of Suffolk shall be available to the county for leasing pursuant to this section. All other lands under such waters, which pursuant to such chapters, have escheated or reverted to the state, are hereby ceded to Suffolk county for the purposes of the cultivation of shellfish, subject to existing valid grants and easements; provided however, that nothing in this section shall interfere with the right of the commissioner of general services to grant lands and easements under water to owners of adjacent uplands, pursuant to the provisions of the public lands law, or of the legislature to make such grants without regard to upland ownership, and to grant franchises to utilities, municipalities and governmental, educational, or scientific bodies for cables, outfalls, ecological studies, and experimentation with controlled marine life.

3. Leases **for shellfish cultivation**. Suffolk county may lease lands under water ceded to it by the state for the purpose of shellfish cultivation. Provided if no such leases have been executed by December thirty-first, two thousand ten, such authority to lease pursuant to this section shall terminate.

a. Leases may be issued only within areas designated as shellfish cultivation zones on a map or maps to be prepared and approved by the county of Suffolk.

b. No lease shall be granted except upon written application on forms furnished by the county of Suffolk, and properly executed and signed by the applicant.

c. Before a lease is approved, notice shall be provided for at least two months by posting such notice at the bureau of marine resources in the department, the office of the county clerk, and the office of the town clerk in which all or any part of the lands to be leased are located. Such notice shall also be published in the official newspaper of the county. The notice shall include the name of the lessee, the boundaries of the lease, and the area of the lease. A copy of the proposed lease shall be available for public inspection and copying in the office of the county clerk.

4. Establishment of shellfish cultivation zones. Before leasing or using the lands hereby ceded to it, the county of Suffolk shall cause an accurate survey to be made of such lands, and a map or maps to be prepared therefrom. Such map or maps shall establish shellfish cultivation zones within Gardiner's and Peconic bays. Such map or maps shall be approved by local law. After such map or maps have been adopted, the county shall have the authority to issue leases for shellfish cultivation within the shellfish cultivation zones, as provided herein. Such map or maps shall be updated by the county of Suffolk every five years.

a. Underwater lands within one thousand feet of the high water mark shall not be included in a shellfish cultivation zone.

b. Underwater lands where bay scallops are produced regularly and harvested on a commercial basis shall not be included in a shellfish cultivation zone.

c. Underwater lands where there is an indicated presence of shellfish in sufficient quantity and quality and so located as to support significant hand raking and/or tonging harvesting shall not be included in a shellfish cultivation zone.

d. Underwater lands where the leasing will result in a significant reduction of established commercial finfish or crustacean fisheries shall not be included in a shellfish cultivation zone.

5. Regulations **for shellfish cultivation**. The county shall, by local law, before leasing any such underwater lands, adopt regulations governing:

a. applications for leases;
b. notices to be given;
c. the form and terms of leases;
d. standards for the approval or denial of leases;
e. administration of leases;
f. the transfer or renewal of leases;
g. marking grounds and testing;
h. fees;
i. recording of leases;
j. bonds; and
k. such other matters as are appropriate to the leasing program.

6. Department authority **over shellfish cultivation**. Notwithstanding any of the provisions of this section:

a. any person engaging in the cultivation or harvesting of shellfish in a shellfish cultivation zone pursuant to this section shall obtain a permit in accordance with section 13-0316 of this title; and

b. the department shall regulate and control the use of certain types of vessels and equipment for harvesting shellfish, requirements for reseeding, the right to enter upon such leased lands for reseeding or making shellfish population surveys, and enforce all other applicable state laws relating to said underwater lands.

7. **Leases for seaweed cultivation.**

a. Suffolk county may lease lands under water ceded to it by the state for the purpose of seaweed cultivation after approval by the county legislature of a seaweed cultivation viability study. Provided if no such leases have been executed by December thirty-first, two thousand twenty-three, such authority to lease pursuant to this section shall terminate. For the purposes of this section, "seaweed" means any species of marine macroalgae approved by the commissioner for cultivation in the waters of Gardiner's and Peconic bays.

b. Leases may be issued only within areas designated as seaweed cultivation zones on a map or maps to be prepared and approved by the county of Suffolk.

c. No lease shall be granted except upon written application on forms furnished by the county of Suffolk, and properly executed and signed by the applicant.

d. Before a lease is approved, notice shall be provided for at least two months by posting such notice at the bureau of marine resources in the department, the office of the county clerk, and the office of the town clerk in which all or any part of the lands to be leased are located. Such notice shall also be published in the official newspaper of the county. The notice shall include the name of the lessee, the boundaries of the lease, and the area of the lease. A copy of the proposed lease shall be available for public inspection and copying in the office of the county clerk.

e. Before leasing or using the lands hereby ceded to it for seaweed cultivation, the county of Suffolk shall cause an accurate survey to be made of such lands, and a map or maps to be prepared therefrom. Such map or maps shall establish seaweed cultivation zones within Gardiner's and Peconic bays. Such map or maps shall be approved by local law. After

such map or maps have been adopted, the county shall have the authority to issue leases for seaweed cultivation within the seaweed cultivation zones, as provided herein. Such map or maps shall be updated by the county of Suffolk every five years.

f. Underwater lands within one thousand feet of the high water mark shall not be included in a seaweed cultivation zone.

g. Underwater lands where bay scallops are produced regularly and harvested on a commercial basis shall not be included in a seaweed cultivation zone.

h. Underwater lands where there is an indicated presence of shellfish in sufficient quantity and quality and so located as to support significant hand raking and/or tonging harvesting shall not be included in a seaweed cultivation zone.

i. Underwater lands where the leasing will result in a significant reduction of established commercial finfish or crustacean fisheries shall not be included in a seaweed cultivation zone.

j. The county shall, by local law, before leasing any such underwater lands, adopt regulations governing:

(1) applications for leases;

(2) notices to be given;

(3) the form and terms of leases;

(4) standards for the approval or denial of leases;

(5) administration of leases;

(6) the transfer or renewal of leases;

(7) marking grounds and testing;

(8) fees;

(9) recording of leases;

(10) bonds; and

(11) such other matters as are appropriate to the leasing program.

k. Notwithstanding any of the provisions of this section:

(1) any person engaging in the cultivation or harvesting of seaweed in a seaweed cultivation zone pursuant to this section shall obtain all permits required by this chapter;

(2) the department shall regulate and control the use of certain types of vessels and equipment for harvesting seaweed, requirements for reseeding, the right to enter upon such leased lands, and enforce all other applicable state laws relating to said underwater lands; and

(3) any person engaging in the cultivation or harvesting of seaweed in a seaweed cultivation zone pursuant to this section shall receive species approval from the commissioner.

8. Duties of the county clerk. Leases issued pursuant to this section shall be recorded in the office of the county clerk in the manner and form to be determined by local law as provided in subdivision five of this section.

[~~8.~~] 9. Summary proceedings. Upon the failure of a lessee to pay the rental on any date due under the terms of the lease or upon revocation as provided for by local law pursuant to subdivision five or seven of this section, the county may, after written notice to the lessee declare the lease cancelled as of the date set forth in such notice, and may immediately thereafter evict the lessee from such lands. The provisions of article seven of the real property actions and proceedings law shall apply and govern the procedure in such case.

[~~9.~~] 10. Disposition of fees and rents. All fees and rents received shall be deposited into the general fund of the county. However, in the alternative, nothing shall prohibit the county of Suffolk, by local law,

from establishing a special fund for the promotion of aquaculture where such fees and rents shall be deposited.

[~~10. Suffolk county shall be authorized to allow the underwater lands at Gardiner's and Peconic Bays within the shellfish cultivation zone to be used for the implementation of a pilot program to conduct research and scientific assessment of the feasibility of seaweed cultivation. Such pilot program shall be limited to persons holding a lease from Suffolk county for shellfish cultivation and shall be limited to a total of five acres of such cultivation zone provided that any one person may be authorized to conduct seaweed cultivation on no more than one acre of the lease. Suffolk county shall provide a report to the legislature and the department on the pilot program no later than January first, two thousand twenty-six.~~]

§ 2. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

§ 3. This act shall take effect immediately.
