Introduced by Sen. KAPLAN -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to requiring the state university of New York and the city university of New York to adopt certain provisions related to student mental health

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 362 to  
2 read as follows:

3 § 362. Student mental health. 1. The university shall create and  
4 administer, at the start of a student's freshman and junior year, a  
5 mental health survey. Such survey shall include, but not be limited to,  
6 questions regarding a student's mental health and general well-being.  
7 Participation in such survey shall be optional to each student, and the  
8 results of such survey from participating students shall be sent to the  
9 chancellor of the university, appropriate staff including but not limit-  
10 ed to the president of each state-operated institution of the universi-  
11 ty, any oversight council as mandated pursuant to section three hundred  
12 fifty-six of this article and any licensed mental health practitioners  
13 employed by any of the state-operated institutions of the university.

14 2. There shall be a five member committee established within the  
15 university that shall be responsible for engaging with and disseminating  
16 mental health resources to faculty, staff and students. Such committee  
17 shall be composed of a group of individuals chosen by the chancellor of  
18 the university in conjunction with the presidents of each state-operated  
19 institution of the university. Such committee shall also be responsible  
20 for making recommendations to the regents of the university regarding  
21 how often and in what manner faculty of the university shall provide  
22 mental health wellness days and excused absences from class for  
23 students.

24 3. All faculty and other staff of the university shall be required on  
25 an annual basis to undergo mental health training with a focus on iden-

1 tifying or recognizing signs of mental distress among students. The  
2 chancellor of the university, in conjunction with the commissioner,  
3 shall prescribe the form and manner in which such training shall be  
4 provided.

5 4. The university shall also take the following actions regarding  
6 student mental health:

7 (a) review enrollment and re-enrollment policies of the university and  
8 create specific provisions for students that may require extended mental  
9 health leave;

10 (b) create opportunities for telehealth and virtual counseling  
11 options;

12 (c) require a mental health seminar to be included in all orientation  
13 programs for newly enrolled students; and

14 (d) institute other programs to address and improve student mental  
15 health.

16 § 2. The education law is amended by adding a new section 6235 to read  
17 as follows:

18 § 6235. Student mental health. 1. The city university shall create and  
19 administer, at the start of a student's freshman and junior year a  
20 mental health survey. Such survey shall include, but not be limited to,  
21 questions regarding a student's mental health and general well-being.  
22 Participation in such survey shall be optional to each student, and the  
23 results of such survey from participating students shall be sent to the  
24 chancellor of the city university, appropriate staff including but not  
25 limited to the president of each senior and community college of the  
26 city university, any oversight council of the city university and any  
27 licensed mental health practitioners employed by any of the senior or  
28 community colleges within the city university.

29 2. There shall be a five member committee established within the city  
30 university that shall be responsible for engaging with and disseminating  
31 mental health resources to faculty, staff and students. Such committee  
32 shall be composed of a group of individuals chosen by the chancellor of  
33 the city university in conjunction with the presidents of each city-op-  
34 erated institution of the university. Such committee shall also be  
35 responsible for making recommendations to the board of trustees regard-  
36 ing how often and in what manner faculty of the city university shall  
37 provide mental health wellness days and excused absences from class for  
38 students.

39 3. All faculty and other staff of the city university shall be  
40 required on an annual basis to undergo mental health training with a  
41 focus on identifying or recognizing signs of mental distress among  
42 students. The chancellor of the city university, in conjunction with the  
43 commissioner, shall prescribe the form and manner in which such training  
44 shall be provided.

45 4. The city university shall also take the following actions regarding  
46 student mental health:

47 (a) review enrollment and re-enrollment policies of the city universi-  
48 ty and create specific provisions for students that may require extended  
49 mental health leave;

50 (b) create opportunities for telehealth and virtual counseling  
51 options;

52 (c) require a mental health seminar to be included in all orientation  
53 programs for newly enrolled students; and

54 (d) institute other programs to address and improve student mental  
55 health.

56 § 3. This act shall take effect immediately.
