FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend Sections 448, 508, and 606 of the Retirement and Social Security Law to extend the paragraph 2 post-retired death benefit coverage to the third and ensuing years of retirement for eligible members of the New York State Teachers' Retirement System whose death benefit would otherwise be zero by virtue of being hired at an age greater than 59. Currently, only eligible members who were hired on or before age 59 are entitled to this death benefit coverage in the third and ensuing years of retirement. This bill would take effect immediately and be applicable to deaths on or after the effective date of the act.

The annual cost to the employers of members of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted.
