2021-2022 Regular Sessions

IN SENATE

February 5, 2021

Introduced by Sen. GOUNARDES -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law and the state finance law, in relation to enacting The New Deal for CUNY

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This enacts "The New Deal for CUNY".
2 § 2. Legislative intent. The Legislature hereby recognizes the need
3 for The New Deal for CUNY in order to ensure that the commitment the
4 Legislature articulated in establishing the city university of New York
5 is extended to present and future generations. The 1961 legislation
6 recognized that the creation of a city university as a single unified
7 system was "justified" by the special needs of a multi-racial urban
8 constituency and the "vital importance" of creating opportunities for
9 disadvantaged New Yorkers. Those needs have only grown in the half-cen-
10 tury since the Legislature's action. Yet CUNY's ability to fulfill them
11 has diminished as enrollment has skyrocketed and investment has failed
12 to keep pace. The New Deal for CUNY reimagines CUNY as the vital urban
13 university it must be if it is to serve the people of New York. It
14 enhances CUNY's historic role as a leader in educational justice and
15 economic transformation. This legislation restores free tuition,
16 ensures adequate faculty staffing, and aligns student support with
17 nationally recommended standards. In doing so, The New Deal for CUNY
18 restores New York to national leadership in public higher education and
19 removes the barriers to student success that have prevented thousands of
20 CUNY students from realizing the full potential of a college degree. The
21 New Deal for CUNY gradually increases the ratio of students to full-time
22 faculty at CUNY to nationally recommended levels, with a special empha-
23 sis on racial and ethnic diversity in hiring. It also replaces the
24 system of underpayment for contingent faculty with a dignified labor
25 system that provides students with the support they urgently need. CUNY

1 students, perhaps more than any other college population in the country,
2 bear stresses that make it extraordinarily difficult to stay in college,
3 sometimes even to survive. The New Deal for CUNY addresses the urgent
4 need for student support by gradually escalating the hiring of mental
5 health and other counselors to bring CUNY into line with national stand-
6 ards. The New Deal for CUNY mandates that all tuition for in-state
7 undergraduate students within specified time-frames for completion of
8 degree be eliminated, and that the revenue to the colleges that would
9 otherwise derive from tuition be replaced annually by federal, state,
10 and city funds.

11 § 3. Subdivision A of section 6221 of the education law is amended by
12 adding a new paragraph 4-b to read as follows:

13 4-b. Notwithstanding any other provision of law, rule or regulation to
14 the contrary, subject to amounts made available by appropriation,
15 commencing in the two thousand twenty-two--two thousand twenty-three
16 academic year, the city university shall be entitled to annually receive
17 one hundred percent reimbursement for the annual cost of tuition for
18 each matriculated undergraduate student at a city university senior
19 college and community college who is enrolled in credit-bearing academic
20 coursework and is on track to graduate. The state comptroller shall
21 establish a separate fund for such monies to be distributed to the city
22 university of New York. The city university shall receive an amount
23 equal to the full cost of in-state undergraduate tuition for each quali-
24 fying, matriculated student who successfully completes credit-bearing
25 academic coursework and is on track to graduate. The full cost of
26 tuition shall not include any additional funds the student may receive
27 from any other New York state or federal grant, award, or scholarship
28 program. The deposit of these funds shall be utilized as first dollar
29 awards to the students at the city university. Any student not success-
30 fully completing credit-bearing academic coursework in a semester shall
31 still be eligible to receive all other grants, awards, and scholarships
32 for which they qualify but shall not be eligible for the tuition
33 reimbursement described herein. Students shall be eligible to receive a
34 one semester exemption from the requirement to complete credit-bearing
35 academic coursework for such tuition reimbursement as promulgated by the
36 higher education services corporation. Such exemption shall not preclude
37 any student from exercising their right to appeal pursuant to higher
38 education services corporation policy. The state comptroller shall
39 deposit such monies with the city university no later than thirty days
40 after the start of the semester.

41 § 4. Section 6206 of the education law is amended by adding three new
42 subdivisions 21, 22 and 23 to read as follows:

43 21. Each community college and senior college of the city university
44 of New York shall maintain, at a minimum, a ratio of one clinical, non-
45 student mental health staff member per one thousand students. Within two
46 years of the effective date of this subdivision, each community and
47 senior college shall establish, and require a meeting of, a board of
48 advisors having expertise in the area of clinical mental health
49 services. The advisory boards shall, using current data, update and
50 modify, as necessary, such ratios based on actual ratios in this state
51 and any new information related to appropriate benchmarks for clini-
52 cian-to-student ratios. Data collected by the advisory boards may be
53 used as a means to increase the number of mental health staff members.
54 In no event shall the ratio fall below one clinical, non-student mental
55 health staff member per one thousand students. Following the initial
56 meeting, advisory boards shall meet once every five years. This subdivi-

1 sion shall not be funded by student tuition or fees created on or after
2 the effective date of this subdivision. Community colleges and senior

4 private grants, if available, to further expand and support the
5 provisions of this subdivision. Any faculty and staff hired through the

32 7. For the fiscal year beginning on April first, two thousand twenty-
33 one and every fifth fiscal year thereafter, the governor shall submit to
34 the legislature as part of the annual executive budget, five-year capi-
35 tal plans for the state university of New York state operated campuses
36 and city university of New York senior colleges. Such plans shall
37 provide for the annual appropriation of capital funds to cover one
38 hundred percent of the annual critical maintenance needs identified by
39 each university system, and may include funds for new infrastructure or
40 other major capital initiatives, provided that such funding for new
41 infrastructure or other major capital initiatives shall not count
42 towards meeting the overall critical maintenance requirement. In the
43 event that such plan is unable to fund one hundred percent of the crit-
44 ical maintenance needs due to the limitation imposed by article five-B
45 of this chapter, the director of the budget shall develop five-year
46 capital plans whereby the implementation of each capital plan would
47 annually reduce the overall facility condition index for each university
48 system. For the purposes of this subdivision, "facility condition index"
49 shall mean an industry benchmark that measures the ratio of deferred
50 maintenance dollars to replacement dollars for the purposes of analyzing
51 the effect of investing in facility improvements. The apportionment of
52 capital appropriations to each state-operated campus or senior college
53 shall be based on a methodology to be developed by the director of the
54 budget, in consultation with the state university of New York and the
55 city university of New York.

56 § 7. This act shall take effect immediately.
