2021-2022 Regular Sessions

IN SENATE

May 20, 2021

Introduced by Sen. MARTUCCI -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT authorizing the conveyance of real property at the State University of New York College at Delhi

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the State
2 University of New York, Agricultural and Technical College at Delhi
3 ("University") is in need of additional facilities to fulfill its legis-
4 latively mandated mission of providing educational experiences and
5 applied learning opportunities to its students. Specifically, the
6 College Foundation at Delhi, Inc. ("Foundation") has offered to
7 construct, maintain and operate a hotel to support the University's
8 hospitality management program on a site that is currently state-owned
9 land. To effectuate this development, the Foundation would exchange four
10 parcels of land to be put to future academic purposes with a parcel of
11 state-owned land located in the Town of Delhi.

12 The legislature further finds that granting the trustees of the State
13 University of New York the authority and power to exchange the subject
14 land will ensure such activity will promote the continued investment in
15 tourism and economic development in the surrounding community.

16 § 2. Notwithstanding any other provision of law, the state of New York
17 is authorized to convey to the College Foundation at Delhi, Inc. all its
18 rights, title and interest in the real property and improvements thereon
19 described as Parcel A in section three of this act, now owned by the
20 state of New York and under the jurisdiction of the State University of
21 New York College at Delhi, in exchange for the conveyance by the College
22 Foundation at Delhi, Inc. to the state of New York, for the benefit of
23 the State University of New York College at Delhi, of all its rights,
24 title and interest in the real property and improvements thereon
25 described as Parcels B-1, B-2, B-3, and B-4 in section four of this act,

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
