2021-2022 Regular Sessions

IN SENATE

June 5, 2021

Introduced by Sen. MYRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the general business law, in relation to the dangers to safety and health and creation of a public nuisance caused by the sale, manufacturing, distribution, importing and marketing of firearms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. The legislature hereby 1 2 finds that the illegal use of firearms not only constitutes a public 3 nuisance as declared in article 400 of the penal law, but that the 4 effects of such nuisance contribute to the public health crisis of gun violence in this state as declared by the legislature in the 2021-2022 5 legislative session. This nuisance poses specific harm to New Yorkers б 7 based largely on their zip code and certain immutable characteristics 8 such as race and ethnicity. Illegal firearm violence has disproportion-9 ately affected underserved black and brown neighborhoods in our cities 10 and throughout the state despite stringent state and local laws against 11 the illegal possession of firearms while, according to the Bureau of 12 Alcohol, Tobacco, Firearms and Explosives statistics, 74% of firearms 13 used in crimes in New York are purchased outside of New York. Thus, the 14 legislature further finds that given the ease at which legal firearms 15 flow into the illegal market, and given the specific harm illegal 16 firearm violence causes certain New Yorkers, those responsible for the illegal or unreasonable sale, manufacture, distribution, importing or 17 marketing of firearms may be held liable for the public nuisance caused 18 19 by such activities. Additionally, many New Yorkers, including many 20 children, are gravely injured or killed unintentionally due to the 21 firearm industry's failure to implement reasonable safety measures and 22 the legislature finds that this failure also warrants liability.

23 § 2. The general business law is amended by adding a new article 24 39-DDDD to read as follows:

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
