SENATE - ASSEMBLY

February 1, 2021

- IN SENATE -- Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation
- IN ASSEMBLY -- Introduced by M. of A. THIELE -- read once and referred to the Committee on Environmental Conservation
- AN ACT to amend the environmental conservation law, in relation to permitting seaweed cultivation in underwater lands at Gardiner's and Peconic bays

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 13-0302 of the environmental conservation law, as added by chapter 425 of the laws of 2004, subdivision 10 as added by chapter 322 of the laws of 2016, is amended to read as follows: § 13-0302. Lands underwater of Gardiner's and Peconic bays.

5 1. Underwater lands ceded to county of Suffolk. All the right, title and interest in which the people of the state of New York have in and to б 7 the lands under water of Gardiner's and Peconic bays in the county of 8 Suffolk, except underwater lands within one thousand feet of the high 9 water mark is hereby ceded to such county, for the purposes of shellfish 10 or seaweed cultivation, to be managed and controlled by such county, provided that such lands shall revert to the state when they shall cease 11 to be used for shellfish and seaweed cultivation. For the purposes of 12 this section, the term "Gardiner's and Peconic bays" shall mean the 13 waters of Gardiner's and Peconic bays and the tributaries thereof 14 15 between the westerly shore of Great Peconic bay and an easterly line 16 running from the most easterly point of Plum island to Goff point at the 17 entrance of Napeague harbor.

18 2. Ratification. The grant of lands under the waters of Gardiner's and 19 Peconic bays, by the commissioners of shell fisheries, in accordance 20 with the provisions of chapter 385 of the laws of 1884, as amended,

subsequently held and used by the grantees, heirs, successors, and 1 assigns on which all taxes and assessments have been paid, are hereby 2 ratified and confirmed. Any underwater lands in Gardiner's and Peconic 3 4 Bays previously granted that revert or escheat to the state or are 5 subject to tax deed by the county of Suffolk shall be available to the б county for leasing pursuant to this section. All other lands under such 7 waters, which pursuant to such chapters, have escheated or reverted to 8 the state, are hereby ceded to Suffolk county for the purposes of the 9 cultivation of shellfish, subject to existing valid grants and ease-10 ments; provided however, that nothing in this section shall interfere 11 with the right of the commissioner of general services to grant lands and easements under water to owners of adjacent uplands, pursuant to the 12 13 provisions of the public lands law, or of the legislature to make such 14 grants without regard to upland ownership, and to grant franchises to 15 utilities, municipalities and governmental, educational, or scientific 16 bodies for cables, outfalls, ecological studies, and experimentation 17 with controlled marine life.

18 3. Leases <u>for shellfish cultivation</u>. Suffolk county may lease lands 19 under water ceded to it by the state for the purpose of shellfish culti-20 vation. Provided if no such leases have been executed by December thir-21 ty-first, two thousand ten, such authority to lease pursuant to this 22 section shall terminate.

a. Leases may be issued only within areas designated as shellfish cultivation zones on a map or maps to be prepared and approved by the county of Suffolk.

b. No lease shall be granted except upon written application on forms furnished by the county of Suffolk, and properly executed and signed by the applicant.

29 c. Before a lease is approved, notice shall be provided for at least 30 two months by posting such notice at the bureau of marine resources in 31 the department, the office of the county clerk, and the office of the 32 town clerk in which all or any part of the lands to be leased are 33 located. Such notice shall also be published in the official newspaper 34 of the county. The notice shall include the name of the lessee, the 35 boundaries of the lease, and the area of the lease. A copy of the 36 proposed lease shall be available for public inspection and copying in 37 the office of the county clerk.

38 4. Establishment of shellfish cultivation zones. Before leasing or 39 using the lands hereby ceded to it, the county of Suffolk shall cause an accurate survey to be made of such lands, and a map or maps to be 40 prepared therefrom. Such map or maps shall establish shellfish culti-41 42 vation zones within Gardiner's and Peconic bays. Such map or maps shall 43 be approved by local law. After such map or maps have been adopted, the county shall have the authority to issue leases for shellfish culti-44 45 vation within the shellfish cultivation zones, as provided herein. Such 46 map or maps shall be updated by the county of Suffolk every five years. 47 a. Underwater lands within one thousand feet of the high water mark

47 a. Underwater lands within one thousand feet of the high water a 48 shall not be included in a shellfish cultivation zone.

49 b. Underwater lands where bay scallops are produced regularly and 50 harvested on a commercial basis shall not be included in a shellfish 51 cultivation zone.

52 c. Underwater lands where there is an indicated presence of shellfish 53 in sufficient quantity and quality and so located as to support signif-54 icant hand raking and/or tonging harvesting shall not be included in a 55 shellfish cultivation zone.

d. Underwater lands where the leasing will result in a significant 1 reduction of established commercial finfish or crustacean fisheries 2 shall not be included in a shellfish cultivation zone. 3 4 5. Regulations for shellfish cultivation. The county shall, by local 5 law, before leasing any such underwater lands, adopt regulations governб ing: 7 a. applications for leases; 8 b. notices to be given; 9 c. the form and terms of leases; 10 d. standards for the approval or denial of leases; 11 e. administration of leases; f. the transfer or renewal of leases; 12 13 g. marking grounds and testing; 14 h. fees; 15 i. recording of leases; 16 j. bonds; and k. such other matters as are appropriate to the leasing program. 17 18 6. Department authority over shellfish cultivation. Notwithstanding any of the provisions of this section: 19 20 a. any person engaging in the cultivation or harvesting of shellfish 21 in a shellfish cultivation zone pursuant to this section shall obtain a permit in accordance with section 13-0316 of this title; and 22 b. the department shall regulate and control the use of certain types 23 24 of vessels and equipment for harvesting shellfish, requirements for 25 reseeding, the right to enter upon such leased lands for reseeding or 26 making shellfish population surveys, and enforce all other applicable 27 state laws relating to said underwater lands. 28 7. Leases for seaweed cultivation. 29 a. Suffolk county may lease lands under water ceded to it by the state 30 for the purpose of seaweed cultivation after approval by the county 31 legislature of a seaweed cultivation viability study. Provided if no 32 such leases have been executed by December thirty-first, two thousand 33 twenty-three, such authority to lease pursuant to this section shall terminate. For the purposes of this section, "seaweed" means any species 34 35 of marine macroalgae approved by the commissioner for cultivation in the 36 waters of Gardiner's and Peconic bays. 37 b. Leases may be issued only within areas designated as seaweed culti-38 vation zones on a map or maps to be prepared and approved by the county 39 <u>of Suffolk.</u> 40 c. No lease shall be granted except upon written application on forms furnished by the county of Suffolk, and properly executed and signed by 41 42 the applicant. 43 d. Before a lease is approved, notice shall be provided for at least 44 two months by posting such notice at the bureau of marine resources in 45 the department, the office of the county clerk, and the office of the 46 town clerk in which all or any part of the lands to be leased are 47 located. Such notice shall also be published in the official newspaper of the county. The notice shall include the name of the lessee, the 48 boundaries of the lease, and the area of the lease. A copy of the 49 proposed lease shall be available for public inspection and copying in 50 the office of the county clerk. 51 52 e. Before leasing or using the lands hereby ceded to it for seaweed 53 cultivation, the county of Suffolk shall cause an accurate survey to be 54 made of such lands, and a map or maps to be prepared therefrom. Such map or maps shall establish seaweed cultivation zones within Gardiner's and 55 56 Peconic bays. Such map or maps shall be approved by local law. After
