5 read as follows:

6 (a) Investigation. The board for professional medical conduct, by a  
7 committee on professional conduct, may investigate on its own any

9 received regardless of the source. The results of the investigation and  
10 an objective summary statement produced by the investigator along with a  
11 recommendation shall be referred to the director of the office of  
12 professional medical conduct. If the director of the office of profes-  
13 sional medical conduct, after consultation with a professional member of  
14 the board for professional medical conduct, determines that a hearing is  
15 warranted he shall direct counsel to prepare the charges within fifteen  
16 days thereafter. If it is determined by the director that the complaint  
17 involves a question of professional expertise then such director may  
18 seek, and if so shall obtain, the concurrence of at least two members of

29 shops on sexual misconduct and sexual harassment for the office of  
30 professional medical conduct staff, including investigators, medical

32 provide comprehensive orientation and training on sexual misconduct and  
33 sexual harassment issues utilizing expert speakers, physicians, repre-  
34 sentatives from the office of the attorney general, crisis intervention  
35 centers, and related community programs.

48 accordance with the provisions of such statement.

49 3. Said statement of rights and responsibilities regarding protection  
50 from sexual misconduct shall include, but not be limited to the follow-  
51 ing:

3 4. Each hospital shall give a copy of the statement to each patient at  
4 or prior to the time of admission to the hospital, or to the appointed  
5 personal representative at the time of appointment. Such statement shall  
6 be provided in a document in addition to, and separate from, any other  
7 statement of rights and responsibilities required pursuant to the  
8 provisions of this chapter. Upon acknowledgment of the statement by the  
9 patient, an acceptance or declination of the presence of a chaperone  
10 shall be noted in such patient's chart.

11 § 5. Section 6530 of the education law is amended by adding a new  
12 subdivision 51 to read as follows:

25 ment of health and human services national practitioner data bank upon  
26 an initial request for licensure by an applicant pursuant to section  
27 sixty-five hundred twenty-four of this article. If such query returns  
28 any instance of professional misconduct by the applicant, the board  
29 shall consider both the severity of the misconduct alone and in relation  
30 to the probability of such misconduct recurring upon licensure when  
31 determining whether an application for licensure shall be denied or  
32 whether to grant the applicant a hearing regarding such instance of  
33 professional misconduct.

34 § 7. This act shall take effect on the ninetieth day after it shall  
35 have become a law provided, however, that the amendments to paragraph  
36 (a) of subdivision 10 of section 230 of the public health law made by
