2021-2022 Regular Sessions

IN SENATE

August 27, 2021

Introduced by Sen. HARCKHAM -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the insurance law, in relation to including clinically necessary treatment for certain inpatient coverage

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph 30 of subsection (i) of section 3216 of the insurance law, as amended by section 5 of subpart A of part BB of chapter 57 of the laws of 2019, is amended to read as follows:

(30)(A) Every policy that provides hospital, major medical or similar comprehensive coverage shall provide inpatient coverage for the diagnosis and treatment of substance use disorder, including detoxification and rehabilitation services. Such inpatient coverage [shall] may include [unlimited medically] clinically necessary treatment for substance use disorder treatment services provided in residential settings at the discretion of the service provider. Further, such inpatient coverage 11 shall not apply financial requirements or treatment limitations, includ-12 ing utilization review requirements, to inpatient substance use disorder 13 benefits that are more restrictive than the predominant financial 14 requirements and treatment limitations applied to substantially all 15 medical and surgical benefits covered by the policy.

and that are consistent with those imposed on other benefits within a given policy.

3 (D) This subparagraph shall apply to facilities in this state that are 4 licensed, certified or otherwise authorized by the office of [alcoholism and substance abuse addiction services and supports that are participating in the insurer's provider network. Coverage provided under this 7 paragraph shall not be subject to preauthorization. Coverage provided under this paragraph shall also not be subject to concurrent utilization 9 review during the first twenty-eight days of the inpatient admission 10 provided that the facility notifies the insurer of both the admission 11 and the initial treatment plan within two business days of the admis-The facility shall perform daily clinical review of the patient, 12 13 including periodic consultation with the insurer at or just prior to the 14 fourteenth day of treatment to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the 15 16 insurer which is designated by the office of [alcoholism and substance 17 abuse] addiction services and supports and appropriate to the age of the patient, to ensure that the inpatient treatment is [medically] clin-18 ically necessary for the patient. Prior to discharge, the facility shall 19 20 provide the patient and the insurer with a written discharge plan which 21 shall describe arrangements for additional services needed following discharge from the inpatient facility as determined using the evidence-22 based and peer-reviewed clinical review tool utilized by the insurer 23 which is designated by the office of [algoholism and substance abuse] 24 addiction services and supports. Prior to discharge, the facility shall 25 26 indicate to the insurer whether services included in the discharge plan 27 are secured or determined to be reasonably available. Any utilization review of treatment provided under this subparagraph may include a 28 29 review of all services provided during such inpatient treatment, includ-30 ing all services provided during the first twenty-eight days of such 31 inpatient treatment. Provided, however, [the] such utilization review 32 shall only be imposed to the extent the insurer's requirements are permitted under the federal Paul Wellstone and Pete Domenici Mental 33 Health Parity and Addiction Equity Act of 2008 and applicable regu-34 35 lations (29 U.S.C. § 1185a; 42 U.S.C. § 300gg-26; 45 C.F.R. Parts 146, 36 147). The insurer [shall] may only deny coverage for any portion of the 37 initial twenty-eight day inpatient treatment on the basis that such 38 treatment was not [medically clinically necessary if such inpatient treatment was [contrary to] not indicated by the evidence-based and peer 39 reviewed clinical review tool utilized by the insurer which is desig-40 nated by the office of [alcoholism and substance abuse] addiction 41 42 services and supports. Any denial must specifically identify: (i) how 43 such treatment was not indicated by the office of addiction services and supports designated clinical review tool; and (ii) how the policy 44 45 applied the office of addiction services and supports designated tool to 46 the outpatient substance use disorder care in a manner comparable to and 47 no more stringent than the policy's application of its clinical review tool for outpatient medical and surgical benefits covered by the policy. 48 Any concurrent or retrospective review imposed by the plan, both as 49 written and as applied, must be consistent with the federal Paul Well-50 51 stone and Pete Domenici Mental Health Parity and Addiction Equity Act of 52 2008 and applicable regulations (29 U.S.C. § 1185a; 42 U.S.C. § 300gg-53 26; 45 C.F.R. Parts 146, 147). An insured shall not have any financial 54 obligation to the facility for any treatment under this subparagraph 55 other than any copayment, coinsurance, or deductible otherwise required under the policy.

- (E) An insurer shall make available to any insured, prospective or in-network provider, upon request, the criteria for [medical] clinical necessity determinations under the policy with respect to inpatient substance use disorder benefits.
 - (F) For purposes of this paragraph:
 - (i) "financial requirement" means deductible, copayments, coinsurance and out-of-pocket expenses;
- (ii) "predominant" means that a financial requirement or treatment limitation is the most common or frequent of such type of limit or requirement;
- (iii) "treatment limitation" means limits on the frequency of treatment, number of visits, days of coverage, or other similar limits on the scope or duration of treatment and includes nonquantitative treatment limitations such as: medical management standards limiting or excluding benefits based on [medical] clinical necessity, or based on whether the treatment is experimental or investigational; formulary design for prescription drugs; network tier design; standards for provider admission to participate in a network, including reimbursement rates; methods for determining usual, customary, and reasonable charges; fail-first or step therapy protocols; exclusions based on failure to complete a course of treatment; and restrictions based on geographic location, facility type, provider specialty, and other criteria that limit the scope or duration of benefits for services provided under the policy; [and]
- (iv) "substance use disorder" shall have the meaning set forth in the most recent edition of the diagnostic and statistical manual of mental disorders or the most recent edition of another generally recognized independent standard of current medical practice, such as the international classification of diseases[+]; and
- (v) "clinical necessity" means both an individual's medical needs and 30 any social determinants of health that will promote such individual's 31 stability following discharge from treatment.
- (G) An insurer shall provide coverage under this paragraph, at a mini-33 mum, consistent with the federal Paul Wellstone and Pete Domenici Mental 34 Health Parity and Addiction Equity Act of 2008 (29 U.S.C. § 1185a).
 - § 2. This act shall take effect immediately.
