Introduced by Sen. KENNEDY -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public service law, in relation to requiring every internet service provider to provide a list of the addresses served by such provider to the public service commission

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 119-d to read as follows:

§ 119-d. Internet service provider service area information. 1. Every internet service provider shall provide to the commission a list of all addresses served by such internet service provider. Such list shall be submitted to the commission in such form and manner as determined by the commission and shall be updated no less than annually.

2. As used in this section, the term "internet service provider" shall mean any person, business or organization qualified to do business in this state that provides individuals, corporations, or other entities with the ability to connect to the internet through equipment that is located in this state.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
