IN SENATE

February 5, 2021

Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to review of policies and practices relating to infectious disease outbreaks in correctional facilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 26 of section 206 of the public health law, as
2 amended by chapter 45 of the laws of 2021, is amended to read as
3 follows:

4 26. The commissioner is hereby authorized and directed to review any
5 policy or practice instituted in facilities operated by the department
6 of corrections and community supervision, and in all local correctional
7 facilities, as defined in subdivision sixteen of section two of the
8 correction law, regarding human immunodeficiency virus (HIV), acquired
9 immunodeficiency syndrome (AIDS), hepatitis C (HCV), [~~and~~] COVID-19, and
10 emerging infectious diseases, including the prevention of the trans-
11 mission of and the treatment of such infections and diseases among
12 inmates. Such review shall be performed at least annually, and shall
13 focus on whether such policy or practice is consistent with current,
14 generally accepted medical standards and procedures used to prevent the
15 transmission of and to treat those infections and diseases among the
16 general public. In performing such reviews, in order to determine the
17 quality and adequacy of care and treatment provided, department person-
18 nel are authorized to enter correctional facilities and inspect policy
19 and procedure manuals and medical protocols, interview health services
20 providers and inmate-patients, review medical grievances, and inspect a
21 representative sample of medical records of inmates known to be infected
22 with any such infections or diseases. Prior to initiating a review of a

1 correctional system, the commissioner shall inform the public, including
2 patients, their families and patient advocates, of the scheduled review
3 and invite them to provide the commissioner with relevant information.
4 Upon the completion of such review, the department shall, in writing,
5 approve such policy or practice as instituted in facilities operated by
6 the department of corrections and community supervision, and in any
7 local correctional facility, or, based on specific, written recommenda-
8 tions, direct the department of corrections and community supervision,
9 or the authority responsible for the provision of medical care to
10 inmates in local correctional facilities to prepare and implement a
11 corrective plan to address deficiencies in areas where such policy or
12 practice fails to conform to current, generally accepted medical stand-
13 ards and procedures. The commissioner shall monitor the implementation
14 of such corrective plans and shall conduct such further reviews as the
15 commissioner deems necessary to ensure that identified deficiencies in
16 those policies and practices are corrected. All written reports pertain-
17 ing to reviews provided for in this subdivision shall be maintained,
18 under such conditions as the commissioner shall prescribe, as public
19 information available for public inspection. As used in this subdivi-
20 sion, "emerging infectious disease" means an infection that had
21 increased recently or is threatening to increase in the near future.

22 § 2. This act shall take effect immediately.
