2021-2022 Regular Sessions

IN SENATE

May 6, 2021

Introduced by Sen. BROUK -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to the posting of certain COVID-19 vaccine disbursement information on the website of the department of health; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 206 of the public health law is amended by adding a new subdivision 31 to read as follows:

31. The commissioner shall make available, on the department's internet website, information relating to disbursement by the state of the COVID-19 vaccine. Such information shall include, but not be limited to, the total number of vaccine doses disbursed to each approved vaccine provider and state operated point of dispensing site, the addresses of such approved vaccine providers and state operated point of dispensing sites and the method by which the department has determined the number of doses of vaccine dispensed to each approved vaccine provider and state operated point of dispensing site. The information required under this subdivision shall be updated weekly.

§ 2. This act shall take effect on the tenth day after it shall have become a law and shall expire on December 31, 2022 when upon such date the provisions of this act shall be deemed repealed. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
