3 resides, and at a primary election, the party in which he or she is
4 enrolled. The inspectors of election shall offer such an affidavit to
5 each such voter whose residence address is in such election district,

12 according to law. Such form prescribed by the state board of elections
13 shall request information required to register such voter should the
14 county board determine that such voter is not registered and shall
15 constitute an application to register to vote. The voter's name and the
16 entries required shall then be entered without delay and without further
17 inquiry in the fourth section of the challenge report or in the place
18 provided in the computer generated registration list, with the notation
19 that the voter has executed the affidavit hereinabove prescribed, or, if
20 such person's name appears in such registration list, the board of
21 elections may provide a place to make such entry next to his or her name
22 in such list. The voter shall then, without further inquiry, be permit-

24 ballot shall thereupon be placed in the envelope containing his or her

42 this section, any absentee ballot received by the board of elections by
43 mail that does not bear or display a dated postmark shall be presumed to
