1     § 3399-b. Program approval. 1. Notwithstanding any other statute, law  
2 or rule to the contrary, the department or a local health district may  
3 approve an entity to operate a program in one or more jurisdictions upon  
4 satisfaction of the requirements set forth in subdivision two of this  
5 section. The department and local health jurisdictions shall establish  
6 standards for program approval and training and may promulgate such  
7 rules and regulations as are necessary to implement this section.

8     (a) The department or a local health district shall approve or deny an  
9 application under this section within forty-five days of the day of  
10 receipt of the application and provide a written explanation of such  
11 determination.

12     (b) An entity may make an application under this section at any time,  
13 regardless of previous applications.

14     2. The department or local health district may approve an entity to  
15 operate a program pursuant to this article, upon submission of an appli-  
16 cation that demonstrates the entity will, at a minimum:

17     (a) provide a hygienic space where participants may consume their  
18 preobtained drugs that is separate from the space in which the provider  
19 performs other business, if any;

20     (b) provide adequate staffing by healthcare professionals or other  
21 trained staff;

22     (c) provide sterile injection supplies, collect used hypodermic  
23 needles and syringes, and provide secure hypodermic needle and syringe  
24 disposal services;

25     (d) provide education on safe consumption practices, proper disposal  
26 of hypodermic needles and syringes, and overdose prevention, including  
27 written information in, at a minimum, the four most commonly spoken  
28 languages in the state as determined by the department or local health  
29 district;

30     (e) administer first aid, if needed, and monitor participants for  
31 potential overdose;

32     (f) provide referrals to addiction treatment, medical, social welfare,  
33 and employment and training services;

34     (g) educate participants on the risks of contracting HIV and viral  
35 hepatitis and provide sexual health resources and supplies, including,  
36 but not limited to, male and female condoms;

37     (h) provide access to naloxone or referrals to obtain naloxone for  
38 participants;

39     (i) provide reasonable and adequate security of the program site and  
40 equipment;

41     (j) ensure confidentiality of program participants by using an anony-  
42 mous unique identifier;

43     (k) train staff members to deliver services offered by the program or  
44 attend trainings provided by the department or local health jurisdiction  
45 if required; and

46     (l) establish operating procedures for the program as well as eligi-  
47 bility criteria for program participants if not predetermined by the  
48 department or local health district.

49     § 3399-c. Designation. A department approved program shall also be  
50 designated as an authorized syringe exchange program in accordance with  
51 the regulations of the department as set forth in 10 NYCRR 80.135 and as  
52 a registered provider of an opioid overdose prevention program in  
53 accordance with the regulations of the department as set forth in 10  
54 NYCRR 80.138. A safer consumption program approved by a local health  
55 district shall apply to be an authorized syringe exchange program and  
56 registered provider of an opioid overdose prevention program.

1     § 3399-d. Reporting. An entity operating a safer consumption program  
2 under this section shall provide an annual report to the department or  
3 local health district that approved it for operation at a date set by  
4 the department or local health district that shall include:

- 5     1. the number of program participants;
- 6     2. aggregate information regarding the characteristics of program  
7 participants;
- 8     3. the number of hypodermic needles and syringes distributed for use  
9 on-site;
- 10    4. the number of overdoses experienced and the number of overdoses  
11 reversed on-site; and
- 12    5. the number of individuals directly and formally referred to other  
13 services and the type of service.

14    § 3399-e. Immunity provided. Notwithstanding any other statute, law or  
15 rule to the contrary, the following persons shall not be arrested,  
16 charged, or prosecuted for any criminal offense or be subject to any  
17 civil or administrative penalty, including seizure or forfeiture of  
18 assets or real property or disciplinary action by a professional licens-  
19 ing board, or be denied any right or privilege, solely for participation  
20 or involvement in a safer consumption program approved by the department  
21 or local health districts pursuant to this article:

- 22    1. a participant;
- 23    2. a staff member or administrator of a program, including a health-  
24 care professional, manager, employee, or volunteer; or
- 25    3. a property owner who owns real property at which a program is  
26 located and operates.

27    § 3399-f. Limitations on immunity. Notwithstanding the provisions of  
28 section thirty-three hundred ninety-nine-e of this article, a property  
29 owner, staff member, manager, employee, volunteer, or individual utiliz-  
30 ing a safer consumption services program is not immune from criminal  
31 prosecution for any activities not permitted or approved pursuant to  
32 this article.

33    § 2. This act shall take effect immediately.
