The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 215 of the abandoned property law, as amended by
2 chapter 550 of the laws of 1978, is amended to read as follows:

3 § 215. Claims against state. Where an action has been commenced and
4 final judgment in favor of the people entered therein by reason of the
5 escheat of real property to the people and the said property has been
6 sold pursuant to section two hundred four, any party or parties thereto,
7 or their successors in interest, who, but for the rendering of such
8 final judgment would have been entitled to such real property, or an
9 interest therein, shall have a claim against the state for the value of
10 such real property or interest therein at the time of the entry of such
11 judgment, but no such claim shall exist in favor of such party or
12 parties or their successors in interest unless a petition therefor shall
13 have been filed as hereinafter provided within fifteen years from the

1 date of entry of such final judgment unless such party or parties to
2 such ejectment action shall have been, at the time of the commencement
3 of such action or entry of final judgment, incompetent to conduct his or
4 her affairs by reason of mental illness or [~~mental-retardation~~] intel-
5 lectual disability or have been under the age of eighteen years, or be
6 imprisoned in execution upon conviction of a criminal offense, in which
7 event the period of such disability shall not be deemed to be a part of
8 the time limited within which such petition may be filed. Such party or
9 parties, or their successors in interest shall petition the commissioner
10 of general services for payment of the sum or a part thereof received by
11 the state, upon the sale made pursuant to section two hundred four, and
12 the said commissioner if satisfied that the claim is just and is made by
13 a party who, except for the entry of final judgment in an action author-
14 ized by section two hundred one would have been entitled to the real
15 property or an interest therein affected by said action, may certify
16 such facts to the court of claims, whereupon that court is empowered and
17 authorized to determine the amount of such claim or claims and award
18 judgment therefor, the total of which in no event shall exceed the
19 amount received by the people upon the sale of said real property pursu-
20 ant to section two hundred four.

21 § 2. Paragraph (d) of subdivision 1 of section 35.07 of the arts and
22 cultural affairs law is amended to read as follows:

23 (d) In any illegal, indecent, or immoral exhibition or practice; or in
24 the exhibition of any such child when mentally ill, [~~mentally-retarded~~]
25 intellectually disabled, or when presenting the appearance of any
26 deformity or unnatural physical formation or development; or

27 § 3. Paragraph (a) of subdivision 3 of section 100 of the banking law,
28 as amended by chapter 115 of the laws of 1981, is amended to read as
29 follows:

30 (a) As guardian, receiver, trustee, committee or conservator of the
31 estate of any minor, mentally ill person, [~~mentally-retarded~~] intellec-
32 tually disabled person, person of unsound mind, alcohol abuser or
33 conservatee or in any other fiduciary capacity;

34 § 4. Subdivision 3 of section 100-a of the banking law, as amended by
35 chapter 115 of the laws of 1981, is amended to read as follows:

36 3. Committee of incompetent or conservator of a conservatee. Any court
37 having jurisdiction to appoint a trustee, guardian, receiver, committee
38 of the estate of a mentally ill person, [~~mentally-retarded~~] intellectu-
39 ally disabled person or alcohol abuser or conservator of the estate of a
40 conservatee, or to make any fiduciary appointment, may appoint any trust
41 company to be such trustee, guardian, receiver, committee or conserva-
42 tor, or to act in any other fiduciary capacity.

43 § 5. Subdivision 1 of section 707 of the county law, as added by chap-
44 ter 1 of the laws of 1995, is amended to read as follows:

45 1. Notwithstanding any other provision of law to the contrary, upon a
46 finding in an ex parte proceeding that expert services are reasonably
47 necessary for the prosecution of the case whether in connection with
48 issues relating to guilt or sentencing or that investigative services
49 relating to a separate sentencing proceeding or [~~mental-retardation~~]
50 intellectual disability hearing pursuant to section 400.27 of the crimi-
51 nal procedure law are reasonably necessary, the trial court shall
52 authorize the payment of fees and expenses for such services. Upon a
53 finding that timely procurement of such services could not practicably
54 await prior authorization, the court may authorize the provision and
55 payment for such services nunc pro tunc.

§ 6. Paragraph (d) of subdivision 1 and the opening paragraph of subdivision 2 of section 330.20 of the criminal procedure law, paragraph (d) as amended by chapter 672 of the laws of 2019 and the opening paragraph of subdivision 2 as amended by chapter 693 of the laws of 1989, are amended to read as follows:

(d) "Mentally ill" means that a defendant currently suffers from a mental illness for which care and treatment as a patient, in the in-patient services of a psychiatric center under the jurisdiction of the state office of mental health, is essential to such defendant's welfare and that his judgment is so impaired that he is unable to understand the need for such care and treatment; and, where a defendant is [~~mentally retarded~~] intellectually disabled, the term "mentally ill" shall also mean, for purposes of this section, that the defendant is in need of care and treatment as a resident in the in-patient services of a developmental center or other residential facility for the [~~mentally retarded~~] intellectually disabled and developmentally disabled under the jurisdiction of the state office for people with developmental disabilities.

Upon entry of a verdict of not responsible by reason of mental disease or defect, or upon the acceptance of a plea of not responsible by reason of mental disease or defect, the court must immediately issue an examination order. Upon receipt of such order, the commissioner must designate two qualified psychiatric examiners to conduct the examination to examine the defendant. In conducting their examination, the psychiatric examiners may employ any method which is accepted by the medical profession for the examination of persons alleged to be suffering from a dangerous mental disorder or to be mentally ill or [~~retarded~~] intellectually disabled. The court may authorize a psychiatrist or psychologist retained by a defendant to be present at such examination. The clerk of the court must promptly forward a copy of the examination order to the mental hygiene legal service and such service may thereafter participate in all subsequent proceedings under this section.

§ 7. Paragraph (b) of subdivision 9, paragraphs (a), (b), (c), (d), (e) and (f) of subdivision 12, paragraphs (a) and (c) of subdivision 13 and the opening paragraph of paragraph (a) and paragraph (c) of subdivision 14 of section 400.27 of the criminal procedure law, paragraph (b) of subdivision 9, paragraphs (a), (b), (c), (d), (e) and (f) of subdivision 12 and paragraph (a) of subdivision 13 as added by chapter 1 of the laws of 1995, paragraph (c) of subdivision 13 as amended by chapter 230 of the laws of 2004 and the opening paragraph of paragraph (a) and paragraph (c) of subdivision 14 as amended by section 9 of part LLL of chapter 59 of the laws of 2019, are amended to read as follows:

(b) The defendant was [~~mentally retarded~~] intellectually disabled at the time of the crime, or the defendant's mental capacity was impaired or his ability to conform his conduct to the requirements of law was impaired but not so impaired in either case as to constitute a defense to prosecution;

(a) Upon the conviction of a defendant for the offense of murder in the first degree as defined in section 125.27 of the penal law, the court shall, upon oral or written motion of the defendant based upon a showing that there is reasonable cause to believe that the defendant is [~~mentally retarded~~] intellectually disabled, promptly conduct a hearing without a jury to determine whether the defendant is [~~mentally retarded~~] intellectually disabled. Upon the consent of both parties, such a hearing, or a portion thereof, may be conducted by the court contemporaneously with the separate sentencing proceeding in the presence of the

1 sentencing jury, which in no event shall be the trier of fact with
2 respect to the hearing. At such hearing the defendant has the burden of
3 proof by a preponderance of the evidence that he or she is [~~mentally~~
4 ~~retarded~~] intellectually disabled. The court shall defer rendering any
5 finding pursuant to this subdivision as to whether the defendant is
6 [~~mentally-retarded~~] intellectually disabled until a sentence is imposed
7 pursuant to this section.

8 (b) In the event the defendant is sentenced pursuant to this section
9 to life imprisonment without parole or to a term of imprisonment for the
10 class A-I felony of murder in the first degree other than a sentence of
11 life imprisonment without parole, the court shall not render a finding
12 with respect to whether the defendant is [~~mentally-retarded~~] intellectu-
13 ally disabled.

14 (c) In the event the defendant is sentenced pursuant to this section
15 to death, the court shall thereupon render a finding with respect to
16 whether the defendant is [~~mentally-retarded~~] intellectually disabled. If
17 the court finds the defendant is [~~mentally-retarded~~] intellectually
18 disabled, the court shall set aside the sentence of death and sentence
19 the defendant either to life imprisonment without parole or to a term of
20 imprisonment for the class A-I felony of murder in the first degree
21 other than a sentence of life imprisonment without parole. If the court
22 finds the defendant is not [~~-mentally-retarded~~] intellectually disabled,
23 then such sentence of death shall not be set aside pursuant to this
24 subdivision.

25 (d) In the event that a defendant is convicted of murder in the first
26 degree pursuant to subparagraph (iii) of paragraph (a) of subdivision
27 one of section 125.27 of the penal law, and the killing occurred while
28 the defendant was confined or under custody in a state correctional
29 facility or local correctional institution, and a sentence of death is
30 imposed, such sentence may not be set aside pursuant to this subdivision
31 upon the ground that the defendant is [~~mentally-retarded~~] intellectually
32 disabled. Nothing in this paragraph or paragraph (a) of this subdivision
33 shall preclude a defendant from presenting mitigating evidence of
34 [~~mental-retardation~~] intellectual disability at the separate sentencing
35 proceeding.

36 (e) The foregoing provisions of this subdivision notwithstanding, at a
37 reasonable time prior to the commencement of trial the defendant may,
38 upon a written motion alleging reasonable cause to believe the defendant
39 is [~~mentally-retarded~~] intellectually disabled, apply for an order
40 directing that [~~a-mental-retardation~~] an intellectual disability hearing
41 be conducted prior to trial. If, upon review of the defendant's motion
42 and any response thereto, the court finds reasonable cause to believe
43 the defendant is [~~mentally-retarded~~] intellectually disabled, it shall
44 promptly conduct a hearing without a jury to determine whether the
45 defendant is [~~mentally-retarded~~] intellectually disabled. In the event
46 the court finds after the hearing that the defendant is not [~~mentally~~
47 ~~retarded~~] intellectually disabled, the court must, prior to commencement
48 of trial, enter an order so stating, but nothing in this paragraph shall
49 preclude a defendant from presenting mitigating evidence of [~~mental~~
50 ~~retardation~~] intellectual disability at a separate sentencing proceed-
51 ing. In the event the court finds after the hearing that the defendant,
52 based upon a preponderance of the evidence, is [~~mentally-retarded~~]
53 intellectually disabled, the court must, prior to commencement of trial,
54 enter an order so stating. Unless the order is reversed on an appeal by
55 the people or unless the provisions of paragraph (d) of this subdivision
56 apply, a separate sentencing proceeding under this section shall not be

1 conducted if the defendant is thereafter convicted of murder in the
2 first degree. In the event a separate sentencing proceeding is not
3 conducted, the court, upon conviction of a defendant for the crime of
4 murder in the first degree, shall sentence the defendant to life impri-
5 sonment without parole or to a sentence of imprisonment for the class
6 A-I felony of murder in the first degree other than a sentence of life
7 imprisonment without parole. Whenever [~~a mental retardation~~] an intel-
8 lectual disability hearing is held and a finding is rendered pursuant to
9 this paragraph, the court may not conduct a hearing pursuant to para-
10 graph (a) of this subdivision. For purposes of this subdivision and
11 paragraph (b) of subdivision nine of this section, [~~"mental retarda-~~
12 ~~tion"~~] "intellectual disability" means significantly subaverage general
13 intellectual functioning existing concurrently with deficits in adaptive
14 behavior which were manifested before the age of eighteen.

15 (f) In the event the court enters an order pursuant to paragraph (e)
16 of this subdivision finding that the defendant is [~~mentally retarded~~]
17 intellectually disabled, the people may appeal as of right from the
18 order pursuant to subdivision ten of section 450.20 of this chapter.
19 Upon entering such an order the court must afford the people a reason-
20 able period of time, which shall not be less than ten days, to determine
21 whether to take an appeal from the order finding that the defendant is
22 [~~mentally retarded~~] intellectually disabled. The taking of an appeal by
23 the people stays the effectiveness of the court's order and any order
24 fixing a date for trial. Within six months of the effective date of this
25 subdivision, the court of appeals shall adopt rules to ensure that
26 appeals pursuant to this paragraph are expeditiously perfected, reviewed
27 and determined so that pretrial delays are minimized. Prior to adoption
28 of the rules, the court of appeals shall issue proposed rules and
29 receive written comments thereon from interested parties.

30 (a) As used in this subdivision, the term "psychiatric evidence" means
31 evidence of mental disease, defect or condition in connection with
32 either a mitigating factor defined in this section or [~~a mental retarda-~~
33 ~~tion~~] an intellectual disability hearing pursuant to this section to be
34 offered by a psychiatrist, psychologist or other person who has received
35 training, or education, or has experience relating to the identifica-
36 tion, diagnosis, treatment or evaluation of mental disease, mental
37 defect or mental condition.

38 (c) When a defendant serves notice pursuant to this subdivision, the
39 district attorney may make application, upon notice to the defendant,
40 for an order directing that the defendant submit to an examination by a
41 psychiatrist, licensed psychologist, or licensed clinical social worker
42 designated by the district attorney, for the purpose of rebutting
43 evidence offered by the defendant with respect to a mental disease,
44 defect, or condition in connection with either a mitigating factor
45 defined in this section, including whether the defendant was acting
46 under duress, was mentally or emotionally disturbed or [~~mentally~~
47 ~~retarded~~] intellectually disabled, or was under the influence of alcohol
48 or any drug. If the application is granted, the district attorney shall
49 schedule a time and place for the examination, which shall be recorded.
50 Counsel for the people and the defendant shall have the right to be
51 present at the examination. A transcript of the examination shall be
52 made available to the defendant and the district attorney promptly after
53 its conclusion. The district attorney shall promptly serve on the
54 defendant a written copy of the findings and evaluation of the examiner.
55 If the court finds that the defendant has wilfully refused to cooperate
56 fully in an examination pursuant to this paragraph, it shall, upon

1 request of the district attorney, instruct the jury that the defendant
2 did not submit to or cooperate fully in such psychiatric examination.
3 When a defendant is subjected to an examination pursuant to an order
4 issued in accordance with this subdivision, any statement made by the
5 defendant for the purpose of the examination shall be inadmissible in
6 evidence against him in any criminal action or proceeding on any issue
7 other than that of whether a mitigating factor has been established or
8 whether the defendant is [~~mentally-retarded~~] intellectually disabled,
9 but such statement is admissible upon such an issue whether or not it
10 would otherwise be deemed a privileged communication.

11 At a reasonable time prior to the sentencing proceeding or [~~a-mental~~
12 ~~retardation~~] an intellectual disability hearing:

13 (c) If, after complying with the provisions of this section or an
14 order pursuant thereto, a party finds either before or during a sentenc-
15 ing proceeding or [~~mental-retardation~~] intellectual disability hearing,
16 additional material subject to discovery or covered by court order, the
17 party shall promptly make disclosure or apply for a protective order.

18 § 8. Subdivision 10 of section 450.20 of the criminal procedure law,
19 as added by chapter 1 of the laws of 1995, is amended to read as
20 follows:

21 10. An order, entered pursuant to paragraph (e) of subdivision twelve
22 of section 400.27, finding that the defendant is [~~mentally-retarded~~]
23 intellectually disabled.

24 § 9. Section 251 of the debtor and creditor law, as amended by chapter
25 115 of the laws of 1981, is amended to read as follows:

26 § 251. Authority for committee or conservator to compromise claims. A
27 court exercising jurisdiction over the property of a mentally ill
28 person, [~~mentally-retarded~~] intellectually disabled person, alcohol
29 abuser or conservatee may, upon the application of the committee of the
30 property of such incompetent person or the conservator of the conserva-
31 tee, and for good and sufficient cause shown, and upon such terms as it
32 may direct, authorize the committee or conservator to sell, compromise
33 or compound any claim or debt belonging to the estate of the incompetent
34 person or conservatee. But such authority shall not prevent any party
35 interested in the trust estate, from showing upon the final accounting
36 of such committee or conservator that such debt or claim was fraudu-
37 lently or negligently sold, compounded or compromised. The sale of any
38 debt or claim heretofore made in good faith by any such committee or
39 conservator, shall be valid, subject, however, to the approval of the
40 court, and the committee or conservator shall be charged with and liable
41 for, as a part of the trust fund, any sum which might or ought to have
42 been collected by him.

43 § 10. Section 252 of the debtor and creditor law, as amended by chap-
44 ter 115 of the laws of 1981, is amended to read as follows:

45 § 252. Payment by committee or conservator of claims. A committee of
46 the property of a person, incompetent by reason of mental illness,
47 [~~mental-retardation~~] intellectual disability or alcohol abuse, to manage
48 his affairs, or a conservator of the property of a conservatee, may,
49 under direction of the court exercising jurisdiction of such estate,
50 after payment of the expenses, disbursements and commissions of such
51 trust, apply so much of the funds and property of said estate remaining
52 in his hands as such committee or conservator, as may be necessary to
53 pay and discharge the proper claims of creditors who have presented
54 claims pursuant to the notice in this article provided for, to the
55 payment of such claims, and if the property so remaining be insufficient
56 to pay such claims in full, then the committee or conservator may

1 distribute the same according to law among the creditors who have
2 presented and proved their claims as in this article provided, and such
3 payment, when so made in good faith and under direction of such court,
4 shall relieve such committee or conservator and his sureties from
5 liability to creditors who have failed to present their claims as in
6 this article provided.

7 § 11. The third undesignated paragraph of subdivision 1 of section
8 13-d of the domestic relations law, as added by chapter 371 of the laws
9 of 1986, is amended to read as follows:

10 Rubella infection poses a grave threat to the unborn child, especially
11 during the first four months of pregnancy. It can lead to miscarriage,
12 stillbirth, or one or all of the tragic defects such as deafness, blind-
13 ness, crippling congenital heart disease, [~~mental retardation~~] intellec-
14 tual disability and muscular and bone defects.

15 § 12. Subdivision 5 of section 115 of the domestic relations law, as
16 amended by chapter 305 of the laws of 2008, is amended to read as
17 follows:

18 5. Where the petition alleges that either or both of the birth parents
19 of the child have been deprived of civil rights or are mentally ill or
20 [~~mentally retarded~~] intellectually disabled, proof shall be submitted
21 that such disability exists at the time of the proposed adoption.

22 § 13. Subdivision c of section 140 of the domestic relations law, as
23 amended by chapter 550 of the laws of 1978, is amended to read as
24 follows:

25 (c) Party [~~a mentally retarded~~] an intellectually disabled person or
26 mentally ill person. An action to annul a marriage on the ground that
27 one of the parties thereto was [~~a mentally retarded~~] an intellectually
28 disabled person may be maintained at any time during the life-time of
29 either party by any relative of [~~a mentally retarded~~] an intellectually
30 disabled person, who has an interest to avoid the marriage. An action
31 to annul a marriage on the ground that one of the parties thereto was a
32 mentally ill person may be maintained at any time during the continuance
33 of the mental illness, or, after the death of the mentally ill person in
34 that condition, and during the life of the other party to the marriage,
35 by any relative of the mentally ill person who has an interest to avoid
36 the marriage. Such an action may also be maintained by the mentally ill
37 person at any time after restoration to a sound mind; but in that case,
38 the marriage should not be annulled if it appears that the parties free-
39 ly cohabited as husband and wife after the mentally ill person was
40 restored to a sound mind. Where one of the parties to a marriage was a
41 mentally ill person at the time of the marriage, an action may also be
42 maintained by the other party at any time during the continuance of the
43 mental illness, provided the plaintiff did not know of the mental
44 illness at the time of the marriage. Where no relative of the [~~mentally~~
45 ~~retarded~~] intellectually disabled person or mentally ill person brings
46 an action to annul the marriage and the mentally ill person is not
47 restored to sound mind, the court may allow an action for that purpose
48 to be maintained at any time during the life-time of both the parties to
49 the marriage, by any person as the next friend of the [~~mentally~~
50 ~~retarded~~] intellectually disabled person or mentally ill person.

51 § 14. Section 142 of the domestic relations law, as amended by chapter
52 550 of the laws of 1978, is amended to read as follows:

53 § 142. Dismissal of complaint in action by next friend to annul a
54 marriage. Where the next friend of an infant, [~~mentally retarded~~] intel-
55 lectually disabled person or mentally ill person maintains an action
56 annulling a marriage, the court may dismiss the complaint if justice so

1 requires, although, in a like case, the party to the marriage, if plain-
2 tiff, would be entitled to judgment.

3 § 15. Paragraph (g) of subdivision 1 of section 414 of the education
4 law, as amended by chapter 257 of the laws of 1976, is amended to read
5 as follows:

6 (g) For classes of instruction for [~~mentally-retarded~~] intellectually
7 disabled minors operated by a private organization approved by the
8 commissioner of education.

9 § 16. The section heading and subdivisions 1, 2 and 3 of section
10 1004-a of the education law, the section heading and subdivisions 1 and
11 3 as amended by chapter 1014 of the laws of 1974 and subdivision 2 as
12 separately amended by chapters 474 and 475 of the laws of 1978, are
13 amended to read as follows:

14 Sheltered workshops for the [~~mentally-retarded~~] intellectually disa-
15 bled, mentally ill and severely physically handicapped. 1. Declaration
16 of purpose. The conditions of [~~mental-retardation~~] intellectual disa-
17 bility, mental illness and severe physical handicap are such that many
18 young people, after laborious training in the schools and otherwise,
19 reach the point in their lives where they can and should, under proper
20 and continued guidance, engage in sheltered employment. The effects of
21 such employment are salutary in many ways. The affected individual is
22 helped to become a contributing member of society. The state is saved
23 the expense of his institutionalization in already overcrowded state
24 schools and facilities. The family retains closer contact with him and
25 is spared the anxieties naturally attaching to separation and institu-
26 tionalization. All of these factors have also been shown to reflect
27 tangible benefit upon the [~~mentally-retarded~~] intellectually disabled,
28 mentally ill and severely physically handicapped person in improving his
29 overall condition. The purpose of this measure is to specifically
30 encourage the development, improvement and expansion of such sheltered
31 employment facilities by non-profit agencies, so that the salutary
32 effects mentioned can be expediently accomplished.

33 2. Special provisions relating to [~~mentally-retarded~~] intellectually
34 disabled, mentally ill and severely physically handicapped persons in
35 extended sheltered employment in workshops. Notwithstanding any other
36 provision of this article, when it shall appear to the satisfaction of
37 the department that a [~~mentally-retarded~~] intellectually disabled,
38 mentally ill or severely physically handicapped person over the chrono-
39 logical age of seventeen years can reasonably be expected to benefit
40 from, or in his best interests reasonably requires extended sheltered
41 employment in a workshop as defined in section ten hundred two, subdivi-
42 sion eight of article twenty-one of this chapter, furnished by an
43 approved non-profit organization, the department is authorized to
44 contract with such organization for the furnishing of such sheltered
45 employment to such [~~mentally-retarded~~] intellectually disabled, mentally
46 ill or severely physically handicapped person; and the department is
47 further authorized to expend for such purpose a sum or sums not less
48 than one thousand five hundred dollars per annum for each such [~~mentally~~
49 ~~retarded~~] intellectually disabled, mentally ill or severely physically
50 handicapped person, for or towards the cost of providing such sheltered
51 employment for each such [~~mentally-retarded~~] intellectually disabled,
52 mentally ill or severely physically handicapped person.

53 The department shall pay at least quarterly during the state fiscal
54 year such sums as are authorized to such organizations for such shel-
55 tered employment immediately upon the completion of evaluation and
56 personal adjustment services under the sponsorship of the department.

3. The department shall maintain a register of such nonprofit organizations which, after inspection of the facilities for sheltered employment provided by them, it deems qualified to meet the needs of such ~~mentally-retarded~~ intellectually disabled, mentally ill and severely physically handicapped persons. Such inspection shall also determine the eligibility of such organization to receive the funds hereinbefore specified.

§ 17. Subdivision 8-a of section 1950 of the education law, as added by chapter 762 of the laws of 1972, is amended to read as follows:

8-a. Notwithstanding any other provision of this section and with the consent of the commissioner, the city school district of the city of Syracuse may, upon consent of the board of cooperative educational services for the sole supervisory district for Onondaga and Madison counties, be included as a component district for the sole purpose of operating a combined program and/or constructing a combined facility for the trainable ~~mentally-retarded~~ intellectually disabled children in the city of Syracuse and the county of Onondaga. Such city school district shall add an amount to its budget and levy, collect and pay the same to such board of cooperative educational services to defray the proportional expenses of constructing and operating such facility for such children. Such city school district shall not be liable for payment of administrative expenses as provided for in paragraph b of subdivision four of this section nor shall such city school district be eligible for the payment of state aid under this section except such city school district shall receive state aid based on its proportionate share of building expenses related to this program as determined by the commissioner.

§ 18. 16 excluding bonds and notes issued to refund outstanding bonds and notes.

17 (d) To assure the continued operation and solvency of the agency for

1 of the public authorities law whose affirmative determination shall be
2 conclusive as to all matters of law and fact solely for the purposes of
3 the limitations contained in this paragraph, but in no event shall the
4 total amount of bonds so secured by such a capital reserve fund or funds
5 exceed three hundred thirty-eight million dollars, excluding bonds
6 issued to refund such outstanding bonds until the date of redemption of
7 such outstanding bonds. As outstanding bonds so secured are paid, the
8 amount so secured shall be reduced accordingly but the redemption of
9 such outstanding bonds from the proceeds of refunding bonds shall not
10 reduce the amount so secured.

11 (e) In computing the amount of the capital reserve fund for the
12 purposes of this section, securities in which all or a portion of such
13 fund shall be invested shall be valued at par or if purchased at less
14 than par, at their cost to the agency.

15 2. The agency shall create and establish a special fund (herein
16 referred to as general reserve fund) and shall pay into such fund all
17 fees and charges collected by the agency pursuant to paragraph (a) of
18 subdivision eleven of section forty-four of this article, or otherwise,

19 12. (a) The agency may create and establish a special fund to be known
20 as community mental health services and [~~mental-retardation~~] intellectu-

22 reserve funds (1) any monies appropriated and made available by the
23 state for the purposes of such funds, (2) any proceeds of sale of commu-

40 required to be paid when such bonds are redeemed prior to maturity;
41 provided, however, that monies in any such fund shall not be withdrawn
42 therefrom at any time in such amount as would reduce the amount of such

44 and becoming due in any succeeding calendar year on the community mental
45 health services and [~~mental-retardation~~] intellectual disability
46 services project bonds of the agency then outstanding and secured by

49 lectual disability services project bonds of the agency secured by such
50 reserve fund maturing and becoming due and for the payment of which
51 other monies of the agency are not available. Any income or interest
52 earned by, or increment to, any such community mental health services
53 and [~~mental-retardation~~] intellectual disability services capital
54 reserve fund due to the investment thereof may be transferred to the
55 community mental health services and [~~mental-retardation~~] intellectual

24 ~~tion~~] intellectual disability services project bonds outstanding and
25 then to be issued and secured by the community mental health services
26 and [~~mental-retardation~~] intellectual disability services capital
27 reserve fund will exceed the amount of such reserve fund at the time of
28 issuance, unless the agency, at the time of issuance of such bonds,
29 shall deposit in such reserve fund from the proceeds of the bonds so to
30 be issued, or otherwise, an amount which together with the amount then
31 in such reserve fund, will be not less than the maximum amount of prin-

33 year on the community mental health services and [~~mental-retardation~~]
34 intellectual disability services project bonds then to be issued and on
35 all other community mental health services and [~~mental-retardation~~]
36 intellectual disability services project bonds of the agency then
37 outstanding and secured by such reserve fund.

38 (c) To assure the continued operation and solvency of the agency for
39 the carrying out of the public purposes of this article provision is
40 made in paragraph (a) of this subdivision for the accumulation in the
41 community mental health services and [~~mental-retardation~~] intellectual
42 disability services capital reserve fund of an amount equal to the maxi-
43 mum amount of principal and interest maturing and becoming due in any
44 succeeding calendar year on all community mental health services and
45 [~~mental-retardation~~] intellectual disability services project bonds of
46 the agency then outstanding and secured by such reserve fund. In order
47 further to assure the maintenance of such community mental health
48 services and [~~mental-retardation~~] intellectual disability services capi-
49 tal reserve fund, there shall be annually apportioned and paid to the
50 agency for deposit in such community mental health services and [~~mental-~~

56 nity mental health services and [~~mental-retardation~~] intellectual disa-

1 bility services project bonds of the agency then outstanding and secured
2 by such reserve fund. The chairman of the agency shall annually, on or

9 of bonds secured by the community mental health services and [~~mental-~~
10 ~~retardation~~] intellectual disability services capital reserve fund to
11 which state funds are apportionable pursuant to this paragraph shall be
12 limited to the total amount of bonds and notes outstanding on the effec-

14 contracted after the effective date of this act to finance projects in
15 progress on the effective date of this act as determined by the New York
16 state public authorities control board created pursuant to section fifty
17 of the public authorities law whose affirmative determination shall be
18 conclusive as to all matters of law and fact solely for the purposes of
19 the limitations contained in this paragraph, but in no event shall the
20 total amount of bonds so secured by such a capital reserve fund or funds
21 exceed thirteen million dollars, excluding bonds issued to refund such
22 outstanding bonds until the date of redemption of such outstanding
23 bonds. As outstanding bonds so secured are paid, the amount so secured
24 shall be reduced accordingly but the redemption of such outstanding
25 bonds from the proceeds of refunding bonds shall not reduce the amount
26 so secured.

27 (d) In computing any community mental health services and [~~mental-~~
28 ~~retardation~~] intellectual disability services capital reserve fund for
29 the purposes of this section, securities in which all or a portion of
30 such reserve fund shall be invested shall be valued at par if purchased
31 at par, or if purchased at other than par, at amortized value.

32 13. The agency shall create and establish a special fund (herein
33 referred to as community mental health services and [~~mental-retardation~~]

48 performed by the commissioner of mental hygiene and the department of
49 mental hygiene pursuant to subdivision four of section fifty-five of
50 this article, including the reasonable costs of such services performed
51 by the health and mental hygiene facilities improvement corporation upon
52 request by the commissioner of mental hygiene pursuant to the provisions
53 of section 75.25 of the mental hygiene law, (c) to pay all costs,

39 § 56. Subdivision 1 of section 1531 of the real property actions and
40 proceedings law, as amended by chapter 550 of the laws of 1978, is
41 amended to read as follows:

42 1. A final judgment in favor of either party, in an action brought as
43 prescribed in this article, is conclusive, as to the title established

48 filing of the judgment roll, or of the notice of the pendency of the
49 action, as prescribed by law; also against each person not in being or
50 ascertained at the commencement of the action, who by any contingency
51 contained in a devise or grant or otherwise, could afterward become
52 entitled to a beneficial estate or interest in the property involved,
53 provided that every person in being who would have been entitled to such
54 estate or interest if such event had happened immediately before the
55 commencement of the action is a party thereto, or that a guardian ad
56 litem is appointed, as prescribed by section 1513 of this article.

§ 57. Subdivisions 1, 3, and 4 of section 1651 of the real property actions and proceedings law, as amended by chapter 115 of the laws of 1981, are amended to read as follows:

1. Where an infant, ~~[mentally-retarded]~~ intellectually disabled person, mentally ill person, alcohol abuser or conservatee holds real property, in joint tenancy or in common, the general guardian of the infant, or the committee of the ~~[mentally-retarded]~~ intellectually disabled person, mentally ill person, or alcohol abuser, or conservator of the conservatee, may apply to the supreme court or to the county court of the county wherein the real property is situated, for authority to agree to a partition of the real property. Where such application affects the interests of an incompetent person or a conservatee who has been committed to a state institution, and is an inmate thereof, notice of such application must be given to the superintendent, acting superintendent or state officer having special jurisdiction over the institution where the incompetent person or conservatee is confined. Irrespective of the location of any real property held by an infant in joint tenancy or in common, his general guardian may make such application to the surrogate's court which appointed such guardian. A certified copy of the decree entered in the surrogate's court on such application must be recorded in the office of the clerk of each county in which is situated property affected by such decree.

3. If, after due inquiry into the merits of the application, by a reference or otherwise, the court is of the opinion that the interests of the infant, or of the ~~[mentally-retarded]~~ intellectually disabled person, mentally ill person, alcohol abuser or conservatee, will be promoted by the partition proposed, it may make an order authorizing the petitioner to agree to the partition proposed, and in the name of the infant, or of the ~~[mentally-retarded]~~ intellectually disabled person, mentally ill person, alcohol abuser or conservatee, to execute releases of his right and interest in and to that part of the property which falls to the shares of the other joint-tenants or tenants in common. 4. Releases so executed have the same validity and effect, as if they were executed by the person in whose behalf they are executed, and as if the infant was of full age, or the ~~[mentally-retarded]~~ intellectually disabled person, mentally ill person, or alcohol abuser was of sound mind, and competent to manage his affairs, or the conservatee was competent to manage his affairs.

8 is amended to read as follows:

9 It is hereby found and declared that the provision of new and improved

12 to meet its responsibilities in the face of an increasing state popu-
13 lation, a growing awareness that mental disability can be treated effec-
14 tively, and new research advances in treatment methods. An expanded
15 construction program is essential to relieve overcrowding in the state
16 hospitals for the mentally ill, to provide treatment and care for the
17 increasing population of ~~[mentally-retarded]~~ intellectually disabled in
18 state schools, and to permit the establishment of special treatment
19 programs for mentally ill and emotionally disturbed children and for the
20 mentally ill blind and the mentally ill deaf. Existing state facilities
21 require substantial modernization and structural change to accommodate
22 new concepts of treatment for the ~~[mentally]~~ intellectually disabled and
23 special units for the treatment of alcoholism and narcotics addiction.
24 Larger and better equipped research facilities must be installed in
25 order to insure that state treatment units are in the forefront of
26 applying and developing advanced therapeutic methods. At the same time,
27 improved training facilities and quarters are needed to attract and
28 retain the best-qualified staff personnel.

29 § 78. The third undesignated paragraph of section 2 of section 1 of
30 chapter 359 of the laws of 1968, constituting the facilities development
31 corporation act, as amended by chapter 547 of the laws of 1979, is
32 amended to read as follows:

33 It is further found and declared that the provision of new and
34 improved community mental health and ~~[retardation]~~ intellectual disabili-
35 ty facilities must be accelerated, in order to provide comprehensive
36 care and treatment of the mentally ill and ~~[mentally-retarded]~~ intellec-
37 tually disabled. Such community mental health and ~~[retardation]~~ intel-
38 lectual disability facilities should be located close to the people they
39 serve, in order to speed rehabilitation and restoration, by involving
40 families and community resources to the extent practicable. Such an
41 accelerated construction program will also help relieve overcrowding in
42 state facilities for the mentally ill and ~~[mentally-retarded]~~ intellec-
43 tually disabled and will afford treatment and care for the increasing
44 number of ~~[mentally-retarded]~~ intellectually disabled. Such a program
45 will increase the number of local facilities for out-patient care and
46 short-term in-patient care, including after care, diagnostic and rehabi-
47 litative services, training and research. While the responsibility for
48 the professional care, maintenance and treatment of the mentally ill and
49 ~~[mentally-retarded]~~ intellectually disabled at all such community mental
50 health and ~~[retardation]~~ intellectual disability facilities should
51 continue in the local governments, subject to the provisions of article
52 forty-one of the mental hygiene law and the regulations of the commis-
53 sioners of the offices of the department having jurisdiction thereof,
54 the legislature further finds and declares that the Facilities Develop-
55 ment Corporation should be empowered to aid cities and counties, at
56 their request, to provide new and improved community mental health and

1 [~~retardation~~] intellectual disability facilities in order to insure
2 their timely construction, acquisition, reconstruction, rehabilitation
3 and improvement in relation to current and foreseeable needs and the
4 emergence of new patterns of treatment and care and should be empowered
5 to receive and administer monies for such purpose.

6 § 79. Subdivisions 10 and 19 of section 3 of section 1 of chapter 359
7 of the laws of 1968, constituting the facilities development corporation
8 act, subdivision 10 as amended by section 1 of part N of chapter 59 of
9 the laws of 2016 and subdivision 19 as amended by section 1 of part H of

21 whether for patient care and treatment or staff, staff family or service
22 use, located at or related to any psychiatric center, any developmental

32 context clearly requires otherwise, and shall also mean and include any
33 treatment facility for use in the conduct of an alcoholism or substance
34 abuse treatment program that is also operated as an associated health
35 care facility. The definition contained in this subdivision shall not be
36 construed to exclude therefrom a facility owned or leased by one or more

44 subdivision shall not be construed to exclude therefrom a facility with
45 respect to which a voluntary agency has an ownership interest in, and
46 proprietary lease from, an organization formed for the purpose of the
47 cooperative ownership of real estate.

48 19. "Voluntary agency" means a corporation organized under or existing

3 include any entity receiving financing, approvals or assistance of any
4 form from the state housing finance agency or the state division of
5 housing and community renewal for one or more integrated housing
6 projects including projects serving persons with mental disabilities,

11 § 80. Paragraph a of subdivision 8 and subdivision 13 of section 5 of

17 and the director of the budget, to purchase real property necessary or
18 convenient for a mental hygiene facilities improvement program in the
19 name of the state, except where such purchase is for the purpose of
20 providing community mental health and [~~retardation~~] intellectual disa-
21 bility facilities in which case such purchase shall be in its own name;
22 provided, however, that all such purchases shall be made pursuant to
23 legislation or appropriations in accordance with section nine of this
24 act. Nothing in this section contained shall be construed to prohibit
25 the acquisition of real property by purchase or appropriation by the
26 appropriate commissioner of the department pursuant to article seventy-
27 one of the mental hygiene law for the purpose of making mental hygiene
28 facilities available under license or permit from the corporation to a
29 voluntary agency, subject to the terms and conditions of any lease,
30 sublease, loan or other financing agreement with the state housing
31 finance agency or the state medical care facilities finance agency, (i)
32 for use in providing community mental health and [~~retardation~~] intellec-

41 case of community mental health and [~~retardation~~] intellectual disabili-
42 ty facilities, of the city or county, that such real property held for
43 the purposes of a mental hygiene facilities improvement program is
44 unnecessary for the present or foreseeable future needs of a mental
45 hygiene facility, with the approval of the director of the budget, to
46 convey for fair value any right, title or interest of the people of the
47 state of New York in and to such real property to any appropriate state
48 agency, or public corporation, city or county for other public use or
49 for sale, lease or other disposition in accordance with law, real prop-

51 vision shall be deemed to supercede the provisions of section 41.34 of
52 the mental hygiene law and provided further that any such conveyance
53 shall be subject to, and consistent with the terms and objectives of,
54 any plan developed by the state interagency council on mental hygiene
55 property utilization. The corporation shall provide written notice at
56 least thirty days in advance of the effective date of any conveyance to

1 the governor, the majority leader of the senate and the speaker of the
2 assembly. No conveyance as authorized in this subdivision that may
3 adversely affect the tax exempt nature of any such lease, sublease, loan
4 or other financing agreement with the state housing finance agency or
5 the New York state medical care facilities finance agency may occur
6 until the attorney general or other designated bond counsel determines
7 in writing that the conveyance is consistent with all applicable state
8 and federal laws, rules and regulations, and with deeds, leases,
9 subleases, loan agreements, financing agreements, and bond resolutions
10 relating to or affected by the conveyance, and that the conveyance does
11 not impair the tax exempt status of outstanding obligations issued by
12 the state housing finance agency or the New York state medical care
13 facilities finance agency to finance or refinance the design,
14 construction, acquisition, reconstruction, rehabilitation or improvement
15 of mental health service facilities as defined in the New York state
16 medical care facilities finance agency act.

50 lease or conveyance was made, or to cause the same to be done, as
51 provided for in a lease, sublease or other agreement entered into with
52 such city or county, then, subject to the terms of any lease, sublease
53 or other agreement undertaken by the New York state housing finance
54 agency or the state medical care facilities finance agency, with respect
55 thereto, such real property and any facilities thereon shall revert to
56 such city or county with right of re-entry thereupon, and such lease or

2 provided, however, that as a condition precedent to the exercise of such
3 right of re-entry, such city or county shall pay an amount equal to the
4 sum of the purchase price of such real property, the depreciated cost of
5 any facility or facilities constructed, reconstructed, rehabilitated or
6 improved thereon, and all other costs of the corporation or the New York
7 state housing finance agency or the state medical care facilities
8 finance agency incident to the costs of the acquisition of such real
9 property and the financing of construction, reconstruction, rehabili-

25 intellectual disability facilities undertaken by the corporation pursu-
26 ant to this act may include the cost of acquisition of any real property
27 leased or conveyed to the corporation pursuant to paragraph a of this
28 subdivision [~~six~~] and the cost of the original furnishing, equipment,
29 machinery and apparatus as determined by the corporation.

30 f. The provisions of this act shall not be deemed to prevent a city or
31 county from financing the cost of constructing, acquiring, reconstruct-
32 ing, rehabilitating or improving a community mental health and [~~retarda-~~
33 ~~tion~~] intellectual disability facility by the issuance of bonds or capi-
34 tal notes of such city or county pursuant to the local finance law.
