

STATE OF NEW YORK

2021-2022 Regular Sessions

IN SENATE

March 23, 2021

Introduced by Sen. HINCHEY -- read twice and ordered printed, and when printed to be committed to the Committee on Agriculture

AN ACT to amend the agriculture and markets law, in relation to the licensing of home kitchen operations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "home kitchen enterprise and economic opportunity act".

3 § 2. Legislative intent. Every day, New Yorkers are using their
4 skills, talents and creativity to build home kitchen-based businesses to
5 provide unique, quality food products, increasingly sourced using local
6 ingredients for direct sale to consumers, farmers markets and other
7 retail outlets. By practicing and perfecting their products, many of
8 these craft culinary enterprises have succeeded and grown into thriving
9 and vibrant small businesses, creating jobs and supporting local econo-
10 mies and local farmers. It is the legislature's intent that home kitch-
11 en-based food entrepreneurs should be supported and encouraged in their
12 efforts. Homemade food businesses can create significant economic oppor-
13 tunities for New Yorkers that need them most--including women, immi-
14 grants, and people of color, who have historically faced barriers to
15 labor force participation and entrepreneurship and many of whom have
16 lost employment in the food industry as a result of the COVID-19 pandem-
17 ic. The home kitchen enterprise and economic opportunity act modernizes
18 regulations impacting these enterprises and reduces artificial barriers
19 to business growth, while preserving food safety and public health.

20 § 3. The agriculture and markets law is amended by adding a new arti-
21 cle 22-A to read as follows:

17 5. A home kitchen operation shall comply with the rules and regu-
18 lations adopted by the commissioner under this article.

26 provide notice to an operator before a routine inspection and shall
27 conduct the routine inspection at a mutually agreeable date and time.
28 This paragraph shall not be deemed to require the department to conduct
29 a routine inspection.

30 (b) A for-cause inspection may be conducted when the department has a

34 in violation of this article. The department shall provide notice to an
35 operator before conducting a for-cause inspection and shall conduct the
36 inspection at a mutually agreeable date and time.

40 the facts prompting the inspection. The department shall provide the
41 operator with advance notice of an emergency inspection to the extent
42 that it is reasonable to do so under the circumstances.

43 2. The department may inspect only the licensed area of the home
44 kitchen operation for the purpose of enforcing or administering this
45 article.
