3. In the city of New York the board shall consist of [~~ten~~] two commissioners of election who [~~shall be registered voters in the county for which they are appointed and they~~] shall be appointed by the city council of the city of New York. [~~Not more than two commissioners shall be registered voters of the same county~~] No two commissioners may be residents of the same county or registered voters of the same party.

§ 3. Subdivisions 2 and 4 of section 3-204 of the election law, subdivision 2 as amended by chapter 453 of the laws of 1997, and subdivision 4 as amended by chapter 116 of the laws of 2010, are amended to read as follows:

2. (a) Party recommendations for election commissioner shall be made by the county committee or by such other committee as the rules of the party may provide, by a majority of the votes cast at a meeting of the members of such committee at which a quorum is present. If at any time a vacancy occurs in the office of any election commissioner other than by expiration of term of office, party recommendations to fill such vacancy shall be made by the county committee or by such other committee as the rules of the party may provide, by a majority of the votes cast at a meeting of the members of such committee at which a quorum is present.

(b) Party recommendations for election commissioner in the city of New York or to fill a vacancy in such office shall be made by the county committee or by such other committee as the rules of the party may provide, by a majority of the votes cast at a meeting of the members of such committee at which a quorum is present. And further provided, if there are no members of the legislative body who are members of the political party which filed such certificate, the appointment shall take effect upon the expiration of thirty days from the date that the certificate was filed. If none of the persons named in any of the certificates filed by a party are so appointed within sixty days after the filing of any such certificate, then such party may file another certificate within thirty days after the expiration of any such sixty day period recommending a different person for such appointment. If a party fails to file a certificate within the time prescribed by this section, the members of the legislative body who are members of such party may appoint any eligible person to such office.

§ 4. The section heading of section 3-212 of the election law is amended and a new subdivision 6 is added to read as follows:

Boards of elections; organization, proceedings, reports and records;
budget reporting in the city of New York.

6. If, at any time during the city fiscal year of the city of New York, the director of management and budget of such city determines that the expenditures of the board of elections of the city of New York are reasonably likely to exceed appropriations to such board for personnel services or other than personnel services for a quarter of the fiscal year, based upon a reasonable allotment by such director of such appropriations to such quarter, or for the entire fiscal year, such director shall provide written notice of such determination to the executive director of such board, the mayor of such city, the speaker of the city council of such city, and the public advocate of such city, together with any relevant requests for additional data or information that the director determines to be material to such board's level of expenditures. Within twenty days of receiving such notice, such executive director shall submit to such director, mayor, public advocate and speaker a projection of whether and by what amount it will exceed its appropriations for personnel services and other than personnel services for each quarter and the entire fiscal year, together with a detailed explanation of the needs justifying any such projected excess expenditures. Nothing in this subdivision shall be construed to prevent the director from requiring the furnishing of data and information, and answers to pertinent inquiries, at any time in accordance with section two hundred twenty-five of the New York city charter.

§ 5. Section 3-300 of the election law is amended to read as follows:

§ 3-300. Board employees; appointment. ~~[Every]~~ 1. Every commissioner in each board of elections except for commissioners of the board of elections of the city of New York, may approve and at pleasure remove a deputy, establish his or her title and prescribe his or her duties. ~~[In]~~

2. There shall be equal representation of the major political parties among those employees of the board of elections charged with the duty of qualifying voters, distributing ballots to voters, or receiving, recording or counting votes at elections.

It shall be their duty to supervise the operations of the board of elections in accordance with this subdivision. The executive director shall be selected following a nationwide search for qualified and experienced candidates. They shall serve a term of four years.

(b) The board of elections of the city of New York shall advise the executive director on matters of policy affecting the administration of elections in the city of New York. Except as expressly provided in this subdivision, such board shall exercise no executive power and perform no

1 executive or administrative functions. Except as expressly provided in
2 this subdivision, such board shall make no individualized decisions
3 concerning the employment of any specific person or the registration,
4 pre-registration, enrollment or qualifications of any specific voter or
5 applicant. Nothing in this subdivision shall be construed to require or
6 authorize the day-to-day supervision of the executive director by the
7 board. The board may delegate powers and duties conferred upon the board
8 to the executive director, to be exercised consistent with paragraph (e)
9 of this subdivision. In the case of a vacancy, an executive director
10 shall be appointed to serve the remainder of the unexpired term accord-
11 ing to the original manner of appointment of the previous executive
12 director.

14 subdivision, the term "appointing authorities" shall mean the mayor of
15 the city of New York, the speaker of the city council of such city, and
16 the public advocate of such city, who shall act pursuant to this subdivi-
17 vision by concurring action of at least two of such officials, provided
18 that the mayor shall be one of the concurring officials.

19 (2) No earlier than the first day of January and no later than the
20 first day of February in two thousand twenty-three and in every calendar

23 shall file one or more certificates of party recommendation with the
24 appointing authorities, as described in this paragraph.

25 (3) Party recommendations for executive director shall be made by the
26 commissioner of election for each political party. Such commissioner
27 shall recommend no fewer than three candidates for the position of exec-

29 tive director other than by expiration of term of office, or if a
30 request for additional candidates is made by the appointing authorities
31 pursuant to subparagraph four of this paragraph, party recommendations
32 to fill such vacancy shall be made within thirty days. If fewer than
33 three candidates are recommended in a timely manner by the commissioner
34 of election for the applicable political party then the members of the
35 city council who are members of the applicable political party may, by
36 majority vote of such members, file certificates of party recommendation
37 with the appointing authorities within fifteen days after the expiration
38 of the time for filing by the commissioners of election, so as to
39 increase the total number of candidates to three. If the members of the
40 city council from one political party do not recommend any candidates,
41 the appointing authorities will choose from the list of candidates
42 submitted.

43 (4) Candidates considered for executive director must satisfy all
44 qualifications required for local officers pursuant to the public offi-

47 qualifications for the position of executive director, which shall apply
48 to recommendations and appointments made thereafter. Such qualifications
49 shall thereafter be reviewed by such board at least every two years
50 and updated as necessary, and shall be prescribed only after consid-
51 eration of the skills and knowledge necessary or useful for the exercise
52 of the duties and responsibilities of the executive director, as well
53 as the ability to recruit a sufficient number of candidates to be execu-
54 tive director.

55 (5) The executive director shall be appointed jointly by the
56 appointing authorities in accordance with this subdivision, from among

1 the candidates recommended pursuant to subparagraph three of this para-
2 graph.

4 earlier than the first day of January and no later than the thirty-first
5 day of January in the last year of the term of the executive director,
6 the appointing authorities and commissioners of election, may agree to
7 issue a certificate of party recommendation and appointment to reappoint
8 such executive director to another term of office. In such event, the
9 process otherwise specified in subparagraphs two, three and four of this
10 paragraph shall not apply.

11 (7) An executive director may be removed from office for cause by
12 the appointing authorities. In addition, an executive director may be
13 removed without cause by the appointing authorities acting jointly with
14 the commissioners of election. Any vacancy so resulting shall be
15 filled in the manner prescribed by this paragraph for filling vacancies.

16 (d) The board shall have the power and duty to take the following
17 actions to the extent otherwise consistent with the jurisdiction of the
18 board pursuant to this chapter:

12 exercising the powers conferred by this paragraph with respect to the
13 appointment of employees, the executive director shall, in consultation
14 with the New York city department of citywide administrative services
15 establish written policies and procedures on personnel, including execu-

25 securing such representation, give due weight to seniority, previous
26 trainings and experience, previous work for the board of elections or in
27 elections administration or in voting rights, education and professional
28 credentials, and performance ratings where available. This paragraph
29 shall not be construed to require the preparation of administration of

32 board of elections of the city of New York prior to the establishment of
33 such specifications;

17 this subdivision as well as any additional relevant information as may

27 the city council and speaker and communicated to the executive director
28 no later than December first of the previous calendar year, provided
29 that any specification requiring the collection or maintenance of addi-
30 tional data not already collected or maintained shall be specified at
31 least three months prior to the anticipated commencement of such
32 collection or maintenance. Further, at least once annually, the execu-
