Section 1. Section 501 of the vehicle and traffic law is amended by adding a new subdivision 7 to read as follows:

7. Driving privilege licenses. (a) The commissioner shall issue driving privilege licenses as provided in this article. Such license shall be valid only for the operation of a motor vehicle of a type which could be operated by the holder of the class of license for which application is being made, provided, however that no driving privilege license shall be issued which would be equivalent to a commercial driver's license.

(b) (i) No governmental entity shall accept a driving privilege license as proof of personal identification.

1 with such application. The applicant shall furnish such proof of identi-
2 ty, age, and fitness as may be required by the commissioner. With
3 respect to a [~~non-commercial driver's~~] driving privilege license or
4 learner's permit which does not meet federal standards for identifica-
5 tion, in addition to the acceptable proofs of age and identity approved
6 by the commissioner as of January first, two thousand nineteen, accepta-
7 ble proof of identity shall also include, but not be limited to, a
8 valid, unexpired foreign passport issued by the applicant's country of
9 citizenship (which shall also be eligible as proof of age), a valid,
10 unexpired consular identification document issued by a consulate from
11 the applicant's country of citizenship, or a valid foreign driver's
12 license that includes a photo image of the applicant and which is unex-
13 pired or expired for less than twenty-four months of its date of expira-
14 tion, as primary forms of such proof. Nothing contained in this subdivi-
15 sion shall be deemed to preclude the commissioner from approving
16 additional proofs of identity and age. The commissioner may also
17 provide that the application procedure shall include the taking of a
18 photo image or images of the applicant in accordance with rules and
19 regulations prescribed by the commissioner. In addition, the commission-
20 er also shall require that the applicant provide his or her social secu-
21 rity number or, in lieu thereof, with respect to an application for a
22 [~~non-commercial driver's~~] driving privilege license or learner's permit
23 which does not meet federal standards for identification, an affidavit
24 signed by such applicant that they have not been issued a social securi-
25 ty number. The commissioner also shall provide space on the application
26 so that the applicant may request a notation upon such license that he
27 or she is a veteran of the United States armed forces, and space on the
28 application so that the applicant may register in the New York state
29 organ and tissue donor registry under section forty-three hundred ten of
30 the public health law with the following stated on the application in
31 clear and conspicuous type:

32 "You must fill out the following section: Would you like to be added
33 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-
34 tion'."

35 The commissioner of health shall not maintain records of any person
36 who checks "skip this question". Except where the application is made in
37 person or electronically, failure to check a box shall not impair the
38 validity of an application, and failure to check "yes" or checking "skip
39 this question" shall not be construed to imply a wish not to donate. In
40 the case of an applicant under eighteen years of age, checking "yes"
41 shall not constitute consent to make an anatomical gift or registration
42 in the donate life registry, except as otherwise provided pursuant to
43 the provisions of paragraph (b) of subdivision one of section forty-
44 three hundred one of the public health law. Where an applicant has
45 previously consented to make an anatomical gift or registered in the
46 donate life registry, checking "skip this question" or failing to check
47 a box shall not impair that consent or registration. In addition, an
48 applicant for a commercial driver's license who will operate a commer-
49 cial motor vehicle in interstate commerce shall certify that such appli-
50 cant meets the requirements to operate a commercial motor vehicle, as
51 set forth in public law 99-570, title XII, and title 49 of the code of
52 federal regulations, and all regulations promulgated by the United
53 States secretary of transportation under the hazardous materials trans-
54 portation act. In addition, an applicant for a commercial driver's
55 license shall submit a medical certificate at such intervals as required
56 by the federal motor carrier safety improvement act of 1999 and Part

383.71(h) of title 49 of the code of federal regulations relating to medical certification and in a manner prescribed by the commissioner. For purposes of this section and sections five hundred three, five hundred ten-a, and five hundred ten-aa of this title, the terms "medical certificate" and "medical certification" shall mean a form substantially in compliance with the form set forth in Part 391.43(h) of title 49 of the code of federal regulations. Upon a determination that the holder of a commercial driver's license has made any false statement, with respect to the application for such license, the commissioner shall revoke such license.

§ 2-a. Subdivision 1 of section 502 of the vehicle and traffic law, as separately amended by chapters 158 and 440 of the laws of 2021, is amended to read as follows:

1. Application for license. Application for a driver's license shall be made to the commissioner. The fee prescribed by law may be submitted with such application. The applicant shall furnish such proof of identity, age, and fitness as may be required by the commissioner. With respect to a [~~non-commercial driver's~~] driving privilege license or learner's permit which does not meet federal standards for identification, in addition to the acceptable proofs of age and identity approved by the commissioner as of January first, two thousand nineteen, acceptable proof of identity shall also include, but not be limited to, a valid, unexpired foreign passport issued by the applicant's country of citizenship (which shall also be eligible as proof of age), a valid, unexpired consular identification document issued by a consulate from the applicant's country of citizenship, or a valid foreign driver's license that includes a photo image of the applicant and which is unexpired or expired for less than twenty-four months of its date of expiration, as primary forms of such proof. Nothing contained in this subdivision shall be deemed to preclude the commissioner from approving additional proofs of identity and age. The license shall display the sex designation of M, F, or X as certified by the applicant, with no additional documentation required. The applicant may amend the sex designation of their driver's license upon request. Upon amendment of the sex designation, the change shall be made consistent through all affiliated records within the control of the department. The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide such applicant's social security number or, in lieu thereof, with respect to an application for a [~~non-commercial driver's~~] driving privilege license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number. The commissioner also shall provide space on the application so that the applicant may request a notation upon such license that such applicant is a veteran of the United States armed forces, and space on the application so that the applicant may request a notation upon such license that he or she is a veteran of the United States armed forces, and space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

1 "You must fill out the following section: Would you like to be added
2 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-
3 tion'."

4 The commissioner of health shall not maintain records of any person
5 who checks "skip this question". Except where the application is made in
6 person or electronically, failure to check a box shall not impair the
7 validity of an application, and failure to check "yes" or checking "skip
8 this question" shall not be construed to imply a wish not to donate. In
9 the case of an applicant under eighteen years of age, checking "yes"
10 shall not constitute consent to make an anatomical gift or registration
11 in the donate life registry, except as otherwise provided pursuant to
12 the provisions of paragraph (b) of subdivision one of section forty-
13 three hundred one of the public health law. Where an applicant has
14 previously consented to make an anatomical gift or registered in the
15 donate life registry, checking "skip this question" or failing to check
16 a box shall not impair that consent or registration. In addition, an
17 applicant for a commercial driver's license who will operate a commer-
18 cial motor vehicle in interstate commerce shall certify that such appli-
19 cant meets the requirements to operate a commercial motor vehicle, as
20 set forth in public law 99-570, title XII, and title 49 of the code of
21 federal regulations, and all regulations promulgated by the United
22 States secretary of transportation under the hazardous materials trans-
23 portation act. In addition, an applicant for a commercial driver's
24 license shall submit a medical certificate at such intervals as required
25 by the federal motor carrier safety improvement act of 1999 and Part
26 383.71(h) of title 49 of the code of federal regulations relating to
27 medical certification and in a manner prescribed by the commissioner.
28 For purposes of this section and sections five hundred three, five
29 hundred ten-a, and five hundred ten-aa of this title, the terms "medical
30 certificate" and "medical certification" shall mean a form substantially
31 in compliance with the form set forth in Part 391.43(h) of title 49 of
32 the code of federal regulations. Upon a determination that the holder of
33 a commercial driver's license has made any false statement, with respect
34 to the application for such license, the commissioner shall revoke such
35 license.

36 § 3. Paragraph (a) of subdivision 6 of section 502 of the vehicle and
37 traffic law, as amended by chapter 37 of the laws of 2019, is amended to
38 read as follows:

39 (a) A license issued pursuant to subdivision five of this section
40 shall be valid until the expiration date contained thereon, unless such
41 license is suspended, revoked or cancelled. Such license may be renewed
42 by submission of an application for renewal, the fee prescribed by law,
43 proofs of prior licensing, fitness and acceptable vision prescribed by
44 the commissioner, the applicant's social security number or, in lieu
45 thereof, with respect to an application for a ~~[non-commercial driver's]~~
46 driving privilege license or learner's permit which does not meet feder-
47 al standards for identification, an affidavit signed by such applicant
48 that they have not been issued a social security number, and if required
49 by the commissioner, a photo image of the applicant in such numbers and
50 form as the commissioner shall prescribe. In addition, an applicant for
51 renewal of a license containing a hazardous material endorsement shall
52 pass an examination to retain such endorsement. The commissioner shall,
53 with respect to the renewal of a hazardous materials endorsement, comply
54 with the requirements imposed upon states by sections 383.141 and
55 1572.13 of title 49 of the code of federal regulations. A renewal of
56 such license shall be issued by the commissioner upon approval of such

1 application, except that no such license shall be issued if its issuance
2 would be inconsistent with the provisions of section five hundred
3 sixteen of this title, and except that the commissioner may refuse to
4 renew such license if the applicant is the holder of a currently valid
5 or renewable license to drive issued by another state or foreign country
6 unless the applicant surrenders such license.

37 also be eligible as proof of age), a valid, unexpired consular identifi-
38 cation document issued by a consulate from the applicant's country of
