The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The penal law is amended by adding a new section 135.80 to  
2 read as follows:

5 course of conduct against a member of his or her same family or house-  
6 hold, as defined in section 530.11 of the criminal procedure law, with-  
7 out the victim's consent, which results in limiting or restricting, in  
8 full or in part, the victim's behavior, movement, associations or access  
9 to or use of his or her own finances or financial information. For the

13 limiting or restricting the victim's behavior, movement, associations or  
14 access to or use of his or her own finances or financial information.  
15 This section shall not apply to actions taken pursuant to a legal  
16 arrangement granting one person power or authority over another person,  
17 including, but not limited to, power of attorney arrangements as defined  
18 in paragraph (j) of subdivision two of section 5-1501 of the general  
19 obligations law, guardians of the property or person as defined in  
20 subdivisions (c) and (d) of section 83.03 of the mental hygiene law, or

22 Coercive control is a class E felony.
