2021-2022 Regular Sessions

IN SENATE

October 20, 2021

Introduced by Sens. KRUEGER, GAUGHRAN, KAPLAN, MAY, MAYER, RAMOS -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public authorities law, in relation to establishing the electric landscaping equipment rebate program; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public authorities law is amended by adding a new
2 section 1884 to read as follows:

3 § 1884. Electric landscaping equipment rebate program. 1. There is
4 hereby created within the authority an electric landscaping equipment
5 rebate program. The purpose of the program is to reduce greenhouse gas
6 emissions, improve air quality, and reduce noise pollution by promoting
7 the adoption of quieter, zero-emission landscaping equipment.

8 2. As used in this section:

9 (a) "Commercial landscaping business" shall mean a sole-proprietor-
10 ship, firm, limited liability company, partnership, corporation or other
11 business entity whose primary concern involves the care and maintenance
12 of yards, gardens, or other outdoor landscapes for clients, including,
13 but not limited to, lawn care, gardening, and the removal or pruning of
14 trees or shrubs.

15 (b) "Institutional or commercial applicant" shall mean a commercial
16 landscaping business, or a state agency, state authority, local authori-
17 ty, town, county, village, school district, private school, university,
18 not-for-profit corporation, or other nonprofit organization.

19 (c) "Individual applicant" shall mean a person, who is not an institu-
20 tional or commercial applicant, and who intends to use an eligible lawn
21 care device for private home use and not for any commercial purposes.

22 (d) "Eligible lawn care device" shall mean a battery-powered electric
23 lawn care device that is new, has not been used or previously owned, and

1 is purchased or leased from a storefront or online retailer. Eligible
2 lawn care device shall not include corded electric equipment, reel
3 mowers, or tractors used to pull other lawn care devices.

4 (e) "Lawn care device" shall mean any device powered mechanically,
5 which is intended to be used or is actually used for the mowing of
6 grass, the cutting or chipping of trees, tree roots or tree branches, or
7 the clearing of leaves or other vegetation from lawns, sidewalks, public
8 streets or public highways and shall include, but not be limited to,
9 such devices as lawn mowers and lawn mower attachments, lawn edgers and
10 trimmers, leaf blowers, leaf vacuums, mulchers, chippers, chainsaws, and
11 pole saws, as well as batteries and chargers for such devices.

12 (f) "Local authority" shall have the same meaning as in subdivision
13 two of section two of this chapter.

14 (g) "State agency" shall mean all state departments, boards, commis-
15 sions, offices or institutions.

16 (h) "State authority" shall have the same meaning as in subdivision
17 one of section two of this chapter.

18 3. The authority shall award rebates at the point of sale for eligible
19 lawn care devices in amounts as determined by this section. An institu-
20 tional or commercial applicant shall receive no more than fifteen thou-
21 sand dollars in rebates through the electric landscaping equipment
22 rebate program per year. An individual applicant shall receive no more
23 than three hundred dollars in rebates through the electric landscaping
24 equipment rebate program per year.

25 4. The authority shall determine the rebate eligibility of each appli-
26 cant in accordance with the requirements of this section and rules
27 promulgated by the authority. The total amount of rebates allocated to
28 certified applicants in each fiscal year shall not exceed the amount of
29 funds available for the program in such fiscal year. Rebates shall be
30 allocated to applicants on a first-come, first-served basis, determined
31 by the date the application is received, until all appropriated funds
32 for the fiscal year are expended or the program ends, whichever comes
33 first. The authority shall have authority to reduce eligible lawn care
34 device rebate amounts from the amounts specified in subdivision seven of
35 this section. Such reduction shall occur only if the authority deter-
36 mines that funds would otherwise be exhausted prior to the end of a
37 fiscal year.

38 5. The authority shall promulgate rules and regulations to implement
39 and administer the provisions of this section no later than one year
40 after the effective date of this section, including rules and regu-
41 lations relating to the forms required to claim a rebate under this
42 section, the required documentation and basis for establishing eligibil-
43 ity for a rebate, procedures and guidelines for claiming a rebate, the
44 collection of economic impact data from applicants, and any other
45 requirements the authority deems necessary. The authority shall conduct
46 education and outreach, with informational materials made available in
47 at least English and the three most common non-English languages spoken
48 by individuals with limited-English proficiency in the state of New
49 York, based on United States census data, as necessary to inform poten-
50 tial applicants and manufacturers and retailers of eligible lawn care
51 devices about the electric landscaping equipment rebate program.

52 6. The authority shall determine and publish on its website on an
53 ongoing basis the amount of available funding for rebates remaining in
54 each fiscal year.

55 7. (a) The purchaser or lessee of an eligible lawn care device may be
56 eligible for the following rebates:

1 (i) an applicant who purchases or leases a new edger, trimmer, chain-
2 saw, or pole saw may receive a rebate of up to seventy percent of the
3 purchase price, but no more than two hundred dollars per device.

4 (ii) an applicant who purchases or leases a new leaf blower or leaf
5 vacuum may receive a rebate of up to seventy percent of the purchase
6 price, but no more than two hundred dollars per device.

7 (iii) an applicant who purchases or leases a new walk-behind mower may
8 receive a rebate of up to seventy percent of the purchase price, but no
9 more than five hundred dollars per device.

10 (iv) an applicant who purchases or leases a new ride-on or stand-ride
11 mower may receive a rebate of up to seventy percent of the purchase
12 price, but no more than five thousand dollars per device.

13 (v) an applicant who purchases or leases additional batteries and
14 chargers for an eligible lawn care device may receive a rebate of one
15 hundred percent of the purchase price for up to two batteries and one
16 charger per eligible lawn care device purchased.

17 (b) The calculation of the purchase price shall not include additional
18 costs such as taxes, fees, accessories, or delivery charges.

19 8. No later than two years after the effective date of this section,
20 and annually thereafter on the first of January, the authority shall
21 issue a report to the temporary president of the senate, the speaker of
22 the assembly, the chair of the senate committee on energy and telecommu-
23 nications and the chair of the assembly committee on energy detailing
24 the status of the electric landscaping equipment rebate program. Such
25 report shall include:

26 (a) the amount of funding dedicated by the authority for the program
27 in the preceding year;

28 (b) the amount of eligible purchases for which a rebate was awarded;

29 (c) the amount and geographic distribution of rebates; and

30 (d) any other information the authority deems necessary.

31 § 2. This act shall take effect immediately and shall expire and be
32 deemed repealed January 1, 2030.
