AN ACT to amend the tax law, in relation to enacting the "frontline worker assistance act"; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Frontline Worker Assistance Act".

3 § 2. Legislative findings. Public employees have faced unprecedented
4 adverse health effects as the result of employer mandates to require
5 specific work titles of government employees to remain on-duty and phys-
6 ically present at their work locations during the deadly COVID-19
7 pandemic. The public employees mandated to continue conducting crucial
8 services to the public during the most deadly period of the COVID-19
9 pandemic displayed exemplary service, while often at a health detriment
10 to the employee and their family.

11 In recognition of public employees who were mandated by their employer
12 to physically be on their job site or job location in order to provide
13 unabated and crucial public services regardless of multiple safety lock-
14 downs afforded to most other New York residents, a tax credit shall
15 apply to such public employees performing their duties while remaining
16 at their worksite or job location during the pandemic and have not
17 received additional compensation pursuant to a federal, state or local
18 award, grant or retention payment.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
