AN ACT authorizing Michael J. Cappiello to purchase service credit for service with the Long Island Railroad Company police department

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Michael J.
2 Cappiello, a former member of the Long Island Railroad Company police
3 department, shall be eligible to apply to purchase up to three years of
4 service credit for such employment with the New York state and local
5 police and fire retirement system if, within one year of the effective
6 date of this act, he shall (1) file a written request to that effect
7 with such retirement system; and (2) shall pay to the New York state and
8 local police and fire retirement system a sum equal to the product of
9 the number of years of service being claimed and three percent of such
10 member's compensation earned during the twelve months of credited
11 service immediately preceding the date that the member made application
12 for credit pursuant to this section.

13 § 2. All past service costs attributable to the implementation of this
14 act shall be borne by the state of New York.

15 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Michael J. Cappiello, a current member of the New York State and Local Police and Fire Retirement System (PFRS) employed by the County of Suffolk, the ability to transfer up to three years of his previous service credit earned as a police officer for the Long Island Railroad Company. Current law allows for Long Island Rail-

road Company service to be transferred in to PFRS only if the member was a member of the Metropolitan Transportation Authority police retirement program, which Michael was never a member of.

If this bill is enacted during the 2022 legislative session, there will be an immediate past service cost of approximately \$182,000. Of this amount, approximately \$13,300 will be borne by the member to purchase the additional service. The remaining \$168,700 will be borne by the State of New York as a one-time payment, based on the assumption that payment will be made on March 1, 2023.

The annual contributions of the County of Suffolk would not change upon enactment of this legislation as the member's plan coverage is not affected.
