30 506 of the laws of 2003, subdivision 7 as amended by chapter 167 of the
31 laws of 1995, and subdivision 9 as amended by chapter 540 of the laws of
32 1987, are amended to read as follows:

33 (a) If the commissioner has reason to believe that a licensed milk
34 dealer who is participating in the milk producers security fund has
35 defaulted in making payments for milk to producers, the commissioner
36 shall give reasonable notice to the producers believed to be affected to
37 file verified claims and may fix a reasonable time within which such
38 claims must be filed. Upon learning of such default, the commissioner
39 shall immediately examine the records of the defaulting dealer and shall
40 identify the amounts which are reasonably estimated to be owed to
41 producers. Within ~~[thirty]~~ sixty days of the receipt of a claim by a
42 producer and on the basis of such estimates, the commissioner may
43 authorize the comptroller to pay any such producer up to seventy-five
44 percent of such estimate. In connection with such payment, the commis-
45 sioner may make provisions for the recovery for the benefit of the fund
46 of any payments made pursuant to this paragraph.

47 (a) Each milk dealer who buys, receives or otherwise handles milk
48 received from producers may execute and file with the commissioner a
49 surety bond in lieu of participation in the milk producers security fund
50 and the filing of a surety bond or bonds pursuant to subdivision three
51 of this section. The bond shall be executed by a surety company author-
52 ized to do business in this state and shall be approved by the commis-
53 sioner. The bond shall be conditioned for the prompt payment of all
54 amounts due to producers for milk sold or consigned by them to such milk
55 dealer during the license year and all amounts due to the equalization
56 or producer settlement fund of any order promulgated by the commissioner

1 pursuant to section two hundred fifty-eight-m or two hundred fifty-
2 eight-n of this article or to the equalization or producer settlement
3 fund of a federal milk marketing order. Additionally, the bond shall
4 make provisions for an advance payment pursuant to subdivision nine of
5 this section.

6 7. Alternative security. Each milk dealer buying milk from producers
7 may in lieu of filing a surety bond pursuant to subdivision three or six
8 of this section provide an equal amount of protection for the producers
9 from whom he or she purchases or receives milk by filing an irrevocable
10 letter or letters of credit for the account of the milk dealer authoriz-
11 ing the commissioner to draw on a bank or trust company or banks or
12 trust companies authorized to do business in the state of New York.
13 Such letter or letters shall contain such terms and conditions as the
14 commissioner may require. Additionally, the irrevocable letter of credit
15 shall make provisions for an advance payment pursuant to subdivision
16 nine of this section.

17 9. Claims against bond or alternative security. Claims by producers
18 against a dealer who had filed a bond or alternative security shall be
19 processed by the commissioner in the same manner as is provided in
20 subdivision five hereof with respect to claims against the producers
21 security fund and such claims shall be subject to the same limitations.
22 Upon receiving a claim against a dealer who had filed a bond or alterna-
23 tive security, the commissioner shall immediately examine the records of
24 the defaulting dealer and shall identify the amounts which are reason-
25 ably estimated to be owed to producers. Within sixty days of the
26 receipt of a claim, and on the basis of such estimates, the commissioner
27 is authorized to pay any such producer up to fifty percent of such esti-
28 mate and proceed to obtain from such security the funds with which to
29 pay any advances on the claims. In connection with such payment, the
30 commissioner shall make provisions for the recovery of any payments made
31 pursuant to this subdivision. The commissioner's determination certify-
32 ing the amounts due claimants shall be subject to judicial review in the
33 same manner and subject to the same limitations. In the case of a dealer
34 who has filed alternative security, the commissioner shall proceed to
35 obtain from such security the funds with which to pay the claims. If
36 recovery upon the alternative security is not sufficient to pay all
37 claims, the amount recovered shall be divided pro rata among claimants.
38 In the case of a dealer who has filed a surety bond, the commissioner
39 may bring an action on the bond, and for the purposes of such action his
40 determination certifying the amounts due shall be presumptive evidence
41 of the facts therein stated. In the event that recovery on such bond
42 has not been made within sixty days of the commissioner's certification
43 of the amounts due producers covered by the bond, the commissioner shall
44 direct the comptroller to pay such amounts to claimants from whatever
45 monies are available in the milk producers security fund. In the event
46 that recovery against the bond has not been made within one hundred
47 eighty days of certification of the amounts due claimants, each and
48 every dealer having filed a bond pursuant to subdivision six of this
49 section shall pay monthly to the commissioner an amount not to exceed
50 one-half of one-tenth of one percent of the average uniform price per
51 hundredweight of milk for the previous calendar year, as determined by
52 the commissioner on or before the thirty-first day of March of each
53 year, on each hundredweight of such milk purchased, received or handled.
54 Such payments shall continue for such period of time as the commissioner
55 deems necessary in order to return to the fund, no later than three
56 years from the date of such payment therefrom, the total amount paid as

1 a result of the default of such dealer plus interest, at the rate
2 provided for in section 5-501 of the general obligations law on the
3 amount of such payment from the date of such payment. In the event of a
4 recovery on the bond after the commencement of such payments, the
5 commissioners shall authorize the comptroller to pay to each dealer
6 making such payments its pro rata share of the amount by which the total
7 of such payments exceeds the difference between the amount received and
8 the total amount paid to claimants.
9 § 3. This act shall take effect on the sixtieth day after it shall
10 have become a law.
