37 chapter 88 of the laws of 1988, are amended to read as follows:

38 3. Every county or, where applicable, any city, town or village within
39 such county, shall be eligible for a grant for the development and main-
40 tenance of a system of snowmobile trails and a program with relation
41 thereto within its boundaries. Such grants shall be made by the commis-
42 sioner and may constitute up to one hundred percent of the cost of such
43 program including expenditures incurred for signs and markers of snowmo-
44 bile trails. Any county or, where applicable, any city, town or village
45 within such county, applying for such grant shall submit to the commis-
46 sioner by September first of each year an [~~estimate of such expenditures~~
47 ~~for the current fiscal year,~~] application in such form and containing
48 such information as the commissioner may require. No city, town or
49 village may apply for such grant where the county within which it is
50 contained has submitted an application for the same fiscal year. For the
51 purpose of this section, "fiscal year" shall mean the period from April
52 first through March thirty-first. The commissioner shall review all such
53 applications and shall determine the amount of state aid to be allocated
54 to each county or, where applicable, any city, town or village within
55 such county in accordance with the provisions of subdivision five of
56 this section. Of the amount the commissioner determines each county or,

1 where applicable, any city, town or village within such county is eligi-
2 ble to receive, seventy percent shall be made available for distribution
3 by November first and thirty percent for distribution upon demonstration
4 of completion, submitted by June first~~[, of the program]~~ following the
5 project year, or such date as contained in the application.

6 5. The amount of state aid to be allocated to each county or, where
7 applicable, any city, town or village within such county, shall be drawn
8 upon the monies remaining in the snowmobile trail development and main-
9 tenance fund after withdrawal pursuant to subdivisions two and four of
10 this section and shall be determined by the commissioner as hereinafter
11 provided. ~~[The commissioner shall determine the percentage proportion~~
12 ~~which the authorized expenditures of each individual county or, where~~
13 ~~applicable, any city, town or village within such county shall bear to~~
14 ~~the total authorized expenditures of all the counties, cities, towns or~~
15 ~~villages for snowmobile trail development and maintenance pursuant to~~
16 ~~this section during the fiscal year. Such percentage proportion shall~~
17 ~~then be applied against the amount received in additional fees imposed~~
18 ~~by section 21.07 of this chapter for registration of snowmobiles during~~
19 ~~such fiscal year, to the extent only and not exceeding the balance of~~
20 ~~such fund remaining after the payment of expenses as set forth in this~~
21 ~~section. The amount thus determined shall constitute the maximum amount~~
22 ~~of state aid to which each county or, where applicable, any city, town~~
23 ~~or village within such county, shall be entitled. The commissioner shall~~
24 ~~certify to the comptroller the amount thus determined for each county~~
25 ~~or, where applicable, any city, town or village within such county, as~~
26 ~~the amount of state aid to be apportioned to such county or, where~~
27 ~~applicable, any city, town or village within such county.]~~ The commis-
28 sioner shall estimate an amount that is available for state aid, and
29 shall define and establish a base rate per mile of trail, which shall
30 constitute the base grant to each local sponsor. For the purposes of
31 this section, local sponsor shall mean a county engaging and assisting
32 in the development and maintenance of a system of snowmobile trails and
33 a program with relation thereto within its boundaries to encourage safe-
34 ty, tourism and utilization, or in the event a county does not undertake
35 such a program or system of trails, any city, town or village within
36 such county which undertakes the same. Such state aid shall be provided
37 as described in subdivision one of this section. The commissioner shall
38 pay over to the municipal sponsor the thirty percent of the outstanding
39 base grant upon completion of the project. The commissioner, in consul-
40 tation with the division of budget, may pay expenses in excess of the
41 base grant when the municipal sponsor can demonstrate that approved
42 expenses exceeded amounts provided for in the combined payments, and
43 additional funds are available from the snowmobile trail development and
44 maintenance fund. The commissioner shall calculate all expenses submit-
45 ted in excess of the base grant and may distribute additional aid on a
46 prorated basis to support such expenses.

47 § 4. This act shall take effect on the ninetieth day after it shall
48 have become a law. Effective immediately, the addition, amendment and/or
49 repeal of any rule or regulation necessary for the implementation of
50 this act on its effective date are authorized to be made and completed
51 on or before such effective date.
