STATE OF NEW YORK

6172--A

2021-2022 Regular Sessions

IN SENATE

April 13, 2021

- Introduced by Sens. HOYLMAN, BIAGGI, GAUGHRAN, MANNION -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation -- recommitted to the Committee on Environmental Conservation in accordance with Senate Rule 6, sec. 8 -committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee
- AN ACT to amend the environmental conservation law, in relation to prohibiting the disabling, removal or interference with emission control devices; and to amend the environmental conservation law and the vehicle and traffic law, in relation to prohibiting the use of emission tampering devices and providing remedies for the violation of such provisions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act may be known and may be cited as the "emission tampering act of 2022". 2 3 § 2. Article 19 of the environmental conservation law is amended by 4 adding a new title 13 to read as follows: 5 TITLE 13 б EMISSION TAMPERING 7 Section 19-1301. Statement of findings. 8 19-1303. Definitions. 9 19-1305. Prohibitions. 19-1307. Emission inspections and reporting. 10 19-1309. Enforcement. 11 12 § 19-1301. Statement of findings. 13 1. Emission control devices installed by manufacturers of diesel-pow-14 ered heavy duty vehicles are essential to limiting the emission of air pollutants from such vehicles, protecting the public health from the 15 16 adverse health effects of those pollutants, and maintaining the state's

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD10860-02-2

S. 6172--A

1	ability to meet the greenhouse gas reduction targets set forth in the
2	climate change and community leadership act.
3	2. The United States environmental protection agency has determined
4	that emission controls have been removed from over one-half million
5	heavy duty vehicles in the last decade, resulting in more than one-half
6	million tons of excess nitrogen oxides and five thousand tons of excess
7	particulate matter being emitted from those vehicles.
8	3. The United States environmental protection agency has estimated
9	that in New York more than thirteen thousand heavy duty vehicles have
10	disabled or removed emission controls, resulting in excess emissions of
11	over thirteen thousand tons of nitrogen oxides and over one hundred tons
12	<u>of particulate matter.</u>
13	4. The tampering with, disabling, or removal of emission controls in
14	diesel-powered motor vehicles poses a serious threat to the health of
15	the citizens of New York state.
16	<u>§ 19-1303. Definitions.</u>
17	<u>As used in this title:</u>
18	1. "Aftermarket defeat device" means a part or component intended for
19	use with, or as part of, any motor vehicle or motor vehicle engine where
20	a principal effect of the part or component is to bypass, defeat, alter
21	or render inoperative any device or element of design installed on or in
22	a motor vehicle or motor vehicle engine in compliance with any require-
23	ment of the federal clean air act or of this title.
24	2. "Heavy duty vehicle" means a heavy duty vehicle as defined in
25	subdivision one of section 19-0320 of this article.
26	3. "Motor vehicle" means a motor vehicle as defined in section one
27	hundred twenty-five of the vehicle and traffic law.
28	4. "Tamper" means to remove or render inoperative or inaccurate any
29	device or element of design installed on or in a motor vehicle or motor
30	vehicle engine in compliance with any requirement of the federal clean
31	air act or of this article.
32	§ 19-1305. Prohibitions.
33	1. It shall be unlawful for any person to tamper with a motor vehicle.
34	2. No person shall sell, offer for sale or distribute an aftermarket
35	defeat device.
36	3. It shall be unlawful for any person to possess, install or attempt
37	to install an aftermarket defeat device.
38	4. A violation of this section shall be punishable by a civil penalty
39	of not less than one thousand dollars and not more than five thousand
40	dollars for the first violation and not less than two thousand and not
41	more than ten thousand dollars for the second and each subsequent
42	violation by the court or administrative tribunal before which the
43	summons or appearance ticket is returnable.
44	§ 19-1307. Emission inspections and reporting.
45	1. No later than one hundred eighty days after the effective date of
46	this title, the department, jointly with the department of motor vehi-
47	cles and department of transportation, shall modify the annual
48	inspection and roadside program established by subdivision two of
49	section 19-0320 of this article and the enhanced inspection and mainte-
50	nance program governed by 6 NYCRR Part 217 to require that each vehicle
51	is visually inspected for the presence of an aftermarket defeat device.
52	2. The owner or operator of a motor vehicle that, as a result of an
53	inspection, is determined to have an aftermarket defeat device, shall
54	remove or cause to be removed such device within ten business days of
55	the date of the inspection and shall provide written proof of such

56 removal in a form acceptable to the department, such proof to be submit-

-	
1	ted to the department within fifteen business days of the date of the
2	inspection.
3	3. Failure by the owner or operator of a motor vehicle to remove or
4	cause to be removed an aftermarket defeat device and provide written
5	proof thereof to the department shall subject such person to a civil
б	penalty of not less than one thousand dollars and not more than five
7	thousand dollars.
8	4. No later than one hundred eighty days after the effective date of
9	this title, the department shall prepare and make available to vehicle
10	emission inspection stations:
11	a. a written notice setting forth the removal and written proof
12	requirements relating to aftermarket defeat devices and the penalties
13	for failing to comply with such requirements for distribution to owners
14	or operators of motor vehicles containing aftermarket defeat devices;
15	and
16	b. a form constituting written proof of removal of an aftermarket
17	<u>defeat device.</u>
18	5. Any person conducting an inspection of a motor vehicle who deter-
19	mines that the vehicle contains an aftermarket defeat device shall
20	promptly inform the owner or operator of the vehicle of the presence of
21	the device and inform such owner or operator of the removal and written
22	proof requirements of this section. Such information may be provided by
23	written notice in such form as prepared by the department.
24	§ 19-1309. Enforcement.
25	The department and the attorney general are hereby authorized to
26	enforce the provisions of this title and all monies collected shall be
27	deposited to the credit of the environmental protection fund established
28	pursuant to section ninety-two-s of the state finance law. The
29	provisions of section 19-1305 of this title may be enforced by a county,
30	city, town or village provided the local legislative body thereof may
31	adopt local laws, ordinances or regulations consistent with this title
32	providing for the enforcement of such provisions.
33	§ 3. Subdivision 28-a of section 375 of the vehicle and traffic law,
34	as added by chapter 1026 of the laws of 1971, is amended to read as
35	follows:
36	
50	
37	28-a. (a) Except as permitted or authorized by law, no person shall
37 38	28-a. (a) Except as permitted or authorized by law, no person shall remove, dismantle or otherwise cause to be inoperative any equipment or

(b) Except as permitted or authorized by law, no registered owner shall permit a motor vehicle fueled with diesel fuel to be operated with an aftermarket defeat device, nor shall a registered owner possess, install, or attempt to install an aftermarket defeat device. (c) As used in this subdivision, "aftermarket defeat device" shall mean a part or component intended for use with, or as part of, any motor vehicle or motor vehicle engine where a principal effect of the part or component is to bypass, defeat, alter or render inoperative any device or element of design installed on or in a motor vehicle or motor vehicle. (d) A person convicted of a violation of this subdivision shall, for a first violation thereof with respect to a particular motor vehicle, be punished by a fine of seven hundred fifty dollars. Such fine may not be
38 39 40 41 42 43 44 45 46 47 48 49 51 52 53	28-a. (a) Except as permitted or authorized by law, no person shall remove, dismantle or otherwise cause to be inoperative any equipment or feature constituting an operational element of a motor vehicle's air pollution control system or mechanism required by federal or state law or by any rules or regulations promulgated pursuant thereto. (b) Except as permitted or authorized by law, no registered owner shall permit a motor vehicle fueled with diesel fuel to be operated with an aftermarket defeat device, nor shall a registered owner possess, install, or attempt to install an aftermarket defeat device. (c) As used in this subdivision, "aftermarket defeat device" shall mean a part or component intended for use with, or as part of, any motor vehicle or motor vehicle engine where a principal effect of the part or component is to bypass, defeat, alter or render inoperative any device or element of design installed on or in a motor vehicle or motor vehicle engine in compliance with any requirement of the federal clean air act, the environmental conservation law, or of this article. (d) A person convicted of a violation of this subdivision shall, for a first violation thereof with respect to a particular motor vehicle, be

1	acceptable evidence prior to the final determination of the violation
2	that the air pollution control system or mechanism required by federal
3	or state law or by any rules or regulations promulgated pursuant thereto
4	has been restored on the vehicle and is in proper working condition. A
5	person convicted of a second or subsequent violation with respect to a
б	particular vehicle shall be punished by a fine of seven hundred fifty
7	dollars, which fine may not be waived, suspended or in any other manner
8	not levied.
9	§ 4. This act shall take effect on the thirtieth day after it shall
10	have become a law. Effective immediately, the addition, amendment
11	and/or repeal of any rule or regulation necessary for the implementation

12 of this act on its effective date are authorized to be made and

13 completed on or before such effective date.

4
