8 § 1240. Statement of legislative findings and purpose. The legislature
9 hereby finds and declares that there exists in New York state a serious
10 need to eliminate older, dilapidated mobile and manufactured homes and
11 replace them with new manufactured, modular or site-built homes. Older
12 mobile or manufactured home units with rusted, leaking metal roofs,
13 metal-framed windows with interior take-out storms, and metal siding,
14 are those that most need replacement. No matter the amount of rehabili-
15 tation investment, the end result is unsatisfactory in terms of longev-
16 ity, energy efficiency and affordability. The legislature therefore
17 finds that the state should establish a program to fund the replacement
18 of mobile or manufactured homes with new affordable and energy efficient
19 manufactured, modular or site-built homes.

20 § 1241. Definitions. For the purposes of this article the following
21 terms shall have the following meanings:

18 interest or payments will be required on the DPL unless the property is
19 sold or transferred before the regulatory term expires. In such cases
20 funds will be recaptured from the proceeds of the sale of the home, on a
21 declining balance basis, unless an income-eligible immediate family
