5 limited to, counseling techniques, community policing practices, gender
6 and racial sensitivity awareness, and field and tactical training for
7 prevention and response to incidents. The department shall utilize
8 current or retired police officers, in order to train school resource
9 officers in any police related or tactical training provided for certifi-
10 cation. The certifications granted from such programs shall expire one

36 to provide such services. The commissioner of education may include no
37 more than twenty thousand dollars in addition to the earning limitations
38 set forth in the table in subdivision two of this section to such
39 retired police officer, retired state trooper, or retired deputy sheriff
40 who is employed as a school resource officer.

41 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

Insofar as this bill will affect the New York State and Local Employ-
ees' Retirement System (NYSLERS) and the New York State and Local Police
and Fire Retirement System (NYSLPFRS), this bill will allow the commis-
sioner of education to determine that the earnings limitations set forth
in Section 212 of the Retirement and Social Security Law (RSSL) shall
not apply to retired police officers, retired state troopers and retired
deputy sheriffs who are employed as a school resource officer by either
a board of cooperative educational services or a school district, or by
a county, city, town or village police department pursuant to a contract
with a school district to provide such services. The commissioner may
include no more than twenty thousand dollars in addition to the earnings
limitations set forth in subdivision two of Section 212 of the RSSL for
the affected school resource officers. Currently, only retired police
officers who are employed as a school resource officer by a school

district are not subject to the earnings limitations set forth in Section 212 of the RSSL.

If this bill is enacted, we expect few retirees to be affected. There would be negligible additional annual costs. However, if large numbers of retirees are hired into such positions, there would be additional annual costs which would be shared by the state of New York and all of the participating employers in the System.
