10 shall have the following meanings:

11 (a) "open space" or "open area" means any space or area characterized  
12 by natural scenic beauty or whose existing openness, natural condition  
13 or present state of use, if retained, would enhance the present or  
14 potential value of abutting or surrounding urban development or would  
15 maintain or enhance the conservation of natural or scenic resources. For

23 owner or owners of land may submit a proposal to the town board of a  
24 town having a population of not less than three thousand two hundred  
25 fifty and not more than three thousand four hundred fifty that is  
26 located in a county having a population of not less than one hundred

31 may be prescribed by the conservation board of such town.

32 (b) Upon receipt of such proposal, the town board shall convey the  
33 proposal to the conservation board of such town. Such conservation board  
34 shall investigate the area to determine if the proposal would be of  
35 benefit to the people of the town and may negotiate the terms and condi-  
36 tions of the offer. If the conservation board determines that it is in  
37 the public interest to accept such proposal, it shall recommend to the  
38 town board that it hold a public hearing for the purpose of determining  
39 whether or not the town should accept such proposal.

40 (c) The town board shall, within thirty days of receipt of such advi-  
41 sory opinion, hold a public hearing concerning such proposal at a place  
42 within the town. At least ten days notice of the time and place of such  
43 hearing shall be published in a paper of general circulation in such  
44 town, and a written notice of such proposal shall be given to all adja-  
45 cent property owners and to any municipality whose boundaries are within  
46 five hundred feet of the boundaries of said proposed area, and to the  
47 school district in which it is located.

49 board of a town having a population of not less than three thousand two  
50 hundred fifty and not more than three thousand four hundred fifty that  
51 is located in a county having a population of not less than one hundred  
52 thousand and not more than one hundred five thousand, based upon and  
53 recorded by the two thousand ten federal census, and after such public  
54 hearing, may adopt the proposal or any modification thereof it deems  
55 appropriate or may reject it in its entirety.

1 (e) If such proposal is adopted by the town board, it shall be  
2 executed by the owner or owners in written form and in a form suitable  
3 for recording in the county clerk's office.

4 (f) Such agreement may not be canceled by either party. However, the  
5 owner or owners thereof may petition the town board for cancellation  
6 upon good cause shown, and such cancellation may be granted only upon  
7 payment of the penalties provided in this section.

8 4. Computation. (a) An exemption granted pursuant to this section  
9 shall commence as of the effective date of the conservation easement  
10 agreement, and shall terminate upon the expiration or termination of  
11 such conservation easement agreement.

13 exemption:

17 50 to 75 years 85%

18 Perpetual 90%

19 Such exemption shall be granted only upon application by the owner or  
20 owners of such real property on a form prescribed by the commissioner.  
21 Such application shall be filed with the assessor of the town on or  
22 before the taxable status date of such town.

23 (c) If satisfied that the applicant is entitled to an exemption pursu-  
24 ant to this section, the assessor shall approve the application and such  
25 real property shall thereafter be exempt from taxation and special ad  
26 valorem levies as provided in this section commencing with the assess-  
27 ment roll prepared on the basis of the taxable status date. The  
28 assessed value of any exemption granted pursuant to this section shall  
29 be entered by the assessor on the assessment roll with the taxable prop-  
30 erty, with the amount of the exemption shown in a separate column.

31 (d) Whenever a conservation easement encumbers only a portion of a  
32 parcel, the assessor shall henceforth enter that portion of the parcel  
33 encumbered by such easement as a separate parcel on all subsequent  
34 assessment rolls.

35 5. Penalties for offenses. If there is a violation of the terms and  
36 conditions of the conservation easement agreement or if such conserva-  
37 tion easement agreement is canceled by the town board upon petition,  
38 then the owner or owners of such property must pay to the town the  
39 following amounts:

40 (a) All taxes abated pursuant to the conservation easement agreement,  
41 as limited by the remainder of this section, including, if applicable,  
42 those taxes imposed by the county, town, fire districts, water  
43 districts, school districts and all special improvement districts and  
44 other taxing units to which the property is subject. Repayment of the  
45 aforementioned abated taxes shall be up to five times the taxes saved in  
46 the last year in which the land benefited from a conservation easement  
47 agreement exemption, plus interest of six percent per year compounded  
48 annually for each year in which an exemption was granted, not exceeding  
49 five years.

50 (b) Payments shall be added by or on behalf of each taxing jurisdic-  
51 tion to the taxes levied on the assessment roll prepared on the basis of  
52 the first taxable status date after there is a violation of the terms  
53 and conditions of the conservation easement or such conservation ease-  
54 ment agreement is canceled.

55 § 2. This act shall take effect immediately.
