2021-2022 Regular Sessions

## IN SENATE

May 11, 2021

Introduced by Sens. RIVERA, HARCKHAM -- read twice and ordered printed,  
and when printed to be committed to the Committee on Finance

AN ACT to amend the mental hygiene law, the state finance law and the  
executive law, in relation to implementing statewide opioid settlement  
agreements and creating an opioid settlement fund

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. The mental hygiene law is amended by adding a new article  
2 26 to read as follows:

### ARTICLE 26

1 on medications to treat substance use disorder and transition services  
2 programs and related services, or other programs that are consistent  
3 with the list of uses defined in any statewide opioid settlement agree-  
4 ment.

5 3. "Commissioner" means the commissioner of the New York state office  
6 of addiction services and supports.

7 4. "Direct share subdivision" means every county of New York outside  
8 the city of New York and Nassau and Suffolk counties.

9 5. "Government entity" means (a) departments, agencies, divisions,  
10 boards, commissions and/or instrumentalities of the state of New York  
11 excepting the department of law, and including, notwithstanding any law  
12 to the contrary, the department of financial services, the superinten-  
13 dent of the department of financial services, and the New York liqui-  
14 dation bureau, and (b) any governmental subdivision within the bounda-  
15 ries of the state of New York, including, but not limited to, counties,  
16 municipalities, districts, towns and/or villages, and any of their  
17 subdivisions, special districts and school districts, and any depart-  
18 ment, agency, division, board, commission and/or instrumentality there-  
19 of.

20 6. "New York subdivisions" means each county, city, town, village, or  
21 special district in the state of New York.

22 7. "Participating entities" means participating entities as such term  
23 is defined in any statewide opioid settlement agreement.

24 8. "Opioid settlement fund" means the fund created by the statewide  
25 opioid agreements and section ninety-seven-bbbbbb of the state finance  
26 law, the funds of which shall be used or distributed by the commissioner  
27 for the purposes of preventing addiction and reducing the harms caused  
28 by the overdose and substance use disorder epidemic consistent with the  
29 terms of any statewide opioid settlement agreement.

30 9. "Released claims" means released claims as that term is defined in  
31 the statewide opioid settlement agreements.

32 10. "Released entities" means released entities as such term is  
33 defined in the statewide opioid settlement agreements.

34 11. "Statewide opioid settlement agreements" means agreements of  
35 statewide applicability, including but not limited to consent judgments,  
36 consent decrees filed or unfiled, and related agreements or documents  
37 between the state represented by the department of law, and certain  
38 opioid manufacturers, distributors, dispensers, consultants, chain phar-  
39 macies, related entities, and/or the New York subdivisions, to provide  
40 remuneration for conduct related to the manufacture, promotion, dispens-  
41 ing, sale, and/or distribution of opioid products. Copies of such agree-  
42 ments, including any amendments thereto, shall be kept on file by the  
43 attorney general, who shall make such available for inspection and copy-  
44 ing pursuant to the provisions of article six of the public officers  
45 law.

46 § 26.02 Implementation.

47 1. Powers and duties. (a) Each year the commissioner, in consultation  
48 with the commissioner of health, the commissioner of the office of  
49 mental health, and any other agency that provides or regulates approved  
50 uses, shall allocate funds contained within the opioid settlement fund,  
51 established pursuant to section ninety-seven-bbbbbb of the state finance  
52 law, consistent with and subject to the terms of any statewide opioid  
53 settlement agreement. Each New York subdivision shall, as a condition of  
54 the receipt of such funds, certify at the end of each fiscal year for  
55 which it receives such funds that all funds provided to it under this  
56 provision of the agreements were spent on projects and programs that

1 constitute approved uses and provided that such New York subdivision  
2 complies with the reporting requirements set forth in this article.

3 (b) Each year the commissioner, in consultation with the commissioner  
4 of health, the commissioner of the office of mental health, and any  
5 other state agency that provides or regulates approved uses, shall set  
6 aside funds, consistent with the terms of any statewide opioid settle-  
7 ment agreements, for spending to: (i) fund state projects that consti-  
8 tute approved uses, and (ii) carry out the duties of the office of  
9 addiction services and supports and advisory board under this article,  
10 including oversight and administration of the opioid settlement fund and  
11 the advisory board. No more than two percent of funds received by the  
12 state that are required by any statewide opioid settlement agreement to  
13 be used for approved uses may be used in any fiscal year for oversight  
14 and administrative costs for the opioid settlement fund and the advisory  
15 board.

16 (c) The commissioner shall, to the extent possible, allocate funds  
17 from the opioid settlement fund, to support programs that are  
18 culturally, linguistically, and gender competent, trauma-informed,  
19 evidence-based and, where appropriate, employ individuals with lived  
20 experience as part of the services provided. Monies allocated by the  
21 settlement fund shall also be used to reduce disparities in health  
22 outcomes and to address harmful social determinants of health for under-  
23 served individuals and communities, including racial and ethnic minori-  
24 ties.

25 (d) The commissioner, in consultation with the commissioner of health,  
26 the commissioner of the office of mental health, and any other state  
27 agency that provides or regulates approved uses, and with the advice and  
28 consent of the advisory board, shall have the ability to amend the list  
29 of approved uses to add or remove approved uses at specified intervals  
30 in response to changing substance use disorder needs in the state. Cate-  
31 gories and subcategories may be added or removed from the list of  
32 approved uses only with the approval of not less than three-fourths of  
33 the members of the advisory board.

34 2. Rule promulgation. The commissioner, in consultation with the  
35 commissioner of health, the commissioner of the office of mental health,  
36 and any other state agency that provides or regulates approved uses, may  
37 issue rules and regulations necessary to effectuate the requirements of  
38 this section.

39 3. Oversight and auditing. The commissioner, in consultation with the  
40 commissioner of health, the commissioner of the office of mental health,  
41 and any other state agency that provides or regulates approved uses,  
42 shall engage in oversight and audits of services, supports, and programs  
43 funded through the opioid settlement fund.

44 4. Reporting requirements. (a) Consistent with and subject to any  
45 statewide opioid settlement agreement, each New York subdivision that  
46 receives funds from the opioid settlement fund under any statewide  
47 opioid settlement agreements shall annually provide to the office of  
48 addiction services and supports a detailed accounting of the spending of  
49 such funds required by any statewide opioid settlement agreement to be  
50 used for approved uses as well as analysis and evaluation of the  
51 services, supports and programs it has funded. Such accounting shall be  
52 provided on or before November first each year. The office of addiction  
53 services and supports may withhold future funds from any New York subdi-  
54 vision that is delinquent in providing such reporting, until the  
55 required report is submitted.

(b) The commissioner shall annually provide the speaker of the assembly and the temporary president of the senate a detailed accounting of the spending of all monies in the opioid settlement fund, any spending by the direct share subdivisions, any spending by New York city and Nassau and Suffolk counties, as well as an analysis and evaluation of the services, supports and programs funded. The evaluation shall include a disparity impact analysis using local data to identify racial and ethnic minorities at highest risk for health disparities, low health literacy, and currently or historically underserved by existing substance use disorder and co-occurring disorder treatment services. This accounting shall be provided on or before February first each year. In consultation with the advisory board, the commissioner shall also report annually the results of research funded by funds from these agreements, the status of any outstanding audits, and the non-binding recommendations of the advisory board.

5. Advisory board. There is hereby established within the office of addiction services and supports an advisory board on addressing the overdose and substance use disorder epidemic consisting of nineteen members. The board shall appoint a member as chairperson by majority vote. Each member of the advisory board shall have one vote, with all actions being taken by an affirmative vote of the majority of present members.

(a) Appointments to the advisory board. The board shall consist of the commissioner of the office of addiction services and supports or his or her designee; the commissioner of health or his or her designee; the commissioner of the office of mental health or his or her designee; two members appointed by the governor; two members appointed by the attorney general; one member appointed by the mayor of the city of New York; two members appointed by the temporary president of the senate; and two members appointed by the speaker of the assembly. The remaining seven members shall be appointed from a list of nominees submitted by the New York state association of counties, as follows: two from the governor, one from the attorney general, two from the temporary president of the senate, and two from the speaker of the assembly. Such appointments shall be made no later than sixty days after the effective date of this article. Advisory board membership shall include persons, to the extent practicable, who have expertise or experience, and/or education in public health policy and research, board certification in addiction medicine or addiction psychiatry, substance use disorder and addiction prevention and treatment, mental health services, harm reduction, recovery services, public budgeting, and to the extent practicable shall also include individuals with lived experience with substance use disorder including those receiving medication to treat substance use disorder, and also include representatives of communities that have been disproportionately impacted by the enforcement and criminalization of addiction and the historic approaches to preventing and treating substance use. Additionally, the membership of the board shall be representative of the racial and ethnic demographics of the state and reflect the geographic regions of the state. Each member shall be appointed to serve three-year terms and in the event of a vacancy, the vacancy shall be filled in the manner of the original appointment for the remainder of the term.

(b) Meetings of the advisory board. The advisory board shall hold no fewer than six public meetings annually, to be publicized and located in a manner reasonably designed to facilitate attendance by residents throughout the state. The advisory board shall function in a manner

1 consistent with New York's open meetings law, and with the Americans  
2 with disabilities act. A majority of the appointed voting membership of  
3 the advisory board shall constitute a quorum.

4 (c) Payment and ethics. Members of the advisory board shall receive no  
5 compensation but shall be reimbursed for reasonable expenses. The  
6 members of the advisory board and all staff shall be subject to the  
7 applicable provisions of the public officers law. Members of the board  
8 shall not take any action to direct funding from the opioid settlement  
9 fund to any entity in which the member or their family members have any  
10 interest, direct or indirect, or receive any commission or profit what-  
11 soever, direct or indirect. Each such member of the board shall recuse  
12 themselves from any discussion or vote relating to such interest.

13 (d) Staff and administration. The office of addiction services and  
14 supports and any other agency that provides or regulates approved uses  
15 shall provide staff to assist with the functions of the advisory board.

16 (e) Responsibilities. The advisory board shall make evidence-based  
17 recommendations regarding specific opioid settlement priorities and  
18 expenditures from the opioid settlement fund. In carrying out its obli-  
19 gations to provide such recommendations, the advisory board may consider  
20 local, state and federal initiatives and activities related to educa-  
21 tion, prevention, treatment, harm reduction, recovery, and other  
22 services and programs for individuals and families experiencing and  
23 affected by substance use disorder; recommend statewide or regional  
24 priorities to address the state's overdose and substance use disorder  
25 epidemic; recommend statewide or regional funding with respect to  
26 specific programs or initiatives; recommend measurable outcomes to  
27 determine the effectiveness of funds expended for approved uses; and  
28 monitor the level of permitted administrative expenses. Such recommen-  
29 dations shall also take into account where gaps in access to current  
30 services included in the list of approved uses currently exist and how  
31 to best fill such gaps, including through partnerships between various  
32 subdivisions and entities in order to create a comprehensive system of  
33 services and care. To the extent the commissioner chooses not to follow  
34 a recommendation of the advisory board, he or she shall make publicly  
35 available, within fourteen days after such decision is made, a written  
36 explanation of the reasons for the decision and allow fourteen days for  
37 the advisory board to respond to such public explanation.

38 Additionally, the advisory board shall be responsible for overseeing  
39 and reporting on services, supports and programs related to addressing  
40 the overdose and substance use disorder epidemic, developing priorities,  
41 goals and recommendations for spending on such projects and programs,  
42 working with the department of health to develop measurable outcomes for  
43 such projects and programs, and making recommendations for policy chang-  
44 es and research to fund and oversee other projects and programs related  
45 to addressing the overdose and substance use disorder epidemic, includ-  
46 ing for outside grants.

47 § 26.03 Limitation on authority of government entities to bring  
48 lawsuits.

49 No government entity shall have the authority to assert released  
50 claims against entities released by the state department of law in a  
51 statewide opioid settlement agreement executed by the state department  
52 of law and the released party on or after March twelfth, two thousand  
53 twenty-one. Any action filed by a government entity after June first,  
54 two thousand nineteen asserting released claims against a manufacturer  
55 or distributor of opioid products shall be extinguished by operation of  
56 law upon being released by the department of law.

1 § 2. The state finance law is amended by adding a new section 97-bbbbbb  
2 to read as follows:

3 § 97-bbbbbb. Opioid settlement fund. 1. There is hereby established in  
4 the joint custody of the comptroller and the commissioner of taxation  
5 and finance a special fund to be known as the opioid settlement fund.  
6 Notwithstanding subdivision eleven of section four of this chapter or  
7 any law to the contrary, such fund shall consist of all moneys received  
8 by the state represented by the department of law, as a result of the  
9 settlement of litigation with opioid manufacturers, distributors,  
10 dispensers, consultants, chain pharmacies, and related entities made in  
11 connection with claims arising from the manufacture, promotion, dispens-  
12 ing, sale, and/or distribution of opioid products, as well as any funds  
13 received by the state represented by the department of law as a result  
14 of a judgment, stipulation, decree, agreement to settle, assurance of  
15 discontinuance, or other legal instrument resolving any claim or cause  
16 of action against manufacturers, distributors, dispensers, consultants,  
17 chain pharmacies, and related entities arising out of activities alleged  
18 to have contributed to increases in opioid addiction, whether filed or  
19 unfiled, actual or potential, and whether arising under common law,  
20 equity, or any provision of law, and all other moneys appropriated,  
21 credited, or transferred thereto from any other fund or source pursuant  
22 to law. Such moneys shall include, but not be limited to, funds  
23 received by the state for a state abatement fund as defined in any  
24 statewide opioid settlement agreement.

25 2. Notwithstanding the provisions of subdivision eleven of section  
26 four of this chapter or any law to the contrary, the moneys in such fund  
27 shall only be appropriated or transferred consistent with the terms of  
28 any statewide opioid settlement agreements and pursuant to this chapter.  
29 Moneys of the fund may be suballocated or transferred to any other agen-  
30 cy or department, or New York subdivision or government entity as  
31 defined in section 26.01 of the mental hygiene law for expenditure in  
32 accordance with such settlement agreement terms. Such moneys in the  
33 fund shall only be used for approved uses that are consistent with the  
34 terms of the statewide opioid settlement agreements and approved uses as  
35 defined pursuant to this chapter unless otherwise specified by such  
36 statewide opioid settlement agreements. Such moneys received by the  
37 state represented by the department of law that are required by any  
38 statewide opioid settlement agreement to be used for approved uses shall  
39 be used to supplement, and not supplant or replace, the level of federal  
40 or state funds expended for substance use disorder services, and such  
41 moneys shall be used exclusively for the purpose of funding the expan-  
42 sion or sustaining of existing services and workforce, and/or establish-  
43 ing new services and supports.

44 3. The moneys when allocated, shall be paid out of the fund on the  
45 audit and warrant of the comptroller on vouchers certified or approved  
46 by the commissioner of the office of addiction services and supports, or  
47 by an officer or employee of the office of addiction services and  
48 supports designated by the commissioner, in consultation with the advi-  
49 sory board established by section 26.02 of the mental hygiene law and  
50 consistent with the terms of the statewide opioid settlement agreements.

51 4. On or before February first each year, the commissioner of the  
52 office of addiction services and supports shall provide a written report  
53 to the governor, temporary president of the senate, speaker of the  
54 assembly, chair of the senate finance committee, chair of the assembly  
55 ways and means committee, chair of the senate committee on health, chair  
56 of the assembly health committee, chair of the senate committee on alco-

holism and substance abuse, chair of the assembly committee on alcoholism and drug abuse, chair of the senate committee on mental health, chair of the assembly committee on mental health and the state comptroller. Such report shall be made publicly available on the office of addiction services and supports and the department of health's website. Such report shall include how the moneys of the fund were utilized during the preceding calendar year, and shall include:

(i) the amount of money dispersed from the fund and the award process used for such disbursements;

(ii) the names of recipients and the amount of awards awarded from the fund;

(iii) the amount awarded to each recipient;

(iv) the purposes for which such awards were granted; and

(v) a summary financial plan for such moneys which shall include estimates of all receipts and all disbursements for the current and succeeding fiscal years, along with the actual results from the prior fiscal year.

§ 3. Paragraph (b) of subdivision 16 of section 63 of the executive law, as added by section 4 of part HH of chapter 55 of the laws of 2014, is amended to read as follows:

(b) Paragraph (a) of this subdivision shall not apply to any provision in the resolution of a claim or cause of action providing (1) moneys to be distributed to the federal government, to a local government, or to any holder of a bond or other debt instrument issued by the state, any public authority, or any public benefit corporation; (2) moneys to be distributed solely or exclusively as a payment of damages or restitution to individuals or entities that were specifically injured or harmed by the defendant's or settling party's conduct and that are identified in, or can be identified by the terms of, the relevant judgment, stipulation, decree, agreement to settle, assurance of discontinuance, or relevant instrument resolving the claim or cause of action; (3) moneys recovered or obtained by the attorney general where application of paragraph (a) of this subdivision is prohibited by federal law, rule, or regulation, or would result in the reduction or loss of federal funds or eligibility for federal benefits pursuant to federal law, rule, or regulation; (4) moneys recovered or obtained by or on behalf of a public authority, a public benefit corporation, the department of taxation and finance, the workers' compensation board, the New York state higher education services corporation, the tobacco settlement financing corporation, a state or local retirement system, an employee health benefit program administered by the New York state department of civil service, the Title IV-D child support fund, the lottery prize fund, the abandoned property fund, or an endowment of the state university of New York or any unit thereof or any state agency, provided that all of the moneys received or recovered are immediately transferred to the relevant public authority, public benefit corporation, department, fund, program, or endowment; (5) moneys to be refunded to an individual or entity as (i) an overpayment of a tax, fine, penalty, fee, insurance premium, loan payment, charge or surcharge; (ii) a return of seized assets; or (iii) a payment made in error; ~~and~~ (6) moneys to be used to prevent, abate, restore, mitigate or control any identifiable instance of prior or ongoing water, land or air pollution; and (7) moneys obtained and distributed under the terms of any statewide opioid settlement agreement, as defined in article twenty-six of the mental hygiene law, that provides for all or a portion of the settlement moneys to be deposited into the opioid settlement fund established in section ninety-seven-bbbbb of the

1 state finance law or otherwise stipulates that all or a portion of such  
2 moneys shall be used to remediate or abate the harms caused by opioids.  
3 § 4. This act shall take effect immediately.
