AN ACT to amend the vehicle and traffic law, in relation to requiring the removal or covering of inapplicable highway work zone traffic control signs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 1686 to read as follows:

§ 1686. Work zone signs. Any sign or signs placed for highway work zone traffic control, including, but not limited to, those placed in highway construction or maintenance work areas, or on restricted highways, shall be promptly covered or removed whenever such sign or signs are not applicable, as determined by the state or local authority having jurisdiction thereon. For the purposes of this subdivision, the term "restricted highway" shall mean a highway designated as such pursuant to section one hundred four-a of the highway law.

§ 2. Section 155 of the vehicle and traffic law, as amended by chapter 157 of the laws of 2017, is amended to read as follows:

§ 155. Traffic infraction. The violation of any provision of this chapter, except articles forty-seven and forty-eight **and section sixteen hundred eighty-six of this chapter**, or of any law, ordinance, order, rule or regulation regulating traffic which is not declared by this chapter or other law of this state to be a misdemeanor or a felony. A traffic infraction is not a crime and the punishment imposed therefor shall not be deemed for any purpose a penal or criminal punishment and shall not affect or impair the credibility as a witness or otherwise of any person convicted thereof. This definition shall be retroactive and shall apply to all acts and violations heretofore committed where such acts and violations would, if committed subsequent to the taking effect
