1 obligated to pay salary, wages, or other monetary benefits to the
2 consumer.

3 4. "Non-recourse" means that a provider cannot compel or attempt to
4 compel repayment by a consumer of outstanding proceeds or non-mandatory
5 payments owed by such consumer to such provider through any of the
6 following means:

7 (a) a civil suit against such consumer in a court of competent juris-
8 isdiction;

9 (b) use of a third-party to pursue collection of outstanding proceeds
10 or non-mandatory payments on the provider's behalf; and

11 (c) sale of outstanding proceeds to a third-party collector or debt
12 purchaser. Such term does not preclude the use by a provider of any of
13 the foregoing methods to compel or attempt to compel repayment of
14 outstanding amounts incurred by a consumer through fraudulent means.

15 5. "Obligor" means an employer or another person, including an inde-
16 pendent contractor, who is contractually or legally obligated to pay a
17 consumer any sum of money on an hourly, project-based, piecework, or

20 consumer based solely on the consumer's agency relationship with the
21 obligor.

22 6. "Outstanding proceeds" means proceeds remitted to a consumer by a
23 provider but have not yet been repaid to such provider.

24 7. "Mandatory payment" means an amount determined by a provider which
25 must be paid by a consumer to such provider as a condition of receiving
26 proceeds.

27 8. "Non-mandatory payment" means an amount paid by a consumer or an
28 obligor to a provider for earned wage access services, which does not
29 meet the definition of a mandatory payment. For purposes of this arti-
30 cle, such term includes, but is not limited to, the following:

31 (a) a fee imposed by a provider for delivery or expedited delivery of
32 proceeds to a consumer, provided that such provider offers the consumer
33 at least one option of receiving proceeds at no cost;

34 (b) an amount paid by an obligor to a provider on the consumer's
35 behalf, which entitles the consumer to receive proceeds at no cost to
36 such consumer;

37 (c) a subscription or membership fee imposed by a provider for a group
38 of services that includes earned wage access services, provided that
39 such provider offers the consumer at least one option of receiving
40 proceeds at no cost; and

41 (d) a tip or gratuity paid by a consumer to a provider, provided that
42 such provider offers the consumer at least one option of receiving
43 proceeds at no cost.

44 9. "Proceeds" means the amount of earned but unpaid income that has
45 been remitted to the consumer by a provider.

46 10. "Provider" means a person who is in the business of offering and
47 providing earned wage access services to consumers.

48 § 374-bb. Registration requirements for earned wage access service
49 providers. 1. No person shall provide earned wage access services in the
50 state unless such person is registered as a provider with the depart-
51 ment.

52 2. An application to become registered as an earned wage access
53 service provider shall be in writing, under oath, in such form as shall
54 be prescribed by the superintendent. Notwithstanding article three of
55 the state technology law or any other law to the contrary, the super-
56 intendent may require that an application for, or renewal of, a regis-

1 tration be made or executed by electronic means, including through the
2 National Mortgage Licensing System and Registry or other entities desig-
3 nated by the National Mortgage Licensing System and Registry if he or
4 she deems it necessary to ensure the efficient and effective adminis-
5 tration of this article. Such application shall contain the name and
6 complete business address or addresses of the applicant. Such applica-
7 tion shall also include an affirmation of financial solvency noting such
8 capitalization requirements and access to such credit as may be required
9 by the superintendent, and such descriptions of the business activities,
10 financial responsibility, and general character and fitness of the
11 applicant as may be required by the superintendent.

12 3. As a condition for the issuance and retention of a registration,
13 and subject to such regulations as the superintendent shall prescribe,
14 applicants for a registration shall file with the superintendent a sure-
15 ty bond or make a deposit in an amount and form prescribed by regu-
16 lations of the superintendent. Such regulations shall provide for a
17 varying bond amount based upon a registrant's volume of business and any
18 other relevant factors as determined by the superintendent, but in no
19 case shall such bond be less than ten thousand dollars nor more than
20 fifty thousand dollars; provided however that if the superintendent
21 determines, in his or her sole discretion, that a registrant has engaged
22 in a pattern of conduct resulting in bona fide consumer complaints of
23 misconduct, the superintendent may require such registrant to post a
24 surety bond, or keep on deposit as provided in this subdivision, twice
25 the amount of such bond or deposit as is required consistent with such
26 regulations. In the event of the insolvency, liquidation or bankruptcy
27 of such registrant, or the surrender or revocation of such provider's
28 registration, or where the superintendent takes possession of such
29 registrant, the proceeds of each bond or deposit shall constitute a
30 trust fund to be used exclusively to reimburse consumer fees or other
31 charges determined by the superintendent to be improperly charged or
32 collected and to pay past due department of financial services examina-
33 tion costs and assessments charged to the registrant, unpaid penalties,
34 or other obligations of the registrant. The superintendent is authorized
35 to promulgate such regulations as are necessary and desirable to define
36 and implement the provisions of this subdivision. Persons and entities
37 registered prior to the effective date of any regulations of the super-
38 intendent implementing or modifying the bonding requirement authorized
39 by this subdivision shall file such bond or establish such deposit with-
40 in six months of the effective date of such regulations.

41 4. Upon the filing of an application for registration, if the super-
42 intendent shall find that the financial responsibility, experience,
43 character, and general fitness of the applicant, and of the members
44 thereof if the applicant is a co-partnership or association, and of the
45 officers and directors thereof if the applicant is a corporation, are
46 such as to command the confidence of the community and to warrant belief
47 that the business will be operated honestly, fairly, and efficiently
48 within the purpose of this article, the superintendent shall thereupon
49 register the applicant as an earned wage access service provider on a
50 roll maintained for that purpose at the department, and issue a certif-
51 icate attesting to such registration in duplicate. If the superintendent
52 shall not so find, the superintendent shall not register such applicant,
53 and shall notify the applicant of the denial. The superintendent shall
54 transmit one copy of such certificate to the applicant and file another
55 in the office of the department. Upon receipt of such certificate an
56 earned wage access service provider shall be authorized to engage in the

1 business of providing earned wage access services. Such registration
2 shall remain in full force and effect until it is surrendered by the
3 registrant or revoked or suspended as hereinafter provided, except that
4 such registration shall expire upon the registrant's failure to pay the
5 required assessment thirty days after the date or dates such payment or
6 payments are due. If the registrant fails to pay such charged assessment
7 by the date or dates such payment or payments are due, then the regis-
8 trant shall be required to pay, in addition, a late fee in the amount of
9 one hundred dollars. Such registration shall be reinstated if the regis-
10 trant pays such assessment charged and any applicable late fees and/or
11 interest within sixty days of such expiration. The superintendent shall
12 approve or deny every application for registration hereunder within
13 ninety days from the filing of a complete application provided, however,
14 that failure to act within the prescribed period shall not be deemed
15 approval of any such application.

16 5. The superintendent may refuse to issue a certificate pursuant to
17 this article if he or she shall find that the applicant, or any person
18 who is a director or officer of the applicant: (a) has been convicted of
19 a crime involving an activity which is a felony under this chapter or
20 under article one hundred fifty-five, one hundred seventy, one hundred
21 seventy-five, one hundred seventy-six, one hundred eighty, one hundred
22 eighty-five, one hundred eighty-seven, one hundred ninety, two hundred,
23 two hundred ten or four hundred seventy of the penal law or any compara-
24 ble felony under the laws of any other state or the United States,
25 provided that such crime would be a felony if committed and prosecuted
26 under the laws of this state; or (b) has had a license or registration
27 revoked by the superintendent; or (c) has been a director or officer of
28 an entity which has had a license or registration revoked by the super-
29 intendent.

30 6. Each certificate issued to a registered earned wage access service
31 provider under this article shall state the address or addresses at
32 which the business is to be conducted, or shall state that all business
33 of the applicant is conducted online, and shall state fully the name of
34 the registrant, and the date and place of its incorporation if applica-
35 ble. A copy of such certificate shall be prominently posted in each
36 place of business of the registrant or available online via a link on
37 the homepage of the registrant. Such certificate shall not be transfera-
38 ble or assignable. In the event the location at which the business is to
39 be conducted shall be changed, the registrant shall forthwith notify the
40 superintendent who shall thereupon without charge attach to the certif-
41 icate an amendment certificate setting forth such changed location.

42 § 374-cc. Other requirements for earned wage access services offered
43 in this state. 1. Any provider that offers earned wage access services
44 to a consumer in this state shall comply with the following:

45 (a) A provider shall provide all proceeds on a non-recourse basis and
46 shall treat non-mandatory payments as non-recourse payment obligations;

47 (b) Before providing proceeds to a consumer, a provider shall inform
48 the consumer, in writing, of any non-mandatory payments that may be
49 associated with the provision of earned wage access services by that
50 provider;

51 (c) Every time a provider provides proceeds to a consumer, the provid-
52 er shall inform the consumer when the provider will make its first
53 attempt to seek repayment of those proceeds from the consumer; and

54 (d) A provider that seeks repayment of proceeds from a consumer's
55 depository institution account shall comply with applicable National
56 Automated Clearinghouse Association rules.

1 2. A provider that is registered in the state shall not:

2 (a) require a consumer to make a mandatory payment;

3 (b) charge a late fee or any other penalty charge for failure to repay
4 outstanding proceeds;

5 (c) condition the amount of proceeds provided to a consumer on the
6 amount of a non-mandatory payment made by such consumer to such provid-
7 er. This prohibition shall not be construed to prohibit a non-mandatory
8 payment equal to a percentage of proceeds provided, as long as the
9 percentage applied does not vary based on the amount of proceeds
10 provided;

11 (d) condition the frequency with which proceeds are provided to a
12 consumer on the amount of a non-mandatory payment made by such consumer
13 to such provider. This prohibition shall not be construed to prohibit a
14 non-mandatory payment equal to a percentage of proceeds provided, as
15 long as the percentage applied does not vary based on the amount of
16 proceeds provided;

17 (e) report a consumer's payment or failed repayment of proceeds to a
18 consumer credit reporting agency or a debt collector;

19 (f) require a credit report or credit score to determine a consumer's
20 eligibility for earned wage access services; or

21 (g) provide, sell, or otherwise disclose to any third party, including
22 an obligor, any non-public personal information collected from or about
23 a consumer, except as necessary to provide earned wage access services
24 to the consumer and as allowed by applicable federal and state law.

25 3. Proceeds provided to a consumer by a provider in accordance with
26 this article shall not be considered credit, the provider of those
27 proceeds shall not be considered a creditor, and non-mandatory payments
28 paid to such provider shall not be considered finance charges, for
29 purposes of the federal Truth in Lending Act.

30 4. Proceeds provided to a consumer by a provider in accordance with
31 this article shall not be considered wage deductions for purposes of
32 section one hundred ninety-three of the labor law and shall not be
33 subject to regulation by the superintendent under article nine of this
34 chapter. Further, the provider of those proceeds shall not be required
35 to obtain a license under article nine of this chapter.

36 § 374-dd. Annual report. 1. On or before the first day of April of
37 each year, a provider shall submit an annual report to the superinten-
38 dent that includes all of the following information for earned wage
39 access services provided by such provider during the prior calendar
40 year:

41 (a) gross revenue attributable to earned wage access services;

42 (b) the total number of transactions in which proceeds were remitted
43 to consumers;

44 (c) the total number of unique consumers to whom proceeds were remit-
45 ted;

46 (d) the total dollar amount of proceeds the provider remitted to
47 consumers;

48 (e) the total dollar amount of non-mandatory payments the provider
49 received from consumers;

50 (f) the total number of transactions in which proceeds were remitted
51 to consumers for which the provider did not receive repayment of any
52 outstanding proceeds, and the total dollar amount of such transactions;

53 (g) the total number of transactions in which proceeds were remitted
54 to consumers, for which the provider received partial repayment of
55 outstanding proceeds, the total dollar amount of such transactions, and

1 the total dollar amount of outstanding proceeds attributable to such
2 transactions; and

3 (h) the total number of transactions in which outstanding proceeds
4 were repaid after the original, scheduled repayment date, and the total
5 dollar amount of such transactions.

6 2. Failure of a provider to submit a report on a timely basis in
7 accordance with this article may constitute grounds for disciplinary
8 action by the superintendent.

9 § 374-ee. Authority of the superintendent. 1. The superintendent is
10 hereby authorized and empowered to make such general rules and regu-
11 lations, and such specific rulings, demands, and findings as may be
12 necessary for the proper conduct of the business authorized and regis-
13 tered under and for the enforcement of this article, in addition hereto
14 and not inconsistent herewith.

15 2. The superintendent shall have the power to make such investigations
16 and conduct such hearings as he or she shall deem necessary to determine
17 whether any registrant or any other person has violated any of the
18 provisions of this article, or whether any registrant has conducted
19 itself in such manner as would justify the suspension or revocation of
20 its registration.

21 3. In making any investigation or conducting any hearing pursuant to
22 the provisions of this article, the superintendent, or any person duly
23 designated by him or her, shall have the power at all times to subpoena

28 He or she shall also have the power to compel by order or subpoena the
29 production of and to examine all relevant books, records, accounts and
30 other documents. Any person who fails to obey the command of the subpoe-
31 na without reasonable excuse, or refuses without reasonable cause to be
32 served or to be examined or to answer a question or to produce a book or
33 paper when ordered so to do, or fails to perform any act required here-
34 under to be performed, shall be subject to the compulsions in such cases
35 made and provided by law, and if the person be registered hereunder, the
36 superintendent shall have the right to suspend or revoke the registra-
37 tion.

38 4. The superintendent may require of any registrant such reports,
39 under oath or otherwise, concerning the registrant's business in this
40 state, as he or she may deem necessary for the enforcement of this arti-
41 cle.

42 5. All reports of investigations and other reports rendered pursuant
43 to this section, and all correspondence and memoranda concerning or
44 arising out of such investigations or reports, including any duly
45 authenticated copy or copies thereof in the possession of any registrant
46 or the department, shall be confidential communications, shall not be
47 subject to subpoena and shall not be made public unless, in the judgment
48 of the superintendent, the ends of justice and the public advantage will
49 be subserved by the publication thereof, in which event the superinten-
50 dent may publish or authorize the publication of a copy of any such
51 report or other material referred to in this subdivision, or any part
52 thereof, in such manner as may be deemed proper. For purposes of this
53 subdivision, "reports of investigations, and other reports rendered
54 pursuant to this section and all correspondence and memoranda concerning
55 or arising out of such investigations or reports" shall have the same

1 meaning as such terms are defined pursuant to subdivision ten of section
2 thirty-six of this chapter.

3 6. Without limiting any power granted to the superintendent under any
4 other provision of this chapter, the superintendent may, in a proceeding
5 after notice and a hearing, impose penalties on earned wage access
6 providers who violate this article or any rules promulgated hereunder.
7 Section forty-four of this chapter shall govern the amount and nature of
8 those penalties.

34 any such report or any part thereof in such manner as may be deemed
35 proper or unless such laws specifically authorize such disclosure. For
