STATE OF NEW YORK

4113

2021-2022 Regular Sessions

IN SENATE

February 2, 2021

Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to providing a daily report on unused COVID-19 vaccines; and to provide for the expiration and repeal of such provision upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2182 of the public health law is renumbered 2183 and a new section 2182 is added to read as follows:

§ 2182. COVID-19 vaccine reporting. Beginning the day after the effective date of this section, the department shall prepare a report and post such report on the department's website for the general public to access which details the number of COVID-19 vaccines which are unused throughout the state. The department shall update such report daily.

§ 2. This act shall take effect immediately and shall expire and be deemed repealed 1 year following the conclusion of the state disaster emergency declared pursuant to executive order 202, provided that the commissioner of health shall notify the legislative bill drafting commission upon the occurrence of the conclusion of such executive order in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
