FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would allow any Tier 6 member who is a uniformed court officer or peace officer employed by the unified court system to retire without early age reduction upon attaining 30 years of creditable service and age 55. It would also reduce the normal retirement age from 63 to 62, and lessen the reductions in benefits for those who retire prior to normal retirement age.

If this bill is enacted during the 2021 legislative session, we anticipate that there will be an increase in contributions of approximately 1.1% of the compensation of the affected members. For the fiscal year ending March 31, 2021, this is estimated to be approximately \$1.1 million. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$4.60 million which will be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2022.

These estimated costs are based on 1,311 affected members employed by the unified court system as a uniformed court officer or peace officer with a total estimated annual salary of approximately \$84 million as of March 31, 2020.
