AN ACT establishing a commission to study the European Union's general  
protection data regulation and the current state of cyber security in  
the state

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

- 1 Section 1. a. The office of information technology services, in  
2 consultation with, and using data collected by, the state board of  
3 elections, shall establish a commission to study the European Union's  
4 general protection data regulation and the current state of cyber secu-  
5 rity in the state, to develop legislation to protect people's online  
6 personal information.
- 7 b. Such commission shall consist of eleven members to be appointed by  
8 the director of the office of information technology services. Such  
9 members shall have knowledge of and expertise in cyber security, tele-  
10 communications, internet service delivery, public protection, computer  
11 systems and/or computer networks.
- 12 c. Such commission shall investigate, discuss and make recommendations  
13 concerning cyber security issues using the European Union's general  
14 protection data regulation as a model involving both the public and  
15 private sectors and the necessary steps New York state should take to  
16 protect:
- 17 i. critical cyber infrastructure;  
18 ii. financial systems;  
19 iii. telecommunications networks;  
20 iv. electrical grids;  
21 v. security systems;  
22 vi. first responder systems and infrastructure;  
23 vii. physical infrastructure systems;

1 viii. transportation systems; and

2 ix. any additional sectors of state government and the private sector  
3 as the commission deems necessary.

4 d. The purpose of such commission shall be to promote the development  
5 of innovative, actionable policies to ensure that New York state is in  
6 the forefront of personal cyber security defense.

7 e. The members of such commission shall receive no compensation for  
8 their services, but may receive actual and necessary expenses, and shall  
9 not be disqualified for holding any other public office or employment by  
10 means of their service as a member of the commission.

11 f. Such commission shall be entitled to request and receive, and shall  
12 be provided with, such facilities, resources and data of any agency,  
13 department, division, board, bureau, commission, or public authority of  
14 the state, as they may reasonably request, to properly carry out their  
15 powers, duties and purpose.

16 § 2. No later than one year after the effective date of this act, the  
17 office of information technology services shall submit to the governor  
18 and the legislature a report regarding the European Union's general  
19 protection data regulation and the current state of cyber security in  
20 the state.

21 § 3. The office of information technology services shall evaluate such  
22 data with the assistance of experts in:

23 a. European Union cyber security;

24 b. voter fraud;

25 c. New York state cyber security;

26 d. cybercrime; and

27 e. hacking.

28 § 4. This act shall take effect immediately.
