5 agreement for the acquisition of goods, services or construction of any  
6 kind between a vendor and a state agency, or a written agreement or  
7 other instrument wherein a state agency agrees to give consideration  
8 other than the payment of money as contemplated in subdivision three of  
9 section one hundred twelve of this chapter.

10 e. "Subcontractor" shall mean an individual, sole proprietorship,  
11 partnership, joint venture or corporation, which is engaged in a subcon-  
12 tract by a vendor pursuant to a state contract and such subcontract is  
13 valued at one hundred thousand dollars or more and is known at the time  
14 of the award of the state contract to the vendor.

15 f. "System" shall mean the on-line software, data and related  
16 resources maintained by the comptroller to compile vendor responsibility  
17 information.

18 g. "Terms of service" shall mean the terms and conditions developed by  
19 the state comptroller and agreed to by each authorized user prior to  
20 gaining access to online services. Terms of service shall include a  
21 description of the services, obligations of the state comptroller and  
22 the authorized user, a description of the state comptroller's privacy  
23 policy, authorized user code of conduct, and indemnity for the state  
24 comptroller and the state of New York. Terms of service are subject to  
25 change as prescribed by the state comptroller. Authorized users may  
26 view changes via the state comptroller's internet site.

27 h. "Vendor" shall include any person, partnership, corporation or  
28 limited liability company or any business entity bidding on a state  
29 procurement or otherwise awarded a state contract.

30 i. "Vendor responsibility" shall mean that a vendor has the capacity  
31 to fully perform the terms of a contract and the integrity and business  
32 ethics to justify an award of public dollars. A determination of vendor  
33 responsibility shall include consideration of factors including, but not  
34 limited to, financial and organizational capacity, legal authority,  
35 integrity and past performance on governmental contracts.

36 2. a. State agencies shall enroll with the state comptroller to access  
37 the system maintained by the comptroller to compile vendor responsibil-  
38 ity information. State agencies shall agree to and abide by the terms of  
39 service for such system as the state comptroller deems necessary.

40 b. For each contract or subcontract between a vendor and a subcontrac-  
41 tor where, pursuant to law or by direction of the state agency, disclo-  
42 sure for vendor responsibility is required, the state agency shall:

43 (i) provide notice to vendors bidding for procurements administered by  
44 the state agency that any vendor and subcontractor, submitting a vendor  
45 responsibility questionnaire shall do so via the system maintained to  
46 compile vendor responsibility information;

47 (ii) provide vendors with instructions on how to electronically access  
48 the system and provide contact information for assistance with enroll-  
49 ment. This information shall be made available prior to the time when  
50 vendors are required to submit disclosure for vendor responsibility; and

51 (iii) access the system to obtain and evaluate any data submitted by a  
52 vendor proposed for contract award. State agencies shall ensure the  
53 submission filed by the vendor meets such system's timeliness standards.  
54 Such provisions apply regardless of whether the contract is subject to  
55 pre-review and approval by the state comptroller.

1 c. For contracts where vendor disclosure is not otherwise required,  
2 the state agency at its discretion, may require vendors bidding on  
3 procurements, and/or subcontractors, to submit a vendor responsibility  
4 questionnaire via the system. Nothing contained in this paragraph shall  
5 be construed to alter the existing authority of the state comptroller to  
6 require the submission of a vendor responsibility questionnaire in  
7 conjunction with his or her duty to review and approve state contracts  
8 prior to such contracts becoming effective.

9 d. State agencies shall provide access to the system to users within  
10 their organization, as deemed appropriate by the head of the state agen-  
11 cy or his or her designee. State agency users provided with such access  
12 shall be those individuals, who, as part of their official job duties,  
13 are required to assess and/or review vendor responsibility for the agen-  
14 cy's contracts.

15 § 2. Section 163 of the state finance law is amended by adding a new  
16 subdivision 16 to read as follows:

17 16. Alternative procurement methods for the acquisition of non-con-  
18 struction related commodities, services and technology. a. When the  
19 commissioner or a state agency determines that it is in the best inter-  
20 est of the state to develop a procurement method not authorized by this  
21 section for non-construction related commodities, services and technolo-  
22 gy, the commissioner or state agency is hereby authorized to develop and  
23 use such method for a specific contract award. Such determination shall  
24 be made in writing and shall include documentation for the procurement  
25 record that such alternative procurement method: (i) would serve the  
26 interest of the state better than other methods currently available  
27 under this section; (ii) can be applied on a competitive, fair and equi-  
28 table basis; and (iii) contains an appropriate evaluation methodology  
29 that considers both cost and qualitative evaluation factors. Such  
30 alternative procurement method shall be subject to all other applicable  
31 provisions of this section. The commissioner or a state agency may not  
32 undertake an alternative procurement method until the comptroller has  
33 determined that the proposed alternative procurement method is in the  
34 best interest of the state; can be applied on a competitive, fair and  
35 equitable basis; and utilizes an appropriate evaluation methodology that  
36 considers both cost and qualitative evaluation factors.

37 b. When using an alternative procurement method authorized by this  
38 subdivision, the commissioner or agency shall include in its sollicita-  
39 tion a detailed description of the proposed method of award. In advance  
40 of the initial receipt of offers or bids, the commissioner or state  
41 agency shall determine and document in the procurement record the evalu-  
42 ation criteria and process to be used in the determination of the  
43 specific contract award and the process by which the evaluation and  
44 selection shall be conducted. In addition to the requirements set forth  
45 in paragraph g of subdivision nine of this section, the procurement  
46 record shall document the basis upon which the agency has determined  
47 that potential vendors will be able to respond with viable bids to such  
48 alternative procurement.

49 c. Notwithstanding the provisions of subdivision five of section three  
50 hundred fifty-five of the education law to the contrary or section  
51 sixty-two hundred eighteen of the education law, before any contract  
52 awarded under this section which exceeds fifty thousand dollars in  
53 amount becomes effective it must be approved by the comptroller and  
54 filed in his or her office.

55 d. For each procurement awarded pursuant to this section, the commis-  
56 sioner or state agency shall submit to the governor, the comptroller and

1 the heads of the fiscal committees of each house of the state legisla-  
2 ture no later than the mid-point of the initial term of the resultant  
3 contract a report assessing the validity of the procurement method and  
4 comparing its results to procurement methods for commodities and  
5 services or technology.

6 § 3. Section 163 of the state finance law is amended by adding a new  
7 subdivision 17 to read as follows:

8 17. Competitive negotiation. a. Where the basis of award is best value  
9 and after completing an initial evaluation and scoring, a state agency  
10 may choose to either make an award to the best value offerer pursuant to  
11 subdivision four of this section or undertake competitive negotiations  
12 with all offerers of proposals susceptible of being selected for  
13 contract award, so long as the agency reserves the right to conduct such  
14 competitive negotiations in the solicitation. The negotiations shall be  
15 conducted as provided in paragraph d of this subdivision.

16 b. Competitive negotiation may only be used where:

17 (i) at least two offerers are deemed susceptible of being selected for  
18 contract award;

19 (ii) in the event that the solicitation includes optional components,  
20 the solicitation shall require all offerers to provide a proposal for  
21 all options or otherwise be deemed nonresponsive; and

22 (iii) the agency has determined that use of competitive negotiation  
23 will maximize the agency's ability to obtain best value, based on the  
24 agency's need and the specifications set forth in the solicitation.

25 c. The agency must document in the procurement record and in advance  
26 of the initial receipt of offers:

27 (i) the methodology, which shall be quantifiable and based on a  
28 comparison of the proposals' price and technical merit, that will be  
29 employed to arrive at a competitive range that will determine which  
30 proposals are to be considered susceptible to award; and

31 (ii) a fair and impartial negotiation procedure, formulated with the  
32 goal of ensuring sustained competition until an award is rendered and  
33 obtaining the best value for the state.

34 d. The agency shall conduct written or oral negotiations with all  
35 responsible offerers who submit proposals in the competitive range. In  
36 the course of such negotiations, the agency shall:

37 (i) advise the offerer of ways in which its proposal may be improved  
38 so that the offerer is given an opportunity to better meet the agency's  
39 needs;

40 (ii) clarify any uncertainties, ambiguities or non-material deviations  
41 in the proposal;

42 (iii) advise the offerer of any technical components in its proposal  
43 that may not be necessary to satisfy the agency's requirements and  
44 request modifications as appropriate;

45 (iv) provide the offerer a reasonable opportunity to submit any cost,  
46 technical or other revisions to its proposal in response to issues iden-  
47 tified during negotiations; and

48 (v) document any oral negotiations for the procurement record.

49 e. Negotiations may be tailored to each offerer's proposal provided,  
50 however, such negotiations shall be conducted with each offerer within  
51 the competitive range without disclosing information concerning any  
52 other offerers' proposals or the evaluation process. Negotiations shall  
53 culminate in a technical solution from each offerer remaining within the  
54 competitive range that is deemed acceptable to meet the agency's need as  
55 set forth in the solicitation. After discussion of these technical  
56 solutions is completed, the agency shall solicit a best and final price

1 proposal from all offerers within the competitive range. The best and  
2 final price solicitation shall ensure that all offerers are afforded an  
3 equal opportunity to respond within a specified period of time.

4 f. Where an agency chooses to undertake competitive negotiations  
5 instead of making a best value award after an initial evaluation and  
6 scoring, the final award shall be made to the lowest responsible offerer  
7 after receiving a best and final price on a revised acceptable proposal.

8 § 4. Subdivision 9 of section 163 of the state finance law is amended  
9 by adding a new paragraph c-1 to read as follows:

10 c-1. Where a state agency determines that non-material changes to the  
11 specifications as set forth in the solicitation would be in the best  
12 interest of the state and, when provided for in the solicitation, state  
13 agencies may request best and final offers, which shall be in writing  
14 and solicited in the same manner from all offerers determined to be  
15 susceptible of being selected for contract award, with the intent of  
16 allowing an offerer to revise its cost; provided, however, that a state  
17 agency may not make a modification to the solicitation if such modifica-  
18 tion would prejudice any bidder or potential bidder and, provided  
19 further, that no best and final offer may be accepted or considered by a  
20 state agency unless such best and final offer is submitted in response  
21 to a request by the state agency.

22 § 5. Paragraph e of subdivision 10 of section 163 of the state finance  
23 law, as amended by chapter 137 of the laws of 2008, is amended to read  
24 as follows:

25 e. The commissioner may authorize purchases required by state agencies  
26 or other authorized purchasers by letting a contract pursuant to a writ-  
27 ten agreement, or by approving the use of a contract let by any depart-  
28 ment, agency or instrumentality of the United States government and/or  
29 any department, agency, office, political subdivision or instrumentality  
30 of any state or states. A state agency purchaser shall document in the  
31 procurement record its rationale for the use of a contract let by any  
32 department, agency or instrumentality of the United States government or  
33 any department, agency, office, political subdivision or instrumentality  
34 of any other state or states. Such rationale shall include, but need not  
35 be limited to, a determination of need, a consideration of the procure-  
36 ment method by which the contract was awarded, an analysis of alterna-  
37 tive procurement sources including an explanation why a competitive  
38 procurement or the use of a centralized contract let by the commissioner  
39 is not in the best interest of the state, and the reasonableness of  
40 cost. The authority to use a contract let by another governmental entity  
41 pursuant to this paragraph is intended to benefit the state by using  
42 contracts in place that provide for the same service or commodity sought  
43 by a state agency at a price determined to be reasonable by the state  
44 agency. Such contracts are not intended to be used primarily to avoid  
45 competitive bidding. Use of multiple award contracts pursuant to this  
46 paragraph shall follow the same basis of selection among the multiple  
47 awardees as was prescribed by the original contracting governmental  
48 entity.

49 § 6. Subdivision 3 of section 112 of the state finance law, as amended  
50 by section 2-c of part F of chapter 57 of the laws of 2016, is amended  
51 to read as follows:

52 3. A contract or other instrument wherein the state or any of its  
53 officers, agencies, boards or commissions agrees to give a consideration  
54 other than the payment of money, when the value or reasonably estimated  
55 value of such consideration exceeds twenty-five thousand dollars, shall  
56 not become a valid enforceable contract unless such contract or other

1 instrument shall first be approved by the comptroller and filed in his  
2 office. For purposes of this subdivision, where consideration cannot be  
3 determined in terms of monetary value, it shall be valued in terms of  
4 intrinsic value.

5 § 7. Subdivision (m) of section 1-c of the legislative law, as added  
6 by chapter 1 of the laws of 2005, is amended to read as follows:

7 (m) The term "restricted period" shall mean the period of time  
8 commencing with the earliest posting, on a governmental entity's  
9 website, in a newspaper of general circulation, or in the procurement  
10 opportunities newsletter in accordance with article four-C of the  
11 economic development law of written notice, advertisement or sollicita-  
12 tion of a request for proposal, invitation for bids, or solicitation of  
13 proposals, or any other method provided for by law or regulation for  
14 soliciting a response from offerers intending to result in a procurement  
15 contract with a [~~state agency, either house of the state legislature,~~  
16 ~~the unified court system, or a municipal agency, as that term is defined~~  
17 ~~by paragraph (ii) of subdivision (s) of this section, and ending with~~  
18 ~~the final contract award and approval by the state agency, either house~~  
19 ~~of the state legislature, the unified court system, or a municipal agen-~~  
20 ~~cy, as that term is defined by paragraph (ii) of subdivision (s) of this~~  
21 ~~section,] governmental entity and ending with the final contract award  
22 and approval by the governmental entity and, where applicable, the state  
23 comptroller. For the purposes of this subdivision, "governmental entity"  
24 shall have the same meaning as paragraph a of subdivision one of section  
25 one hundred thirty-nine-j of the state finance law.~~

26 § 8. This act shall take effect immediately; provided, however,  
27 section one of this act shall take effect on the one hundred eightieth  
28 day after it shall have become a law; provided, further, however, that  
29 the provisions of sections two, three, four, five and six of this act  
30 shall apply to any procurement initiated on or after such date;  
31 provided, further however, that the amendments to section 163 of the  
32 state finance law made by sections two, three, four and five of this act  
33 shall not affect the repeal of such section as provided in subdivision 5  
34 of section 362 of chapter 83 of the laws of 1995, as amended, and shall  
35 be deemed repealed therewith.
