4102--A

Cal. No. 581

2021-2022 Regular Sessions

IN SENATE

February 2, 2021

- Introduced by Sens. SAVINO, MARTUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Health -reported favorably from said committee, ordered to first and second report, ordered to a third reading, amended and ordered reprinted, retaining its place in the order of third reading
- AN ACT to amend the education law, in relation to the automated storage and dispensing of controlled substances using an automated dispensing device

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Section 6802 of the education law is amended by adding a
2	new subdivision 29 to read as follows:
3	29. "Automated dispensing device (ADD)" shall mean a mechanical system
4	used in nursing homes and residential health care facilities licensed
5	pursuant to article twenty-eight of the public health law and hospices
б	certified pursuant to article forty of the public health law, that pack-
7	ages and labels patient specific medication or multiple medications for
8	the purposes of administration by a health care professional licensed to
9	administer medications by the state of New York based on a prescription
10	or order that has completed final verification by a licensed pharmacist.
11	§ 2. The education law is amended by adding a new section 6809 to read
12	as follows:
13	§ 6809. Automated storage and dispensing of medications. 1. For
14	purposes of this section, "automated dispensing device (ADD)" shall have
15	the same meaning as subdivision twenty-nine of section sixty-eight
16	hundred two of this article.
17	2. The ADD and its contents shall remain the property of a pharmacy
18	registered under this article. The pharmacy shall maintain all
19	controls, record keeping as required by all laws, rules and regulations
20	of the state. Pharmacies utilizing automated dispensing devices as
21	permitted under this section for routine medication dispensing of

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 4102--A

1	controlled substances shall obtain a machine-specific federal Drug
2	Enforcement Administration (DEA-ADD) registration number, and the appro-
3	<u>priate New York state licensing.</u>
4	3. The pharmacy shall maintain records on site at the pharmacy (hard
5	copy or electronic) for not less than five years as required by part
б	sixty-three of the regulations of the commissioner, including but not
7	limited to:
8	a. documentation of the approval for use and placement of the ADD
9	received from the department and/or the board of pharmacy;
10	b. delivery manifests or similar electronic documentation that moni-
11	tors the transport of controlled substances between the pharmacy and
12	ADD;
13	c. ADD cleaning and maintenance logs or similar documentation;
14	d. records and/or electronic data of all events involving the ADD
15	including but not limited to:
16	(i) identity of all personnel who access the contents;
17	(ii) location of the system accessed;
18	(iii) type of transaction with date/time stamp;
19	(iv) name, strength, dosage form, and quantity of the accessed medica-
20	tion;
21	(v) name or other identifier of the patient for whom the medication
22	was ordered;
23	(vi) reconciliation of all controlled substance inventories at least
24	monthly.
25	4. The prepackaged cartridges or containers may be sent to a remote
26	site to be loaded into such machine by personnel designated by the phar-
27	macist-in-charge provided:
28	a. the individual cartridges or containers are transported to such
29	remote site in a secure, tamper-evident container; and
30	b. the automated pharmacy system uses bar-coding, microchip, or other
31	technologies to ensure that the containers are accurately loaded in the
32	automated pharmacy system.
33	5. Access to an ADD shall be restricted to authorized pharmacy and
34	facility nursing licensed personnel, registered pharmacy technicians,
35	and pharmacy aides as established by the facility administration in
36	conjunction with the pharmacist-in-charge. A list of such authorized
37	personnel shall be maintained at all times within the system and shall
38	be reviewed and updated periodically.
39	6. All medications, including controlled substances shall be dispensed
40	from an automated dispensing device pursuant to a valid, patient-specif-
41	ic prescription or order.
42	7. The pharmacy and the facility shall implement and maintain
43	adequate and appropriate policies, procedures and quality assurance
44	programs to ensure safety, accuracy, security, accountability, patient
45	confidentiality, and functionality with respect to administration and
46	usage of ADD.
47	8. The ADD will be monitored at the facility continuously by video and
48	under visual supervision by a pharmacist during the loading process.
49	9. Any losses of medication shall be reported in accordance with the
50	requirements of the servicing pharmacy's licensing body.
51	§ 3. This act shall take effect on the sixtieth day after it shall

52 have become a law.
