AN ACT to amend the public authorities law, in relation to gender balance in state and local public authorities; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public authorities law is amended by adding a new  
2 section 2829 to read as follows:

3 § 2829. Program promoting women to state and local authority boards.  
4 1. The legislature finds that there is a need to promote women for  
5 recommendation and appointment to state and local authority boards in an  
6 effort to reverse a long history of discrimination against women on  
7 boards of public authorities. The program proposed by this section would  
8 provide for the use of gender as a factor when making recommendations  
9 and appointments to state and local authority boards. This section  
10 serves to achieve the benefits that come with the important governmental  
11 objective of attaining gender diversity on state and local authority  
12 boards.

13 2. For the purposes of this section, the following terms shall have  
14 the following meanings, unless the context otherwise requires:

15 (a) "Gender balance" means providing women candidates with a prefer-  
16 ence when appointing individuals to boards;

17 (b) "Appointing power" means an individual or government or legisla-  
18 tive body charged with the responsibility to recommend for appointment

24 authority.

25 5. The appointing power shall undertake all efforts necessary to  
26 obtain lists of names of qualified candidates to be recommended for

39 appointed or reappointed board members in the last year, the number of
