AN ACT to amend the public authorities law, in relation to the results of an annual stress test of all systems that support outage and restoration management and communications of the Long Island power authority

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision (cc) of section 1020-f of the public authori-  
2 ties law, as added by section 7 of part A of chapter 173 of the laws of  
3 2013, is amended by adding a new paragraph 6 to read as follows:

4 6. The service provider shall successfully complete, and submit to the  
5 authority, the results of an annual stress test of all systems that  
6 support outage and restoration management and communications. The stress  
7 test shall include, but shall not be limited to, testing the capabili-  
8 ties at all command and data centers, call centers, back-up command  
9 centers, and any other system deemed critical by the authority to ensure  
10 capability to handle an outage impacting ninety percent or more of the  
11 customers in the service area. Any management agreement entered into by  
12 the authority and its service providers shall specify the dates on which  
13 the stress test will be conducted. The results of the stress test  
14 required pursuant to this section shall be due to the authority within  
15 ten days of completion and shall be made available to the public on a  
16 website maintained by the authority within seventy-two hours of receipt  
17 by the authority. The authority may redact, from the publicly posted  
18 report only, any information contained in the results of a system stress  
19 test deemed sensitive whereby its release would create a cyber security  
20 risk to the authority's system. Provided, however, the authority must  
21 deliver a copy of the full, unredacted report to the department of

1 public service. The authority shall certify to the department of public  
2 service, receipt of a successfully completed annual stress test. Fail-  
3 ure to successfully complete the annually required stress test shall  
4 result in a civil penalty in the amount of two hundred fifty thousand  
5 dollars per day, to be levied against the service provider and paid to  
6 the authority. Any payment made by a service provider, and the cost of  
7 any litigation or investigation related to any action commenced to  
8 enforce this provision, shall not be included by the authority in reven-  
9 ue requirements used to establish rates and charges. Rather, any payment  
10 made to the authority pursuant to this section shall be disbursed by the  
11 authority to rate payers in the form of a rebate check, prorated based  
12 off the total amount of the fine levied and the number of customers in  
13 the service territory. Nothing in this section shall prevent a service  
14 provider from conducting additional testing of its outage management  
15 system, or prohibit the authority from contracting for additional test-  
16 ing by its service providers.

17 § 2. This act shall take effect immediately and shall apply to any  
18 contract entered into or amended on or after the effective date of this  
19 act.
